UNWELCOME VISITOR RELOCATED

Charles Jansen van Vuuren (left) and Renier Cronje with the 4.5m python.

Koedoeskop – Local snake catcher Charles Jansen van Vuuren was called by Clemence Muzenda to a lodge near Koedoeskop on Wednesday 9 September to capture this unwelcome visitor. When Charles and his friend Renier Cronje arrived at the lodge, they found the python cooling off in the swimming pool. "The python's mood soon changed when I grabbed it by the tail to start pulling it out. These snakes are incredibly strong, especially those longer than 2.5m," said Charles. NO BAIL FOR TWO ARRESTED OVER PANGOLIN

Brits – Two of the three suspects arrested after failing to explain why they had a pangolin in their possession, were denied bail when they appeared before the Brits Magistrates' Court on Monday 14 September. Weedwell Manzanga and Polite Nyaromba were remanded in custody while the third suspect, Mashudu Mphasomani, was granted bail of R1,000. Manzanga, Nyaromba and Mphasomani are due to appear before the same court again on Tuesday 22 September to answer to charges of contravening the National Environmental Management: Biodiversity Act of 2004. Police spokesperson Maria Nkabinde confirmed the three were arrested on Friday 11 September at around 12:30 after law enforcement agents responsible for combatting illegal trade of wildlife and endangered species received a tip-off about a possible pangolin sale. "A multi-disciplinary team comprising personnel from the Jericho Stock Theft Unit, Bojanala Sub-District 1 Trio Crimes Task Team, Crime Intelligence as well as officials from Nature Conservation acted swiftly and intercepted the trio, who were driving in a white Volkswagen Jetta," Nkabinde said.

Three suspects were caught in possession of a pangolin.

FIREARM AMNESTY EXTENDED

South Africa – The firearm amnesty has been extended to 31 January 2020. All illegal and unwanted firearms, firearm parts and ammunition can be surrendered without fear of prosecution. The police would like to urge people to hand in their firearms as soon as possible and not wait until the last minute.

FUNERAL INDUSTRY STRIKE POSE HEALTH RISK

A large number of workers in the funeral industry across the country went on strike on Monday 14 September to demand improved working conditions, and higher remuneration and transformation in the industry. The strike which was supposed to last only 3 days, is still ongoing in certain regions and resulted in bodies not being picked up at government mortuaries, homes and, public and private hospitals. Some of the strikers also made good on their threats by blocking funerals from taking place, saying that government must first listen to their demands.

Platinum Bushvelder spoke to a local funeral parlour to find out how the strike affects them: "We have decided to remain open but are taking extra precautions as we are scared. Our hearses are not currently operational, and we have removed the stickers from our vehicles." In a press release dated 13 September, the Department of Health said that they are aware that a group of funeral parlours are planning to shut down the collection of human remains from private and public health facilities and that may lead to undesired conditions and risks to public health.

The department would like to emphasise the following:

- All funeral undertakers and mortuary premises used in connection with the preparation, storage and preservation of human remains must have a valid certificate of competence issued by the relevant local authority.
- Environmental health practitioners are and will continue to conduct inspections in all funeral undertakers' premises in the country to check compliance with regulations. Legal action will be taken against owners of premises found to be in contravention.
- Family members are urged to check the legitimacy of the undertakers and agents being utilised for the overall management of the burial of their loved ones to ensure proper tracking and tracing and that the handling of the remains is done with dignity and within the law.
- Environmental health practitioners in the district and/or metropolitan municipalities can be contacted for assistance on any issues relating to the management of human remains and for advice to ensure compliance with the regulations.

The Department of Health is willing to continue with talks with the funeral parlour sector to come to an amicable solution.

PSALM 119: 1-27

¹Blessed are those whose ways are blameless, who walk according to the law of the LORD. ²Blessed are those who keep his statutes and seek him with all their heart— ³they do no wrong but follow his ways. ⁴You have laid down precepts that are to be fully obeyed. ⁵Oh, that my ways were steadfast in obeying your decrees!

