FIRE RESTRICTION FOR THABAZIMBI

Thabazimbi – The Thabazimbi Fire Protection Association (TFPA) has banned open fires and burning activities within all areas that fall under the jurisdiction of the local municipality. The restriction, which came into effect on Wednesday 1 July, will only be lifted when the municipal area records 25mm of rainfall within a period of 24 hours. The prohibition means that anyone who deliberately starts a fire can be charged with malicious damage of property, which is a criminal offence. Open fires may lead to uncontrolled bush fires that can cause damage to property and may also cause serious harm or even death.

Open fires are prohibited.

HEALTH DEPARTMENT WARNS OF BURSARY SCAM

South Africa – The North West Department of Health has urged those intending to enrol for nursing courses to be on the lookout for fraudsters who have been robbing prospective students of their money by running fake recruitment scams. The department, through its North West Nursing College, has advertised a bursary for a three-year diploma in nursing and urged those qualifying to apply. “A lot of people have been scammed by fraudsters posing as recruiters of the department. Sadly, many aspirant learners have also lost money as a result. The community should not accept any information regarding intake of students that requires any payment to be done before the person is considered,” departmental spokesperson Tebego Lekgethwane said. “It is equally important for applicants to check the advertisement of the bursary which is placed on the newspapers and call the contact numbers appearing on the advert if they have questions,” he added. Applicants are further advised to personally submit their forms to the college and not to allow anybody to collect forms on their behalf using the name of the college. Lekgethwane reiterated that the department does not sell application forms, nor does it expect learners to pay for the bursary or placement at the college.

CLICKS CLOSED AFTER THREATS

Thabazimbi – Clicks stores nationwide has closed its doors from Monday 7 September after a threat by the Economic Freedom Fighters (EFF) party – in response to ‘controversial images’ that was published on the Clicks website. In other areas of the country stores were vandalised and even thrown with petrol bombs. In an open letter, Clicks Group chief executive officer Vikesh Ramsunder apologised unreservedly for the hurt and anger these images have caused. “The emotive responses of our customers have been mirrored by our employees and management teams. And, whilst the images and content were provided to us by our supplier TRESemmé, this does not absolve us from blame. Therefore, we took accountability for this error of judgment by issuing a public apology and swiftly removing the offensive material from our website. As a company, we cannot change what happened, but we are learning from this,” he said. Clicks confirmed that it will be delisting and removing all TRESemmé products from its shelf with immediate effect and will be replacing the gap with locally sourced haircare brands. Apart from suspending all employees involved in publishing the recent offensive advertisement, Clicks has accepted the resignation of the senior executive responsible. In the meanwhile, TRESemmé South Africa also publicly apologised for the marketing campaign and undertook to look into how this happened and why it wasn’t picked up

PHILIPPIANS 4: 4-23

²¹The wicked borrows and does not repay, But the righteous shows mercy and gives.
²²For those blessed by Him shall inherit the earth, But those cursed by Him shall be cut off.
²³The steps of a good man are ordered by the Lord, And He delights in his way
²⁴Though he fall, he shall not be utterly cast down; For the Lord upholds him with His hand.
²⁵I have been young, and now am old; Yet I have not seen the righteous forsaken, Nor his descendants begging bread.
²⁶He is ever merciful, and lends; And his descendants are blessed.
²⁷Depart from evil, and do good; And dwell forevermore.
²⁸For the Lord loves justice, And does not forsake His saints; They are preserved forever, But the descendants of the wicked shall be cut off.
²⁹The righteous shall inherit the land, And dwell in it forever.
³⁰The mouth of the righteous speaks wisdom, And his tongue talks of justice.
³¹The law of his God is in his heart; None of his steps shall slide.
³²The wicked watches the righteous, And seeks to slay him.
³³The Lord will not leave him in his hand, Nor condemn him when he is judged.
³⁴Wait on the Lord, And keep His way, And He shall exalt you to inherit the land; When the wicked are cut off, you shall see it.
³⁵I have seen the wicked in great power, And spreading himself like a native green tree.
³⁶Yet he passed away, and behold, he was no more; Indeed I sought him, but he could not be found.
³⁷Mark the blameless man, and observe the upright; For the future of that man is peace.
³⁸But the transgressors shall be destroyed together; The future of the wicked shall be cut off.
³⁹But the salvation of the righteous is from the Lord; He is their strength in the time of trouble.
⁴⁰And the Lord shall help them and deliver them; He shall deliver them from the wicked, And save them, Because they trust in Him.

