EVERY SECOND COUNTS

Mediclinic Thabazimbi's staff are ready to assist in any medical emergency. From left, showing how it's done: assistant nurse Jane Nkomo, nursing manager Vincentia Williams, enrolled nurse Tebogo Monama, and registered trauma nurse Deidre de Beer. The "patient" is care worker Caroline Matshelanoka.

Thabazimbi – "The golden hour is the period of time immediately after a traumatic injury during which there is the highest likelihood that prompt medical and surgical treatment will prevent death," says Mediclinic Thabazimbi hospital manager Martjie du Preez.

The term's origins lie in photography and reference the first hour of light after the sun rises and the last hour of light before sunset.

How you respond in those 60 minutes is vital and communication is key. What this really means is getting the right kind of medical attention for the patient as soon as possible. The sooner a person with a critical injury or medical condition is attended to by trained emergency medical services personnel, the better their chances of survival.

Firstly, emergency medical services must be called immediately for the best possible outcome and that is why emergency numbers should always be close by. Once the patient is stable, getting them to a hospital where they can receive specialised care or surgery is a priority.

Various emergency numbers are published in *Platinum Bushvelder* every week. Cut it out and place it where the whole family can see it. Also save it on your cellphone. Make sure you tell your children what to do in an emergency.

Whoever makes the phone call must give the dispatcher an accurate location of where help is needed. Knowing the physical address and surrounding areas can help paramedics find the location quicker. Also make sure that there is a phone number that can be given to the dispatcher to phone back if the call is interrupted.

Stay on the line for instructions or directions of what you can do to keep the person alive until responders arrive.

Having the necessary skills like first aid and cardiopulmonary resuscitation (CPR) can prove invaluable to help keep someone alive until help arrives. Stay calm, be informed and make that golden hour count!

SIYANDA BAKGATLA PLATINUM MINE (SBPM): BASIC ASSESSMENT PROCESS IN SUPPORT OF AN APPLICATION FOR ENVIRONMENTAL AUTHORISATION FOR THE NEW OPENCAST PIT IN SWARTKLIP, WITHIN THABAZIMBI LOCAL MUNICIPALITY, WITHIN THE LIMPOPO PROVINCE

INVITATION TO REGISTER AS AN INTERESTED AND AFFECTED PARTY, AND COMMENT ON THE DRAFT BASIC ASSESSMENT REPORT

Siyanda Bakgatla Platinum Mine (Pty) Ltd – Union Mine (SBPM) proposes to undertake several developments on its approved mining rights footprint, to extend the current life of mine and ensure the sustainability of its mining operations. One of these is the proposed development of a new opencast pit, referred to as the New Pit, within the existing Mining Right area.

The proposed mining footprint is largely covered by infrastructure or land that has been previously mined and rehabilitated. The proposed New Pit and its associated infrastructure will be located on the remaining extent of Portion 2 of the Farm Zwartklip 405 KQ and on portion of portion 1 of the Farm Zwartklip 405 KQ, covering an extent of approximately 60 hectares.

The implementation of the proposed project will require an Environmental Authorisation (EA) in terms of the National Environmental Management Act (Act 107 of 1998) (NEMA) to the mine's existing Environmental Management Programme (EMPr) in terms of the Mineral and Petroleum Resources Development Act (Act 28 of 2002) (MPRDA). A Basic Assessment (BA) process in terms of the EIA Regulations (GN R. 326, as amended) will need to be conducted in support of the applications for EA. Golder Associates (now a member of WSP) has been appointed as the independent environmental assessment practitioner (EAP) to undertake the BA process.

PUBLIC COMMENT INVITED

Stakeholders are invited to register as Interested and Affected Parties and to lodge written comments regarding the project. A background information document (BID) and registration and comment sheet is available on the following website: <https://www.golder.com/global-locations/africa/south-africa-public-documents/>.

We would also like to draw I&APs' attention to the following: **comment period has been extended with an additional 10 days.**

The Draft Basic Assessment Report (DBAR) and EMPr will be available for comment from **25 March 2022 to 12 May 2022.**

The reports will be available on the following website: <https://www.golder.com/global-locations/africa/south-africa-public-documents/>.

Printed copies of the DBAR and EMPr will also be available at the public places listed below.

POLL

Do you know how to do CPR?

Cardiopulmonary resuscitation (CPR) is an emergency procedure that can help save a person's life if their breathing or heart stops. It's a lifesaving technique that very few people know how to do... Make yourself heard by sending an email to news@platinumbushvelder.co.za or a WhatsApp to 081 579 7000 with the following information before 17:00 on Tuesday 5 April:

- Yes, I know how to do CPR, or,
- No, I don't know how to do CPR.
- The reason for your answer.
- A recent photo of yourself (optional) – that we can publish with your answer.
- Your contact details.

