Heroes rising from the ashes

Matlabas Plaaswag and members of the community spent more than 14 gruelling hours to bring a runaway fire under control.

Thabazimbi – When a fire broke out on Saturday 28 August, Matlabas Plaaswag rushed to the aid of farmers living along the Matlabas River in the Inkerman area outside Thabazimbi. With the fire index fluctuating between red and orange leading up to the day, strong winds and dry grass only added fuel to the fire. What started out as two fires caused by lighting soon created havoc and an estimated 3,000ha were destroyed, along with some of the animals which were not able to escape its destructive path. Community members from as far as Steenbokpan, Soutpan, Sentrum, Thabazimbi, Cumberland and Rooibokkraal came to the rescue. Read more on page 2.

More than 3,000ha stretched over six different farms, were destroyed in the fire, leaving farmers without feed for the livestock.

Heroes rising from the ashes

Thabazimbi – When a fire broke out on Saturday 28 August, Matlabas Plaasweg rushed to the aid of farmers living along the Matlabas River in the Inkerman area outside Thabazimbi.

With the fire index fluctuating between red and orange leading up to the day, strong winds and dry grass only added fuel to the fire. What started out as two fires caused by lighting soon created havoc and an estimated 3,000ha were destroyed, along with some of the animals which were not able to escape its destructive path.

Community members from as far as Steenbokpan, Soutpan, Sentrum, Thabazimbi, Cumberland and Rooibokkraal came to the rescue. At around 00h15 on Sunday morning, the fires were finally brought under control. Matlabas would like to sincerely thank everyone who assisted in fighting the fires, as well as Don and Reikie May for the food they prepared for the teams. It was community care at its best.

The fires also left farmers high and dry without feed for their livestock – but thanks to

generous donations from the community there should be enough provisions for the season. Matlabas is in the process of arranging storage and transport. The cash donations they received also made a significant impact in this time of crisis. However, it has come to light that the cattle wires as well as water pipes have sustained serious damage and a plea is sent out for donations of new or second-hand rolls of wire, droppers, poles and water pipes.

Donations can be dropped off at the following points:

- Tarentaalpan (between Lephalale en Thabazimbi)
 - » Reikie May – 082 602 4379
- EZT in Lephalale
 - » Aldo Venter – 082 344 0081

 - » Polla Vos – 082 327 2418

Northam – The Northam community was hot under the collar on Saturday 28 August after Thabazimbi Local Municipality (TLM) employees were seen dragging a shack through the streets. TLM apparently received complaints about the shack that was erected at the taxi rank. Employees were instructed to remove the shack but did not have the correct tools on hand to disassemble it, so they made a plan. “The shack had to be moved, we were just doing our jobs,” a municipal employee told *Platinum Bushvelder*.

The community however was more concerned about the damage the ‘move’ caused to the streets. Speedhumps and road signs were damaged and there was a close call with another vehicle as the wreckage was pulled through the streets. The shack was eventually dragged all the way to a local dumping site.

Much to the amazement of local community members, a shack was dragged through the streets of Northam, using a municipal truck.

Warning – high accident zone [Letter to the editor]

Northam – Expect chaos at the main four-way stop in Northam – in the mornings and when the sun starts setting.

In *Platinum Bushvelder* of 19 February there was an article complaining about the lack of traffic officials.

Now more than six months later, there is still no control. Nobody follows the right-of-way rule, they drive like maniacs.

One morning, in one trip, I witnessed three near accidents! Seriously?

Stuck in Traffic

What a nightmare at the main four-way stop in Northam!

Switching Brits to solar...

Brits – Pretoria-based Energy company LessWatts, which focuses on solar power solutions, recently completed an impressive 163kWp solar installation in the Brits area. This solar plant, in the Brits area, is one of the first grid connected solutions which Eskom and National Energy Regulator of South Africa (NERSA) approved. The project entailed the analysis of projected cost savings through a solar plant, taking the customer's historic consumption into account. Saving money is not the only benefit that this installation will bring to the area. There will also be increased network stability due to a high-power demand, and increased job creation during the construction and maintenance phases. "A properly installed solar solution will provide in excess of 20 years' trouble-free electricity at a fraction of the cost of energy from the utility," said owner Ignatius Cronjé, who plans, designs, and implements solar solutions. "Energy security is paramount. Just like buying a car to get by, solar solutions provide a modern way out to cash in on electricity prices at today's tariffs and reap the benefit for many years."

Visit www.lesswatts.co.za for more information.

MAKARAPA CITY SEASON 7

One evening, at Dolly's house...

