7,000 KM FOR CHILDREN

**WORLD RECORD
ATTEMPT 2024**

Doctor André Hattingh and Olaf (the Pediatric Care Africa mascot) with his Harley Davidson.

Thabazimbi – In an unparalleled display of unity and philanthropy, the Pediatric Care Africa organisation is gearing up for its annual event, the “Ride for a Child” charity motorbike ride 2024.

This event is not just a journey but a bold statement of collective determination to change lives, one kilometre at a time. And guess what? Thabazimbi is on this special route planned through South Africa! Scheduled to kick off on the 11th of February 2024, the 5th edition of the “Ride for a Child” will

see motorbike enthusiasts revving their engines for a noble cause. Spanning a staggering 7,000 km journey across the breathtaking landscapes of South Africa, this ride is more than an adventure; it's a lifeline for underprivileged children requiring surgeries and medical treatments.

Mark your calendars as Day 3 of this epic journey unfolds on Tuesday 13 February 2024, the stretch from Lephalale (Ellisras) to Thabazimbi, and then to Rustenburg, promises to be a journey of solidarity

and support. Dr. André Hattingh, the CEO and founder of Pediatric Care Africa, shared his heartfelt sentiments about the journey through Thabazimbi: “Thabazimbi is an absolute highlight on our ride around South Africa. It's challenging to find a community more friendly and supportive anywhere else. We will be riding through Thabazimbi from Lephalale to Rustenburg on the 13th February, and it would be an honour to have local motorbike riders join us. Our pit stop for a coffee in Thabazimbi is not just a break in the journey but a moment to connect, chat, and garner support for the sick children of South Africa.” The grand finale of the tour is on the 24th of February. This date is set to be etched in history, as thousands of motorbike riders from various clubs and organisations will join forces with Dr. André Hattingh in a world-

record-breaking attempt. The goal is ambitious yet profoundly impactful: the most motorbikes riding in staggered formation as a single group, a symbol of solidarity for the welfare of sick children.

The crescendo of this awe-inspiring ride will unfold 50km before the Caltex Mentors Plaza, stretching between Storms River and Jeffreys Bay on the N2.

For those eager to be part of this historic moment or to contribute to this noble cause, more information is available at www.pediatriccareafrica.org, or by contacting 076 229 5663 or via email at info@pediatriccareafrica.org.

Join hands, join hearts, and most importantly, join this ride.

Administering the Gift

9 Now concerning the ministering to the saints, it is superfluous for me to write to you; 2 for I know your willingness, about which I boast of you to the Macedonians, that Achaia was ready a year ago; and your zeal has stirred up the majority. 3 Yet I have sent the brethren, lest our boasting of you should be in vain in this respect, that, as I said, you may be ready; 4 lest if some Macedonians come with me and find you unprepared, we (not to mention you!) should be ashamed of this confident boasting. 5 Therefore I thought it necessary to exhort the brethren to go to you ahead of time, and prepare your generous gift beforehand, which you had previously promised, that it may be ready as a matter of generosity and not as a grudging obligation.

Feestyd by TAR: ‘n tydperk van uitdagings, toewyding en gemeenskapsondersteuning

Thabazimbi – Gedurende die feesseisoen het Thabazimbi Animal Rescue (TAR) ‘n merkbare toename in die aantal diere wat versorging benodig, ervaar. Gedurende hierdie tyd het TAR 11 nuwe diere ontvang, waarvan drie deur hul eienaars teruggeëis is.

Tanya Stone, stigterslid van TAR, deel dat daar slegs een hond oor die feestyd aangeneem is, wat ‘n weerspieëling is van die uitdagings wat die organisasie in hierdie tydperk in die gesig staar.

Die statistieke toon dat daar 19 katte by TAR ingeneem is, met vyf daarvan wat aangenome is. Ongelukkig het geen eienaars na vore gekom om katte terug te eis nie, wat die anonieme lot van hierdie diere beklemtoon. Hierdie statistieke weerspieël die situasie oor ‘n beperkte tydperk, spesifiek vanaf Kersfees tot en met Nuwejaar.

Die organisasie het tans 24 hondehokke beskikbaar, maar geen spesifieke verblyf vir katte nie. In ‘n innoverende stap het Tanya ‘n ruimte in haar afgebrande huis omgeskakel om na die katte om te sien, wat getuig van die toewyding en aanpasbaarheid van TAR onder moeilike omstandighede.

Die gebruik van vuurwerke oor die feestyd het ‘n bykomende uitdaging ingehou, met baie diere wat angstig geraak en weggehardloop het. Tanya beklemtoon dat, hoewel hierdie jaar nie so erg soos vorige jare was nie, die

probleem met vuurwerke ‘n groot bekommernis was. “Een jaar was uiters uitdagend, en moes ons 27 honde in die week tussen Kersfees en Nuwejaar inneem,” sê Tanya.

