Solar street lights were installed at the four-way stop in Regorogile.

Regorogile/Thabazimbi – Thabazimbi Local Municipality (TLM) is putting solar power to the test. Four solar panel streetlights were installed at the four-way stop in Regorogile on Monday 29 November.

Cable theft in the area is on the increase often leaving residents in the dark and vulnerable. Streetlights play a vital role in security – a well lit area leaves less space for criminals to hide. It also improves on the safety of drivers and pedestrians after dark. The solar street lights operate completely on their own power, generated by solar panels which stores energy in batteries - which means that they don't depend on supplied electricity and stays lit even when there is no power. Going solar is efficient, cost effective in the long run, and better for the environment.

"This is just a test run. Even though it is not as effective as we hoped, the initiative shows potential. Once we have found an effective solution with solar lights, we plan to roll it out in other areas of our community," said TLM electrical department manager Jacob Khuabo.

‘n Pleit aan die gemeenskap

Thabazimbi – Medivet Dierekliniek wil die gemeenskap versoek om asseblief op te hou om baba diertjies té vroeg weg te vat van hul mammas af.

Hulle voer mee:

‘n Hondjie moet ten minste tot op agt weke by sy ma en sibbe wees. Tussen ses en agt weke, is die babatjies se kognitiewe en emosionele ontwikkeling van uiterse belang. Hulle kan so maklik gedragsafwykings ontwikkel sou ‘n mens hulle te vroeg van hul mammas af vat. Dit is die ekwivalent om ‘n vierjarige kind in Graad 1 te sit. Hul is nog nie reg daarvoor nie.

‘n Baba hondjie moet stelselmatig gespeen word van ses tot agt weke. Hul spysvertering moet stadig ontwikkel. Net soos wat mens ‘n mens-baba nie dadelik sal oorsit van melk na steak toe nie. Die eerste enting en ontworming moet op vier weke plaasvind en daarna op ses en nege weke. Dus is die teler verantwoordelik vir die eerste twee entings.

Medivet Dierekliniek span

Daar is net te veel hondjies wat in ons veeartse se hande doodgaan en nuwe hondjie eienaars wat met rooi gehulde oë smekend na ons kyk vir hulp omdat mense dit nie geweet het nie. Kom ons bou ons gemeenskap op en hou ons troeteldiere gesond en gelukkig.

Debunked but...

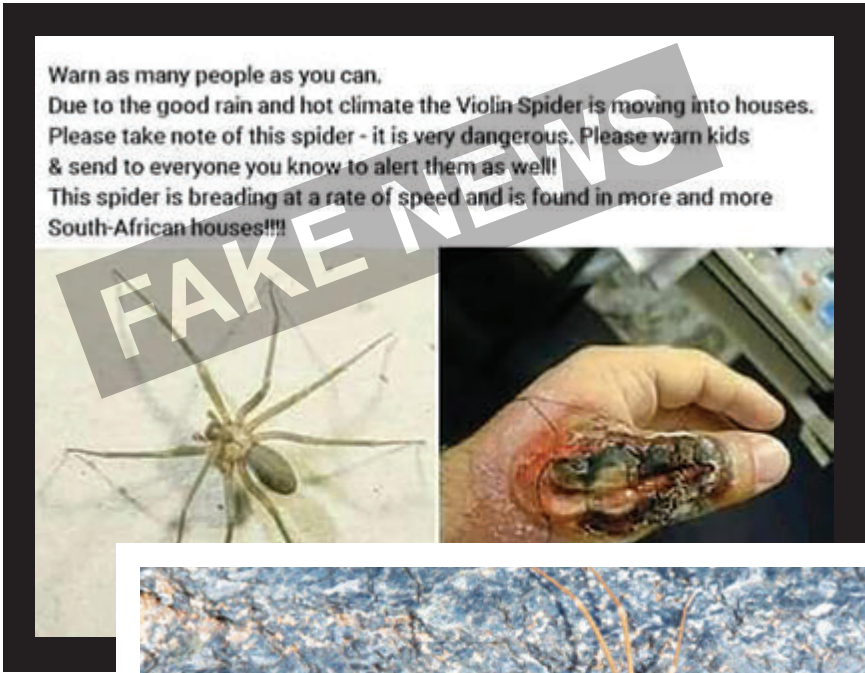

SA – This picture, debunked as fake news, has been circulated on social media for years and has once again surfaced on various local platforms.

