Susan Mulder with Jova,
a 29-year-old elephant bull.

A day to remember

Thabazimbi - They say that an elephant never forgets. Thabazimbi local, Henrika Smith, fondly known as Poppie, took it upon herself to give the elephants of the Rory Hensman Conservation and Research Unit (RHCRU) and elderly Thabazimbi residents something to remember on Thursday 27 July 2023.

Poppie, who often reaches out to elderly residents of Thabazimbi, decided to orchestrate a memorable outing for 12 elderly community members. "While they have their memories to keep them company, I wanted to give them something new to think about, and an opportunity to smile," said Poppie, "That's why I arranged for an outing to the RHCRU in Bela-Bela".

RHCRU, a non-profit organisation dedicated to the holistic and sustainable conservation of elephants and wildlife, collaborated with Poppie to make the day possible by availing their Adventures with Elephants experience at no charge.

Poppie arranged for a bus, fuel, and snacks, and the group, along with her daughter Monica Smit, and grandson David Roux, merrily departed at 07:00, and by 08:30 arrived at their destination.

"It was a truly wonderful day," said Susan Mulder, an elderly Thabazimbi local, "I've always been a bit scared of elephants. But after my experience I learnt that they are extremely intelligent creatures. I couldn't believe it! Each of us gave one of our shoes to an elephant, and as we gave our shoes,

we said our names. The elephant then returned each person's shoe to its owner without making a mistake. It was adorable. The experience was something different from my day-to-day; most of the time we only go to the shops and back home. Even my husband, who is a homebody, surprisingly enjoyed the outing and spoke about it long afterwards. I would like to thank Poppie and everyone at RHCRU for making the day possible".

Elephants are wondrous creatures as they remind us of what we consider the finest human traits: empathy, self-awareness, social intelligence, as well as the importance of remembering everyone in the herd of life.

From left: Thabazimbi local Marietjie Conradie, and RHCRU elephant handlers Oscar Severino and Weekend Naykwete with Nuanedi, an 18-year-old elephant cow.

TFR records a total of 20 fires between July and August!

The 16 July fire in Steenbokpan, 50 km west from Lephalale, damaged 5000 hectares of land and burnt down 7 farms.

Thabazimbi - Thabazimbi Fire and Rescue (TFR) volunteers have been working tirelessly to keep fires at bay. TFR volunteers respond to fires and accidents, and aid SAPS and emergency responders whenever possible. Between Sunday 2 July and Sunday 13 August 2023, TFR volunteers have responded to a total of twenty fires in and around Thabazimbi. "Approximately 80% of the fires were caused by arson," says TFR director Pierre Loots, "We urge community members to exercise caution with flammables and to not start any veld fires until 25 ml rainfall has been received. We use our own resources to combat fires, but I would like to thank Numzaan Safaris and the Thabazimbi Fire Protection Association for each donating a firefighting unit to our cause". *Platinum Bushvelder* salutes the brave TFR volunteers who continuously and selflessly keep the community safe. **For fire-related queries, contact TFR on 076 579 2402, or email thabafireandrescue@gmail.com.**

Single vehicle rollover on R510

Thabazimbi - On Friday morning 11 August 2023 a driver of a blue hatchback was involved in a single vehicle rollover accident on the R510. Trauma Rescue responded to the scene and transported the passenger to a nearby medical facility. "The R510 is a very dangerous road, now more so than ever with all the roadworks taking place. Please maintain your speed and keep a safe distance. Where active roadworks are happening, pay attention and watch out for the construction vehicles," said Trauma Rescue special operations manager Reyno Dempers.

Thanks guys!

Waterberg – The Waterberg District Municipality Fire Service received a call from the Dinare Security control room at approximately 21:20 on Friday 18 August 2023 which reported a veldfire next to MBT at Heuvelkruin Estate. Upon arrival it was discovered that the fire was completely out of control. Firefighters Mighty Moumakwe and Kabelo Mpete managed to 'back burn' the area to stop the fire from reaching nearby electrical lines and residences. The fire was monitored until it burnt out.

