VULPRO EXPANDS ITS OPERATIONS

Skeerpoort – With vulture numbers continuously declining across their range, collaborations and multifaceted approaches are becoming more important to safeguard existing populations. This requires adaptive management approaches which include both in-situ and ex-situ conservation strategies and which incorporates rehabilitation and breeding programmes for ethical conservation purposes. VulPro has, since 2007, spearheaded vulture conservation across the continent

and has worked throughout the globe on critical vulture research projects. Already known as one of the leaders and drivers in vulture conservation in Africa, VulPro, through the support of the Tusk Trust and the Hans Hoheisen Charitable Trust, continues to expand its reach and has such, expanded its operations into the Gauteng and Eastern Cape. VulPro currently houses the largest collection of non-releasable African vultures globally, all for conservation purposes to benefit their free-living wild counterparts. As such, with partnerships from GH Braak Farms and CS Vets, a captive core population of non-releasable vultures has successfully been moved to a fully sponsored and permitted satellite site at Bronkhorspruit; VulPro's first official satellite site. With new diseases emerging, security risks ever-present in South Africa and for insurance purposes for the species, sharing the load of such large numbers of non-releasable vultures across provinces within South Africa is sound and ethical conservation practice. This also allows VulPro to further increase its rehabilitation and captive breeding efforts which are directly aimed at benefiting wild populations. Furthermore, VulPro has also expanded its release sites into the Eastern Cape in partnership with Kate Webster who is VulPro's Eastern Cape associate, together with the Eastern Cape Nature Conservation Department and DHL Supply Chain. It is here where Phase two of VulPro's captive breeding programme will commence where parent raised offspring from our 2019 and 2020

breeding seasons, will be housed for a few months, followed by their release. Each individual will be released with a SAFRING metal leg band, a coloured leg band for easy identification and resighting purposes as well as a GSM/GPS mounted backpack tracking device. With the ever-declining Cape Vulture populations in the Eastern Cape due to power line related incidents as well as both intentional and unintentional poisoning, breeding sites are contracting with only a few pockets remaining as strongholds for the species in this province; as such, the Eastern Cape is well suited for a well co-ordinated and managed vulture supplementation programme. This new approach in the Eastern Cape Province, offers VulPro, together with Eastern Cape officials and the public to play an important role in preserving the species through a collective approach whereby there is inclusion by farmers, communal landowners and the public, both directly and indirectly.

MEC VISITS THABAZIMBI ECD CENTRES

Thabazimbi – Limpopo MEC for social development Nkakareng Rakgoale recently visited three early childhood development (ECD) centres in Thabazimbi and assessed their readiness to reopen their doors to the little ones. The MEC began her programme by meeting councillors from Thabazimbi Local Municipality (TLM) and the Waterberg District Municipality. She was well-received by TLM mayor councillor John Michael Fischer, municipality officials as well as Godisang Community Development Trust representatives Motsei Qesengile, Gopolang Booyesen and Taonezvi Mutsago who share her concern for the centres. The MEC proceeded to inspect Mmabana, Naomi Baba and Regorogile community crèches to make sure the facilities were all ready to implement measures aimed at curbing the spread of COVID-19. The MEC also received a donation of personal protective equipment (PPE) from the Godisang Community Development Trust before she visited a temporary shelter for the homeless at Thaba Park Stadium.

MURDER AT OLD-AGE HOME

Polokwane – The police are investigating a case of murder and house robbery after the body of an elderly woman was discovered at Koraal Retirement Village in Polokwane on Monday 21 September. A manhunt for the suspects linked with the murder of 80-year-old Jacoba Grobler has since been launched and the police are appealing to anyone who might have information regarding their whereabouts to come forward. The suspects severely assaulted the woman - who stayed alone in a house in the complex – before killing her. “The victim’s body was found by her friend. Open wounds on the body suggested the suspects assaulted the deceased with a blunt object,” police spokesperson brigadier Motlafela Mojapelo said. A laptop and cellphone belonging to the deceased were missing and police believe these items were stolen by the suspects. Provincial commissioner of police in Limpopo lieutenant general Nneke Ledwaba condemned the incident. **Anyone with information that can lead to the arrest of the suspects is requested to contact brigadier James Esbach on 082 576 0743 or the Crime Stop number 0860010111 or visit your nearest police station.**

