FRESH FROM THE GARDEN

Pumpkins, green peppers, aubergines, sweet potatoes, and spinach fresh from the school's garden.

Frank oversees the vegetable garden at the Spitskop Special Needs School where the kids like to get their hands dirty.

Thabazimbi – With winter at our doorsteps, it's easy to have our moods affected by the chilly season. While it's tempting to huddle under the blanket on an off day, it can be more beneficial to get your hands dirty by starting a vegetable garden. Physical time spent in the outdoors has been shown to reduce heart rate and muscle tension while sunlight lowers blood pressure and increases vitamin

D levels, which consequently combat a gloomy mood. *Platinum Bushvelder* interviewed avid gardener Frank Kuyler on Tuesday 4 April 2023 to find out the basics of starting a vegetable patch. Frank, who oversees the vegetable garden at the Spitskop Special Needs School, gave some very useful instructions, tips, and advice on what to plant this coming season.

Hoe werk die Thabazimbi skuiling vir die hawelose?

Thabazimbi - Thabazimbi Hawelose Skuiling (Homeless Shelter) is 'n kort termyn oplossing vir hawelose en werklose mense met nugter gewoontes. Mans en dames slaap apart en deel kamers met ander van dieselfde geslag. Die kamers kan tussen twee of drie mense gedeel word. Daar is twee mamma-kamers wat slegs beskikbaar is vir mammas met hulle jong babas of kinders. Seuns oor 'n sekere ouderdom slaap in die mans afdeling en die skuiling probeer hard dat hulle kamers deel met familie. Die kostes hang af van die persoon se nood, maar daar is 'n minimum betaling van R50 vir slaapplek, aandete, en ontbyt. Al die res is adisioneel. Hul voorsien basiese toiletware, weeklikse skoon beddegoed, skoon handdoeke ens. Ongelukkig maak hulle nie spesiale voorsiening vir 'n spesiale dieet of allergieë nie maar probeer om gesonde kookkos vir aandete te gee en ontbytpap in die oggend. Die Thabazimbi Hawelose Skuiling moedig en motiveer ook inwoners daaglik om uit te gaan en werk te soek. Berading is beskikbaar indien 'n inwoner dit benodig. Inwoners moet hulle eie kamers skoon en netjies hou, en help met die skoonmaak van algemene areas soos badkamers, kombuis, gange. Net persoonlike items kan ingebring word soos klere, medikasie (wat ingehandig moet word. Die dosis sal dan elke dag gegee word aan inwoner). Inwoners mag nie in mekaar se kamers kuier nie en geen rook word binne toegelaat nie. Daar is wel 'n buite kuier area. Die Thabazimbi Hawelose Skuiling is 'n Christelike organisasie en gratis Bybels is beskikbaar. Daar is ook baie streng reëls en ons toets vir dwelms en drank voordat ons iemand aanvaar. Donasies van kos, toiletpapier, toilettware, skoonmaakmiddels of waspoeler is altyd welkom maar die skuiling is dankbaar vir enige bydrae.

Vir meer inligting kontak Beverley Spira Kühn op 078 403 1813.

Neos projek maak die begraafplaas skoon

Thabazimbi - *Neos Christian School* het die slegte toestand van die Thabazimbi begraafplaas raakgesien en besluit om dit deel te maak van hulle skool se liefdadigheidsprojekte. Die skool het saam met BergOp trouvenue die projek geloods. Leerders, ouers, en personeellede het op Maandag 27 Maart 2023 ingespring en begin om gras te sny en skoon te maak. Hulle het in die week vier dae van hulle vakansie tyd afgeknyp om die begraafplaas skoon te maak, en planne ingestel om die begraafplaas te onderhou deur die jaar. Die pilaar en palissades wat omgeval het is ook herstel op 1 April 2023. "Ons is nog nie heeltemal klaar nie, die beddings is al mooi skoon en van die gras is kort en netjies, maar daar is nog baie werk veral aan die voorkant naaste aan die hek," sê *Neos Christian School* hoof André le Roux. Die onderhoud van die begraafplaas sal op 'n gereelde basis plaasvind en indien moontlik beplan hul om twee dae, elke twee weke daaraan te spandeer. Daar is stene wat gesak het wat hulle ook wil herstel, so daar lê nog pad voor. Hul beplan ook om die palissades te verf sodat dit vir almal mooi en gemaklik is om hulle geliefdes te gaan besoek. André voeg by: "Ons het opgemerk dat gedurende die tyd wat ons daar spandeer het, het daar baie mense ingedraai omdat hulle gesien het ons is besig om daar te werk. Ons het baie goeie terugvoering gekry en mense wat kom dankie sê het." Volgens André het mense tot begin werk by die grafte en van hulle families en het ook gehelp. "Dit is fantasies as mens besig is met iets en almal kom en sê dankie of spring sommer in en help," vertel André. "Die Woord sê vir ons doen wat jou hande kry om te doen, en dit is ons motivering en fokus."

Van links: Neos personeellid Mienkie le Roux, Gretchen du Plessis, en Neos personeellid Henriette le Roux, het gehelp om die begraafplaas skoon te maak.

