FAMILY FUN DAY A SUCCESS!

Swartklip – On Saturday, 24 June 2017, Living Word held a lovely family fun day on the school grounds of Laerskool Platina in Swartklip. There were various stalls, including curry and rice, pottery, clothing, vegetables. The event was not only a fundraiser for the Living Word establishment in Swartklip, but also provided an opportunity for the entrepreneurs to make a profit from their stalls. Solidarity Helping Hand also had a pottery teddy-bear where they collected money for the community’s students. Every stall made some profit, rewarding their hard work.

Nicky Hamman: “This unites families to come together and have fun.”

Dewald Strydom of Thuba Tours: “If everyone works together, it’s always a success!”

Wilmar Steynberg opening the event.

Susan Havenga all the way from Rustenburg (Boeipens Groente): “It’s nice to have the opportunity to market ourselves.”

Rene Mouton of Broll Northam: “It’s awesome to experience the anointing of the Lord with people of the community.”

Marie Van Zyl: “It’s very well organised and there is something of everything.”