SOULFOOD

PSALM 18: 1-13

¹I will love You, O LORD, my strength. ²The LORD is my rock and my fortress and my deliverer; My God, my strength, in whom I will trust; My shield and the horn of my salvation, my stronghold. ³I will call upon the LORD, who is worthy to be praised; So shall I be saved from my enemies. ⁴The pangs of death surrounded me, And the floods of ungodliness made me afraid. ⁵The sorrows of Sheol surrounded me; The snares of death confronted me. ⁶In my distress I called upon the LORD, And cried out to my God; He heard my voice from His temple, And my cry came before Him, even to His ears. ⁷Then the earth shook and trembled; The foundations of the hills also quaked and were shaken, Because He was angry. ⁸Smoke went up from His nostrils, And devouring fire from His mouth; Coals were kindled by it. ⁹He bowed the heavens also, and came down With darkness under His feet. ¹⁰And He rode upon a cherub, and flew; He flew upon the wings of the wind. ¹¹He made darkness His secret place; His canopy around Him was dark waters And thick clouds of the skies. ¹²From the brightness before Him, His thick clouds passed with hailstones and coals of fire.

AUSTRALIAN DOMESTIC SUPER RUGBY

Brumbies vs Reds

In Canberra klop die Brumbies die Reds 28-23 om vir die eerste keer in 16 jaar weer 'n trofee te verower. Dit was 'n klipharde stryd soos die rustyd telling van 15-13 in die Brumbies se guns kan getuig. Verskeie jong Aussie spelers het uitgeblink in die reeks en hopelik kan dit weer die Aussies op die wenpad bring.

Intussen het die nuwe *coach* van die Aussies, Dave Rennie, vir Michael Hooper aangewys as die *cappie* vir die res van 2020. Die Aussies draf op 11 Oktober teen die All Blacks uit en die *game* sal dan ook Hooper se 100ste toets wees. Hooper het die Aussies in 46 van sy 99 toetse aangevoer. **Cheers mate...**

RUGGA CHUNKS

- In die Engelse Premier Liga het die Sale Sharks die Harlequins geklop om as 2020 se kampioen span gekroon te word. Vir die weners het Faf de Klerk, Robert du Preez en Dan du Preez weer skitter spel gespeel en 'n groot aandeel gehad in die oorwinning.
- Die *Springbok Pocket Rocket*, Cheslin Kolbe, is tans op almal se lippe met sy absolute briljante spel vir die Franse Klub, Toulouse. Hierdie klein yster is tans die planeet se beste agterspeler en met sy systappie en dodelike aanvalle druk hy meesterlike drieë!
- Tuis... braaivleis en yskoue Germaanse bruisdrankies is aan die orde van die dag ou grote! Gaan groot, maar bly van die paaie af!
- Op Loftus gaan die *Super Fans* mekaar aanvat. Saterdag 26 September pak die vier *Super Rugga* spanne mekaar in twee vriendskaplike *games*. Die

- eerste *game* gaan die Haaie teen die Bulle opdraf. Die Bulle gaan gelei word deur Duane Vermeulen. Sy tweestryd met die kookwater agsteman van die Haaie, Sikhumbuzo Notshe, gaan een van die hoogtepunte wees. Die Haaie word aangevoer deur die Springbok, Lukhanyo Am.
- Die Leeus draf teen die Stormers uit in die tweede *game*. Die Stormer *coach*, John Dobson, is vol vertroue dat sy ouens beter sal doen as ses maande gelede. Die Stormers word dan aangevoer deur die Bok *cappie*, Siya Kolisi. Die Leeus het 'n paar groot name verloor, nie deur COVID nie ou grote, maar volgens ingeligte bronne is die Leeus reg vir aksie.
- Die aksie op Loftus gaan maar aan die stil kant wees want geen toeskouers mag die *games* bywoon nie, en dit is deur COVID ou grote. Lekker *ruggas* kyk ouens! **Nag ou grote...**