⁶Then I would not be put to shame when I consider all your commands. ⁷I will praise you with an upright heart as I learn your righteous laws. ⁸I will obey your decrees; do not utterly forsake me. ⁹How can a young person stay on the path of purity? By living according to your word. ¹⁰I seek you with all my heart; do not let me stray from your commands. ¹¹I have hidden your word in my heart that I might not sin against you. ¹²Praise be to you, LORD; teach me your decrees. ¹³With my lips I recount all the laws that come from your mouth. ¹⁴I rejoice in following your statutes as one rejoices in great riches. ¹⁵I meditate on your precepts and consider your ways.

¹⁶I delight in your decrees; I will not neglect your word. ¹⁷Be good to your servant while I live, that I may obey your word. ¹⁸Open my eyes that I may see wonderful things in your law. ¹⁹I am a stranger on earth; do not hide your commands from me. ²⁰My soul is consumed with longing for your laws at all times. ²¹You rebuke the arrogant, who are accursed, those who stray from your commands. ²²Remove from me their scorn and contempt, for I keep your statutes. ²³Though rulers sit together and slander me, your servant will meditate on your decrees. ²⁴Your statutes are my delight; they are my counselors. ²⁵I am laid low in the dust; preserve my life according to your word. ²⁶I gave an account of my ways and you answered me; teach me your decrees. ²⁷Cause me to understand the way of your precepts, that I may meditate on your wonderful deeds.

UNWELCOME VISITOR RELOCATED

Koedoeskop – Local snake catcher Charles Jansen van Vuuren was called by Clemence Muzenda to a lodge near Koedoeskop on Wednesday 9 September to capture this unwelcome visitor. When Charles and his friend Renier Cronje arrived at the lodge, they found the python cooling off in the swimming pool.

“The python’s mood soon changed when I grabbed it by the tail to start pulling it out. These snakes are incredibly strong, especially those longer than 2.5m,” said Charles.

“This snake is a constrictor, meaning it has no venom but has hundreds of sharp teeth to grab onto its prey and coil around it, slowly squeezing its prey until it is lifeless. The help I received from Renier and Clemence was highly appreciated, these snakes can severely injure a person if you’re alone.”

The 4.5m python weighed 30kg. After they

measured and weighed the snake, it was relocated to a small dam far away from the lodge where it still has a pool to cool off in. For Charles, the rest of the week was a busy one... He had to catch two Eastern Bark snakes, a thread snake, a spitting cobra and a puffadder – all within seven days.

Charles has had a passion for snakes from a very young age and is grateful that his employer at Mamba Cement allows him to go and assist the community.

“If you see a snake, remain calm and try not to provoke it as it might attack if it feels threatened. I would like to encourage people to rather phone a snake catcher who can come and remove the snake rather than killing it,” he added.

For more of Charles’s snake catching adventures, follow his Facebook page: Thabazimbi Snake Identification and Education.

30 ARRESTED FOR VARIOUS OFFENCES

Thabazimbi – At least 30 suspects were arrested by the police from Friday 4 to Sunday 6 September as efforts to root out crime in Thabazimbi yielded significant success.

Police spokesperson Titus Khumalo revealed that a total of 14 suspects were apprehended for illegal gambling while nine found themselves behind bars for liquor-related offences.

“Four suspects were arrested for driving offences in contravention of the National Traffic Act,” Khumalo added.

One of the other suspects was nabbed after being found in possession of housebreaking instruments. Another was apprehended for driving under the influence of liquor or drugs.

VODACOM ZERO-RATES NEW COVID ALERT SA APP

SA – This past week, the national Department of Health (DoH) launched a COVID Alert SA App – in partnership with Discovery – to strengthen the existing contact tracing methods to help break the transmission of COVID-19 as South Africa seeks to prevent a resurgence of cases since the easing of restrictions to level two.

Vodacom has zero-rated this App in a bid to reduce barriers of access and help the government in its fight to halt the spread of the COVID-19 pandemic.

This COVID Alert SA App lets people know when they have been in close contact with someone who has tested positive for COVID-19. It helps to make contact tracing happen quickly and efficiently using Bluetooth contact tracing technology, which simply tracks close contact (proximity) between smartphones and not the actual locations of the smartphones.

Customers on the Vodacom network will be able to download the App free of charge via Vodacom’s ConnectU platform.

