Psalm 46

¹God is our refuge and strength,
A very present help in trouble.
² Therefore we will not fear,
Even though the earth be removed,
And *though* the mountains be carried into the midst of the sea;
³ Though its waters roar and be troubled,
Though the mountains shake with its swelling. *Selah*

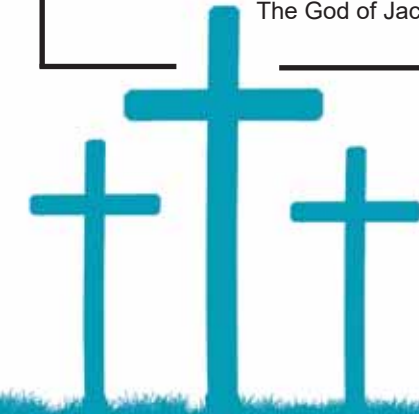

⁴ There is a river whose streams shall make glad the city of God,
The holy *place* of the tabernacle of the Most High.
⁵ God *is* in the midst of her, she shall not be moved;
God shall help her, just at the break of dawn.
⁶ The nations raged, the kingdoms were moved;
He uttered His voice, the earth melted.

⁷ The Lord of hosts *is* with us;
The God of Jacob is our refuge. *Selah*

⁸ Come, behold the works of the Lord,
Who has made desolations in the earth.
⁹ He makes wars cease to the end of the earth;
He breaks the bow and cuts the spear in two;
He burns the chariot in the fire.

¹⁰ Be still, and know that I *am* God;
I will be exalted among the nations,
I will be exalted in the earth!

¹¹ The Lord of hosts *is* with us;
The God of Jacob *is* our refuge. *Selah*

WHEN WILL IT GET BETTER?

TLM's Northam satellite manager Malakia Dire, NRPA chairperson David Gouveia, Butch Anley, Rian Roux and Dries Kotze.

Northam – For the past two years, the Northam Rate Payers Association (NRPA) has been pleading with the Thabazimbi Local Municipality (TLM) to repair the roads of Northam. These efforts have been futile and over this period very little has changed. Most of the streetlights are still not working and the state of the roads is getting worse. TLM's Northam satellite manager Malakia Dire is working hard to maintain consistency but without the necessary tools and equipment it is impossible to do the job. Promises were made by TLM at the integrated development planning meeting in Northam in November 2019. The promises are yet to be fulfilled. "The roads are very dangerous, especially at night. You can't even avoid the potholes

because you can't see them without the streetlights. Countless cars have been damaged due the horrible state of our roads," a concerned Northam community member told *Platinum Bushvelder*. A meeting was held on Monday 20 January by the NRPA to discuss the year plan for Northam. During the deliberations, NRPA chairperson David Gouveia called for an urgent follow-up meeting with the TLM municipal manager to resolve the issues. "TLM has been neglecting Northam for years now and this must stop," said Gouveia. The NRPA will be in constant correspondence with Dire, who will give prompt feedback regarding the service delivery issues. Gouveia would like to call on the community to stand together to make Northam a better place.
