Don't become a statistic

Pretend Stats SA fieldworkers commit armed robbery

Northam – A man staying with his aunt in Mojuteng, Northam, were overpowered and robbed at gunpoint by four men who claimed to be Stats SA fieldworkers.

On 2 February at about 8am, the four men asked if they could enter their home, saying that they are “helping to register foreigners” and that they “work for Stats SA”. By the time they realised that something about the men

was suspicious... it was too late.

The gang pulled out their guns, tied them up and ransacked their home for valuables.

Sergeant Fortune Madisa of Northam SAPS says: “The suspects looted cellphones and an undisclosed amount of cash and fled the scene.” He added: “No arrests have been made so far, but we warn community members to be on alert.”

EVEN IF the guys knocking on your door, or asking for access at your gate, show their paperwork and look like the real thing, do not let them in if anything seems out of place or if you find them suspicious in any way.

In 2021, Stats SA cautioned members of the public about imposters pretending to be fieldworkers from Statistics South Africa. In Limpopo scammers were going door-to-door and claimed to be profiling households. They then requested members of the public to provide their banking details and also to confirm if they have mobile banking apps. Some members of the community fell prey to these scammers.

The Department of Agriculture, Land Reform and Rural Development's office that's "not situated in Thabazimbi". Seriously? Photo taken in Thabazimbi.

The great mystery of the Agri office...

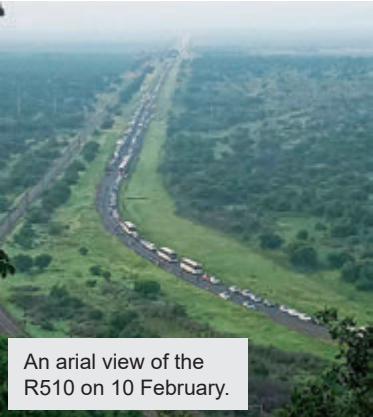

Thabazimbi – Thapelo Chepape informed *Platinum Bushvelder* that the Department of Agriculture, Land Reform and Rural Development's Thabazimbi office is closing and moving to Lephalale. The effects of this closure on the farmers in the community was published on Friday 11 February. At the time of going to print our enquiry sent to the department was not yet answered.

They responded to our enquiry regarding the closure of the office on Monday 14 February. "The Department of Agriculture, Land Reform and Rural Development's office does not have offices in the Thabazimbi area. The Department's Waterberg district office is situated in Modimolle and not Thabazimbi. Therefore, it is not true that the office is moving to Lephalale," their statement read.

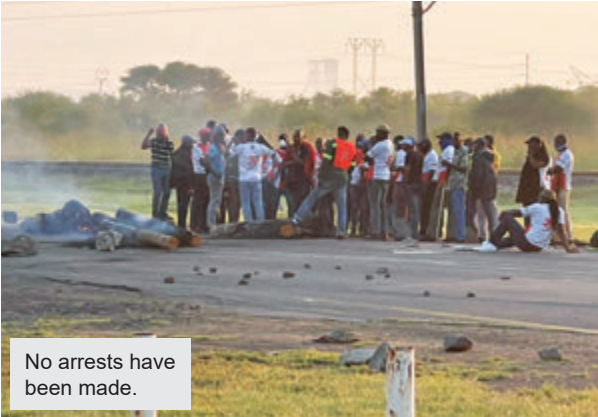

Our journalist not only spoke to a person at the office who confirmed that it was indeed the Department of Agriculture, but also paid a visit to the office where she was once again informed that it is indeed the Department of Agriculture.

... According to our information, the big signage board close to the office has been removed in the past two weeks. The signage against the wall of the Agri office IN THABAZIMBI, however, is still up.

And the plot thickens...

An arial view of the R510 on 10 February.

No arrests have been made.

Traffic chaos erupts as protesters block the R510

Northam – A group of roughly 50 protesters blockaded the R510 close to Amandelbult Complex's main entrance, from both directions (Northam and Thabazimbi) in the early hours of Thursday 10 February. From as early as 1am, this 50-strong group caused hundreds of commuters a blast of day!