The community is cautioned to be aware of false procurement and email scams. In other news, the ground-breaking ceremony for Dennis Nkosi's company is set to happen in a few weeks...

Listen to that. So many scams these days...

That's why we need to be cautious.

You're one to talk. You used to be part of such things.

I've changed, learned the error of my ways.

Well I'm only after revenge on that skollie, Dennis.

What are you cooking up?

That man ruined my life. I've been waiting 30 years to get even with him.

What did he do to you back then?

He betrayed me. I took the rap and he got off scot free.

But this was years ago.

I'm gonna sabotage his new company.

But your vendetta will affect us all. Destroying infrastructure doesn't help anyone.

He's right. Think of the positive changes the mine and Dennis's company will have. Jobs and skills development...

The mine empowering entrepreneurs will empower us all!

I don't believe it for a second.

Investment is vital for our community's growth. Dennis has great plans.

The only plan I'm interested in is the one to bring him down!

Wait, there's a neater way. Something about that fiancée of his doesn't add up.

Who, Pam? The botox queen?

That's the one. I'll tawl her social media. There's something fishy going on...

Later that night...

Sporo, wake up. I found an article online. It's about a woman called Angelica Dlamini, who was released by police in New York. Her husband fell off a 16-storey building. She had a watertight alibi. She inherited the lot.

Hmmm. What do you have in mind, Dolly?

Wait 'til I leak this info to the local media.

You're a genius, Dolly. What would I do without you?

Fuel prices dropped!

South African fuel users will enjoy a breather in September, with prices of all grades of fuel set to drop. This is according to the Automobile Association (AA) which was commenting on unaudited month-end fuel price data released by the Central Energy Fund. The Association's outlook for September is that petrol will drop by around 11 cents a litre, diesel by up to 21 cents a litre, and illuminating paraffin by around 12 cents. The AA notes, however, that the Rand weakened a fair amount against the US dollar in August, meaning that South African fuel users will not enjoy the whole benefit of the lower oil price.

AA press release extracts

Uncollected SRD grants not claimed, will be forfeited

SA – Applicants of the Special Covid-19 Social Relief of Distress Grant (SRD R350), who did not collect their money, are urged to go to their nearest post office to collect their grants... otherwise it will be forfeited. PSALM 23 VERSE 1-6

¹The LORD is my shepherd; I shall not want.
²He makes me to lie down in green pastures; He leads me beside the still waters. ³He restores my soul; He leads me in the paths of righteousness For His name's sake. ⁴Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me.
⁵You prepare a table before me in the presence of my enemies; You anoint my head with oil; My cup runs over. ⁶Surely goodness and mercy shall follow me All the days of my life; And I will dwell in the house of the LORD Forever.

PLEASE HELP TAR

Thabazimbi – Thabazimbi Animal Rescue (TAR) feeds, houses and ensures that the animals in their care receive the necessary medical treatment. They have taken in more puppies and adult strays lately which has increased their financial expenses significantly. They urgently need extra food to ensure that no animal goes hungry. You can also help by supporting their charity ship as the funds raised helps to pay their vet bills or by donating old plastic bags and newspapers that can be reused. They would like to thank everyone that has supported them in the past and everyone who has opened their homes and adopted a pet from them. For more information, to get involved, or to report matters of abuse (information will be kept confidential), contact TAR on 084 885 6487.

CURRIE CUP RUGBY

Uitslae...

- Griekwas 13 -13 Pumas
- Bulls 39- 36 Cheetahs
- Sharks 24 - 35 WP

Die WP span het by die agterdeur ingeglip die afgelope naweek met hul oorwinning oor die Haaie in Durban. Dit was 'n moet-wen situasie en hulle kon dit vermag om die Pumas uit die vierde plek op die log te druk. Die WP gaan nou eerskomende Vrydag Loftus toe reis om die Bulle in 'n halfeindstryd te pak. Die *game* skop om 19:00 af. Die Haaie gaan op hulle beurt Saterdag om 17:00 teen die Griekwas in Durban uitdraf in die ander halfeindstryd. Vir die Griekwas is dit 'n groot affêre en die Diamantboere gaan met alles kom na die Haaientek. Die bepalings speel nogal baie in pappa se guns... Vrydagaand braai en natuurlik dan ook Saterdagmiddag met die tweede *game* is die vure weer aan en die *kouetjies* byderhand. Kom ons hoop die *refs* en die weer gaan saamspeel sodat *ruggas* kan seëvier. **Nag ou grote...**
