ERNA IS SAFE

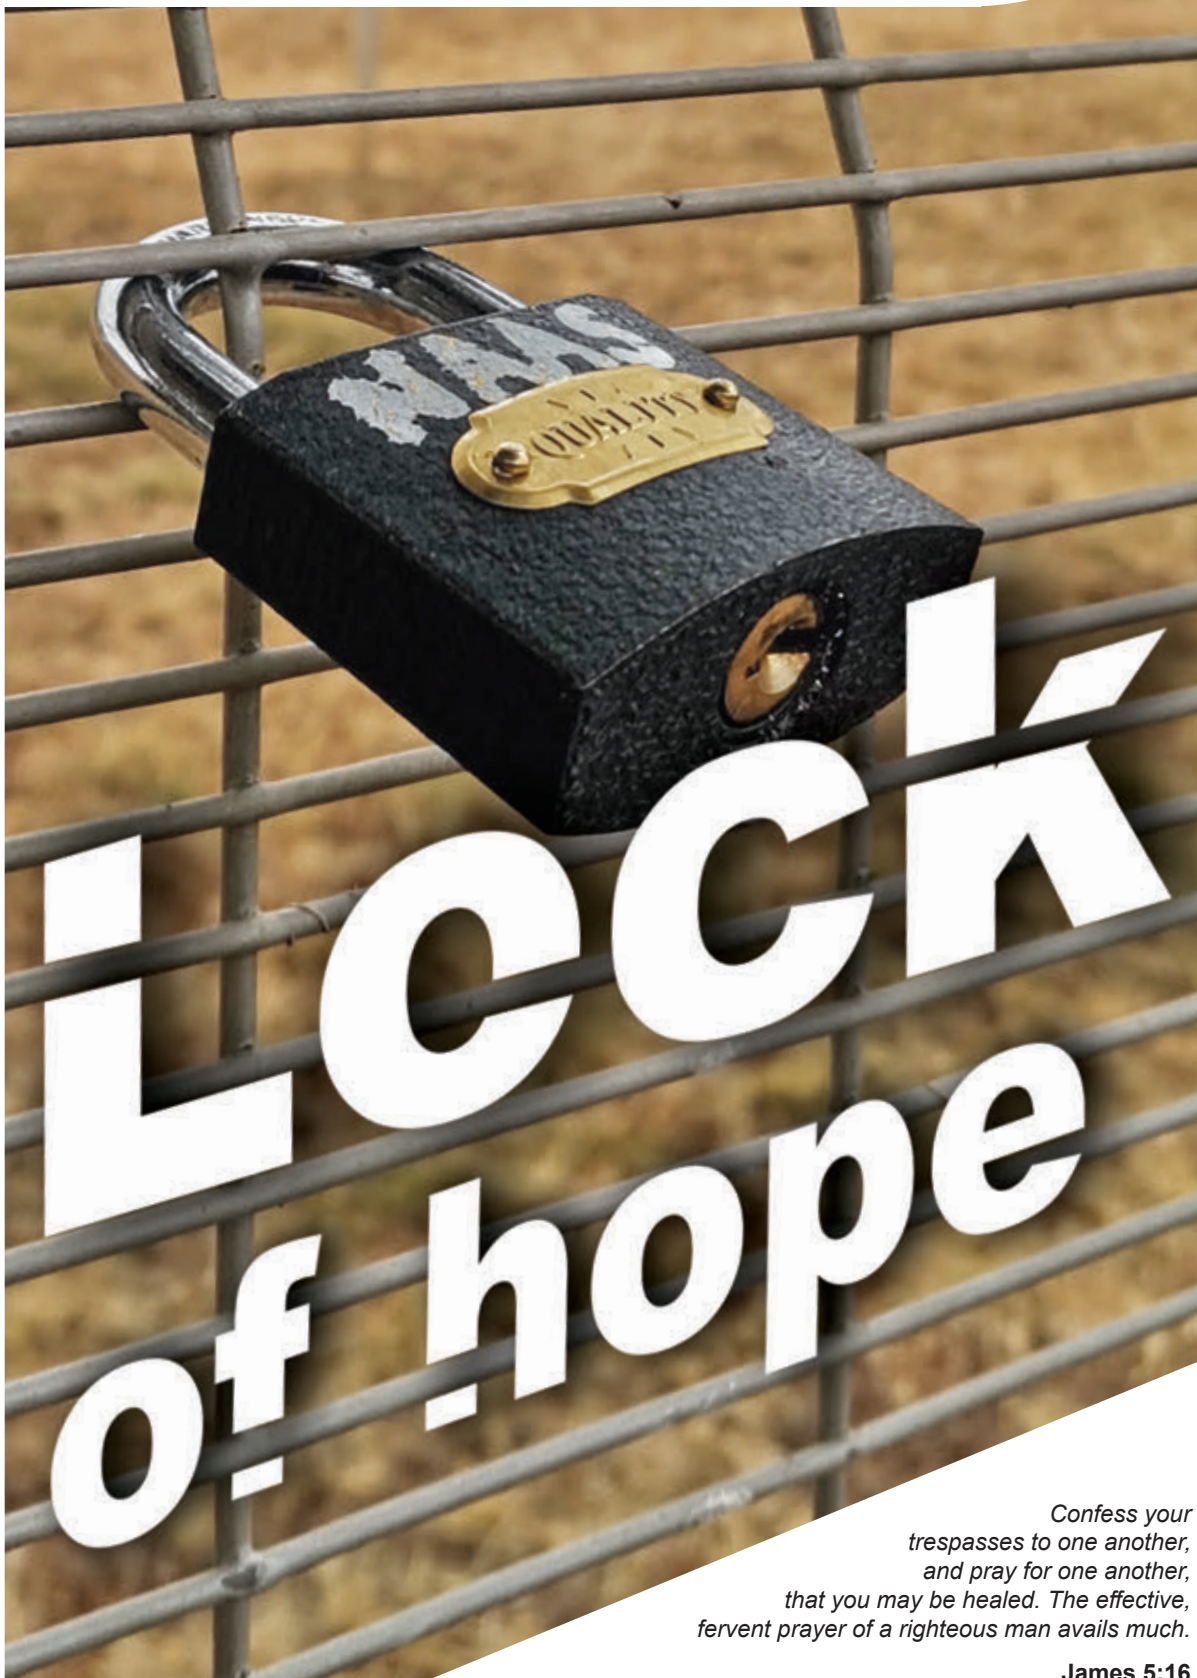

Northam – A young woman rocked up at Viva Garage late on Friday evening 18 June. She was barefoot and appeared to be very confused. Suzanne Human (manageress of Viva Garage) and her colleague Candice Whiteman tried their best to get the woman to talk to them. They gave her food and something warm to put on. Suzanne spread a picture of the woman on social media and explained the circumstances, hoping that someone might recognise her. At around 10:30 that evening the police picked her up to overnight in a room at the station rigged for victims of gender abuse. Candice insisted that they also fingerprint the women in case it might help to identify her.

Early the following morning the young woman was back at Viva Garage where employee Willem Modilane immediately gave her something to eat and drink. Suzanne and other community members started discussing the best way forward to assist this pretty but neglected young woman. The same morning, before any plans could be put into action, she disappeared just as quickly as she appeared.

In the meantime, the family of Erna Janse van Rensburg were desperately looking for her. They sent out photos and pleas for help. An employee of *Platinum Weekly* in Rustenburg picked up on it and immediately recognised the women from a security camera photo she saw on a community group in Northam. She contacted Erna's family and put them in touch with those who came in contact with Erna in Northam. Erna's aunt, Letitia Viljoen told the *Platinum Bushvelder*: "Erna is from Rustenburg. She and one of her friends visited me regularly." After not seeing her for a week, and not being able to get hold of her on her phone, she became very worried. She contacted Erna's parents who opened a missing person's case at the George police station. On Sunday 11 July, Letitia Viljoen (Erna's aunt) informed *Platinum Bushvelder* that Erna was found. She is currently recuperating in the Kalafong Hospital's psychiatric ward. Although not being able to go and visit her, because of Covid-19 restrictions, they are very relieved and thankful that she is safe.

Erna's mother, Cornelia Janse van Rensburg expressed her appreciation towards the Northam community for their care and compassion. "I thank God for answering my prayers and I thank all those involved in helping me to find my daughter," she said.

