Accident waiting to happen

A truck accident caused a power outage in Thabazimbi.

Thabazimbi – The heading of our article [P2 of 15 April 2022 issue] where we reported on the previous truck accident which occurred at the famous 'truck accident spot' was: An accident waiting to happen. We are not clairvoyant, but we did predict it... Why is it that nothing is done about this situation?

The latest truck accident at the same spot occurred on Saturday 28 May 2022. This time the town suffered a power outage because of electrical cables that were damaged in the accident. This truck accident hotspot is a ticking time bomb.

In the latest accident, the truck's diesel was leaking and caught fire. The fire soon spread to the grass next to the road and to a nearby electricity substation. To be on the safe side, the substation's power was shut off until the fire was brought under control.

Besides Thabazimbi Fire & Rescue, the Community Policing Forum (CPF), Trauma Rescue and Dinare Security, volunteers speedily responded to the scene and included: Chris Loots, Pierre Loots, Danie Nutt, Juandre Nutt, Theo Meyer, Victor Bennett, Petrus van Breda, Nico Botha, Dalize Botha, Christopher Booyens, and SJ Malan. The Thabazimbi Traffic Department and Waterberg Fire and Rescue teams also responded to the accident scene.

The Thabazimbi Local Municipality issued a statement about the unplanned power outage. The statement read: "The unplanned power outage will affect Regorogile extension 2, Ipelegeng, parts of Thabazimbi town and Thabazimbi extension 18. This is due an accident at the Lephallale-junction. It is reported that the truck failed to stop at a stop sign. Motorists are kindly advised to drive with caution when approaching the mentioned junction." According to one of the volunteers, some of the bystanders tried to loot the truck's diesel... 😞 no judgement here!

In *Platinum Bushvelder's* 15 April 2022 issue, we reported on another truck accident. The truck and its trailer (fully loaded with scrap metal) went straight through the T-junction ending up on the railway line. The driver's cabin dislodged and ended up on the other side of the railway. That week, we spoke to Thabazimbi's Traffic Department acting traffic manager Isaac Pheto, who said: "The newly-erected road traffic signs were damaged or vandalised and that the department is having talks about the feasibility of constructing an arrestor bed. I ask truck drivers on this road to comply with the laws of the road. There are several signs when you come down the R510, asking heavy duty vehicles to gear down. Remember, if you push your truck to go faster down this road, you are pushing your death warranty also," Pheto said.

Over the past few years, several truck accidents at the T-junction at Total Garage on the R510 were recorded. In some of these accidents, the drivers of the trucks were killed.

According to a local truck driver, the road leading to this T-junction takes serious negotiating, especially if it is carrying a heavy load. He says that drivers who don't know this treacherous piece of road, often misjudge it.

In *Platinum Bushvelder's* issue of 12 April 2019, we reported on a truck accident on 8 April at the same spot in which the driver was killed. He also lost control of his truck for reasons 'unknown'. That was the second truck accident that year at that spot. There were six truck accidents at the same spot in 2018.

And so the story goes...

SOULFOOD

PSALM 21

Joy in the Salvation of the Lord To the Chief Musician. A Psalm of David.
21 The king shall have joy in Your strength, O Lord; And in Your salvation how greatly shall he rejoice!
2 You have given him his heart's desire, And have not withheld the request of his lips. *Selah*
3 For You meet him with the blessings of goodness; You set a crown of pure gold upon his head.
4 He asked life from You, and You gave it to him — Length of days forever and ever.
5 His glory is great in Your salvation; Honor and majesty You have placed upon him.
6 For You have made him most blessed forever; You have made him exceedingly glad with Your presence.
7 For the king trusts in the Lord, And through the mercy of the Most High he shall not be moved.
8 Your hand will find all Your enemies; Your right hand will find those who hate You.
9 You shall make them as a fiery oven in the time of Your anger; The Lord shall swallow them up in His wrath, And the fire shall devour them.
10 Their offspring You shall destroy from the earth, And their descendants from among the sons of men.
11 For they intended evil against You; They devised a plot which they are not able to perform.
12 Therefore You will make them turn their back; You will make ready Your arrows on Your string toward their faces.
13 Be exalted, O Lord, in Your own strength! We will sing and praise Your power.

NEW KING JAMES VERSION (NKJV)

Congratulations Madibela family!

Thabazimbi – Sammuel Madibela, a young Tswana man who grew up in Thabazimbi, completed his secondary education at Mabogopedi Secondary School and went on to work at the KFC in Lephalale where he worked for eight years as a shift supervisor. He came home shortly before the Covid-19 lockdown and was transferred to the Thabazimbi KFC. Then he got a position in Grobblersdal as a sales representative at the British American Tobacco company but returned home again.

