UNLEASHING THE *magic* OF MARAKELE

Powerade Marathon leaves
participants spellbound

42 km winner Lindsay van Aswegen said that the experience was unforgettable!

Lebogang Khonkhobe, winner of the 42 km race, stated that the event served as excellent training for the upcoming Comrades Marathon.

The marathon was an opportunity to have fun!

The 42 km, 21 km, and 10 km races started promptly at 6:00 am, providing the runners with a refreshing and invigorating sunrise view.

Thabazimbi – The annual Powerade Marakele Marathon was held at Marakele National Park on Saturday 4 March 2023 and has received widespread praise for its success from runners, organisers, sponsors, and all other participants. Intrigued by the event's apparent magic, *Platinum Bushvelder* set out to investigate. The Marakele National Park lives up to its Tswana name, "a place of sanctuary," by offering a diverse range of wildlife, including the Big Five—lion, leopard, elephant, African buffalo, and rhino. Every year, runners, some travelling from as far as Cape Town, eagerly participate in the beloved marathon. This event raises funds for the conservation of the Marakele National Park, located at the heart of Limpopo's Waterberg Mountains.

The marathon offers a 42 km, 21 km, and a 10 km running trail for more serious runners, as well as a 5 km fun run. This year's event drew a record entry of 1,400 runners, and both the 21 km and 10 km categories sold out. The organisers were pleased with the turnout and are hopeful that the 42 km run will also sell out in the future. The park's breath-taking mountain landscapes, with rolling hills and green valleys, were awe-inspiring. However, what truly made this year's marathon magical was its flawless execution. According to the 42 km first-place winner, Lindsay van Aswegen, "the marathon was well-equipped for the hot day, with seventeen water points, meticulous planning regarding registration, number collection, and route markers. Runners

knew they were in good hands because of the friendly support-crew members and the added safety measures implemented by the game rangers."

PSALM 132:1-9

The Eternal Dwelling of God in Zion
A Song of Ascents.
 Lord, remember David
1:And all his afflictions;
2:How he swore to the Lord,
 And vowed to the Mighty One of Jacob:
3:“Surely I will not go into the chamber of my house, Or go up to the comfort of my bed;
4:I will not give sleep to my eyes
 Or slumber to my eyelids,
5:Until I find a place for the Lord,
 A dwelling place for the Mighty One of Jacob.”
6:Behold, we heard of it in Ephrathah;
 We found it in the fields of [a]the woods.
7:Let us go into His tabernacle;
 Let us worship at His footstool.
8:Arise, O Lord, to Your resting place,
 You and the ark of Your strength.
9:Let Your priests be clothed with righteousness,
 And let Your saints shout for joy.

Do you give cash to the ‘needy’?

The unemployed and homeless often rely on the generosity of others to survive. On the one hand, the money given probably does help a hungry mouth, but on the other hand, it might also enable the needy to keep asking for money at the robots. Where do you stand on this?

Yes. Money helps those who are struggling to buy what they need. Every person's situation is different and sometimes we need to help where and when we can.
Robert Chibako

Yes. A lot of people are struggling, so helping others out makes a huge difference to their situation. It helps them to take care of themselves and their families. **Cecilia Oosthuizen**

Man swept away by current

Koedoeskop – A farmworker was swept away by a strong river current on Wednesday 1 March 2023 on Rietfontein farm in Koedoeskop. Other workers on the farm witnessed the occurrence and the employer immediately contacted emergency services for assistance. Thabazimbi Crisis Control Centre (TCCC), Thabazimbi Fire and Rescue (TFR), and Thabazimbi Community Policing Forum (CPF) responded. The riverbank was searched on both sides, but the search yielded no results and had to be halted at around 19:30 due to low visibility. The search resumed on 2 March 2023 with the assistance of the Limpopo Search and Rescue Team as well as the water wing unit. The search was stopped at around 12:30 after the scene was deemed unsafe due to the presence of hippos, crocodiles, and the strong river current. Sadly, the body of the missing person was recovered at around 11:00 on 5 March 2023 by the Limpopo Search and Rescue Team with the support of the police's airwing unit, TCCC and the deceased's employer. Thank you to all who assisted with the search and rescue operation.

A search of the riverbank was conducted to find the man who was swept away.

Joggie op die kassie!

