# Thabazimbi gets its own Food Lover's Market

**Thabazimbi** – Thursday 14 July started off as an exciting day on the corner of Warmbad Road and Sentrum Street, as the Thabazimbi community started queuing in front of the new Food Lover's Market, which opened its doors to the public at 8 am.

The mayor, Tokkie Swanepoel, cut the red ribbon – officially opening the store, after which the public entered the market, taking advantage of the many opening specials on offer. The market consumes a massive floor area of 2,000 square metres. A total of about 90 locals were employed to ensure the successful launch of the franchise.

The owner, Chris Barnard, is a well-known local businessman. He started planning this business in 2019 and applied for the franchise during a successful interview with the CEO of Food Lover's Market in Pretoria. He then negotiated with the landlord of the property on which the market is now situated, and the rest is history.

Chris told *Platinum Bushvelder* that he has two main objectives with this business:

- To provide the best possible service and food to the local community.
- To be successful and show a constant growth in business.

We wish him all the success and prosperity for the future in order to achieve his objectives!

Chris Barnard

# SIU welcomes the arrest of former municipal manager in North West for awarding R215 million IT tender

**Moretele** – The Special Investigating Unit (SIU) welcomes the arrest of former municipal manager of Moretele Municipality in the North West province for allegedly contravening the Municipal Finance Management Act and the irregular awarding of a multimillion-rand IT tender. Theletso Roger Nkhumise was arrested on Friday (15 July 2022) and appeared before the Moretele Regional Court. Nkhumise is accused of unlawfully appointing Flame IT Strategy to render Information and Communications Technology (ICT) services to the Moretele Municipality, which is largely rural, to the tune of approximately R215 million. The municipality inherited the contract for ICT services from Madibeng Local Municipality. The arrest of Nkhumise follows an investigation conducted by the SIU, which revealed that the municipality increased the scope of work with two addendums to the original contract without following processes

governing municipal procurement of goods and services.

Furthermore, the SIU investigation revealed that the price from that of the original contract between Madibeng Municipality and Flame IT are definitely not in sync with the pricing between Moretele Municipality and Flame IT. Madibeng paid Flame IT approximately R64 million for a similar service.

The SIU has instituted a civil action in the Special Tribunal to review and set aside the contract. This will pave way for the State's only anti-corruption, forensic investigation and civil litigation agency to recover financial losses suffered by the municipality due to negligence and corruption.

Fraud and corruption allegations may be reported via the following platforms: [siu@hotline.co.za](mailto:siu@hotline.co.za) or 0800 037 774.

## When will we get answers? [Letter to the editor]

**Thabazimbi** – June Pautz was a beloved member of the Thabazimbi community and her death on Wednesday 22 June was a shock.

It was an even bigger shock when we learned about the various speculations regarding her death and that her husband was brought in for questioning by Thabazimbi SAPS. We know him as a kind man who loved his wife. Rumours about her death has been doing the rounds. People are on both sides.

A reliable source told me that the autopsy has been completed and that the results are available. Until the truth about what happened to June is revealed, the rumour mill will keep circulating. Her family has been through enough, they

deserve better than this – June deserves better than this.

**Question Mark**

*Platinum Bushvelder* reached out to the Thabazimbi Police on 14 July to establish if the results of the autopsy was available. We were informed - on 14 July, and later on when we tried to follow up, again, that the autopsy results are available.

"The autopsy is done. But we haven't informed the family of the results yet," a SAPS representative confirmed. More than a week later, the answer remains the same.

Community members pinned flowers to the entrance of June's Bookshop.

Van die beste en mees geliefde Suid-Afrikaanse kunstenaars gaan die verhoog deel. Die legendariese bosveld musiek-ruiter Valiant Swart sê: “Ek is baie opgewonde oor die Bietjie Bos Fees – dis hooftyd! Ek was hopeloos te lanklaas in sonnige Thabazimbi se wêreld; ek het nog altyd net baie goeie tye daar gehad. Behalwe vir die lekker fees-atmosfeer, sien ek verskriklik uit daarna om die ander *bands* te sien en ‘n slag te *rock ‘n roll* soos in die *‘bad old days’*. Elektriese kitare, dromme en yskoue bier – wat meer kan mens vra? Die *line-up* is kookwater! Sien jou in die *mosh pit!*” Bouwer Bosch van Straatligkinders sê dat hulle ook nie kan wag om by Bietjie Bos op te tree nie: “Dis altyd fantasies om in die bosveld te wees en om ‘n *show* te doen in die buitelug waar jy nie net jou gunsteling liedjies vir mense kan sing nie, maar dit ook onder die sterre kan doen. Dit is waar natuur en musiek bymekaar kom – en dis twee van die mooiste goed in die wêreld. Ons kan nie wag nie! Feesgangers kan van ons ou *classic songs* verwag, asook ‘n paar lekker stoute *covers*.” Peach van Pletzen beaam dat dinge net lekker kan raak: “In die bos kan mens raas so hard soos jy wil. En ons gaan raas! Verwag al die *massive hits*, ‘n

krag show met *fabulous techno glam!*” Die hekke maak Vrydag 13h00 oop en daar is baie plek vir jou en jou vriende om behoorlik nes te skop vir die naweek – met nabygeleë kroeg en kosstalletjies vir heel naweek se partytjie. PSALM 36

