**Thabazimbi** – Thabazimbi Local Municipality (TLM) is now better equipped to address service delivery concerns more efficiently after receiving a cherry picker from Pretoria Portland Cement (PPC) Dwaalboom. The vehicle, unveiled on Friday 7 August, has made it possible for municipal personnel to repair streetlights and attend to other electrical problems at a faster pace. TLM mayor councillor John Michael Fisher, speaker Thane Hearne, chairperson of the Infrastructure, Planning and Economic Development portfolio Daniel Mampeule, acting municipal manager Jacobus van der Merwe as well as officials from the electrical services department were present during the official handover of the vehicle. Expressing his gratitude to PPC Dwaalboom, the mayor said: "This cherry picker will be utilised for repairing and replacing malfunctioning streetlights without delays." Anita Greyling from PPC Dwaalboom said their company will always be willing to assist TLM whenever they can. "On behalf of PPC, we trust you will keep safe and we are grateful for the relationships we uphold with our stakeholders."

Thanks to the cherry picker, electrical faults are attended to quicker.

Executive mayor of TLM councillor John Michael Fisher cut the ribbon during the unveiling of the vehicle.

SA – A new six months firearm amnesty, commencing on 1 August until 31 January 2021, has been approved by parliament.

The previous amnesty period which was also intended for a period of six months, between December 2019 and May 2020 was thwarted by the unexpected COVID-19 pandemic. Despite this, the South African Police Service received a resounding 46,714 firearms. However, SAPS believes that there are much more firearms out there that still need to be surrendered and are confident the response to the previous amnesty would have been even more resounding if it were not for the pandemic. SAPS are urging people to take advantage of this period either to hand in those firearms and

ammunition either for destruction or renewal of a competency certificate and a valid licence. It must be noted that no indemnity will be granted for firearms used to commit any crime. All firearms that have been handed in will undergo ballistic testing to ensure that they have not been used in the commission of any crimes before they can be considered for destruction. For firearm amnesty enquiries, please contact FLASH Call Centre at 012 353 6111 or email on cfrenquiry@saps.gov.za. South African Police Services press release extracts, 1 August 2020

## MATTHEW 6

1“Be careful not to practice your righteousness in front of others to be seen by them. If you do, you will have no reward from your Father in heaven.

2 “So when you give to the needy, do not announce it with trumpets, as the hypocrites do in the synagogues and on the streets, to be honored by others. Truly I tell you, they have received their reward in full. 3 But when you give to the needy, do not let your left hand know what your right hand is doing, 4 so that your giving may be in secret. Then your Father, who sees what is done in secret, will reward you.

5 “And when you pray, do not be like the hypocrites, for they love to pray standing in the synagogues and on the street corners to be seen by others. Truly I tell you, they have received their reward in full. 6 But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you. 7 And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. 8 Do not be like them, for your Father knows what you need before you ask him.

9 “This, then, is how you should pray:

“Our Father in heaven,  
hallowed be your name,  
10 your kingdom come,  
your will be done,  
on earth as it is in heaven.

11 Give us today our daily bread.

12 And forgive us our debts,  
as we also have forgiven our debtors.

13 And lead us not into temptation,  
but deliver us from the evil one.’

14 For if you forgive other people when they sin against you, your heavenly Father will also forgive you. 15 But if you do not forgive others their sins, your Father will not forgive your sins.

PUBLIC PARTICIPATION PROCESS  
NORTHAM PLATINUM MINE LIMITED  
PROPOSED UPGRADES AT THE NORTHAM PLATINUM LIMITED  
ZONDEREINDE SMELTER COMPLEX

Northam Platinum Limited (Northam Platinum) own and operate the Zondereinde mine located on the farm Zondereinde 384 KQ approximately 35 km south of Thabazimbi and 18 km northwest of Northam along the R510, in the Thabazimbi Local Municipality and Waterberg District Municipality of the Limpopo Province. In broad terms the Zondereinde mine consists of underground mining (UG2 and Merensky reefs); a concentrator plant complex; a tailing storage facility; a smelter and base metals recovery (BMR) plant complex including a slag recovery plant and slag dump; and supporting infrastructure (offices, workshops, living quarters, product stockpiles, topsoil stockpiles, dirty water containment facilities, conveyor, roads and powerlines).