• *Platinum Bushvelder* plan to do a follow up article as soon as Erna is released from hospital, hoping that she might be able to shed some light on what happened to her while she was missing.

Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much.

James 5:16

Thabazimbi – There is power in prayer and during these difficult and uncertain times, we have to harness this power by praying for and with each other. A call was sent out to the Thabazimbi community by Nicole Murray to unite in prayer by writing a loved one's name on

a lock and attaching it to the fence at Thabazimbi Mediclinic. This will serve as a reminder that even in the darkest of times, we can turn to God. The first lock has been added and hopefully this will inspire others to do the same and join Thaba in prayer for those going through tough times.

The first lock has been added.

PROTECTING OUR OWN

Thabazimbi – Amidst Covid-19's third wave, level 4 lockdown, and an unemployment rate of 32%, thousands of looters took to the streets of SA and wreaked havoc. Thousands of shops were looted (mainly in KZN and Gauteng) and businesses ruined after criminals claiming to protest the imprisonment of Zuma on 7 July, wreaked havoc. Instead of protests, chaos, death and destruction followed. At the time of going to print...91 people in KZN and 26 people in Gauteng (related to these lootings) were killed. The situation remains volatile. Even with 10,000 soldiers on the ground to assist SAPS, various areas in KZN are still being looted and destroyed. In Thabazimbi – like most towns and cities across South Africa – communities are

uniting in combatting the looters. The Thabazimbi Taxi Association, SAPS, CPF Thabazimbi and community members are patrolling our streets to ensure the safety of our communities and the protection of our business district and private property. "We are here to protect our own. We will not submit to them. This is our town – looters are not welcome here!" said MG Makakaba, member of the Thabazimbi Taxi Association. A few incidents of suspicious behaviour were nipped in the bud and so far, all is well. "Some of our members patrolled the streets for 48 hours on end," said Thabazimbi CPF member Petrus van Breda. "Thank you to everyone for keeping Thabazimbi safe. We won't back down an inch. Let's keep the momentum."

ROAD ACCIDENT CLAIMS TWO LIVES

Thabazimbi – A horrific accident involving two trucks, a car and a bakkie occurred on Sunday evening 11 July on a treacherous part of the Ellisras road leading to Thabazimbi. During the collision, the car ended up under one of the trucks whereafter a Ford Ranger also collided into the accident scene. The Ford Ranger's occupants did not sustain any serious injuries. Sadly, the driver of the car died on scene and the emergency workers struggled for two hours to free him from the wreck with Jaws of Life. One of the passengers in the car sustained injuries and was transported to hospital. One of the truck drivers also succumbed due to injuries sustained while trapped underneath his truck. He apparently fell out of his truck during the collision and was only discovered when the cleaning operations commenced.

What remains of the vehicle that ended up underneath one of the trucks.

A GAME CHANGER FOR THE R510

Thabazimbi/ Northam/ Amandelbult – South African National Roads Agency SOC Limited (SANRAL) announced last week that the improvements to the R510, section 2, is progressing well since the contract was awarded in February.

SANRAL awarded a public tender to Raubex Construction (Pty) Ltd on 15 February 2021, for the improvement and strengthening of the R510, section 2. The contract section starts at 6.3km before the Bierspruit Bridge and ends at 33.4km before Thabazimbi. The total length of the project section of the R510 is 27.1km. Several initial milestones have been achieved since mobilisation began in February, paving the way for construction to begin at the end of July or beginning of August.

The improvement of this road consists of widening the existing road to 3.7m lanes in each direction, the construction of 3m paved shoulders and the addition of passing lanes on some sections on both sides of the road, including over the existing bridges, which will be widened. SANRAL is excited that this improvement will contribute significantly to reducing the number of accidents and improve mobility times for travellers. The site supervision of this project will be carried out by Royal Haskoning DHV Consulting Engineers. This project will create several temporary jobs for people living close to the road in the Thabazimbi municipal area.