The image was spread with the message: “due to the good rain and hot climate, the Violin Spider is moving into houses... these spiders are breeding at a speed inside our homes...” NOT TRUE! Not even the wound depicted in this picture can be attributed to a spider bite.

Platinum Bushvelder spoke to African Snakebite Institute’s Johan Marais, an expert in the snake and spider field, to find out more about this ‘deadly’ spider. “When bitten, you need to consult your doctor,” Marais advises.

Violin Spiders are not easy to identify and usually don’t have the violin shape on their head. It is a solitary spider and quite intelligent because it flees quickly when approached. Because they are so difficult to identify, people often confuse them with the Daddy Long-Legs.

Johan explained: “The Daddy Long-Legs are always on a web and common in and around homes, especially in dark areas in the garage. You will often find one stuck in your bathtub, but they are completely harmless. They also have white marks on their legs. On the other hand, the Violin Spider is hairy and velvety, and they rarely enter homes.”

The infamous Violin Spider

Spider bites are nasty, but rarely kill. With myths and fake news, you need to know your South African spiders, how to prevent bites and what to do if a bite does happen. Visit www.africansnakebiteinstitute.com/spider/ to read up!

CHARGE CHANGED TO ATTEMPTED RAPE

Thabazimbi – Usman Ahmed, a thirty-year-old Pakistani national once again appeared before the Thabazimbi Magistrates' Court on Thursday 2 December. He was arrested on 12 November for allegedly raping a 16-year-old girl at his shop in the CBD. The original charge of rape against him has been changed and he now stands accused of attempted rape, to which he pleaded 'not guilty'. During the investigation, it came to light that the accused was an illegal immigrant, which led to additional charges being instituted against him. However, his attorney stated in court that he attempted to apply for asylum, but that he could not apply due to Covid-19. His bail was set at R2500, and he has to report to the Thabazimbi police station twice a week as part of his bail conditions. Community members gathered in front of the court to voice and show their grievances. The first thing that comes to mind is 'What is attempted rape' *Platinum Bushvelder* spoke to attorney Schalk Pienaar to find out what the law defines as rape: "Intentional, unlawful sexual intercourse with a woman without her consent. Sexual intercourse includes the penetration of the labia majora (outer lips of vagina)" So attempted rape is an attempt to do what the definition above describes.

Fuel pain in December as petrol breaches R20/l

SA – On 1 December 2021, after the December fuel price adjustment had already come into force at retailers across South Africa, and two full days after the official announcement of the fuel price by Minister Gwede Mantashe, the Department of Mineral Resources and Energy (DMRE) announced it had made a mistake with its fuel price calculations. The Automobile Association (AA) says the error has already caused many South Africans to pay higher prices for fuel than they should have, and that this situation must be rectified. The error affects the prices of all grades of petrol. The new increase for petrol is therefore 75c/l. Even with the reduced increase, the December fuel price adjustments still push the price of petrol past the R20/l mark. "The error by the DMRE validates the AA's call that a total review of the fuel price, and an audit of all the process and components which comprise the fuel price, is necessary. While we appreciate that errors occur, the impact of the fuel price on millions of South Africans cannot be underestimated. This error, in fact, must be the catalyst for such a review," says the AA.

Fun walk for awareness

Thabazimbi – 16 Days of Activism for No Violence against Women and Children is an international awareness campaign. It takes place every year from the 25 November to 10 December. SAVF Thabazimbi volunteers took hands with The Lighthouse inc Friends to Addicts to raise awareness about two major problems in the Thabazimbi community – drug addiction and violence against

women and children. They would like to invite the community to gather at the New Way Christian Church parking area on Saturday 11 December at 10:00 for a fun walk to raise awareness. The organisers encourage wearing something fun, funny, pretty or pretty-awkward to join in the fun. For information contact Annamarie Oosthuizen at 079 355 8502.