ConnectU is a zero-rated platform that provides content aimed at social development and offers a variety of essential services free of charge. The platform is aimed

at the Prepaid market, especially customers who are simply not able to afford day-to-day internet access. To access ConnectU, visit connectu.vodacom.co.za, free from a Vodacom SIM. For ease of access, the app will also be linked to MyVodacom app.

Vodacom South Africa external affairs director Takalani Netshitenzhe said: “Working with government and other important stakeholders as part of our social contract, Vodacom remains committed to finding innovative ways to reduce the spread of coronavirus.”

COVID Alert SA uses simple communication channels to allow citizens to screen for COVID-19, support those who have tested positive for COVID-19 and anonymously alert people who may have been in close contact with someone who tests positive for COVID-19. It is available on Google Play Store and Apple App Store.

Once users have downloaded and installed the App, it runs in the background. When close contact App users receive the exposure notification, they also receive information on what to do next to self-quarantine, and to optimise their health and well-being.

NORTHAM PLATINUM LIMITED

NOTIFICATION OF THE ZONDEREINDE MINE ATMOSPHERIC EMISSIONS LICENCE RENEWAL

Northam Platinum Limited (Northam) owns and operate the Zondereinde mine (the Mine) located on the farm Zondereinde 384 KQ approximately 35 km south of Thabazimbi and 18 km northwest of Northam along the R510, in the Thabazimbi Local Municipality and Waterberg District Municipality of the Limpopo Province.

The Mine holds an Atmospheric Emissions License (AEL) (License Number: 12/4/12L-W16/A2) for various listed activities in terms of the National Environmental Management Air Quality (No. 39 of 2004) (NEM:AQA), issued by the Limpopo Department of Economic Development, Environment and Tourism. The listed activities, as published in terms of Section 21 of the NEM: AQA, that may be undertaken at the Smelter Complex include:

- Activities No. 4.1 (Drying and Calcining);
- Activity No. 4.16 (Smelting and Converting of Sulphide ores); and
- Activity No. 4.17 (Precious and base metal production and refining).

The existing AEL expires in February 2021 and as such Northam needs to apply for the renewal of the AEL with the Waterberg District Local Municipality as the current Licensing Authority. You are hereby being notified of the planned renewal process of the AEL in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA), as amended.

SLR Consulting (South Africa) (Pty) Ltd (SLR), an independent firm of environmental consultants, has been appointed by Northam to manage the AEL renewal process.

To submit any queries or to obtain additional information please contact Natasha Smyth at:

JOBSEEKERS, BEWARE OF SCAMS! [Letter to the Editor]

SA – To all fellow jobseekers out there... have the interview with. Later, another person phoned me and informed me that he is the manager and that I will have to pay over R1,560 to secure the job. He also wanted to know what my physical address was and when I asked why, he dropped the phone.

At that moment I realised that it was a scam.

I googled the company where I ‘applied’ and their recruitment agent informed me that they are investigating these scams and for that reason, they only take online CV submissions. The worst part is that for a moment I was desperate enough to almost pay over the money. I desperately need a job.

I am also very worried that I filled in all the forms which means that they have access to all my personal information.

There are so many others like me that might fall victim to these scam artists so I would like to urge all jobseekers to trust your gut and do your research. A simple internet search can show you if a company exists. If something is too good to be true... it usually is. No company will ever require you to make any payments at any point in the recruitment process. Ever!

SIOC-CDT/NEF Covid-19 Hybrid Grant Fund
R12.625 million of the total fund will be set aside for the Hybrid Fund where the applicant will be supported through a mixture of loan and grant funding, to the extent that the loan will represent 60% of the funding required and 40% will be the grant portion.
This fund will also be targeted strictly at the qualifying areas within Thabazimbi in the Limpopo Province and Tsantsabane, Gamagara, Gasegonyana and Joe Morolong in the Northern Cape area. Transactions with a minimum funding requirement of R250,000 and a maximum of R600,000 will be considered.
The NEF Investment Committee will be responsible for all investment decisions aligned with SIOC-CDT standards, and following existing NEF Corporate Governance structures.
"The COVID-19 pandemic has had a devastating impact on our beneficiary communities and we are optimistic that this partnership will go a long way in supporting entrepreneurship and innovative new businesses ideas while scaling up existing ones. Enterprise development is at the heart of SIOC-CDT and as such, we plan to drive entrepreneurship empowerment for local entrepreneurs through this dynamic partnership by ensuring that they are commercially viable," said SIOC community development trust chief executive officer Vusani Malie.