Bekende en geliefde Thabazimbi inwoner Jan Trichardt is op Saterdag 10 Julie oorlede. Hy was 'n diep gelowige man wat Chritelike beginsels met oorgawe uigeleef het en nie geskroom het om die Here se werk met passie te doen. Jan was 'n gesinsman by uitstek. Sy gesin was vir hom baie belangrik. As hy hulle elke dag naby hom kon hê, was hy gelukkig. Vir 'n beter Oupa kon geen kind vra nie. Die Volksaak was vir hom 'n ernstige saak of dit nou CVO skole, Gelofte feeste, Bokkie weke of wat ook al was, as hy eers sy hart daarop gesit het kon jy maar weet... hier gaan iets gebeur! Wanneer die gemeenskap hom nodig gehad het om leiding te neem het hy dit ook voluit gedoen. Daar kan met reg gesê word dat hy voluit geleef het en gedoen het wat sy hand gevind het om te doen. Aan liefde het dit hom nie ontbreek nie. Jan se liefde wat hy op sy medemens en gesin uitgestort het kan nie gemeet word nie. Hy was 61 jaar oud. Het in Thabazimbi grootgeword en skoolgegaan. Was vir 38 jaar met Helene getroud en laat drie seuns en drie skoondogters agter en sy hart se punt... sy ses kleinkinders.

In remembrance

Ronald Graham du Toit is op Saterdag 10 Julie oorlede. Hy was 'n familieman wat elkeen op sy eie manier lief gehad het. Ronald was 'n kranige hengelaar en die viswaters van Hentiesbaai was een van sy gunsteling plekke. Almal het hom geken as 'n mense-mens wat altyd reg was met 'n grappie en sy lag was aansteeklik. Hy laat sy vrou, ses kinders en nege kleinkinders agter. Sy roudiens sal op 19 Julie van hulle huis in Leeupoort Vakansie Dorp, soos hy dit graag wou gehad het, plaasvind. Slegs familie sal toegelaat word. Die diens sal ook uitgesaai word vir die wat graag die diens sou wou bywoon. Die skakel sal op 'n latere stadium deurgegee word. Die familie wil graag dankie sê vir al die boodskappe, oproepe en bystand in hierdie moeilike tyd.

Slegts agt dae voor sy 59ste verjaarsdag is Ertjies de Witt op Vrydag 9 Julie in Thabazimbi Mediclinic oorlede. Ertjies was 'n man wat omgee het vir sy medemens en sy gemeenskap. Hy was by verskeie organisasies betrokke onder andere die Thabazimbi Homeless Shelter. Hy was met trots deel van die Vryheidsfront Plus. Ertjies was 'n voorslag in die kombuis wat sy familie bederf het met die heerlikste kos. Sy familie groet 'n wonderlike eggenoot, pa en oupa. Hy laat sy vrou, Annemie, sy drie kinders Saroné Ferreira, Ernst de Witt, Jaco de Witt en sy drie kleinkinders Tiaan, Ernst en Marinel agter. Geen roudiensreëlings is nog getref nie; die besonderhede sal binnekort deurgegee word.

Die pes siekte

[Skrywe aan die redakteur]

Thabazimbi – My hart breek vir die geliefdes van elke mens wat gesterf het in ons Thaba gemeenskap. Hulle was hartsmense, hardwerkende mense en betrokke in ons gemeenskap. Ek treur oor die groot verlies aan kundigheid en kennis wat verlore is. Aan die ander kant van die spektrum is daar soveel wat die pes siekte oorleef het. Stadig maar seker herstel hulle en gaan aan met hul lewens. Dan is daar ook 'n driehoek-situasie waar familie en vriende agterbly... Treur oor die verlies van broodwinners en die ewige gemis van geliefdes. En dan ook die gesondheidswerkers wat onbaatsugtig blootgestel word aan die pes siekte. Dokters, verpleeg personeel, skoonmakers en toetscentrums vir Covid-19. Ambulanspersoneel en selfs helikopter vlieëniers wat bystaan om hulp te verleen. Ek wil graag dankie sê vir almal in ons plaaslike hospitale, klinieke en selfs apteekpersoneel wat raad gee en bystaan met medikasie – en vir elkeen wat volhou om die ekonomie in ons omgewing aan die gang te hou. DANKIE MENSE! MAG DIE HERE ONS GENADIG WEES!

