A DECADE OF HOPE

"Behind the school's
success are the
remarkable teachers and
staff, the true heroes."

Janna Christiaan Serfontein Snyman,
volunteer at the school

Joyful splashes, where laughter and water merge!

Thabazimbi – In the heart of Thabazimbi, an inspiring story of profound love and unwavering resilience came to life at the Spitskop Special Needs School. The institution celebrated a milestone, its 10th anniversary, on Friday 15 March 2024, in an event filled with joy, community solidarity, and the unveiling of a remarkable gift: a new swimming pool, bestowed by an anonymous benefactor. This meaningful addition transcends mere fun in the sun – embodying the essential support and inclusivity for children with special needs, notably those with autism.

Salomien Snyman, the school's founder and CEO, delivered an emotionally resonant keynote address. With gratitude, she acknowledged the unwavering support of the community and the Department of Education. Her speech vividly recounted the school's progress from its initial days to its current status, a journey ignited by a

pressing personal need. Relocating to Thabazimbi, Snyman faced the stark realisation that her son, Janna, diagnosed with autism, lacked access to suitable educational facilities. This challenge spurred her to establish the Spitskop Special Needs School, turning a personal obstacle into a beacon of hope for many families.

Over the years, the school has blossomed, evolving into a thriving community where children with special needs are empowered to grow and learn in a nurturing environment. The 10-year celebration served as a powerful testament to the school's growth, with former learners, including Janna, returning to partake in the festivities, entertain, and share the joy of a journey that profoundly impacted numerous lives.

This story is not just about the creation of a school but about the creation of a family, united by love, determination, and the belief that every child deserves a place to shine.

MAN SENTENCED TO 30 YEARS FOR RAPING 13-YEAR-OLD GIRL

Thabazimbi – The Thabazimbi Regional Court has handed down a significant prison sentence. On Thursday 14 March 2024, 33-year-old William Kgankge Sekete was sentenced to 30 years in jail after being convicted of raping a 13-year-old girl.

The case stemmed from an incident on 20 January 2022, around 14:30, where Sekete, then a tenant at the victim’s home, was found guilty of raping the homeowner’s daughter while the homeowner was absent, attending to her work responsibilities. The young girl, in a state of distress, called her mom immediately after the ordeal, prompting her mother to hurry back home. Colonel Malesela Ledwaba reported that the incident was promptly brought to the attention of the police, leading to the registration of a rape case against Sekete at the local station. The case dossier was then assigned to the Family Violence, Child Protection and Sexual Offences Unit in Thabazimbi for further investigation, under the diligent supervision of warrant officer Daniel Joseph Lötter.

Added to his sentence, Sekete was declared unfit to possess a firearm and is mandated to register on the national sexual offenders’ register, marking him as a significant risk to public safety. Lieutenant general Thembi Hadebe, the provincial commissioner in Limpopo, expressed satisfaction with the court’s verdict and congratulated warrant officer Lötter.

Warrant officer Daniel Joseph Lötter, the investigator behind the successful prosecution.

William Kgankge Sekete (33), the accused in a rape case, now faces 30 years behind bars.

Warning: Vet and Research Suppliers of Services and Goods

Thabazimbi - Mike Bolhuis issues a serious warning to people who make use of suppliers of services or goods obtained through WhatsApp groups and other social media platforms. While many honest individuals advertise their offerings on these platforms, scammers lurk among them. Unlike traditional advertising platforms, WhatsApp groups and other social platforms do not take responsibility for vetting their advertisers. Therefore, consumers must exercise caution and conduct thorough research before making any payments. Before parting with any money, it’s crucial to ensure that the person or company advertising is legitimate. This can be done by searching for their business on Google, requesting and verifying references, and checking online review platforms like Hellopeter for any negative feedback. However, it’s essential to scrutinize these reviews, as some may be fake. Recently, a resident of **Thabazimbi** fell victim to such a scam. Mike Bolhuis of Specialized Security Services (SSS) stresses the critical importance of thorough vetting and extensive research before engaging in any financial transaction. Bolhuis shared a concerning incident where a client approached a solar company for panel installation, paying a hefty deposit of **R132,733.60** on 18 September 2023. Unfortunately, despite the payment, neither the installation nor a refund has been forthcoming from the company owner. Despite reassurances, the client remains empty-handed. The incident, which took place in Tabazimbi, underscores the necessity for consumers to exercise caution and due diligence. Bolhuis emphasizes that individuals must take responsibility for safeguarding their finances by ensuring they know whom they are dealing with. Dealing with a local supplier of goods and services will also reduce any risk involved in paying over money. Despite warnings issued over the past year, the prevalence of such incidents is on the rise, highlighting the urgency for increased vigilance among all parties involved in financial transactions.

Fire at Northam Landfill Site prompts health concerns

The smoke from the Northam Landfill Site impacted nearby residents.