Disappointed with service at Northam Clinic

Northam – The service at Northam Clinic has come under fire. *Platinum Bushvelder* received numerous complaints from community members who visited the clinic in the past month. These complaints include:

- Patients need to wait hours on end to get service.
- After lunch on certain days, the clinic doesn't operate, and they send the patients home.
- Some mothers with babies get to the clinic at 7am and at 5pm they are told that the clinic doesn't have medication.
- People need to put in leave to go to the clinic, don't get help, and then they are in trouble at work, as they don't even get a sick note - and that after sitting in the queue all day!
- The nursing staff at the clinic help people who did not stand in the queue, like the rest.
- One of the worst complaints received was of community members who arrived at the clinic early in the morning to get their Covid-19 vaccinations. After waiting from 6am they were eventually sent home at 12am because the clinic didn't have any water.

"They don't care about the sick and they don't respect the patients. They even take their lunch break at the same time leaving the people unattended for a whole hour. Babies arrive there as early as 7am for immunization or weighing - only to be told at 5pm that they won't get help as there is no medication, just imagine a month-old baby and even heavily pregnant women who have to sit there, the whole day in the

scorching sun," another complaint read. There are so many people who depend on the clinic for basic health care. We are in the middle of a pandemic and access to proper medical care is crucial. Where should these patients go to, if their only option is the clinic and the clinic neglects to provide them with the treatment and services they need. *Platinum Bushvelder* reached out to the Limpopo Department of Health. Multiple requestes were sent and they were given ample time to respond but at the time of going to print they failed to respond to any of or questions or the allegations made against them.

Have your say / Sê jou sê

Have you ever shouted at someone in public?

There are many reasons why people have public outlashes, but most of the time it is just because we let our emotions get the better of us...

No, its very rude. You cannot allow someone to affect your peace, because then you give them more power than they deserve.

Lecia Khan

Yes, sometimes people just don't listen and then I can get very angry.

PROVERBS 1 VERSE 1 - 13

¹The proverbs of Solomon the son of David, king of Israel: ²To know wisdom and instruction, To perceive the words of understanding, ³To receive the instruction of wisdom, Justice, judgment, and equity; ⁴To give prudence to the simple, To the young man knowledge and discretion — ⁵A wise man will hear and increase learning, And a man of understanding will attain wise counsel, ⁶To understand a proverb and an enigma, The words of the wise and their riddles. ⁷The fear of the LORD is the beginning of knowledge, But fools despise wisdom and instruction. ⁸My son, hear the instruction of your father, And do not forsake the law of your mother; ⁹For they will be a graceful ornament on your head, And chains about your neck. ¹⁰My son, if sinners entice you, Do not consent. ¹¹If they say, "Come with us, Let us lie in wait to shed blood; Let us lurk secretly for the innocent without cause; ¹²Let us swallow them alive like Sheol, And whole, like those who go down to the Pit; ¹³We shall find all kinds of precious possessions, We shall fill our houses with spoil.

To build their nest faster, some penguins turn to a life of crime, waiting for their neighbours to leave before quickly stealing pebbles from their nest. It's risky business – if they're caught, it usually ends up in a squabble.

Vissermanne en vrouens het in hul massas opgedaag by Setaria Concentrator Dam om lyne nat te maak om hulle te ondersteun. Die vis het geloop en verskeie wenners het vir hulle eerste pryse ingepalm. SAVF Thabazimbi wil graag die Thabazimbi Hengelklub bedank vir hul bydra tot ‘n fantastiese dag asook vir almal wat skenkings gemaak het vir die pryse.

Hengelaars het lyne kom nat maak vir ‘n goeie doel.

Fantastiese pryse was op die spel vir die wenners.