MUNICIPALITY INSTALLS PREPAID WATER METERS

Northam – Prepaid water meters have been installed by the Thabazimbi Local Municipality (TLM) in Mojuteng and Lefika as the local governing body forges ahead with its service delivery projects. Residents living in these areas are now able to buy their water and manage their consumption. A similar project will be rolled out in Northam once discussions between the municipality and Northam Platinum Mine are completed. The TLM political management team (PMT) recently inspected the water meters during a visit to the sites of various projects being undertaken by the municipality.

With regards to the overflow of sewerage at the Northam oxidation ponds, negotiations between the municipality and mine are still ongoing as both parties look to come up with a solution to the challenge. The mine is also in a process of finalising the appointment of a service provider to oversee the construction of the Northam Waste Water Treatment Works (NWWTW). The Northam hub, on the other hand, is nearing completion. The multipurpose centre will empower the community by accommodating various services. Plans are also underway to clean up the landfill site to ensure hygiene and safety.

The municipality continued with its oversight visits.

The installation of prepaid water meters in Mojuteng has been completed.

GOOD NEWS FOR MOTORISTS

South Africa – Firmer oil prices were stronger than a losing Rand, meaning that South Africans will pay less for most fuel in September. This is according to the Automobile Association (AA), commenting on unaudited month-end fuel price data released by the Central Energy Fund. The Association says the retreat in oil prices means that 95 octane petrol is expected to drop by around 4c a litre, with diesel down by 19c and illuminating paraffin by 24c. The only fuel typeset for an increase, is 93 octane petrol, which will climb by about 6c a litre.

PAMPOENNEK ROAD TO DECONGEST NW – GAUTENG TRAFFIC

Brits – Transport minister Fikile Mbalula said the country's national road network is an important catalyst for unlocking economic activities on the platinum highway between Gauteng and North West provinces, as well as between South Africa and neighbouring countries.

He was speaking at the official opening of the R512 Pampoennek road in the North West Province. The opening of the road means that motorists will enjoy a free flow of traffic and there will be a better link to the North West from Gauteng, also ensuring that long-distance movements do not interfere with local traffic.

"This road gives expression to the notion that transport is the heartbeat of the South African economy, playing an integral part of the country's economic growth," said Mbalula.

As part of its ongoing distinct mandate to finance, improve, manage and maintain the national road network – often referred to as the country's "economic arteries" – the Pampoennek road demonstrates the South African National Road Agency SOC Limited's (SANRAL) commitment in investing in road infrastructure; a commitment that is aimed at addressing the triple challenges of unemployment, poverty and inequality as well as making roads an impetus to growing the local economy.

Built at a cost of R377 million, the road stretches from the R512 to the west of the Hartbeespoort Dam through Pampoennek, connecting easily to the N4.

SANRAL chief executive officer (CEO) Skhumbuzo Macozoma echoed similar sentiments. He said the completion of the project demonstrated SANRAL's ongoing commitment to improving the socio-economic conditions of the people that live around it. "This project demonstrates that it is possible to transform the construction industry through road infrastructure projects and to also have effective community participation in government projects. All of this finds expression in our long-term horizon 2030 strategy, which enables and ensures that local community members and SMMEs benefit from our projects," he said.

SANRAL press release extracts, 3 September 2020

Pampoennek road was officially opened on Thursday 3 September.

KUNSTEGROT IS WEER OOP!

Thabazimbi – Met die verskyning van die eerste lentebloei is die koue winter amper verby. So is daar ook, na die erge inperking, nuwe lewe op die Kunstegrot verhoog! Die vermaak skop af met Rocco de Villiers op 17 Oktober. Indien besprekings dit regverdig, sal daar twee vertonings wees. Die Grapmakers, 'n komedie-drama met Neels van Jaarsveld en Michelle Botha met Lizz Meiring as regie sal op 19 November op die KunstGrot verhoog wees. Daar sal wel streng COVID-19 regulasies toegepas word en slegs 50 mense sal per vertoning toegelaat word. Aangesien daar net beperkte kaartjies is, is vooraf besprekings en betalings noodsaaklik. **Skakel Rita Volschenk by 083 744 8559 vir meer inligting.**

Rocco de Villiers is op 17 Oktober by die Kunstegrot.

