SUNÉ MAKES THABAZIMBI PROUD

The beautiful and elegant Suné Meyer.

Thabazimbi – Hoërskool Frikkie Meyer learner Suné Meyer entered her first national pageant competition, Miss Teenager Universe RSA. She started her journey at the beginning of 2020 with 14 other competing finalists. In the end, only eight girls remained to compete for the title on Saturday 11 July. During the pageant Suné had to undergo an intense interview, had to answer questions on stage and do her rounds in high fashion wear, bikini wear and evening wear. The competition was tough! The international organisation Miss Teenager Universe decided to send two girls from South Africa abroad due to the great number of strong contestants that entered. Suné ended up being crowned Miss Teenager Universe RSA 2020 and received the following sub-titles: Miss Debutante, Miss Public Choice and Miss Bikini Body. She was well-groomed throughout the finals wearing only the best garments which were designed by Peter Bondesio from Bondesio Couture. Suné worked extremely hard with her Damasa coach Dajana Rijetkovic to prepare for the finals, hours of hard work go into preparing for a national pageant. Now Suné will be competing in Mexico for the title Miss Teenager Universe once it is safe to travel overseas again.

NALA VEILIG TUIS

Thabazimbi – Die Wentzel-gesin se huis is geleë op die hoek van Sesdelaan en Van der Bijlstraat in Thabazimbi. Hul woning grens aan die steilste deel van Van der Bijlstraat se opdraand. Voertuie verloor telkens spoed teen die bult uit, loop agteruit, verloor beheer en bars dan deur hul heining. Die heining is reeds vier maal in die verlede herstel en dit is nou die vyfde keer wat hul 'n eis by die versekering moet indien vir presies dieselfde probleem. Op Saterdag, 4 Julie om ongeveer 14:00 die middag, het 'n voertuig vir die hoeveelste keer deur hul palissade gebars. Die eis is ingedien by die versekering, maar die proses neem gewoonlik maande. Intussen is die heining 'n gapende opening wat toegang vir ongewenste faktore bied.

Twee *pit bull* terriers het deur hierdie gat toegang verkry tot die erf en om ongeveer 02:00 die nag van 12 Julie, het die Wentzels se buurvrou, Melanda van der Walt, honde hoor baklei en tjank. Sy het ondersoek ingestel en gesien dat twee *pit bulls*, een donkerbruin en een lig van kleur, besig was om hul geliefde *Golden Retriever*, Nala, wreed aan te val.

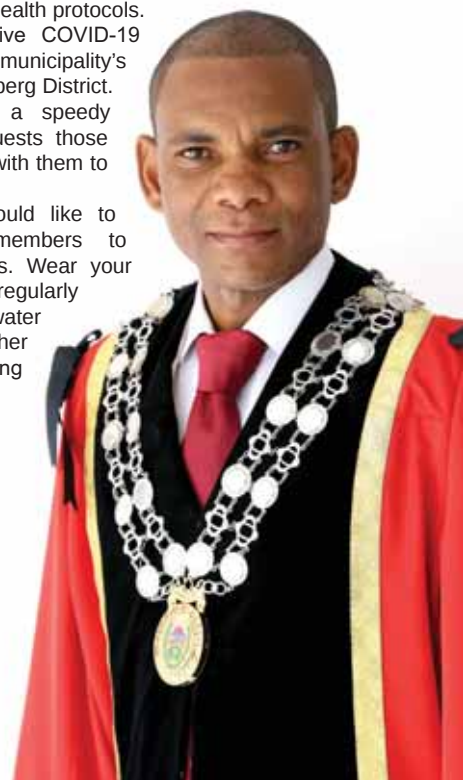

Na sy deur twee honde aangeval is, het Nala skulling gaan soek in 'n stormwaterpyp.

MAYOR AND SPEAKER TEST POSITIVE FOR COVID-19

Thabazimbi – The Thabazimbi Local Municipality (TLM) reported on Wednesday, 15 July, that both the mayor and speaker have tested positive for COVID-19. Both councillors, TLM executive mayor John Michael Fischer and TLM speaker Thane Hearne, are currently in self-isolation and are following health protocols. These are the first positive COVID-19 cases involving a municipality's leadership within the Waterberg District. TLM wishes them both a speedy recovery and humbly requests those who were in close contact with them to also follow health protocols. Furthermore, the TLM would like to encourage community members to observe health precautions. Wear your masks, wash your hands regularly with soap under running water and sanitise so that together we play our part in flattening the curve.