A decade of water woes

Thabazimbi – On Tuesday 8 August 2023 the Thabazimbi Municipality issued a notice stating that they have noted the constant water supply interruptions in the town of Thabazimbi, Ipelegeng, and Regorogile extensions. According to the notice: *"The current low pressure to no water supply was due to the severe leakages on the main bulk pipeline that was at the Thabazimbi Iron Ore Mine premises, and it has been fixed, other than that there was an unplanned power outage from Eskom supplying the Thabazimbi pumpstation and that was fixed moments ago. On the other hand, TLM is busy with borehole upgrades to improve and increase the water supply to the town of Thabazimbi, Regorogile, and Northam. Over the weekend two boreholes have been upgraded by replacing old 4.0 kW water pumps with the new 7.5 kW pumps at Regorogile Extensions 4 and 6, and more boreholes will be attended to. Regular updates will be issued regarding this problem. The Municipality apologises for the inconvenience caused. For all water related matters please contact TLM Water and Sanitation standby 083 703 2805."* Meanwhile, *Platinum Bushvelder* followed up on TLM's account with Magalies Water, which has been seriously in arrears for the past 10 (ten) years and reached out to Magalies Water for an update. On 10 August we received the following reply from Magalies Water spokesperson David Magae: *"Thabazimbi Local Municipality is in arrears by R150,381,245.94. Magalies Water has been meeting with the Municipality, in a bid to address this challenge and to date no solution has been found as engagements are ongoing"*. When asked whether Magalies Water was restricting Thabazimbi's water supply due to the account in arrears, we received the following response from Magalies Water spokesperson David Magae: *"Please note that the restrictions have been reduced to 7 megalitres, which contractually Thabazimbi Local Municipality and Magalies Water have entered into. As a result of the growing water demand in the municipal jurisdiction, as was reached where Magalies Water was supplying Thabazimbi Local Municipality with 11 megalitres of potable water daily. However, due to the ensuing debt issue Magalies Water has reduced supply from the 11 megalitres to 7 megalitres per day, which Thabazimbi Local Municipality had committed to paying for monthly. However, the payment history indicated that the municipality is unable to pay for what it has been supplied with, consequently it was resolved that the original 7 ml/d be the consistent supply until such time the municipality can show cause that it is able to pay for the 11 ml/d supply"*. Extracts of a TLM press release placed in the *Platinum Bushvelder* dated 1 December 2017: 'The municipality has fallen into arrears with its major bulk suppliers of basic services, and therefore urges all residents to pay their monthly bills. It is critical for the ratepayers, businesses and residents to continue paying for services in order to help the municipality restore the provision of all services to normality. 'In order to improve this sad state of affairs, and to enable the municipality to discharge its service delivery mandate, communities are encouraged to pay their accounts.' In August 2019, TLM announced that by using equitable shares, they reduced the amount owed to Eskom from R238 million to R190 million, and from R72 million to R58 million owed to the Magalies Waterboard.

However, some people don't appreciate being corrected. When you make a blunder, are you okay with someone correcting you?

No, I'm happy to be complimented with positive feedback and possible new perspectives, versus being corrected and ridiculed.
Carrie Netshifhire

Yes, I am fine with being corrected. I strive to be better every day. When corrected, it sheds light on where you can improve yourself.

PROVERBS 17

17 Better is a dry morsel with quietness, Than a house full of feasting with strife. 2 A wise servant will rule over a son who causes shame, And will share an inheritance among the brothers. 3 The refining pot is for silver and the furnace for gold, But the Lord tests the hearts. 4 An evildoer gives heed to false lips; A liar listens eagerly to a spiteful tongue. 5 He who mocks the poor reproaches his Maker; He who is glad at calamity will not go unpunished. 6 Children's children are the crown of old men, And the glory of children is their father. 7 Excellent speech is not becoming to a fool, Much less lying lips to a prince. 8 A present is a precious stone in the eyes of its possessor; Wherever he turns, he prospers. 9 He who covers a transgression seeks love, But he who repeats a matter separates friends.

SA vs Wallis
Die Bokke benut die oefening teen 'n Walliese "B" span en wen 52-16. Manie Libbok se korrel pale toe was weer nie op standaard nie, maar hy het wel takties goed geskop en sy balverspreiding was ook redelik.

Die Bokke speel Vrydagaand in hulle laaste oefen *game* teen die All Blacks. *Coach* Nienaber het 'n sterk span gekies en natuurlik is daar altyd 'n verrassing of twee. Die 20 jarige Canan Moodie is op buitensenter gekies met Andre Esterhuizen aan sy binnekant. Moodie het blykbaar op skool in die 13 jersey uitgedraf. Dis gelukkig net so twee jaar terug en is hopelik nie nou vir die wolwe gegooi nie. Volgens Eben Etzebeth gaan hulle

nie die toets as vriendskaplik sien nie en sal na die *game* fokus op die toernooi.

Die voormalige Springbokspeler en kaptein het van 1980-84 vir die Bokke gespeel en was ook kaptein van die WP wat daardie jare die Curriebeker gewen het.
