While away for the weekend, the De Lange family received the dreaded news that their home was up in flames.

At 1:30am on Monday 9 May, the first message about the fire came through on the local community watch group. The De Lange's double storey thatched-roof home is next to their guesthouse, the 'Marakeli Self-Catering Guest House' which is out on the Marakele road (the turn-off just before Reptile Inc).

Various volunteers including Thabazimbi Fire and Rescue, CPF, Dinare Security and Trauma Rescue responded immediately and also notified the Waterberg Fire Services and sent them a pin drop.

Smith's attackers back in court

Rooibokkraal - Ten suspects who stand accused of attacking Elmarie Smith with an axe and a panga on Thursday 13 January 2022 will appear before the courts again on Wednesday 18 Mei. The suspects, Leonard Nyathi, Behiso Nyathi, Nkiwane Zibagiso, Musagwawi Ndlana, Leroy Ndebele, Thandzawe Sithole, Nhlahla Ngwenya, Sibanda Nkanyise, Muhuahua Wetti and Vises Khumalo are facing charges of possession of a firearm and robbery with aggravating circumstances. Smith was seriously injured when she was attacked by the men shortly after 5pm on 13 January. Her partner, Kruger, is the owner of Kukama Lodge, which is an 85km drive [north-west] from Thabazimbi, just North of the Atherstone Nature reserve – in the Rooibokkraal area. Apparently, Elmarie was in the garden, busy discussing work to be done the following day with one of her employees, when she was attacked from behind. Her daughter was watching TV and Kruger was in their bedroom. Their daughter and Kruger were not injured.

PEDESTRIAN KILLED

Northam – A 41-year-old woman died after she was knocked down by a vehicle on Monday 9 May 2022. The identity of the woman or specific details about the incident, which occurred along the Rustenburg road near Grobslodge, are not yet known. Said police spokesperson captain Pieter Du Plessis: "A case of culpable homicide is being investigated by police."

Two accidents - same spot, same day

Thabazimbi – Two accidents occurred on the same spot on Tuesday 10 May. In the first accident, a Nissan taxi collided with a Toyota Etios along the R510 near Ben Alberts at around 12:55. It is alleged that the taxi failed to stop at a temporary road sign next to a construction site and collided into the Etios. Although the Etios was damaged extensively, the people involved in the accident sustained minor injuries. The second accident occurred at around 14:12 after an Isuzu bakkie belonging to SAPS crime prevention unit collided into a GWM Haval. It is alleged that the bakkie collided into the GWM Haval after failing to stop at the same temporary road sign. No injuries were reported. The accident resulted in minor damages to both vehicles. Said acting traffic manager for TLM Isaac Pheto: "I urge the community and all road users to be patient. It is important to obey all road traffic signs and rules even if they are temporary." He pointed out that many accidents were being reported along the R510. "The major contributing factor is the tendency by drivers not to be patient. If you drive hurriedly on a public road you will be hurrying to loose your life," he cautioned.

Another house burned to the ground

Thabazimbi - While away for the weekend, the De Lange family received the dreaded news that their home was up in flames. At 1:30am on Monday 9 May, the first message about the fire came through on the local community watch group. The De Lange's double storey thatched-roof home is next to their guesthouse, the 'Marakeli Self-Catering Guest House' which is out on the Marakele road (the turn-off just before Reptile Inc). Various volunteers including Thabazimbi Fire and Rescue, CPF, Dinare Security and Trauma Rescue responded immediately and also notified the Waterberg Fire Services and sent them a pin drop. Apparently, Waterberg Fire Services (Thabazimbi) got lost on their way to the scene. Some of the volunteers went to town looking for them, but they were nowhere to be found. Obviously, the equipment of the volunteers was no match for the thatch roof and they basically made sure that the fire does not spread to the thatched-roof guesthouse right next to it and neighbouring properties. A special thanks goes to the volunteers Kobus Malan, Stephanie Malan, SJ Malan, Christopher Booysen, Pierre Loots, Petrus van Breda, Roelf Crause, DC van Eden, Nico Botha and the team from Trauma Rescue. They kept control on the situation until 4am the morning. Danie de Lange expressed his sincerest appreciation (on Facebook) to all the volunteers who helped.

TFR (Thabazimbi Fire & Rescue) requested a meeting with Waterberg Fire Services to discuss the effectiveness of Waterberg's services. The 'White Paper on Fire Services' was published by the Department of Co-operative Governance (Notice 515 of 2020), giving a detailed report on the standards and responsibilities of fire services. **Place :** Thaba Park **Date :** 13 Mei 2022 at 9:00 **Please attend to make your voice heard and to contribute to a safer community.**

Curriebeker 2022

Pumas vs Sharks
Die Pumas slaan die Haaie bloedneus in Durban en wen verrassend met 20-10. Die Pumas was met rustyd reeds met 17-3 voor en toe was die skrif al aan die muur.

Bulls vs Griekwas
Die Bulle se Curriebeker span was redelik baie versterk deur die insluiting van die United Rugby Champions (URC) spelers en was sodoende net te sterk vir die Diamantvelders. Die halftyd telling was 36-5 in die Bulle

se guns. Maar die Griekwas het nooit gaan lê nie en druk vyf drieë in die tweede helfte met hulle terugvegging maar verloor 43-38.

Lions vs Cheetahs
Die Leeus het 'n baie goeie eerste helfte gehad en was 20-14 voor met halftyd. Die tweede helfte het aan die Blikore behoort en hul wen dan 35-26. Die Vrystaters is dus nog steeds onoorwonne in vanjaar se reeks.