This is when his path crossed with Rorisang.

They knew each other but one day, he shared his hardships with her, and she picked him up and helped him to hold his head up high. It wasn't long before the couple fell madly in love!

"She has so much care and love!" said Sammuel. Sammuel regularly walks Rorisang to work, past the Koketso Funeral Parlour. One day, the manager took a smoke break outside when Rorisang convinced Sammuel to ask if he could hand in his CV and come for an interview. "I got hired the very next week! She was my blessing!" Sammuel added.

The couple got married on Saturday 30 April at the groom's place in Lebotloane as well as on 1 May in Regorogile extension 6. The wedding was overseen by reverent Daniel Mashiane and Mrs Reverent Smakaleng Mashiane before the Main General Apostolic Church of God in Zion of SA, under Archbishop LI Mokwena.

Cleaning up Northam's cemetery

Northam – Councillor David Gouveia and his team embarked on a project to clean up the Northam cemetery on Sunday 15 May. The area has become a great eyesore for the community and people who visit the graves of their deceased loved ones. Long grass and weeds were taking over. The team trimmed the trees, cut the grass, pulled out the wees and cleaned up the area. This was no easy task as they had to return on 22 May to continue. There is still work to be done and they will soon start painting the palisades around the cemetery, thanks to a donation of paint from the community.

Cutting the grass and tidying up Northam's cemetery.

BEWARE OF ROCKS IN THE ROAD

Thabazimbi – A community member came across glass bottles surrounded by rocks on the road on Saturday 7 May. Louise Potgieter was traveling past the cemetery when she came across the bottles near the four-way stop in Warmbad Weg road. Luckily, she didn't stop as it was late at night. Criminals often try to persuade motorists to pull over by placing items in the road. Motorists will either then get out of their car to remove the items from the road, or the items will cause damage to the vehicle. Once the driver gets out of the vehicle, they are overpowered and robbed of their belongings... or worse. Motorist are cautioned not to stop when they see items in the road and if there is damage to your car, don't stop until you get to a safe place and call for help.

50 HOURS AGAINST ADDICTION

Thabazimbi – Friends to Addicts hosted a drug addiction awareness weekend from Friday 27 May to 30 May in the parking area of the Old Standard Bank building in Vanderbijl street. The event kicked off with a motivational talk by evangelist Ockie Fourie who shared a powerful word, touching the hearts of those who attended. A fun run was first on the programme for the Saturday. The MCC Original Bikers' Club acted as the marshals and Northam Platinum Mine's fire truck was in front to show the way. The fun run was only 5km but after taking the winning title, Roan Reyneke decided to do another lap, much to the enjoyment of the spectators. Various live bands that included New Way Christian Church band, Oase Church, Dewald du Plessis and 'I am second' graced the stage and ignited the crowd in praise and worship.

The food stalls had everything from hotdogs, bunny chows, hamburgers, koeksisters, chilli sauces, candy, popcorn and pancakes! The highlight of the weekend was the scaffold challenge. A 6-meter scaffold was constructed, and five recovering addicts took turns to sit on it – ensuring that for 50 hours non-stop, one of them was on the scaffold. This represented their road to recovery showing that they will rise again after addiction. Community members also joined them on the scaffold to show that they have their support. Friends to Addicts would like to thank God for all that He provided to make this event a success. Thank you to every community member who attended and showed their support as well as all the individuals and companies who contributed financially and those who gave their time.

The scaffold was set up behind the stage where various bands led the praise and worship.

Opwindende rugbynaweek vir die Rhinos

Setaria – Die Northam Rhinos Waterberg-span speel op Vrydag 3 Junie in die semi-finaal van die Waterberg-liga teen Mogol van Ellisras. Die wedstryd skop omstreeks 20:00 af en gaan gepaard met 'n biertuin en lekker eetgoed. Die span se voorspelers sal beslis harder moet werk as verlede week teen Nylstroom. Indien die span begin saámspeel, sal hulle nie maklik gestop kan word nie! Die eerste, tweede en derde Northam Rhinos spanne kom teen Impala Rugby Klub te staan op 4 Junie in Setaria op hul tuisveld. Die eerste span kom van 'n verloor teen die Harlequins af en het nou genoeg tyd gehad om aan hul probleme te werk.

Daar was klein taktiese verstellings wat gemaak moes word en hopelik kan dit die span weer op die wenpad sit. Dit is nog vroeg in die seisoen. Dit manne moet net fokus, hou by die *gameplan* en vir mekaar speel – die resultate sal vanself kom. Daar is hope jong talent wat geleenthede kry

die naweek en hopelik kan hulle almal hulle hande opsteek.