BOSVELD-LEGENDE OORLEDE

Northam – Northam het 'n legende verloor toe Ockert Venter op Donderdag 3 September oorlede is.
Ockert is op 17 April 1949 op die plaas Hartbeeskoppies gebore. Hy het sy laerskool loopbaan by Laerskool Northam voltooi en is daarna na Hoërskool Frikkie Meyer.
Na die weermag het Ockert by NTK Northam gewerk waar hy tot takbestuurder bevorder word. Sy volgende skuif was na Obaro Thabazimbi waar hy vir baie jare werk voor hy by Kransberg Petroleum aansluit tot sy dood.
Hy het ook van 1976 tot 1992 die skoolbus van Maroelafontein, Northam en Ambandelbult af gehad.
In sy persoonlike lewe ontmoet hy Ria Venter, die liefde van sy lewe, en in 1974 haak hulle die knoop deur. Uit die huwelik word vier kinders gebore en vyf kleinkinders. In 2015 verloor hulle een van hulle seuns en in 2018 is Ria oorlede. Sy familie was sy grootste skat.
Ockert was 'n man van inbors wat die nood van ander kon raaksien en altyd probeer help het... 'n Eienskap wat sy kinders altyd na sal opkyk en nastreef. Hy het ook naby aan God geleef en vir dié wat hom geken het is daar geen twyfel dat hy nou by God se voete sit nie.
Hy het 'n vol lewe gely en los beslis 'n leemte, nie net in sy geliefdes se harte nie, maar elke persoon wie se lewe hy aangeraak het.

Ockert Venter, 'n geliefde Northam-inwoner is op 3 September oorlede.

MCWAP-2 Database registration of your Business or Individual Skills

The Mokolo Crocodile River Water Augmentation Project phase 2 (MCWAP-2) entails the implementation of a water transfer system between the Crocodile River (West) at Thabazimbi and points of supply in the Lephhalale area. It includes abstraction works, pumping stations, and pipelines as well as the associated infrastructure. The footprint of the proposed water transfer infrastructure includes approximately 140 km of pipeline. The project is situated within both the Thabazimbi and Lephhalale Local municipalities, both of which fall under the Waterberg District Municipality.

MCWAP-2 received an environmental authorisation on 18 March 2019 that has since been appealed. We are still awaiting a decision from the Minister of the Department of Environment, Forestry and Fisheries on the appeals. Notwithstanding the appeals process, the project may undertake non-invasive pre-construction activities such as the Environmental and Social baseline studies in response to the conditions of authorisation or for design activities. The Registration of Businesses and Skills, a process we intend to embark on, is part of the Socio-economic Baseline study.

Invitation:

Businesses or registered entities and Individuals are hereby invited to register their skills in order to compile a database in the Lephhalale and Thabazimbi Local municipalities. The information will be used to understand the socio-economic conditions within the Project area. The implementation of the Project depends on the outcome of the appeals process and therefore, this advertisement is merely for procedural purposes and is without prejudice thereof.

Requirements for registering personal (individual) skills:

- Minimum education: Grade 12
- You must be in possession of a valid South African Identity document
- You must be a resident in the Lephhalale and/or Thabazimbi Local Municipalities

Bring along the following documents:

- Supporting documents for your skills (e.g. qualifications, permits, etc.)
- Original Identity Document
- Original proof of residence

Requirements for registering individual business:

- Your business must be based in the Lephhalale and/or Thabazimbi Local municipalities.

Bring along the following documents:

- Original Identity Document of the business owner(s) / Director(s)
- Original proof of business address, e.g. municipal account, electricity account
- Business registration document
- Confirmation of registration with SARS
- Letter of Good Standing from the Department of Labour

HAVE YOUR SAY / SÊ JOU SÊ

OUR FINANCIAL FUTURE?

