## Update on Thabazimbi child assault case

**Thabazimbi** – The Thabazimbi community continues to follow a significant court case involving serious allegations of child assault.

Petrus Oelofse, Jessica Hull, and Ria Oberholzer made another appearance in the Thabazimbi Magistrates' Court on Wednesday 27 March 2024. On 30 January 2023, the trio was first presented before the court, facing grave accusations stemming from incidents that deeply concern our community.

At the time of their arrest, the trio was operating a well-known local crèche.

Petrus Oelofse was charged with sexual assault and child neglect. In a disturbing revelation, it was found that a child was sexually assaulted under his care. Jessica Hull and Ria Oberholzer faced charges of child neglect and assault with the intent to do grievous bodily harm, linked to the brutal assault of two children with a cricket bat. The charges sent shockwaves through the community.

The initial arrests were made on 26 January 2023, swiftly after the allegations came to light, leading to multiple court hearings over the past year. The legal process has seen numerous postponements, reflecting the complexity and seriousness of the case.

The trio has been released on bail for some time now.

The latest court session on 27 March 2024 ended with yet another delay, as the proceedings were postponed to Wednesday 17 April 2024, for a pre-trial hearing. This next step is crucial for setting the stage for the trial, offering a glimpse into how the case may unfold and its potential impact on the community and the victims involved.

As Thabazimbi awaits further developments, the case remains a crucial point of concern, raising questions about child safety and the mechanisms in place to protect the most vulnerable in our community.

# FATAL TAVERN DISPUTE IN SMASHBLOCK LEADS TO ARREST

**Smashblock** – A 27-year-old man was apprehended on charges of murder following the death of a 38-year-old male on Sunday 24 March 2024. The altercation, fuelled by a heated at a local tavern in Smashblock, near Northam, escalated to a fatal conclusion. Colonel Malesela Ledwaba detailed that the dispute turned violent when the suspect allegedly assaulted the victim with a sharp object, targeting the upper body. The assailant then fled the scene, leaving behind chaos and shock amongst the patrons. The owner of the tavern, in a desperate bid to save the victim, rushed him to the nearest clinic. Despite these efforts, the victim was declared dead upon arrival.

Investigations suggest that the root of the altercation was tied to personal relationship issues. The swift response of the police led to the arrest of the suspect in Smashblock on the following day, 25 March 2024. Lieutenant general Thembi Hadebe, the provincial commissioner of the South African Police Service in Limpopo, has publicly condemned the violence. The suspect's appeared before the Northam Magistrates' Court on Wednesday 27 March 2024.

**COMMUNITY  
ALERT: beware  
of online sale scam**

[letter to the editor]

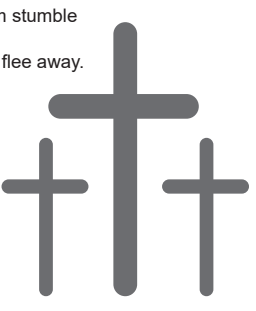

**Thabazimbi/ Northam** – Attention, residents of Thabazimbi and Northam: a scammer is actively targeting our community through social media platforms, specifically Facebook and WhatsApp groups. The person in question claims to be relocating to Namibia and is offering household appliances and furniture for sale at seemingly reasonable prices. These offers are accompanied by photographs of the items to appear more credible. We urge community members to exercise caution when engaging in such transactions. It is essential to verify the legitimacy of the sale and the seller before proceeding with any payment. A careful approach is to physically inspect the goods in person and only complete the transaction once you are satisfied with the condition of the items. Unfortunately, I, too, fell prey to this deceptive scheme. I share my experience with the hope of preventing others from falling victim to similar scams. **#TheScammerIsBack!**

**PSALM 64**

**Oppressed by the Wicked but Rejoicing in the Lord**  
**To the Chief Musician. A Psalm of David.**  
64 Hear my voice, O God, in my meditation;  
Preserve my life from fear of the enemy.  
2 Hide me from the secret plots of the wicked,  
From the rebellion of the workers of iniquity,  
3 Who sharpen their tongue like a sword,  
And bend their bows to shoot their arrows—bitter words,  
4 That they may shoot in secret at the blameless;  
Suddenly they shoot at him and do not fear.  
5 They encourage themselves in an evil matter;  
They talk of laying snares secretly;  
They say, "Who will see them?"  
6 They devise iniquities:  
"We have perfected a shrewd scheme."  
Both the inward thought and the heart of man are deep.  
7 But God shall shoot at them with an arrow;  
Suddenly they shall be wounded.  
8 So He will make them stumble  
over their own tongue;  
All who see them shall flee away.  
9 All men shall fear,  
And shall declare the  
work of God;  
For they shall wisely  
consider His doing.  
10 The righteous  
shall be glad in the  
Lord, and trust in Him.  
And all the upright in  
heart shall glory.