**Man's Wickedness and God's Perfections To the Chief Musician. A Psalm of David the servant of the Lord.**

36 An oracle within my heart concerning the transgression of the wicked: There is no fear of God before his eyes.

2 For he flatters himself in his own eyes, When he finds out his iniquity and when he hates.

3 The words of his mouth are wickedness and deceit; He has ceased to be wise and to do good.

4 He devises wickedness on his bed; He sets himself in a way that is not good; He does not abhor evil.

5 Your mercy, O Lord, is in the heavens; Your faithfulness reaches to the clouds.

6 Your righteousness is like the great mountains; Your judgments are a great deep; O Lord, You preserve man and beast.

7 How precious is Your lovingkindness, O God! Therefore the children of men put their trust under the shadow of Your wings.

8 They are abundantly satisfied with the fullness of Your house, And You give them drink from the river of Your pleasures.

9 For with You is the fountain of life; In Your light we see light.

10 Oh, continue Your lovingkindness to those who know You, And Your righteousness to the upright in heart.

11 Let not the foot of pride come against me, And let not the hand of the wicked drive me away.

12 There the workers of iniquity have fallen; They have been cast down and are not able to rise.

### NOTICE OF ENVIRONMENTAL PROCESS TO BE CONDUCTED AND RELATED PUBLIC PARTICIPATION PROCESS: PPC CEMENT SA (PTY) LTD: DWAALBOOM OPERATIONS APPLICATION FOR ENVIRONMENTAL AUTHORISATION ON PORTIONS 2 & 4 OF THE FARM SCHOONGEZICHT 238 KP

**PROJECT BACKGROUND AND LOCALITY:**  
PPC Cement SA (Pty) Ltd (applicant) currently operates its existing Dwaalboom operations (hereafter referred to as PPC Dwaalboom) approximately 10 km south of Dwaalboom Town via the Holfontein Northam Route within the Thabazimbi Local Municipality and Waterberg District Municipality of the Limpopo Province.

Dwaalboom is an open cast limestone, lava and shale mine with an associated clinker and cement manufacturing plant. As part of the production process, heated raw material is passed through the coal fired rotating kilns where various minerals start to fuse together to form calcium silicate crystals, known as clinker. The coal is burnt through multi-channel burners.

PPC Dwaalboom has two kilns, both of which are currently coal fired. The operations, however, have been issued an Atmospheric Emission License (AEL) (Ref.: H16/1/13-WDM04) in terms of the National Environmental Management: Air Quality Act (NEMA: AQA), 2004 (Act No. 39 of 2004) which allows for the production of cement using alternative fuels and/or resources, including, amongst others, scrap tyres and rubber waste.

PPC Dwaalboom therefore proposes to utilise waste tyres as an alternative energy/fuel source which will lead to both energy-saving and a reduction in emissions.

To achieve the above, PPC Dwaalboom therefore requires the establishment of areas on its property that may be used for the storage of waste tyres. These storage areas will then be close enough to the plants where processing can be done. The total operational footprint of the proposed waste tyre storage will equate to 4.5358 ha (or 45 358 m²) and will consist of the following areas:

| Waste Tyre Storage Area Name | Coordinates                    | Site Size | Maximum Volume of Waste Tyres Stored |
|------------------------------|--------------------------------|-----------|--------------------------------------|
| Area A                       | 24°48'48.20"S<br>26°49'50.17"E | 10 447 m² | 265 200                              |
| Area B1                      | 24°48'51.17"S<br>26°49'56.55"E | 2 475 m²  | 78 000                               |
| Area B2                      | 24°48'49.48"S<br>26°49'58.85"E | 3 108 m²  | 93 600                               |
| Area C                       | 24°48'43.96"S<br>26°50'8.40"E  | 29 328 m² | 780 000                              |

**The operation will be mechanised and involve the following process:**

- Temporary Storage: Receiving, offloading, and sorting of waste tyre bales at the temporary storage areas, according to tyre sizes. Waste tyres will be offloaded manually or by use of support vehicles, e.g. forklift or Bell Logger, depending on size of tyres, stacked and stored according to the requirements of the relevant regulations.