Thabazimbi – Joggie Kotze is 'n talentvolle kunstenaar wat pragtige kunswerke van staal maak. Hy is ook die eienaar van Man van Staal Kuns en Dekor waar sy kunswerke, sowel as ander plaaslike kunstenaars se werk uitgestal word. Joggie het op Sondag 19 Februarie 2023 op die joernaalprogram, Kwêla, verskyn. Tydens die program deel hy met die bekende Pieter Koen dat sy ma altyd baie kunstig was en dat hy van jongs af ook lief was daarvoor om allerlei items te skep. Hy het egter later in sy lewe besef dat sy groot liefde in staalwerk lê, en homself toe touwys gemaak en geleer om te sweis. Sy stokperdjie het toe in 'n vreugdevolle werk omskep. Joggie vertel dat die aand toe sy storie uitgesaai was, het hulle vriende oorgehad wat saam met hulle kom kyk het, en dat hy aanvanklik baie skaam was toe die kollig op hom was—maar later besef het dat dit eintlik 'n ongelooflike voorreg was om die blootstelling te kry. “Ek is baie dankbaar vir die geleentheid wat ons gekry het, veral omdat ons winkel nog redelik nuut is,” sê Joggie. Volgens Joggie kry hy nou gereeld besoekers van ander dorpe wat na sy kuns kom kyk, wat ook beteken dat dit 'n klein hupstoot vir Thabazimbi se toerisme bedryf gee. Man van Staal Kuns en Dekor is geleë by die Thabazimbi Skougronde. **Almal is welkom om vanaf 09:00 in te loer om Joggie sowel as ander plaaslike kunstenaars se kunswerke te besigtig.**

ALLEGED CHILD MOLESTER CASE POSTPONED, AGAIN

Thabazimbi – The case against a man who stands accused of two separate charges of sexual assault was once again postponed by the Thabazimbi Magistrates' Court on Monday 6 March 2023. The accused was initially arrested with two other suspects on 26 January 2023 after it came to light that a child was sexually assaulted and that two children were brutally assaulted with a cricket bat. The man was granted bail of R2,000 on 8 February 2023 on the first charge, but was kept in custody when an additional charge of sexual assault was filed against him. He will remain in custody until his next court appearance on 13 March 2023.

CATCHING UP WITH THE CHAMPS

Thabazimbi – Dr Gary Bauer and Hendrik Johannes (HJ) Swanepoel represented South Africa in Gillingham, Kent, during the 2023 World Indoor Archery Competition (WIAC) in the United Kingdom, from Monday 13 to Friday 17 February 2023. Both archers brought home gold medals for their respective categories as well as for the team event. *Platinum Bushvelder* caught up with these two local Robin Hoods to find out more about their journey across the waters. HJ's love for archery started in 2011 when he went with a friend to a competition. He told his father that he wanted to pursue archery as a sport because he couldn't play rugby anymore due to an injury. For HJ, the highlight about archery is the feeling when the arrow leaves your bow, and you don't even have to look because you know that you've hit the mark. "Travelling to England was a first for me, so the trip was very nice. I was also very impressed with the venue where the competition took place," HJ said. When asked about his winning moment, HJ recalled: "The moment I shot that last arrow, I turned around and saw how many people were watching my last shot. They came and congratulated me, and that was just unforgettable. Seeing my parents and friends, and everyone else's friends and family waiting outside the airport in South Africa was overwhelming. The reaction on the Facebook message when I won was just amazing, and I thank each and every person for that. I would also like to thank my family, friends, and sponsors for always having my back and supporting me during competitions." Dr Gary Bauer, on the other hand, started bow hunting in 1994 and in January 2022 he was convinced by a friend to take on competitive archery by joining the Thaba Bow Club. "Archery, but more so target archery in the freestyle unlimited class which I partake in, is a combination of skill, ability, bow fitness, mindset and mental conditioning with

intense focus. If any one or more of these are slightly lacking, even for a split second during a tournament, consequences are severe—much like life, isn't it?" said Dr Gary. He has always viewed it as a privilege to be able to travel abroad. "Just the fact that you can travel to another country is an adventure. To have been able to share this experience with another Thaba Bow Club member and fellow Protea Archer, HJ Swanepoel, as well as 36 other SA archers made it even more special," he said. According to Dr Gary, the International Field Archery Association prides itself by being a family of world archers and having competed in the 2023 World Indoor Archery Competition (WIAC), he found this to be true. The comradery, fun and at the right time, fierce and ultimate competition made this event an unforgettable experience for him. He added that the English Field Archery Association raised the bar as far as organisational logistics, time keeping, and participant satisfaction were concerned. As a stickler for precision and accuracy, it was only natural that archery would grab hold of him. "First and foremost, whether one believes or not, undoubtedly the most influence, help and ability I have gained has been from the Almighty," he said. He thanked his pillar of support, Annie Bauer, his family, friends, and the Thaba Bow Club. On another level, he also thanked those who made his trip to Kent financially possible. Both archers are already preparing for the 2024 World Field Archery Championship in Brazil. On the road to that goal is the South African National Championships in both field and indoor disciplines in March and May, as well as the African Regional Field Archery Championships in Namibia in June/ July 2023. ***Platinum Bushvelder* congratulates both archers for their excellence and wishes them the best of luck going forward—we will be keeping a bullseye on you!**