KIDNAPPED  
COUSINS  
RESCUED,  
POLICE OFFICER  
AMONG  
ARRESTED  
KIDNAPPERS

**Brits** – In a significant operation led by lieutenant general Sello Kwena, the North West provincial commissioner of police, a highly coordinated effort by a multi-disciplinary team has successfully located and rescued kidnapped cousins, Zahraa Mohammed (17) and Bataviya Mohammed (19).

The victims were abducted on Wednesday 6 March 2024, and found on the evening of Monday 25 March 2024, in a residence in New Stands, Klipgat, near Winterveldt and Mabopane.

The rescue operation was carried out by members from the Provincial Organised Crime Unit, the Head Office Anti-Kidnapping Unit, Bojanala Platinum Sub-District 2 Task Team, and Brits Crime Intelligence. Their relentless pursuit not only led to the safe recovery of the cousins but also the arrest of several suspects linked to the kidnapping.

Upon their discovery, the victims received immediate medical attention at the Klipgat Police Station's Victim Friendly Room (VFR) and, fortunately, were found to be in good health, albeit exhausted and traumatised from their ordeal. They have since been reunited with their families.

In a further development, the investigation team, comprising various law enforcement disciplines, arrested two additional suspects on Tuesday, 26 March 2024. Among the arrested is a police sergeant from the Lethlabile detective unit. A vehicle believed to have been used in the crime was also seized.

Brigadier Sabata Mokgwabone clarified that the total number of suspects in custody is six, following the release of two individuals previously apprehended, after investigations concluded their non-involvement in the crime. The remaining suspects are scheduled to appear before the Brits Magistrates' Court on Thursday, 28 March 2024.

# What the truck?

[letter to the editor]

Just look... you can't see anything but trucks!

Northam – I am writing to express concern over an issue that has increasingly affected the community of Northam, particularly the efforts of Northam's business owners to improve and tidy up our area. The core of the problem lies in the parking habits of a local company's trucks. These vehicles are frequently found parked for extended periods in a spot that has become an unofficial rest area for truckers, who often stop to sleep beside the road before continuing to their next destination.

This situation has escalated to a point where the parked trucks not only undermine the visual and environmental efforts made by local businesses, but also pose a significant safety hazard. On one occasion, a truck was parked in such a manner that it completely concealed a stop sign, making it invisible to oncoming drivers. As a resident familiar with the area, I was able to navigate safely, but this might not be the case for everyone. Visitors or individuals unfamiliar with the area could easily miss the stop sign, potentially leading to serious accidents at the intersection.

Given these concerns, I strongly believe that there should be a designated parking area for these trucks. A specific location for truckers to rest and recuperate would not only alleviate the safety risks posed by the current situation but also contribute to the ongoing efforts to beautify and maintain our community.

I urge local authorities and business leaders to consider this proposal and work towards a solution that benefits everyone involved.

A Concerned Citizen of Northam

## NOTIFICATION OF APPLICATION FOR A WATER USE LICENCE FOR THE PROPOSED PHASE 2B: ADDITIONAL WATER USES (DWS REF NO. WU29076) BULK WATER SUPPLY PIPELINE FROM FLAG BOSHILO DAM TO PRUISSSEN RESERVOIR NEAR MOKOPANE, IN THE LIMPOPO PROVINCE.

Notice of amendments made in respect of a Water Use License Application (WULA) WU29076 for the addition of three (3) new water uses in terms of Section 21 of the National Water Act, 1998 (No. 36 of 1998) ("NWA"). The three new water uses are Section 21(a) - abstraction of water from Flag Boshielo Dam at a rate of 95Ml/day and Section 21(c & i) – a pipe bridge crossing downstream of Flag Boshielo Dam and the alternative, a free span bridge crossing the Olifants River, for the proposed Phase 2B of the Olifants Management Model Bulk Raw Water Study Phase (OMMP-BRWSP).