Platinum Bushvelder spoke to a commuter who came through from Rustenburg to Amandelbult for business...

"Five hours later and the playlist repeated itself twice!... But it really is no joke. Time is money and a lot of hours were wasted. Our

trip from Rustenburg to Amandelbult took 5 hours!"

A number of employees on their way to Anglo American Platinum's Amandelbult Complex and Northam Platinum's Zondereinde mine were affected.

It is rumoured that Redpath Mining employees (a contractor at Northam Platinum) took to the R510 to raise wage increase disputes. No feedback was received from Redpath Mining at the time of going to print.

According to Northam SAPS sergeant Fortune Madisa, the protesters packed massive logs on the road and set tyres alight.

ACCUSED RAPIST BEHIND BARS

Thabazimbi – A 31-year-old man appeared before the Thabazimbi Magistrates' Court on 14 February 2022 on charges of rape and pointing a firearm.

According to Thabazimbi SAPS constable Titus Khumalo: "The accused, Piet Molefe's case has been postponed to 24 February for a formal bail application. He was arrested on 7 February, the same date the case was opened. We are working around the clock to get to the bottom of this incident."

On 7 February, a 32-year-old woman opened the case against Molefe and alleges she was raped and held at gunpoint at the accused's house in Regorogile.

According to the victim's brother, the police

did not supply the victim with a CAS number and did not want to open a case against the accused (although they took a statement). They reportedly reached out to the regional police.

Investigations continue.

The Economic Freedom Fighters (EFF) pledged to follow this court case to support the victim and get to the truth of the matter. They even distributed flyers and WhatsApp messages to keep this case, of alleged rape and obstruction to justice, under the spotlight.

EFF member Poppy Mailola attended the court session; "You will see me at the next court appearance. Thank you to all who attended."

R510 claims another life

Northam – A truck and Toyota Yaris collided head-on on the R510 between Amandelbult and Northam on Monday 7 February.

Trauma Rescue rushed to the scene, only to discover that the driver of the Toyota already passed away.

Says Trauma Rescue general manager Wentzel Dippenaar: "The driver of the truck sustained a fibula fracture and was found trapped in truck. Jaws of Life was used to safely free him. He was transported to Thabazimbi Hospital."

We extend our sincerest condolences to the loved ones of the deceased.

The driver of the Toyota died on scene after a head-on collision.

“Was my son poisoned?”

Thabazimbi – Lizzy Rabindi, staying in Knoppiesdoring Avenue, Thabazimbi, felt uneasy on 14 February evening as if she somehow knew something was off.

Lizzy stays with her two adult sons. During the course of the evening, her one son (Thomas) did not feel well. Just after midnight, she heard a noise and when she peaked outside, there were four men in her yard; three African males and one white male.

"To me it looked like they were armed with guns. I didn't recognise them, and I was terrified!" Lizzy said in an interview with *Platinum Bushvelder*. At around 03h00 that morning, 15 February, she finally called the police, who swiftly responded to her plight. Around the same time, her son's condition got worse, and she also contacted an ambulance to fetch him. "Was my son poisoned? Does it have something to do with the men in my yard? I don't know..." Lizzy said. "But I can barely make sense of things and can only pray for my son."

Her son was admitted to the Thabazimbi Mediclinic.

Says Martjie du Preez at Thabazimbi Mediclinic at the time of going to print: "The patient has not been discharged as yet."

Thabazimbi SAPS constable Titus Khumalo could not provide details into the matter.

Môre aan al ons dierbare en getroue Thabazimbiërs

[Skrywe aan die redakteur]

Dit is met 'n bekommerde hart wat ek uitreik na julle toe vandag. Ons koskaste is leeg en ons winkel is leeg. Ons benodig dringend skenkings van klere, huisware, of enige iets wat vir jou 'n wit olifant is. Enige nie-bederfbare kos sal ook welkom wees. Baie dankie aan almal wat so gereeld iets kom aflaai, dit help vreeslik baie om ons behoeftige gesinne te klee en te voed. Asseblief help ons om ons gemeenskap te help.

THABA SHOW 2022!

Play your part to secure the future of the Thabazimbi Landbou Skou, for your children's children.