Fresh from the garden

Thabazimbi - Gardening is a well-known stress reliever as it significantly improves mental and physical health. Physical time spent in the outdoors has been shown to reduce heart rate and muscle tension while sunlight lowers blood pressure and increases vitamin D levels which combat a gloomy mood. With that said, have you ever tasted a tomato from your own garden, and have you ever felt the joy of getting your hands dirty in the earth? To outline the basics of starting a vegetable garden, *Platinum Bushvelder* reached out to avid gardener Frank Kuyler on Tuesday 4 April 2023. Frank, who oversees the vegetable garden at Spitskop Special Needs School, gave some very useful instructions, tips, and guidance on what to plant this coming season.

What to plant for the coming season

Broad beans, beetroot, radish, and Swiss chard/spinach can be sowed in April, all of which make very yummy ingredients to most dishes, especially a warm spinach pie! During July you can plant peas and potatoes, or you can start preparing your soil for August at which time you can sow bush beans, climbing beans, beetroot, carrots, celery, lettuce, and peppers.

Where to plant vegetables

You don't need a big area to start, even a 1x1 metre patch will suffice. Identify a spot where you want to plant your vegetables. Most plants need at least six to eight hours of direct sunlight a day so when choosing a spot look for an area where they will get enough sunlight. Make sure that there is easy access to water.

What about the soil?

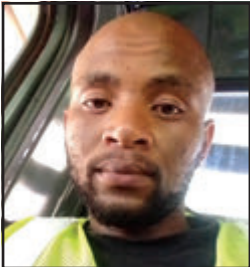

Soil quality plays a vital role in growing vegetables as plants draw most of their nutrients from the soil. For roots to grow deep and spread easily, make sure that your soil is well prepared by loosening up the first 30 cm layer. Adding organic matter like compost can also enhance the nutrients in your soil but be sure to do your research as nutrient composition will vary depending on what you are planting.

Pro tips

- Adding mulch as a top layer is a good option to retain soil moisture, reduce weed growth, and add nutrients to soil. Tree bark, wood chips, straw, moss, grass clippings, or fallen leaves are good options for mulch.
- Look into companion planting, for example, the comfrey herb grows well in full sun or partial shade and helps to deter bugs when planted amongst your vegetables.
- According to Audrey Hepburn: "To plant a plant, is to believe in tomorrow".

Have your say / Sê jou sê

Have you ever lied about watching a movie?

No. Whenever I hear of a good movie I haven't watched, I get really interested.
Siphosethu Gajase

Have you ever been asked if you've watched a movie and said 'yes' just to save face? Or perhaps you said yes to avoid a lengthy conversation?

No. I have not lied because I have watched so many movies, and I always make sure I keep up to date with all the new ones.
Bernadette Wessels

No. I have not lied about watching a movie. Not that I can remember anyway. But if I did, I would probably have had a good reason for doing it!

PSALM 138

The Lord's Goodness to the Faithful
A Psalm of David.
138 I will praise You with my whole heart;
Before the gods I will sing praises to You.
2 I will worship toward Your holy temple,
And praise Your name For Your loving kindness and Your truth;
For You have magnified Your word above all Your name.
3 In the day when I cried out, You answered me,
And made me bold with strength in my soul.
4 All the kings of the earth shall praise You, O Lord,
When they hear the words of Your mouth.
5 Yes, they shall sing of the ways of the Lord,
For great is the glory of the Lord.
6 Though the Lord is on high,
Yet He regards the lowly;
But the proud He knows from afar.
7 Though I walk in the midst of trouble, You will revive me;
You will stretch out Your hand
Against the wrath of my enemies,
And Your right hand will save me.
8 The Lord will perfect that which concerns me;
Your mercy, O Lord, endures forever;
Do not forsake the works of Your hands.

**YOUR FRIDAY FUN FACT**

Did you know?

In the 1840s people used to say "prunes" instead of "cheese" when taking photos. Photographers believed that it made people's mouths look smaller and more pristine. That's most probably why people never smiled in the old photos.

Denise Dreyer was chosen as a finalist for Dream Girl SA 2023.

Is Denise the next Dream Girl SA?

Swartklip - Denise Dreyer from Swartklip was announced as a finalist for Dream Girl SA 2023 on Wednesday 22 March 2023.
"I decided to enter Dream Girl SA because it's more than just a pageant, it's about business and charity as well," Denise said.
This is the first pageant Denise has ever entered and she hopes the platform will help her to show other women that one is never too old to better yourself and the lives of others.
Dream girl has four legs: business, pageantry, entertainment, and charity. The pageant aims to empower women of all ages so that they can empower others. The pageant also highlights that beauty isn't only about appearance, but also about intelligence and success in the business world.
This year Dream Girl SA started off with

184 finalists. In the first round, the top 48 were chosen from which Denise Dreyer made it through to the second and final rounds. The pageant is a point-based competition, in other words, the girl/woman with the most points is crowned the winner. Preparing for a competition of this standard requires hard work and dedication where finalists are tested on many levels. The crowning will take place on 28 October 2023.