SOULFOOD

PSALM 63

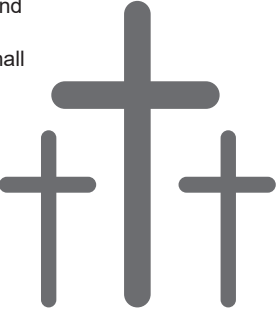

**Joy in the Fellowship of God
A Psalm of David when he was in the wilderness of Judah.**

63 O God, You are my God;
Early will I seek You;
My soul thirsts for You;
My flesh longs for You
In a dry and thirsty land
Where there is no water.
2 So I have looked for You in the sanctuary,
To see Your power and Your glory.

3 Because Your lovingkindness is better than life,
My lips shall praise You.
4 Thus I will bless You while I live;
I will lift up my hands in Your name.
5 My soul shall be satisfied
as with marrow and fatness,
And my mouth shall
praise You with joyful lips.

6 When I remember You
on my bed,
I meditate on
You in the night watches.

Rhinos face tough matches against Mogol

Setaria – The Northam Platinum Rhinos faced a challenging day on the field on Saturday 16 March 2024, as they squared off against the Mogol Rugby Club at Ellisras High School. The day featured matches that pitted the Rhinos' fourth team against Mogol's second team, and the Rhinos' third team against Mogol's first team, resulting in hard-fought battles for the Setaria-based club. In the day's opening match, the Northam Platinum Rhinos' fourth team showed determination and grit but were unable to secure a win against Mogol's second team, with the game concluding at an 8-0 defeat for the Rhinos. Following this, the Rhinos' third team took to the field against Mogol's first team. Despite a spirited effort and scoring 12 points, the Rhinos were overcome by Mogol's strong performance, which ended in a 35-12 loss for the Northam club. Earlier this week, the Northam Rhinos Rugby Club embarked on a new chapter with the appointment of Bevin Fortuin as head coach. A former Springbok with a rich rugby legacy, Fortuin assumed leadership on Monday, 11 March, infusing the team with his vast experience and innovative coaching strategies. Looking ahead, the Northam Platinum Rhinos are not slowing down, with another set of challenging matches scheduled for Saturday 23 March. The Rhinos will take on both the Randfontein Rugby Club and the Tuine Rugby Club at the Randfontein Rugby Club's home grounds. These matches are anticipated to be a significant test for the team under the leadership of their new head coach.

Would you intervene by catching a stray animal to take it to a shelter?

In our community, it's not uncommon to encounter stray animals, particularly dogs, wandering close to roadsides. These animals might be long-time street residents or beloved pets that have accidentally strayed from their homes. Encountering such a situation presents a decision: should you intervene? Would you consider safely stopping to rescue a stray dog and taking it to a local animal welfare organisation, such as the Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) or the Thabazimbi Animal Rescue (TAR)? What do you do in these circumstances?

POLL

Do you think a life sentence should be for life?

In South Africa, a life sentence (for a crime committed) may not necessarily mean spending one's entire life behind bars, given the provisions for parole under the Criminal Law Amendment Act of 1997. But thinking about murderers, rapists, and serious crime... we want to hear your opinion. Should a life sentence in South Africa unequivocally mean imprisonment for life, without the option for parole?

Here's how you can participate. Email us at news@platinumbushvelder.co.za or WhatsApp your response to 081 579 7000.

Include the following:

- **Your answer:** Yes or No
- **Why?** We want to hear from you!
- **A recent photo** – We'd love to publish your pic alongside your answer!
- **Your town/city**
- **Deadline** – Be sure to send your response before 12:00 on Monday, 25 March 2024.

Vote results: The outcome of the poll will be featured in our next issue. Be a part of our community's story! P.S.: Don't forget, you can also voice your opinion on our Facebook post about this topic. Join the conversation!

YOUR FRIDAY FUN FACT

Did you know; a life sentence in SA is undetermined.

In South Africa, when someone is given a life sentence, it means they could be in jail for their entire life. However, according to the Criminal Law Amendment Act of 1997, sentences vary: the minimum jail time for serious crimes are 25 years for murder, 15 years for rape, and 10 years for robbery before they can ask for parole. Some very rare cases could have a person in jail for 1,000 years with no chance of getting out early. Getting parole isn't guaranteed and depends on if the person behaves well in jail.

Yes! Stray animals are susceptible to a wide array of diseases. They can harbour parasites such as ticks, worms, and fleas, and are at risk of contracting rabies, among other illnesses that might be transmissible to humans or domestic pets. We must all help to prevent this from happening.

Lucky Makinta

Absolutely. I believe it's crucial to intervene because, in that moment, the animal is in dire need of your assistance. As responsible citizens, it's our duty to ensure their safety by taking them to the nearest animal welfare organisation. Once the animal is secure and protected, efforts can then be made to locate their owners.

Yolandi Munnik
