SHOULD I BRING A KNIFE

TO A  

GUN FIGHT?

“No firearm licences may be issued for self- defence purposes”

The cat's out of the bag. The proposed bill, a long and complicated document, reads... “to provide that no firearm licences may be issued for self-defence purposes”. This part of the sentence has the nation up in arms... well, more specifically, those who own guns for the purpose of defending themselves and their loved ones against evil.

The Firearm Amendment Bill was published in the Government Gazette on Friday 21 May. The draft Bill seeks to amend the Firearms Control Act, 2000 (Act No. 60 of 2000).

CAUTION – ACCIDENT AHEAD!

[Letter to the editor]

I want to urge, advise, and plead with the community to be careful when they approach an accident scene. I recently witnessed an accident at a busy intersection where two vehicles crashed. Shortly after the accident occurred, a bumper bash followed – four cars involved in an accident within minutes at the same intersection. The best is just to avoid tailgating and to follow at a safe distance. It takes your brain 0.75 seconds to recognise that there is a serious problem ahead.

Accident on R510

Thabazimbi – A 35-year-old woman was critically injured in a car accident on the R510 on Sunday 23 May. Eagle Trauma Rescue’s basic life support Mothusi Mabaakanye and advanced life support Terence Maraoza transported her to Thabazimbi Provincial Hospital. She was later airlifted to Sunshine Hospital in Benoni for critical care and support. In cases of emergency, contact Trauma Rescue Ambulance services on 086 178 9911.

JEREMIAH 29:10-12

¹⁰For thus says the Lord: After seventy years are completed at Babylon, I will visit you and perform My good word toward you, and cause you to return to this place.

¹¹For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope.

¹²Then you will call upon Me and go and pray to Me, and I will listen to you.

SHOULD I BRING A KNIFE TO A GUN FIGHT?

“No firearm licences may be issued for self-defence purposes”

The cat’s out of the bag. The proposed bill, a long and complicated document, reads... “to provide that no firearm licences may be issued for self-defence purposes”. This part of the sentence has the nation up in arms... well, more specifically, those who own guns for the purpose of defending themselves and their loved ones against evil.

The Firearm Amendment Bill was published in the Government Gazette on Friday 21 May. The draft Bill seeks to amend the Firearms Control Act, 2000 (Act No. 60 of 2000). Self-defence

Self-defence is the defence of one’s person or interests, especially through the use of physical force, which is permitted in certain cases as an answer to a charge of violent crime.

In more latent terms, if you’re life is danger, or that of your loved one... you will do everything in your power to make sure no harm is done. However, if you take away a gun owner’s firearm, with what must he/

she defend him/herself against an attacker with a gun? A knife? Run all the way over to the gunman and try to jab him? Maybe throw a stone at him, or a Batman star? Go for the throat or groin? Try a Jackie Chan move?

What about farmers and farm workers? Ask the perp politely not to rape the women and children, and throw them with a mielie? They will become sitting ducks...

The proposed law would definitely do away with the CFR’s backlog...

A video and photos on 15 May posted on Facebook about the filing system at the Central Firearms Registry (CFR) is an abomination! If you want to find your application, be my guest – see you in 100 years!

Amnesty... I’m sure all the bad guys handed in their guns. Why? Because the cops asked them to!

In January all media outlets highlighted SAPS’ plea when they reminded the public to surrender their illegal and unwanted firearms, firearm parts, or ammunition without fear of being persecuted. The deadline for the firearm amnesty was Sunday 31 January 2021. From 1 August 2020 up to two weeks before the deadline 23,399 firearms and 119,781 rounds of ammunition were

surrendered. Of the firearms surrendered, 3,139 were voluntarily handed in by their legal owners while 20,260 – for which licenses have expired – were handed in. Subsequent to this, 23,724 rounds of ammunition were also voluntarily handed over to police including 96,057 rounds of ammunition that were surrendered by owners whose firearm licenses had expired.

What happens with your gun when you give it to the cops?

I’m not really sure... But... The divisional commissioner of operational response services lieutenant general Nhlanhla Mkhwanazi, on behalf of the National Commissioner of South African Police Service (SAPS) general khehla John Sitole, oversaw the destruction of 35,069 firearms at Cape Gate Wire and Steel Manufactures in Vanderbijlpark, Gauteng on Friday 28 January.