'n Pleit boodskap vir Naas

Goeie môre Vriende,
Vandag steek ek my trots in my sak en vra om hulp vir Naas Richardson asseblief. Ja, ek weet Covid-19 raak almal. Ja, ek weet almal sukkel en kry swaar. Ja, ek weet so baie mense is hartseer. Ja, ek weet baie mense is en was waar ek nou is. MAAR EK KLOP VANOGGEND AAN DEURE OM TE SIEN WIE SAL OOPMAAK. Naas Richardson se toestand versleg drasties. Sy diabetes maak dit erger en hy het nie 'n mediese fonds nie. Ek vra vanoggend asseblief 'n stukkie brood, nét een vissie uit jou mandjie. 'n Bietjie kan baie maak.

Skenk bloed. Skenk lewe.

Northam – South African National Blood Service (SANBS) het op Dinsdag 13 Julie die gemeenskap uitgenooi om bloed te skenk by Northam Plaza. Met elke eenheid bloed kan drie lewens gered word aangesien bloed in rooibloedselle, plasma en bloedplaatjies geskei word. Die SANBS lewer 'n noodsaaklike diens deur bloed in te samel en te sorg dat dit veilig by die ontvangers uitkom. Almal wat kom bloed skenk het, het 'n kombors ontvang om warm te bly in die winterkoue.

LIONS SERIES

Die Britse en Ierse Leeus toer 2021 ten spyte van die Covid-19 protokol wat toegepas moet word. Die feit dat geen toeskouers die games kan bywoon nie, is baie hartseer. Dalk is daar groter hartseer by die braaiwysers... want ietsie koud is nou peperduur. Die Leeus het op 7 Julie die Sharks met 54-7 geklop. Coach Warren Gatland brom maar onderlangs en hoop vir strawwer teenstand in die komende games om voor te berei vir die reeks teen die Bokke. Weens die feit dat die game teen die Bulle afgestel was weens

Covid-19, moes die Haaie weer instaan om die Ingelse 'n speelkans te gee... Maar die Haaie sal die game gou wil vergeet. Die Haaie het tot rustyd stewig vertoon maar in die tweede helfte was die torre los. Die Leeus wen hierdie game 71-31. Die Springbok A-span speel Saterdag in Kaapstad teen die Bulle. Goeie nuus vir die Leeus is dat Alun Wyn Jones eersdaags by die toergroep gaan aansluit. Sy skouerbesering wat hy teen Japan opgedoen het, het wonderbaarlik herstel.

Wet, windy and cold conditions

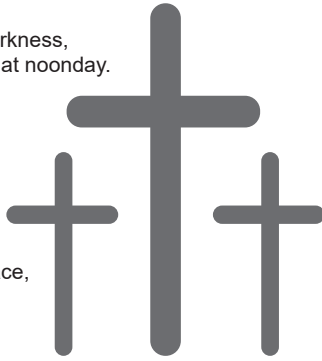

SA – A Weather SA press release on Sunday 11 July stated that strong winds are expected this week across the Cape provinces and may result in property damage in some areas, following the arrival of a strong cold front (see figure).
• The public should take note that significant and widespread frost is expected over the western and central interior from Wednesday through to Friday.
Very cold conditions are also expected to set in with daytime temperatures plummeting to below 10°C over the western mountains of the Western Cape as well as the southern high ground of the Northern Cape. These are the areas where there is a possibility of snowfalls which may be as deep as 5 to 15 cm over the western mountains in the Western Cape Province, as well as on the southern high ground of the Northern Cape.

SOULFOOD

PSALM 91

¹He who dwells in the secret place of the Most High
Shall abide under the shadow of the Almighty.
²I will say of the LORD, "He is my refuge and my fortress;
My God, in Him I will trust."
³Surely He shall deliver you from the snare of the fowler
And from the perilous pestilence.
⁴He shall cover you with His feathers,
And under His wings you shall take refuge;
His truth shall be your shield and buckler.
⁵You shall not be afraid of the terror by night,
Nor of the arrow that flies by day,
⁶Nor of the pestilence that walks in darkness,
Nor of the destruction that lays waste at noonday.
⁷A thousand may fall at your side,
And ten thousand at your right hand;
But it shall not come near you.
⁸Only with your eyes shall you look,
And see the reward of the wicked.
⁹Because you have made the
LORD, who is my refuge,
Even the Most High, your dwelling place,
¹⁰No evil shall befall you,
Nor shall any plague come near
your dwelling;