**APPLICATION PROCESS:**  
Notice is hereby given in terms of the National Environmental Management Act (NEMA), 1998 (Act No. 107 of 1998), read with Regulation 19 of the Environmental Impact Assessment (EIA) Regulations (GN No. R.982 of 04 December 2014, as amended by GN No. 326 of 07 April 2017 and GN No. 517 of 11 June 2021), that PPC Cement SA (Pty) Ltd proposes to lodge an application for Environmental Authorisation by means of a Basic Assessment Report (BAR) Process for the following activities listed in **Government Notice R.983 (Listing Notice 1, as amended by GN No. 327 of 07 April 2017 and GN No. 517 of 11 June 2021), Activity 27:** The clearance of an area of 1 hectares or more, but less than 20 hectares of indigenous vegetation.

Notice is hereby given in terms of the National Environmental Management: Waste Act (NEMWA), 2008 (Act No. 59 of 2008), read with the List of Waste Management Activities that have, or are likely to have, a detrimental effect on the environment (GN No. 921 of 29 November 2013, as amended), that PPC Cement SA (Pty) Ltd will comply with the listed relevant requirements or standards for the following listed activity: **GN No. 921 (as amended), Category C, Activity (3):** The storage of waste tyres in a storage area exceeding 500 m².

Notice is hereby given in terms of Section 38 of the National Heritage Resources Act, 1999 (Act No. 25 of 1999), that a Heritage Assessment will be conducted as part of the Basic Assessment Report Process. Note: anticipated activities as described above may be revised once additional project details become available.

SA vs Wallis

WORLD RUGBY

Die Springbokke daag op vir 'n verandering en klop die Rooi Drake oortuigend 30-14 in die Kaapstad Stadion voor 53,000 fanatiese *rugga* ondersteuners. Sodoende wen die Bokke die reeks teen Wallis met 2-1.

Vir die groot Bok yster slot, Eben Etzebeth, was dit 'n groot mylpaal in sy loopbaan. Eben word die jongste Bok speler wat in sy 100ste *game* uitdraf. Sy verloofde sing die Volkslied en het só 'n goeie uitwerking op hom dat hy 'n vurige vertoning te lewer en welverdiend as speler van die toets aangewys word.

Bongi Mbonambi draf in sy 50ste toets op as haker en word ook met 'n drie vir die Bokke beloon. Handré Pollard vind ook weer sy voete en teken twintig van die Bokke se punte aan, wat ook 'n puik drie insluit.

Daar is nog baie ruimte vir verbetering en Nienaber en kie sal hard moet werk vir die volgende drie weke, want die Bokke speel teen die All Blacks op 6 Augustus in die eerste toets van die Rugby Kampioenskapsreeks.

Ierland behaal ook 'n geskiedkundige oorwinning oor Nieu-Seeland. Engeland wen hulle reeks teen die Aussies. Die Argentyne slaag daarin om die reeks teen Skotland te wen.

**Uitslae:**

• Argentinië 34-31 Skotland

• Georgia 23-14 Portugal

• VSA 29-31 Chili

• Australië 17-21 Engeland

Future looks bright  
for Bafana Bafana

SOUTH AFRICAN  
FOOTBALL ASSOCIATION

**SA** – The future of South African football is looking very bright – if the performance of Bafana Bafana in this year's Council of Southern African Football Associations (COSAFA) Cup can be anything to go by. On Sunday 17 July, Bafana managed to win the plate title after beating Botswana 2-1 at the Sugar Ray Xulu Stadium.

Goals from Antonio van Wyk and Selaelo Rasebotja helped South Africa to lay the ideal foundation for that victory while Botswana scored their consolation in injury time through Thato Kebue. Bafana found themselves competing in the plate final after they were knocked out by Mozambique in the quarterfinals of the main COSAFA Cup. They defeated Madagascar in the plate semi-final on 15 July to progress to the final against Botswana.

Although Bafana failed to win the COSAFA Cup, the team was not at full strength and that they were still able to win some silverware points towards a bright future for the young players. Unlike many of the teams taking part in the COSAFA Cup, South Africa deliberately fields young and less experienced players, with the view of developing their talent by exposing them to international football.

Pitting them against more experienced players from other competing teams of the Southern African region will also help them adapt to the high standards of international football.

That is why their victory in the plate final is a very significant and positive step in the development of South African football.

Thabazimbi  
Animal  
Rescue

**Thabazimbi** – There is a special plea to the community of Thabazimbi to support Thabazimbi Animal Rescue (TAR), your local animal shelter.

Without donations they will not be able to feed, home and medically treat the animals. The community has proven time and again how they can stand together and support this worthy cause and this time is no exception.
