Thabazimbi – Thabazimbi Local Municipality (TLM) is pleased to announce that it has improved its audit outcome for 2018/19 to a qualified opinion. A qualified opinion report is issued when the auditor encountered some situations which do not comply with generally accepted accounting principles, however the rest of the financial statements are fairly presented. Unlike an adverse or disclaimer of opinion, a qualified opinion is generally still acceptable to lenders, creditors, and investors. The good news on the improved audit outcome was officially delivered to the mayor on Thursday 13 February by Auditor General of South Africa (AGSA) representative Chris Stoumann.