If you don't want your answers to be in the newspaper, just reply to the question: YES/ NO. The results of the votes will be published in our next issue.

PS – You can also give your opinion by commenting on our Facebook post.

PSALM 6

A Prayer of Faith in Time of Distress
To the Chief Musician. With stringed instruments. On an eight-stringed harp.
A Psalm of David. 6 O Lord, do not rebuke me in Your anger, Nor chasten me in Your hot displeasure. 2 Have mercy on me, O Lord, for I am weak; O Lord, heal me, for my bones are troubled. 3 My soul also is greatly troubled; But You, O Lord—how long? 4 Return, O Lord, deliver me! Oh, save me for Your mercies' sake! 5 For in death there is no remembrance of You; In the grave who will give You thanks? 6 I am weary with my groaning; All night I make my bed swim; I drench my couch with my tears. 7 My eye wastes away because of grief; It grows old because of all my enemies. 8 Depart from me, all you workers of iniquity; For the Lord has heard the voice of my weeping. 9 The Lord has heard my supplication; The Lord will receive my prayer. 10 Let all my enemies be ashamed and greatly troubled; Let them turn back and be ashamed suddenly.

Trauma Rescue attend to accident in which 13-year-old girl was killed

Swartklip/ Northam – Trauma Rescue was called to an accident scene between Swartklip and Northam on Saturday 26 March, in which a motor vehicle rolled and came to a stop several metres into the veld next to the road.

The occupants of a Toyota Corolla were travelling from Swartklip, direction Northam, when the driver lost control of the vehicle. It veered off the road and rolled over about five times. During the roll, the driver, a 43-year-old male and the passenger, a 13-year-old girl, were thrown from the car.

The girl died on the scene and the driver fractured his left ankle. He was stabilised on scene and taken to Swartklip Union Mine's hospital for further treatment.

VON KLAUSE MURDER SUSPECT RE-ARRESTED

Northam – Benjamin Jambane and Constantino Eduardo Nhabanga were arrested on Thursday 24 March in connection with a business robbery committed on 7 March.

Jambane is an escapee, on the run after being arrested for the murder of a 57-year-old farmer of Tom Burke, Lephalale in 2018.

The two appeared briefly before the Northam Magistrates' Court on Monday 28 March. They were remanded in custody and are due to appear in the same court on Monday 4 April.

The pair is also linked to several other crimes committed in Northam from December 2021 to March 2022.

Said police spokesperson sergeant Fortune Madisa: "The cases include business and house robberies. Jambane had been on the run since his escape from lawful custody after he was arrested for a murder which occurred

in Tom Burke."

Jambane, who also uses the alias 'Daniel Kwene', had been taken in for questioning by the police following the fatal shooting of 57-year-old farmer Jasper von Klause

on Wednesday 21 March 2018. Von Klause, who was employed as manager at Dale Farm outside Lephalale, had been enjoying a meal with his 55-year-old partner when a gunman shot and killed him at around 20:30pm.

The accomplice of the attacker, who also had a gun, proceeded to the farm owner's house. Barking dogs alerted the farm owner's son who went outside to investigate. He was also shot and injured by the accomplice but managed to get back into the house. Upon hearing the gunshots, the farm owner went outside and shot in the direction of the suspects, who then fled the scene.

Northam Rhinos gekombineerde span klop Secunda se eerste span met 45-17.

WHAT A GAME!

Northam/ Setaria – Northam Rhinos het op Saterdag 26 Maart met 'n gekombineerde span wat bestaan uit eerste-, tweede- en derdespan spelers teen Secunda se eerstespan gespeel tydens Pretoria Rugby Klub se rugbydag. In die begin was die wedstryd taamlik gelykop gewees maar namate die wedstryd gevorder het, het Northam Rhinos die oorhand gekry en die wedstryd gewen met 'n telling van 45-17. Northam Rhinos se fiksheid was verseker beter gewees. Ook het die Loftus 200 (met sewe Northam Rhinos spelers in die span) op Loftus gespeel teen Tel Aviv Heat. Die wedstryd het ons goed

begin en vinnig die voortou geneem. Tel Aviv Heat het wel teruggekom in die wedstryd en was selfs in die tweede helfte vir 'n kort rukkie voor gewees. Die Loftus 200 span het uiteindelik die wedstryd 33-29 gewen. Loftus 200 bestaan uit klubspelers van die Carleton liga. Tel Aviv Heat het op die dag nie minder nie as vyf Namibiese spelers en twee oud-springbokke in hulle span gehad. Die Northam Rhinos se eerste-, tweede- en derdespan speel op 2 April teen die Grizzlies Rugby Club in Pretoria... Terwyl die vierde span die Naka Bulle aanpak. Al vier die wedstryde is net vriendskaplike wedstryde.