LAERSKOOI THABAZIMBI EN AFRIFORUM VIER BOOMPLANTDAG

Thabazimbi – “Ons is hier om 'n verskil te maak”. Dit was die woorde van AfriForum se Thabazimbi-tak voorsitter, Pieter Lambrecht tydens 'n boomplant geleentheid by Laerskool Thabazimbi op Dinsdag 1 September.

Saam met plaaslike bestuurslede Jan Vermaak en Lambert Joubert, het AfriForum een van 'n aantal inheemse bome op Laerskool Thabazimbi se terrein geplant. Die Laerskool Thabazimbi leiers, onder leiding van meneer Nico Engelbrecht, het ook vyf Huilboerboon boompies geplant tydens die seremonie. Laerskool Thabazimbi wil AfriForum bedank vir hulle bydrae.

Pieter Lambrecht het uitgewy op watter ander wyses die organisasie reeds by die gemeenskap betrokke is. Dit behels onder meer die monitoring van die dorp se drinkwater asook die asgate. Dit is veral die bedryf van die asgate op Thabazimbi wat al 'n geruime tyd veel te wense oorlaat. Die toestand daar word op 'n deurlopende basis onder die owerhede se aandag gebring.

'n Verdere ontwikkeling is die stigting van 'n plaaslike AfriForum buurtweg eersdaags. Met die sukses wat daar reeds die afgelope tyd deur middel van die Matlabas Plaasweg met die distrik se veiligheid bereik is, is dit die volgende logiese stap.

Inwoners van Thabazimbi wat met AfriForum se gemeenskap en veiligheid projekte betrokke wil raak, kan gerus met Lambert Joubert by 076 805 7559 in verbinding tree.

Laerskool Thabazimbi leiers het Huilboerboon bome geplant op die skoolterrein.

AUSTRALIAN DOMESTIC SUPER RUGBY

Reds vs Brumbies

Die Reds klop die Brumbies gemaklik 26-7. Die Brumbies het nie regtig opgedaag vir die *game* nie want in hulle agterkoppe het hulle geweet dat hulle reeds gekwalifiseer het vir die eindstryd... Maar sielkundig kan dit hulle benadeel en tot voordeel van die Reds wees.

Die Reds gaan nou uitspeel teen die Rebels om te bepaal wie teen die Brumbies in die finaal te staan gaan kom.

Rebels vs Western Force

Die Rebels het veertien onbeantwoorde punte aangeteken om van 'n 20-30 agterstand die *game* 34-30 te wen.

In die laaste beweging van die *game* het Cabous Eloff oorgegaan vir die wendrie. Hierdie *game* was die Force se beste vertoning van die reeks, maar nog steeds nie goed genoeg nie en eindig laaste sonder enige oorwinning in die reeks.

Die Rebels gaan nou teen die Reds te staan kom om te bepaal wie teen die Brumbies in die finaal gaan speel. Vir die Rebels is dit 'n groot mylpaal want dit is hulle eerste semi-finaal waarin hulle gaan opdraf. Miskien verras hulle die arrogante Brumbies en wen die titel.

Good night mate...

NIEU-ZEELAND : NOORD VS SUID

Skitterende *ruggas* word gesien in die jaarlike Noord Suid derby in Nieu-Zeeland. Verskeie tweestryde is vooraf bespiegel waarvan die stryd in die nommer 10 trui dalk heel bo aan die lys was.

Beauden Barrett en Richie Mo'unga het beide puik spel opgelewer. So kan die lys aangaan van topklas spelers wat die kies van 'n 2020-toetsspan, die All Black keurders gaan laat kopkrap. In

hierdie riller word tien puik drie gedruk en die eindtelling val in die Suide se guns en wen 38-35.

Die nuutverkose All Black *cappie* Sam Cane is nog steeds op die krakkelys en dit kan ook 'n groot kopseer vir mnr Vorster en kie wees. Daar is tans ses losvoorspelers wat by enige span in die wêreld kan instap.