The Shaft 3 Complex requires temporary power until such time as the new Eskom yard at the shaft complex has been established. This temporary power will be supplied by the Smelter Complex via their existing Eskom yard. The Eskom yard at the Smelter Complex currently has a capacity of 6.6 kV, and, in addition to catering for the Smelter Complex's supply, can supply the Shaft 3 Complex with temporary power for the next two years. After two years, additional capacity will be required to continue supplying the Shaft 3 complex with temporary power. The Eskom yard at the Shaft 3 complex is unlikely to be established by this time. To accommodate for this increase, Northam proposes to expand the Eskom yard at the Smelter Complex to 132/33kV/80 MVA. The transmission of power from the Smelter Complex to the Shaft 3 Complex will be via a new 33 kV overhead transmission line (OHT).

# THE VAN LOGGERENBERG FAMILY NEEDS YOUR HELP

**Thabazimbi** – Monty and Ria van Loggerenberg reside in Thabazimbi with their two daughters, Chanelle and Roxanne, who were both diagnosed with cerebral palsy. Chanelle is 29 years old and Roxanne is 34 – but they entirely rely on their family.

Cerebral palsy is a condition that affects movement, posture and coordination. If a person has cerebral palsy it means that part of their brain is either not working properly or has not developed normally. Because of their diagnoses, the medical costs for their medication and basic needs is exceptionally high.

Monty was retrenched recently and now they do not have a medical aid. He has been out searching for work, but in these difficult times finding work is not easy.

“My biggest wish is for Monty to find work so that we have a steady income in order to provide for our children,” Ria said in an

interview with *Platinum Bushvelder*. The exuberant costs of taking care of Chanelle and Roxanne has depleted their savings. In the meantime, Ria started making preserves and selling them door to door in Thabazimbi just to get by.

**If you can find it in your heart to assist this family, contact Ria on 063 427 1252 or Monty on 061 673 9251.**

# THEO EN BESSIE CRAGGS GROET SWARTKLIP

**Northam/ Swartklip** – Theo en Bessie Craggs het in April 1988 Swartklip toe verhuis nadat hulle aandele in Swartklip Melkery gekoop het. Hulle was in hul middel dertigs. Hul oudste seun Stephan was drie jaar oud en die tweede seun Jan Adrian was een jaar oud. Theodor, hul jongste is in 1989 gebore te Swartklip. Bessie het van 1993 af skoolgehou by Laerskool Platina en voor dit vir 'n ruk by Laerskool Northam. Sy was alombekend as juffrou Bessie en later *Teacher* Bessie. Na 19 jaar het hulle die melkery verkoop en Noordwes Droogskoonmakers in Northam aangekoop. Die droogskoonmaker het hul in 2019 verkoop.

In 'n onderhoud met *Platinum Bushvelder* het Theo gesê: “Ons was baie geseënd gedurende ons 32 jaar in die dorp en is baie dankbaar vir die vriendskap, liefde en ondersteuning wat ons ontvang het deur die jare. Die Swartklip en Northam inwoners was net goed vir ons en ons kinders.”

Aldus Bessie: “Dit is ook 'n behoefte om ons dank uit te spreek teenoor die mynbestuur, skoolbestuur en gemeenskap wat ons baie hulp en ondersteuning gegee het deur die jare. Baie belangrik om te noem dat die verskillende geloofsgemeenskappe 'n baie belangrike rol in ons lewens gespeel het.”

Volgens die paartjie was Swartklip en Northam wonderlike dorpe om in te kon woon en die kinders kon nog in die strate speel tot onlangs. Bessie het afgetree op 30 Junie 2020 en hul het Reebok toe getrek op 22 Julie.