As South Africa is heading towards level 1, the economy is almost fully 'unlocked' again and we are on a journey of recovery. *Platinum Bushvelder* took to the streets to hear community members' opinions about the financial outlook of South Africa and our town.

"We need to invest in training local people to manufacture products like jewellery so that our economy doesn't lose money by importing items that we can rather make ourselves."

Keletso Moremi

"It is going to take a while for our economy to recover and recovery can only start once all industries and the government are fully operational again. We are not going to recover from this overnight."

Nelia Pieterse

"The lockdown killed our local business. We need to recover that money and the best way to do it is to spend our money in South Africa. We must shop locally and keep our money in our own country."

Godfrey Mabula

If you would like to have your say, contact *Platinum Bushvelder* on 081 309 3876 or send an email to reINETTE@platinumbushvelder.co.za.

AUSTRALIAN DOMESTIC SUPER RUGBY

Reds vs Brumbies

Die Reds het met 'n welverdiende oorwinning van 25-13 in Brisbane gewen en daarin geslaag om dan in die finaal teen die Brumbies uit te draf om te bepaal wie die 2020 Aussie Super

Span sal wees. Rustyd was die telling 10 elk, maar in die tweede helfte het die manne van Queensland beheer geneem om as waardige weners van die veld af te stap.
Cheers mate..

RUGGA CHUNKS...

- In Aussie-land het coach Dave Rennie 'n groep van 44 spelers aangewys waaruit hy sy 23-tal gaan kies om teen die All Blacks in die twee Bledisloe Cup Toetse te speel op 11 en 18 Oktober. Rennie het ook nog nie 'n cappie aangewys nie... alhoewel Michael Hooper wel in die groep is.
- In Bokland is die besering wat

Handrè Pollard die afgelope naweek opgedoen het 'n groot bron van kommer vir die Bok Coach Pollard, wat vir sy Franse klub Montpellier gespeel het.
• Die 2020 Rugby Kampioenskap sal vanaf 7 November tot 12 Desember plaasvind.
Nag ou grote...

FRANSCOIS SKIET SY EERSTE ROOIBOK

Thabazimbi – Die vyfjarige Franscois Steyn is die eerste en jongste jagtertjie wat sy eerste rooibok geskiet het op Japie Combrink se plaas te Vaalkop, Koedoeskop op Saterdag 12 September. Hy het met sy oupa se 223 geskiet. Dit was 'n groot eer vir Oupa Ferdie en Ouma Christine Labotske om die belewenis saam met hom te kon deel. Hulle is ongelooflik trots op hom!

A VIRTUAL CELEBRATION OF OUR BELOVED GREEN SPACES

Garden guru Tanya Visser

SA – On Sunday 11 October, South Africans across the country will celebrate and share their unique green spaces and gardens of every shape and size - online.

Created by gardening app Candide, Garden Day is a growing movement who has been uniting people with a love for plants and flowers since 2016. From keepers of rolling lawns, community gardens, and vegetable patches to potted window sills, patio planters, and urban rooftops, the annual celebration is calling on plant lovers to put on a flower crown, down their tools, and enjoy the fruits of their labour.

To inspire South Africans to celebrate all things green, Garden Day will host several virtual events in the run-up to Sunday 11 October including flower crown making workshops, so that you can make your own flower crown - the ultimate Garden Day accessory.

On the day the movement will host its first Virtual Garden Day Gathering with a host of events, including a Q&A session with garden guru Tanya Visser, a celebrity flower crown-off with actor and comedian Schalk Bezuidenhout and radio and television presenter Zoë Brown, garden-inspired gourmet cooking and more via Zoom and Facebook Live.

The start of the spring season offers us a chance to pause, reflect, and celebrate a season of new beginnings.

JOIN THE MOVEMENT!

Visit [Gardenday.co.za/GetInvolved](https://gardenday.co.za/GetInvolved) for a handy toolkit to help you plan the perfect virtual celebration, including recipe ideas, downloadable invitations for your virtual celebration and things that you and your children can do and make in your garden. The final programme for the Virtual Garden Gathering will be released on [Gardenday.co.za/](https://gardenday.co.za/) Events at the start of October.