So, whose got the firepower?

The bad guys, the police and security companies.

Our beloved country...

We are burdened by the social ills accompanied by Covid-19. Unemployment – based on the expanded definition – stands at 42,6% as per the Quarterly Labour Force Survey. Approximately 18 million South Africans depend on some form of a social grant to live. Sweat and sorrow... against an option of buying a gun for R50 in a dark back-alley, which could change your financial predicament if you use it in a robbery...

What can you do?

All interested persons and organisations are invited to submit written comments on the draft Bill and Socio-Economic Impact Assessment System Report no later than 45 days from date of publication of this notice by – (i) e-mail to: comments.fcabill@csp.gov.za Provide your name, surname, postal and e-mail address, telephone and fax number.

They want your details and what you say... so make it count.

Don’t wait – send the email NOW! Seriously, this is no joke.

Even if you added your vote to a group, it might not count, you have to make a personal comment.

As inwoner van Thabazimbi wil ek die gemeenskap pleit om die waansinnige voorgestelde wet op vuurwapens teen te staan. Die gevolge wat dit vir inwoners, sportklubs, die jagbedryf, die ammunisie vervaardiging bedryf ensovoort het, en ons veiligheid inhou, is astronomies.

Met ‘n ongeveer 58 mense wat per dag in Suid-Afrika vermoor word, en ongeveer 163 mense wat per dag in Suid-Afrika seksueel aangerand word, en met ‘n ongeveer totale syfer van 6,403 daaglikse kriminele aktiwiteite (en dit is slegs die getalle wat gerapporteer word), is dit baie kommerwekkend dat die regering Suid-Afrikaners se reg tot self-verdediging met ‘n vuurwapen wil ontnem.

Die wysiging op die wet sal alle Suid-Afrikaners en wettige wapen eienaars as ‘n kwesbare teiken agterlaat. Dit is my persoonlike pleidooi dat ELKE Suid-Afrikaner NOU hande vat en saam staan teen die voorgestelde wysiging op die vuurwapen wet.

Ons as Suid-Afrikaners, met al die uitdagings binne Suid-Afrika kan nie toelaat dat Suid-Afrikaners se reg tot self-verdediging ontnem word nie. Tans kan die CFR (central firearms registry) nie eers die agterstand inhaal wat veroorsaak is deur die Amnesty aansoeke en die Covid lockdown nie, wat sal hulle maak met die astronomiese getal vuurwapens wat huidiglik gelisensieer is vir self-verdediging? Dit behoort ‘n vraag op elke Suid-Afrikaner se lippe te wees.

Nicole Murray, vuurwapen instrukteur, assessor en moderator

Kry ons kinders Covid-19 by die skool? [Skrywe aan die redakteur]

Was jou handjies, dra jou masker heeldag, en moenie jou juffie of maatjies ‘n drukkie gee nie – want jy kan só doodgaan... Wat ‘n boodskap om vir ons kinders te leer! As ‘n mamma is ek elke oomblik slag gereed om my kind te beskerm, maar die oomblik as sy lyfie deur die skoolhekke glip, is my beheer weg. As ek heeldag sy handjie kon vashou en seker maak dat hy nie siek raak nie, het ek. Covid-19 is geen grap nie – ek het al vriende aan die pandemie afgestaan. As jy nog nie gehoor het hoe ‘n stem klink wat huig na asem nie, sal jy seker maar aanhou dink dat dié siekte nooit sy kloue in jou sal slaan nie. Ek is bang. Statistieke toon dat kinders nie so maklik aansteek of siek raak nie, maar statistieke verander elke dag, die gogga muteer so gereeld. Hoe kan ek my kind se veiligheid verseker? Gerugte het sy gang geloop dat Laerskool Thabazimbi se personeellede Covid-19 positief is. Die gerugte pop elke nou en dan op. Die gerugte is omskep na ‘n