Theo en Bessie het 'n spesiale boodskap vir die Swartklip en Northam gemeenskap: “Ons is dankbaar dat ons daarvan seker mag wees dat God in beheer is en dat ons rustig mag wees in die wete dat Hy van alles weet en dat niks ons uit sy hand kan ruk nie. Ons gebede is dat julle almal veilig en gesond mag bly en God se seën mag ervaar. Aan God alle eer”.

## AOTEAROA SUPER RUGBY

### Hurricanes vs Chiefs

Die Hurricanes behaal 'n puik oorwinning oor die Chiefs om welverdiend met 31-18 uit die stryd te tree. Die Canes het ook 'n waardevolle bonuspunt verdien met Kobus van Wyk wat agter die doellyn gaan kuier het. Van Wyk is ook nou een van die voorste drie-drukkers in die reeks. Die Chiefs sal maar tevrede moet wees om die trotse eienaars van die gehate houtlepel te wees. Die Chiefs ondersteuners is gekenmerk deur die soms irriterende gelui van klokke tydens games, maar in hierdie reeks is dit nogal van pas... want hulle was spreekwoordelik die melkkoeie. Dit was ook dan die Chiefs se laaste

game van die reeks met die Canes wat volgende teen die Highlanders gaan uitdra. Verder is daar groot kommer oor die All Black *cappie* Sam Cane wat weer beseer is.

### Crusaders vs Highlanders

In een van die beste games van die reeks klop die Sadlers die moedige Highlanders 32-22 om dan as die 2020 Aotearoa kampioene aangewys te word. Die gehalte van *ruggas* in NZ is verstommend en daar sal weer 'n baie sterk All Black span gekies kan word.

Die Crusaders se laaste game is teen die Blues en hierdie kan 'n riller wees. Die Highlanders sal teen die Hurricanes uitdra in die laaste game van die reeks.

## AUSTRALIAN DOMESTIC

### Waratahs vs Reds

Die Waratahs verras en klop die Reds met 'n rekordtelling van 45-12. Die Tahs se jongspannetjie begin nou lekker *gel* en het baie goeie *ruggas* opgedis. Die Tahs speel volgende teen die Force en die Reds gaan teen in die Rebels in Queensland uitdra.

### Rebels vs Brumbies

In Melbourne skok die Rebelle die Brumbies en wen 30-12. Die rebels het verdien om dié een te wen en dit is ook die eerste loesing wat die Brumbies kry in die reeks. Die Brumbies het volgende 'n loslootjie met die Rebels wat teen die Reds gaan uitdra.

## SA RUGGAS

Plaaslik is die gerugte dat daar 'n moontlikheid is dat die eerste afkop middel-September kan wees. Die groot kopseer is egter die finansiële probleme wat baie unies ondervind en borge

sal vinnig gevind moet word. In Blou Bul land is die Springbok Duane Vermeulen as die Bulle se nuwe *cappie* aangewys.

## BRAD BINDER MAAK GESKIEDENIS

**Suid-Afrika** – “A new star is born” was die kommentator se woorde herhaadelik na Suid-Afrika se Brad Binder geskiedenis maak tydens die Tsjeeggiese motorfiets-Grand Prix in Brno. Brad behaal hierdie historiese sege op sy KTM en word dan die eerste jaer vir KTM om 'n *premium* resies te wen en dan ook die eerste Suid-Afrikaner wat dit vermag. Merkwaardig is dit ook net die derde resies in *Moto GP* en die “rookie” het gat geskop Sarel! Brad het in die sewende plek weggespring maar in die tiende ronde het hy die voortou geneem om met meer as vier sekondes die geruite vlag te ontvang.

Binder se ouers wat in Krugersdorp was, is oorstelp van vreugde. Brad het op ses-jarige ouderdom alreeds sy eerste titel in veldfietse gewen en die reis van roem en glorie het daar begin vir hierdie nederige jong man wat ook Dinsdag sy 25ste verjaarsdag gevier het.

Hy gaan dalk nie die 2020 *MOTO GP* kampioen wees nie, maar hy is besig om sy droom te verwesenlik. Go Brad!

Brad Binder het die eerste plek ingepalm tydens die Tsjeeggiese motorfiets-Grand Prix.
