A Pot Full of Hope

Platinum Bushvelder newspaper | Thabazimbi – The crackle of open fires, the inviting smell of slow-cooked potjiekos and the laughter of children filled Thabang Children's Project on Monday, 20 July 2026, as the annual Mandela Day Potjiekos Challenge once again proved that compassion is one of Thabazimbi's greatest strengths.

Teams from Redpath Mining, Northam Platinum Zondereinde Mine, Thabazimbi SAPS, Northam VLU, the Department of Social Development, Save the Children Africa, Kgora Safaris and the dedicated Thabang Children's Project staff came together with one shared purpose: to make a meaningful difference in the lives of vulnerable children. While Redpath Mining celebrated an impressive third consecutive Potjiekos Challenge victory, the

real triumph belonged to every person who donated their time, resources and hearts.

The spirit of giving extended far beyond the cooking fires, with generous donations from Northam Platinum Zondereinde Mine and Shoprite, alongside the support of many volunteers and community partners, helping Thabang continue its vital work of providing a safe home for 32 children and daily care and support to dozens more through its Chromite Drop-in Centre.

Mandela Day reminds us that changing lives doesn't always require grand gestures. Sometimes it begins with a shared meal, a helping hand, or simply showing up.

Turn to Page 4 to see how a simple potjie became a powerful expression of community, compassion and hope.

Farm shooting case delayed again as investigations continue

As the case continues through the legal process, authorities have again urged firearm owners to ensure that firearms are stored securely and handled responsibly at all times, particularly where children may have access to them.

Weekend Fires Keep Emergency Services on High Alert

The most significant incident occurred on Sunday, 19 July, at approximately 14:30, when a large veld fire broke out near the Northam/ Koedoeskop turn-off on the Northam–Thabazimbi Road. Firefighters from Thaba Fire & Rescue (TFR), assisted by local farmers, the Amandelbult Fire & Rescue Team, and the Northam Platinum Fire Team, battled the blaze for more

Firefighters worked tirelessly throughout the weekend as multiple veld and structural fires kept emergency services busy across the Thabazimbi region.

The causes of the various fires remain under investigation. With the fire season now in full swing, residents are urged to exercise extreme caution when using open flames, burning refuse, or conducting any activity that could spark a wild fire. Even a small flame can quickly spread under the current dry and windy conditions, placing lives, property, livestock and the environment at risk.

Armed farm robbers still behind bars as case continues

The accused, Jerry Nkosi, Simphiwe Ndlovu and Manuel Langa, appeared in court on 11 June 2026, where the matter was postponed to allow investigators additional time to finalise the case. The trio was arrested following an armed robbery on 2 June 2026 at a farm outside Thabazimbi.

According to police, the suspects, allegedly armed with firearms and wearing balaclavas,

The accused face charges including robbery with aggravating circumstances and possession of stolen property. They are expected to appear in court again on 2 October 2026, when the investigation is expected to have progressed further.

More Than a Potjie!

A COMMUNITY THAT COOKS WITH HEART

Platinum Bushvelder newspaper | Thabazimbi – Some days remind us that the simplest acts of kindness often leave the deepest impact. On Monday, 20 July 2026, the grounds of Thabang Children's Project on Klipgat Farm, about 18km outside Thabazimbi, came alive with crackling fires, bubbling potjies, laughter and heartfelt generosity as the annual Mandela Day Potjiekos Challenge united the community in support of vulnerable children.

While teams certainly hoped to take home the bragging rights, the real winners were the 32 children who call Thabang home, along with the many more young lives supported through the organisation's outreach programmes. Ten teams arrived early to light their fires and begin preparing their signature potjiekos dishes. Although Thabang supplied the meat and vegetables, every team brought along its own secret recipes, carefully guarded spices and a healthy dose of friendly rivalry.

As the aromas drifted across the farm, visitors enjoyed music, conversation and a wonderful atmosphere of camaraderie. The most important judges, however, were the children themselves. At lunchtime, they sampled each pot before casting the deciding votes. When the final scores were announced, Redpath Mining once again claimed top honours, securing an impressive third consecutive Potjiekos Challenge victory.

This year's event drew support from a wide range of organisations, including Redpath Mining, Northam Platinum Zondereinde Mine, Thabazimbi SAPS, Northam VLU, the Department of Social Development, Save the Children Africa, Kgora Safaris and the dedicated Thabang staff.