omsendbrief op 9 Mei... “Hiermee bring ons dit onder u aandag dat daar vier van Laerskool Thabazimbi se personeellede tans positief getoets het vir Covid-19.” Op 10 Mei het die brief aangedui dat die getal toegeneem het na 5. Winter het begin. My seun het vande week gesê sy keel is seer... wat is ‘n mamma te doen? En elke klein maatjie gaan huistoe, beweeg tussen almal in liefde, en mammas en pappas gaan werk toe, doen inkopies ensovoorts. Dis onmoontlik om te sê waar ons kleingoed die virus opdoen – maar dit maak nie die vrees makliker nie. Al wat ek kan doen is om my knieë te gaan en te vra: “Here, beskerm ons kinders en hou Jou hand oor hulle. Hou hulle veilig, veral wanneer ons nie self kan nie. Maak asseblief ons harte rustig, wees saam die onderwysers wat positief getoets het, want in ons klein dorp ken ons mekaar meestal almal op die naam. Ons is lief vir onse mense. Ons onderwysers is puik en ons het hulle nodig.”

Bekommerde Mamma

Cigarettes ruining my jackets!

[Letter to the editor]

People who are in the habit of throwing cigarette butts out of their car windows make me angry!

I enjoy riding my motorbike and on more than one occasion, I have been on the receiving end of this bad habit of smokers. You cannot imagine how many times cigarette butts have ruined my gear while I'm on my bike. It is dangerous to just throw out a burning cigarette butt – no matter where you are, as it can start a fire.

I know we are living in a free country and people must be allowed to enjoy their liberties. But is it too much to ask smokers to stub out their cigarettes before flicking it?

Final stretch for Thaba Shelter

Pieter Kuhn and Beverley Spira.

Those that spend the night will have access to a bed, shower, and a meal.

Thabazimbi – Thaba Shelter will be an ideal place for the homeless to take a shower, have a meal, and spend the night – at an affordable cost. Beverly Spira and Pieter Kuhn pulled up their sleeves and spent many a day scrubbing, painting, and fixing a building for the homeless. They finally reached the stage where they only need to finalise the last few things before they can finally open their doors.

Funds are needed for...

- Ceiling-and floor paint
- White enamel
- Labour money
- Bedding for single beds
- Bath towels
- Cleaning items
- Grouting for tiles
- Someone to help fix a fridge and two microwaves
- Someone to help install kitchen cupboards

They also need financial help with the drug test kits, as no one is allowed to sleep in the shelter unless they test negative for drugs, to protect others in the shelter.

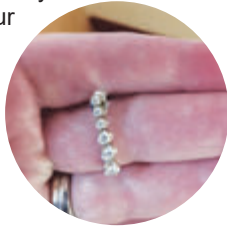

"We sincerely thank everyone who made donations and helped us on our journey. We are almost there!" said Beverly in an interview with *Platinum Bushvelder*.

You can also assist with their 'sponsor a room' programme where a business or community member can sponsor a room for R5,000. This will cover maintenance and electricity for that room, for a year. **For more information contact Beverley on 078 403 1813.**

Looking for lost earring

[Letter to the editor]

Swartklip – I recently lost my earring either at Mawala Lodge, the Swartklip boom gate or Overland in Swartklip. It was a gift from my husband for our anniversary and its sentimental value is priceless. If you find it, please give me a call on 083 449 8875.

Franette Pienaar oorhandig Celia Goosen se geskenk.

VLU Northam-tak raak kreatief

Northam – Die Vrou Landbou-Unie Northam-tak het op Donderdag 20 Mei vergadering gehou te Swartklip.

Franette Pienaar het 'n werksklas aangebied in potloodskets. Tydens hierdie klas is heelwat talent ontdek. Mari Meintjes wat 'n ou hand in breiwerk is, het met die lede haar kennis gedeel oor hoe om die kledingstuk in kantbrei te maak wat 'n kompetisie artikel is. Dit is dan ook met groot hartseer dat VLU Northam-tak afskeid neem van Celia Goosen as beoordelaar sameroepster. Celia Goosen was vir jare Northam se beoordelaar en het nou die leiers oor gegee aan Franette Pienaar.

Om deel te wees van VLU Northam of vir enige inligting kontak gerus Chantell Steynberg by 061 326 2724.

The four Junior Commissioners with members of the police, educators, and pastor.

Junior Commissioners awarded

Northam – Northam police wrapped up their Junior Commissioner project on Friday 21 May. The project was hosted at the Northam Comprehensive School hall and was attended by learners, educators, members of the police, and community stakeholders.

