SHAPING ENVIRO WARRIORS

Thabazimbi - Moitsheki Machavi from Marakele National Park, popped in at Roosevelt Academy on Tuesday 24 October. She was there to chat to the kids about our beautiful planet on International Day of Climate Action. Machavi shared lovely stories about the beauty of Marakele National Park. She told everyone how important it is to look after nature. She also shared that if we don't look after nature it can lead to very hot days, not enough rain, and not enough food. It can even cause big fires like the ones we've recently seen in Thabazimbi. She also said, "How we treat nature affects not just us, but everyone in the future too. If young people learn to love and care for our world, then our world will love and care for them." She told the kids about the naughty things cars and trucks do – they make bad air with something called carbon monoxide. This makes the air not so nice to breathe. Nomfundo Mthethwa, who works for Thabazimbi Local Municipality (TLM), also spoke. She told everyone about how the municipality keeps an eye on the environment. Marakele National Park and TLM gave Roosevelt Academy two trees - a mango and an orange one. Trees are great because they help clean the air. The school was told, "Plant more trees! They're nature's superheroes against dirty air." Mrs. Reinette Nell, a teacher at Roosevelt, shared about their Environmental Club. Kids from year three to six can join and learn fun ways to use things again, waste less, and keep things tidy. She said Machavi's visit opened their eyes even more to how special our planet is. Together, everyone learned a big lesson: looking after our world is the job of all of us, young and old. Let's do it with love and care!

Marakele National Park interpretive officer Moitsheki Machavi explained how climate change causes extreme heat and drought, among other issues.

In Liefdevolle herinnering aan Dawid Schalk van der Merwe, gebore 13 Junie 1963, oorlede op Sondag 8 Oktober 2023. Schalk se privaat roudiens het plaasgevind op 21 Oktober. Dawid die huis is stil sonder jou lag en die plaas treur oor jou. Die bosveld vuur is eensaam sonder jou grappies en stories. Jou manne soek na hulle rigtingwyser, jou inpak was groot, jou voetspore blywend in ons harte. Jou goedheid spreek steeds van 'n man wat na aan God geleef het. Ons sal altyd na jou verlang, jy bly steeds deel van ons en ons voel jou steeds hier, al is jou voetspore verlore in die sand.

Daarom sal ek my kop oplig en die lewe in die oë kyk... want U, Here loop saam met my, Elke dag, altyd en dit is vir my genoeg. Amen...

Mayor sends well wishes to Thabazimbi Local Municipality matric class of 2023

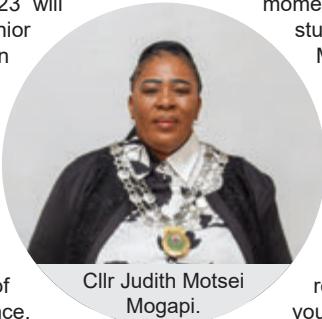

Thabazimbi - The Thabazimbi Local Municipality, led by Mayor, cllr Judith Motsei Mogapi and the entire council, has extended a message of encouragement and well wishes to all students who are about to embark on their 2023 final exams. The Matric Class of 2023 will begin writing the National Senior Certificate (NSC) exams on Monday 30 October 2023.

The late President Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world". In that spirit the hour has struck for all students registered to seat for matric examinations to do so. This marks the culmination of 12 years of hard-work, perseverance, and commitment. The final hurdle that ends the basic education chapter is here and new opportunities and challenges are within reach. "On behalf of the Thabazimbi Local Municipality and its entire residents and stakeholders, I wish to extend my well wishes to all those who would be sitting for their matric examination. We have confidence in you that you will make us proud and

produce results that would put our municipality and district on the map of excellence. We plead with you to work harder on your studies, to manage your time smartly and put entertainment on ice for the few weeks of exams to ensure that every moment of day is dedicated to your studies.

Matric serves as a gateway to multiple opportunities in life and affords those who succeed an opportunity to enter tertiary institutions to pursue a variety of careers that are pivotal for the socio-economic growth of our country. The success of our municipality and our district rests on your shoulders and in you acquiring skills and knowledge that would impact the lives of our people positively. I further urge all families to support their children with all they have through this trying period," mayor Mogapi concludes.

Best wishes to you all.
Cllr Judith Motsei Mogapi,
TLM Mayor

Cllr Judith Motsei Mogapi.

PROVERBS 28

The Righteous Are Bold as a Lion
28 The wicked flee when no one pursues, But the righteous are bold as a lion.
2 Because of the transgression of a land, many are its princes; But by a man of understanding and knowledge. Right will be prolonged.
3 A poor man who oppresses the poor Is like a driving rain which leaves no food.
4 Those who forsake the law praise the wicked, But such as keep the law contend with them.
5 Evil men do not understand justice, But those who seek the Lord understand all.
6 Better is the poor who walks in his integrity Than one perverse in his ways, though he be rich.

Aside from having your ears pierced, would you get any other piercings?

Opinions on piercings can vary widely. Some appreciate the artistic expression and personal style they bring, while others may find them uncomfortable or unnecessary. With that said, aside from the common ear-piercing, would you go for other options?

No. Piercings are not my thing. I will rather have a tattoo.
Samuel Pilane

No. I have earring piercings, but I wouldn't get any other piercings, I think women should at least try to be classy and other piercings all over your body don't look good.

Die vieringe het nuwe hoogtes bereik toe Maya Broekhuizen as die Limpopo Skoolatleet van die Jaar vir 2023 bekroon is. Rugby Wêreldbeker 2023

Semi-Finale:

Argentinië vs Nieu-Seeland

Die Kiwi's speel skitter ruggas en verwoes die Argentynse se drome om in die 2023 finaal uit te draf. Die All Blacks druk sewe drieë en wen die game 44-6. Will Jordan drie, drie keer en ewenaar die rekord van agt drieë in 'n Wêreld Beker toernooi wat onder andere deur Bryan Habana, en wyle Jonah Lomu gehou word. Die Kiwi's dring dan deur na die finaal en gaan teen die Springbokke uitdraf. Albei spanne het die beker al drie keer gelig.

Engeland vs Suid Afrika

Die Bokke moes diep delf vir 'n oorwinning oor die pommies. Handre Pollard wat in die 31ste minuut van die eerste helfte vir Manie Libbok vervang het, behaal die wenpunt in die 78ste

minuut met 'n strafdoel vir 'n wen van 16-15. Rassie en klie sal moet raakvat met hulle span keuses vir die eindstryd teen die All Blacks anders kan dit 'n baie lang dag op kantoer wees vir die Bokke. Dit is tweede keer dat hierdie twee rugga swaargewigte kragte meet in 'n finaal. In 1995 was die Bokke op Ellispark aan die wenkant met 'n skepdeel van Joel Stransky in ekstra speeltyd vir 'n telling van 15-12. Die ref vir die finaal is die Aussie Wayne Barnes. Bid vir regverdigheid en goeie oordeel. Mag ruggas die wenner wees!
