WHEN WILL IT GET BETTER?

The current state of the roads in Northam.

Countless cars have been damaged by potholes.

Northam – For the past two years the Northam Rate Payers Association (NRPA) has been pleading with the Thabazimbi Local Municipality (TLM) to repair the roads in Northam.

These efforts have been futile and over this period, very little has changed. Most of the streetlights still are still not working and the state of the roads is getting worse.

TLM's Northam satellite manager Malakia Dire is working hard to maintain consistency but without the necessary tools and equipment it is impossible to do the job.