Die organisasie doen ‘n beroep op die gemeenskap om honde- en katkos te skenk, veral omdat Januarie dikwels ‘n finansiële-uitdagende maand is.

In ‘n poging om die proses van verlore en gevonde diere te stroomlyn, is ‘n nuwe **WhatsApp-groep** gestig. Die groep, genaamd **Thabazimbi Troeteldiere Vermis en Gevind**, fasiliteer die advertensie van verlore honde en diere en bied ‘n platform vir die gemeenskap om by te dra tot die hereniging van diere met hul eienaars.

Die groep is nie net ‘n middel vir kommunikasie nie, maar dien ook as ‘n beroep op die gemeenskap om proaktief te wees in die sorg van rondloperdiere. Tanya moedig mense aan om nie net passief te wees wanneer hulle ‘n rondloperdier sien nie, maar om aktief betrokke te raak deur die dier veilig te hou en TAR of ‘n veearts in kennis te stel.

Ten slotte, Tanya weerspieël ‘n gevoel van dankbaarheid en optimisme, en erken dat, hoewel die feesseisoen altyd uitdagend is, die ondersteuning van die WhatsApp-groep en die gemeenskap ‘n groot verskil gemaak het.

Vir meer informasie, kontak Tanya by 084 885 6487.

Limpopo celebrates stellar matric triumph in 2023!

Limpopo – Limpopo's schools have really shined in 2023 and learners did great in their matric exams, with 79.5% passing. That's a big jump of 7.3% from the year before.

Mopani West came out on top among all districts with an impressive 83.8% pass rate. Mogalakwena wasn't far behind with 82.6%, and Vhembe East was right there too with 82.5%. Education MEC, Mavhungu Lerule-Ramakhanya, shared these numbers and couldn't hide her excitement about the students of 2023. She gave a big thank you to everyone – teachers, parents, and school governing board members – for helping the students reach these heights.

And let's hear it for Nthabiseng Lefophana, the star student of Limpopo this year! She studied like crazy at Bokamoso Secondary School in Seshego and it all paid off. She was named the top student when the big results were announced. Way to go!

This is not a way to live

[letter to the editor]

Thabazimbi – Every time we turn our taps in Thabazimbi, it's like rolling a dice. I never know if there will be water or not. And it's always the same old story: no water because “oops, a pipe burst... again.” When we, the ever-patient residents, ask why it's not fixed, we get a tired tune of “We did, but look, the pipe burst again just a few meters away. Surprise, surprise!”

The Thabazimbi Local Municipality seems to be competing for a world record in coming up with excuses for not fixing our basic water system. The usual whisper about “no funds” has become our town's unofficial theme song. Makes you wonder, where do our rates and taxes actually go?

And let's not overlook Magalies Water, the star of this sad show. They've got the knack for delivering less water than we need because, apparently, our municipality doesn't pay the bills on time... or they don't pay the full amount due...

Having water for just one hour a day isn't some quirky local tradition – it's a real problem. Miss that golden hour to fill your JoJo tank, and you're pretty much left high and dry. Planning your day around this water game feels like you're on a survival show, where doing basic things like showering, washing dishes, and cleaning your house feels like a luxury. Washing clothes is a whole other drama; my washing machine is picky and only works with strong pressure from the JoJo tank. But then, what about all the other stuff we need water for?

And when it does rain our plants look like they're about to faint from shock.

So, here's a thought: when will our municipality actually come up with a real, long-lasting solution? One that doesn't involve patching things up and crossing fingers, but actually lets the people of Thabazimbi have a reliable water supply?

Until that day comes, we stay #Frustrated and #Waterless.

The Story Behind Nike's "Just Do It"

Did you know the famous Nike slogan "Just Do It" came from an unusual place? It started in 1988 by an advert agency called Wieden+Kennedy in Portland, Oregon. The words were actually inspired by Gary Gilmore's last words before he was executed in 1977. This catchy slogan helped make Nike a big name and changed the way we think about ads.

POLL

Do you think it's OK that a child can choose to quit school when they turn 15?

In South Africa, children must attend school from age 7 to 15, or until they complete Grade 9, whichever comes first. While it's understood that some learners may not be able to complete their matric (Grade 12) due to various reasons, the question arises: Should the decision to leave school early be in the hands of the children themselves? Or should the expectation be to stay in school until completing Grade 12? We'd like to know your thoughts on this matter. Here's how you can participate. Email us at news@platinumbushvelder.co.za or WhatsApp your response to 081 579 7000.