Thabazimbi – After being set aside for two years because of Covid-19, the Thabazimbi Landbou Skou is back on track. Make sure to save the dates:

Thursday 28 to Saturday 30 July 2022.

The show, just as most other businesses, was negatively affected by the regulations brought about to try and curb the Covid-19 pandemic. To offer the same and even better to the annual visitors of this cultural gem of the bushveld, we hope that big businesses and the mining industry are just as excited as the newly-elected management of the show, to contribute to its success.

If you want to participate in this year's show, whether to sell your products or offer your services, contact Elsa du Toit 087 151 1837 on Mondays, Wednesdays and Fridays from 08h00-13h00.

The open hole, an estimated 2 metres deep, located near Ysterberg Primary School.

Northam – Tommy Sebola, raised his concern about an open manhole, next to Ysterberg Primary School. “I worried about the safety of the learners who walk past the manhole to and from school every day,” says Tommy. He reported it to the Thabazimbi Local Municipality (TLM) and even managed to reach out to the mayor directly. The manhole was closed on Thursday 27 January. “Thanks to TLM mayor Tokkie Swanepoel, the hole was closed shortly after I reported it. I would like to thank the TLM for taking swift action when it comes to our children’s safety,” Tommy added.

The Way of the Righteous and the End of the Ungodly

1 Blessed is the man
Who walks not in the counsel of the ungodly,
Nor stands in the path of sinners,
Nor sits in the seat of the scornful;
2 But his delight is in the law of the Lord,
And in His law he meditates day and night.
3 He shall be like a tree
Planted by the rivers of water,
That brings forth its fruit in its season,
Whose leaf also shall not wither;
And whatever he does shall prosper.

4 The ungodly are not so,
But are like the chaff which the wind drives away.
5 Therefore the ungodly shall not stand in the judgment,
Nor sinners in the congregation of the righteous.

6 For the Lord knows the way of the righteous,
But the way of the ungodly shall perish.

United Rugby Championship

Lions vs Stormers
Op Ellispark verniel die Kapenaars die Jo'burgers ou grote. Die Stormers wen 32-10 en is dan ook nou die voorste SA-span op die log en bekle

tans die sewende plek met 23 punte na nege games. Vir die Stormers het losskakel Manie Libbok sy beste game nog in die Stormers jersey gespeel. Deon Fourie, nommer-ses flank, was weer kookwater en is nou vir die tweede week as speler van die wedstryd aangewys. Fourie is 'n derduidel in die los en het hope omgekeerde besit bewerkstellig. Vir die Leeus lê daar harde werk voor en sal veral na hul verdediging moet kyk... anders gaan hulle die melkkoei in die reeks word. Die Leeus se volgende game is op 25 Feb teen Leinster in Ierland. Die Stormers speel op 26 Feb teen Connacht in Ierland.

Sharks vs Bulls
Daar was groot drama op Fort Loftus ou grote! Morné Steyn sien rooi... nie van kwaai wees nie – maar sowaar 'n rooi kaart! Dít na 'n gevaarlike hoogvat op Lukhanyo Am in die 10de minuut van die eerste helfte. Ter versagting vir Steyn moet mens tog in ag neem die oge is ook nou nie meer so skerp as tien jaar terug nie. Die Bulle was van daar af onder geweldige druk. Om vir sewentig minute met veertien spelers klaar te kom teen 'n sterbelaaide span soos die Haaie, sit nie in almal se broeke nie. Die Bulle verloor hierdie tuis game 29-22 en behaal tog 'n bonuspunt vir hulle vier drieë. Die Sharks se skrummie, Grant Williams, het drie minute voor die einde toe ook die straffas gedeel met Steyn. Die Bulls se volgende game is op 25 Feb teen Zebre in Italië. Die Sharks reis ook Italië toe om teen Benetton te gaan uitdra. Groot nuus in die Sharks kamp is die aanstelling van die Blitsbokke se coach, Neil Powell, wat aangewys is as nuwe direkteur van afrigting vir die unie. Ander lekker stoep storie is Eben Etzebeth wat dalk op pad is na Durban...