After the dedicated efforts by ten learners from Thekganang Technical Secondary School and Northam Comprehensive Secondary, the top four learners were selected.

Congratulations to Thekganang Technical Secondary School's Mbali Madonsela who was selected as junior support commissioner and Mabuza Kateko who was chosen as junior detective commissioner. Northam Comprehensive School's Mhlakulo Linamandla received the title of junior VISPOL commissioner, and Melody Nhidza with the junior station commissioner title. Not only do they wear their titles proudly they also each received a certificate and a trophy.

Why join Eland Platinum Mine?

Eland Platinum Mine (Eland) is a mining operation which forms part of the Northam Platinum Limited (Northam) group. It is situated near the vibrant towns of the North West Province - Brits and Hartebeestpoort, as well as Pretoria, the administrative capital city of South Africa.

Northam is a primary producer of platinum group metals (PGM) and holds a portfolio of world-class mining operations and projects in two provinces in South Africa - Limpopo and North West.

The Eland mining operation is a shallow hybrid UG2 PGMs reef, built in decline shafts that give access to the orebody reserves.

It makes use of chairlifts to travel into the underground working areas where mining activities which include semi-trackless and conventional stoping are performed.

The mine is a high-quality growth-enabling asset currently in a development phase and has a life expectancy of 30 years. It has a potential to generate a long-term sustainable revenue which will benefit its employees and all stakeholders during its existence.

Eland offers exciting career opportunities in mining. We create a collaborative working environment and an inclusive and diverse culture that encourages and supports excellent performance and innovative thinking.

Our strategic, proactive and functional approach to running our business brings systematization and stability. Therefore, our employees are expected to work a fixed 5-day shift cycle which averages at least 45 hours on double rotational shifts. However, if required, extended work shifts are negotiated well in advance.

If you want a career that makes a real difference towards a sustainable future for you, for our communities and our country at large, then consider joining our winning team today!

Was there a change in your menstrual cycle the past month?

Rumour has it that April brought about a few changes to menstrual cycles with many women reporting that they were either very early or very late. Are you one of them?

This is definitely an amazing period fact: cold weather can impact your period, making it heavier and longer than normal. During the winter months, a woman's flow, period duration, and even pain level is longer than in the summer. This pattern also extends to women who live in colder climates.

Yes! I started late and when Mother Earth caught up with me, it was a rollercoaster! As if I was 16 all over again, ugh! But I bet you the reason is Covid-19. Everything gets blamed on that today... so it must be that.

Anonymous

Yes. In April, I had to take two personal days due to my cycle – which has never happened before. I would not wish it upon my worst enemy.

Rainbow Cup SA

Sharks vs Stormers

In 'n nat en koue haaitenk in Durban oorwin die Stormers die Sharks met 25-22. Tim Swiel maak nou 'n gewoonte daarvan om sy *Big Match Temperament* (BMT) ten volle uit te stal en slaag met 'n strafskop in die doodsnikke om sy maats van 'n wen te verseker.

Met hierdie oorwinning skuif die Kapenaars ook nou tot in die tweede plek op die puntetabel. Die Haaie was dalk op die dag beter in die vaste spel, maar kon agterlangs maar net nie aan die gang kom nie. In die Stormer geledere het die jong blits vleuel Edwill van der Merwe getoon dat hy lus is vir die groen en goud. Die mannetjie het ongelooflike vaartversnelling.

Lions vs Blue Bulls

Die *Jo'burgers* laat skokgolwe oor die Jukskei vlieg wat 'n mislike Saterdagand-stilte in Pretoria laat heers. Die lieflinge van Loftus loop kry toe pak in *Jo'burg*.- en welverdiend ook. Die telling van 34-33 getuig van 'n spannende affêre. Dit het amper gelyk of die Bulle onoorwinlik is maar die Leeus het hard gegrom...

Die Leeus se voorry kon maklik die speler van die wedstryd toekenning ontvang het ou grote. Hulle laat hulle nou nie juis deur groot name intimideer nie. Met die vorige *game* teen die Kaapse Springbok voorry het hulle ook die sweep geklap.

Vir eerskomende naweek het al die spanne 'n ruskans. Dit is ook die eerste amptelike Springbok oefenkamp.