Include the following:

- Your answer: Yes or No
- Why? Tell us your story.
- A recent photo – We'd love to publish your pic alongside your answer!
- Your town/city
- Deadline – Be sure to send your response before 12:00 on Monday, 29 January 2024.

Archery: First arrows for 2024!

Thabazimbi – In Thabazimbi, the first arrows of 2024 marked the beginning of the season at the Mpumalanga Field Archery Competition in Modimolle on 20 and 21 January 2024. Each round in this two-day event involves shooting four arrows at 28 different targets (four arrows per butt with 28 butts in total), with distances ranging from a close 5 yards to a challenging 80 yards.

The Thabazimbi Archery Club showcased its talent with members like HJ Swanepoel clinching gold in the AMFU (Adult Male Freestyle Unlimited) category and Gary Bauer also taking home gold in the VMFU (Veteran Male Freestyle Unlimited) category. Other notable performances included Jaco van Vuuren (silver in VMFU) and the promising juniors, Janco Pieterse and Anton Dreyer, who tackled the challenging Bushveld terrain under the hot sun. It was a day full of focus, camaraderie, and a shared love for the great outdoors!

Looking ahead, the Thabazimbi Archery Club is all set to host the next competition on Saturday 17 and Sunday 18 February 2024. They extend a warm invitation to anyone interested in joining the excitement. It's a crucial time for archers aiming to qualify for provincial, national, and the esteemed Protea colours before the national competition in March. And let's not forget the IFAA World Field Championship in Brazil this August – a highlight for archery enthusiasts worldwide!

Thabazimbi boasts several members preparing for this international event, and we promise to keep you in the loop with all their achievements. For those keen on trying their hand at archery or honing their skills, join the Thabazimbi Archery Club every Tuesday evening at 17:45 at the Koos Cronjé Shooting Range, starting 6 February 2024, for our official practice sessions. Here's to a year of straight-shooting arrows and bullseyes!

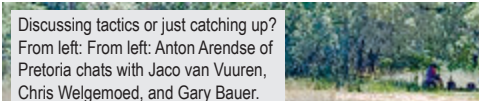

More than just competitors – they're like family. All vying for the prestigious Archery Protea colours. Back from left: PW Botes (Bethal), Freddie Ruppung (Pretoria) and Lourens Nel (Mpumalanga). Middle from left: Henk Verhoef (Pretoria), and HJ Swanepoel (Thabazimbi). Front from left: Kobus Barnard (Bloemfontein), Jacques Strauss (Cape Town), and Theuns Erasmus (Phalaborwa).

Anton Dreyer (left) and Janco Pieterse, in High School Frikkie Meyer colours, during an archery shoot.

Dr. Gary Bauer, decked out in his Thabazimbi club uniform, accepts his first prize from Hendré Scheepers, the event organizer of 5X Archery Pretoria. Dr. Bauer competes in the Veteran Male Freestyle Unlimited (VMFU) category.

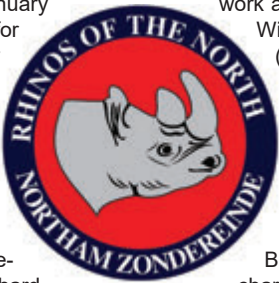

Discussing tactics or just catching up? From left: Anton Arendse of Pretoria chats with Jaco van Vuuren, Chris Welgemoed, and Gary Bauer.

Ramp-up to rugby: Northam Rhinos' thrilling trials

Setaria – Mark your calendars for a thrilling Saturday! On 27 January 2024, the Northam Platinum Rhinos Rugby Club is gearing up for an electrifying start to the new season. Get ready for a day of passion and power as the Rhinos host their rugby trials at Bushveld Park, Setaria, starting at 14:00. The highlight? A highly anticipated friendly clash against the mighty Tuks rugby team. Rally behind our local heroes and fuel their spirit!

Jannie Cronje, the chairperson of the Northam Platinum Rhinos, shared his enthusiasm: "The 2024 season brings fresh excitement and pride. We're thrilled to announce our re-entry into the prestigious Carlton League – a testament to the hard

work and talent in Pretoria's rugby arena. Our heartfelt thanks go to Willem Strauss (president of the Blue Bulls), Henri van Aswegen (president of the Limpopo Blue Bulls), and everyone from the Blue Bulls and Carlton clubs for embracing us once more."

Jannie continued with an open invitation: "Whether you're aiming to tackle the field or support from the sidelines, our club welcomes you. Your passion is our strength. Let's make this Saturday a day to remember!"

For further details or to connect with the Rhinos family, reach out to Jannie at 072 633 5260. Bring your cheers, wear your pride, and join the Rhinos as they charge into an exhilarating season!