After the competition, there was no losing pot. Everyone gathered around long tables to enjoy the various dishes together, sharing a meal that reflected the true spirit of Mandela Day — people from different backgrounds coming together with one purpose: caring for others.

Thabang Children's Project general manager Linda Grobler expressed her sincere appreciation to everyone who gave their time, energy and support to make the day possible. She also extended special thanks to Northam Platinum Zondereinde Mine and Shoprite for their generous donations, which will help the organisation continue providing essential care to the children. "Support from our donors, volunteers and partners enables us to continue providing the care, protection and daily necessities our children need," Grobler said.

Thabang Children's Project currently provides full-time residential care to 32 children who have been placed at the home through court orders. In addition, the organisation operates a registered Drop-in Centre in Chromite, where around 50 children between the ages of four and 18 receive nutritious meals, homework assistance and developmental support every day.

More than 30 years after Nelson Mandela challenged South Africans to dedicate 67 minutes of service to others, this annual gathering remains a beautiful reminder that compassion is measured not only in donations, but also in time shared, meals prepared and hearts opened. Long after the last fire has gone cold, the kindness shown on the day will continue to warm the lives of the children who need it most.

PPC CEMENT SA (PTY) LTD – Dwaalboom

SOCIAL AND LABOUR PLAN

2024 – 2028 4th Generation SLP

Please take note:
The general publication of this document follows directly from approvals granted by the Department of Mineral and Petroleum Resources on the 29th of May 2026, in accordance with Regulation 46 (a) to (f) – "Contents of the Social and Labour Plan" – of the Mineral and Petroleum Resources Development Act (MPRD Act 28 of 2002)

1. EXECUTIVE SUMMARY
PPC Dwaalboom Mine is one of PPC's mining operations and operates as a mining source of cement manufacturing material in the Waterberg District, Limpopo Province in Ward 1 of the Thabazimbi Local Municipality. The mine is situated at the boundaries of Thabazimbi approximately 82 km from Thabazimbi Town and 23 km from Mkgalwaneng, Moses Kotane Municipality in the Northwest Province. The Dwaalboom labour is sourced from local communities. Immediate villages surrounding the mine are in ward 1 and ward 5 of the Moses Kotane Municipality and Ward 1 of the Thabazimbi Municipality. This document represents a summary of the approved 4th generation Social and Labour Plan (SLP) of the Dwaalboom mine, including the factory and geographical area. The SLP contains plans to effect its commitments to its employees and its communities aligned to the Mining Charter and the Broad Based Black Economic Empowerment regulations which PPC and all its operations embrace.

2. HUMAN RESOURCES DEVELOPMENT PROGRAMME
PPC Dwaalboom mine implements its human resources development programme with emphasis on career progression, skills development and mentoring, as required by the approved social and labour plan. The HRD Plan outlines five-year plans with targets and timeframes and are contained in the approved SLP document and include the following:

Learnerships | Bursary Scheme | Internships | YES

Programme | Mentorship | Portable Skills | Women Participation | & HDSA representation at management level

3. LOCAL ECONOMIC DEVELOPMENT (LED) PROGRAMME
PPC Dwaalboom SLP outlines the five-year plans consulted and agreed upon with communities and Municipalities, not discounting the corporate social investments (CSI) projects. PPC Dwaalboom mine has played and will continue to play an active role in education and infrastructure in its local communities and participate in integrated development plan consultations in both Thabazimbi and Moses Kotane municipalities. PPC's approach to Local Economic Development is participative, whereby the company through its local operations, collaborate with government and municipalities of the mine communities in the identification and implementation of Local Economic Development projects based on key identified needs as contained in the approved IDP's of the local municipalities.

3.1 LED Focus Areas
The focus areas for LED support by the Dwaalboom Mine include infrastructure development, community development, unemployment/job creation, economic growth triggers or LED enablers. The LED plans agreed to with the Municipalities in the mining community, specify the focus area(s) in terms of the aforementioned.

3.2 Approved LED Projects of the Dwaalboom Mine
Dwaalboom participated in the local IDP list study to ensure that the mine's selection and sponsorship of LED initiatives are linked to the government's development priorities. The below endorsed projects were identified during stakeholder engagements and are contained in the integrated development plans of the Moses Kotane and Thabazimbi Local municipalities.
