

SIYANDA BAKGATLA PLATINUM MINE

CELEBRATING
MANDELA’S LEGACY

Thriving communities are at the heart of Siyanda Bakgatla Platinum Mine’s (SBPM) business. They spread their goodwill to various schools and worthy causes in their host communities on Mandela Day, 18 July.

Siyanda Bakgatla Platinum Mine is always investing in the people who live in their host communities, taking hands with various stakeholders and government to do so. On Nelson Mandela Day Siyanda Bakgatla’s generosity was extended to help those worst affected by the social and economic challenges caused by COVID-19. They live by their motto of making every day a Mandela Day.

“Everyone can rise above their circumstances and achieve success if they are dedicated to and passionate about what they do.”