A Public Participation Process (PPP) was undertaken on 27 October 2023 for a period of 60 days until the 5 January 2024 in terms of Section 41 (4) of the NWA for the proposed Phase 2B bulk water infrastructure development as part of the OMMP-BRWSP. The additional water uses form part of Phase 2B which consists of approximately 71 km of DN 1200 pipeline, three (3) Pump Stations (PS) i.e., Flag Boshielo PS, Malgas PS and Doornfontein PS, two balancing dams (Malgas and Doornfontein) and one raw water reservoir (Pruissen Terminal Reservoir).

### ADDITIONAL WATER USES LOCATION

The three (3) new water uses are situated within the Olifants River near Mogalakwena in the Limpopo Province.

### ADDITIONAL WATER USES TRIGGERED IN TERMS OF SECTION 21 OF THE NWA

## MEGA LANDSCAPES WILDLIFE PLAN

### Make your voice heard on the draft National Biodiversity Economy Strategy

The Department of Forestry, Fisheries and the Environment (DFFE) has released a 48-page plan (the Draft National Biodiversity Economy Strategy) to create integrated "mega landscapes" on land and sea where hunting, bioprospecting and tourism can be monetised. In *Platinum Bushvelder's* previous issue, we reported on the Department of Forestry, Fisheries and the Environment's (DFFE) Mega Landscapes Plan. The plan was released in the Government Gazette of 8 March, giving those who want to comment until 22 March to do so. Various stakeholders slammed the department for trying to force through the plan without giving the public enough time to consider and comment on the plan.

**The deadline has now been shifted to 12 April.**

Members of the public are invited to submit written comments to any of the following addresses:

## Have your say / Sê jou sê

### Do you think a life sentence should be for life?

In South Africa, a life sentence (for a crime committed) may not necessarily mean spending one's entire life behind bars, given the provisions for parole under the Criminal Law Amendment Act of 1997. But thinking about murderers, rapists, and serious crime... we want to hear your opinion. Should a life sentence in South Africa unequivocally mean imprisonment for life, without the option for parole?

Yes, I think it should be for life. If you take a life or commit a crime so serious that a life sentence is given, then you do not deserve to have a normal full life. You should pay the full and max price for crimes like murder and rape and living the rest of your life in jail is still better than the death or pain you caused.

Rozaan van der Walt

Yes, it should be for a whole life, because people who are being wronged don't get peace when they see the person who wronged them, roaming free in the streets.

### Do you like giving or receiving hugs?

When Covid-19 hit our shores, everything changed. We barely made eye contact with people. And hugs were out for sure! And largely, it influenced how we act toward people today. Some people are huggers, others aren't. How do you feel about it?

#### The hippo: Gentle Giants with a Twist

Despite their serene appearance, hippos are the third-largest land mammals, surprisingly related more to whales than to any land grazer.

These semi-aquatic behemoths are among Africa's most dangerous animals, not just because of their unpredictability but also due to their significant impact on human fatalities, second only to mosquitoes.

Threatened by poaching for their ivory canines and habitat loss, hippos face a precarious future.

Thabazimbi's archers hit their marks at SANFAC 2024!

Thabazimbi archers on the 3-day SANFAC 2024 at Modimolle. From left: Gert Snyman, Charles Bester, Chris Welgemoed, Mardus Ras, HJ Swanepoel, Jaco van Vuuren, and Dr Gary Bauer.

From left: Axel Zuur (joint leader on day 1 and bronze medal winner) with HJ Swanepoel (gold) and rival Henk Verhoef (silver) on the animal round of day 3.

This year's SANFAC was bittersweet, as the archery community paid tribute to Lourens Nel, a beloved figure in the field and a three-time Protea archer, who passed away two weeks prior to the championship. Competitors and spectators alike donned green ribbons in memory of Nel, whose spirit and passion for archery touched many lives.

**Thabazimbi** – The South African National Field Archery Championships (SANFAC) of 2024 unfolded over an exhilarating three-day event in Modimolle (23 to 25 March), drawing competitors from across the nation. This prestigious tournament, a cornerstone of the South African National Indoor Field Archery Association (SANIFAA) calendar, featured the challenging trio of Field, Hunter, and Animal rounds.

Participants navigated through 28 butts, releasing four arrows at each target with the potential to score a maximum of 5 points per arrow. The Animal round, featuring North American animal targets, was particularly noteworthy as it foreshadows the upcoming world championship in Brazil.

**Local athletes from the Thabazimbi Archery Club notably shone, clinching several medals and setting records:**

- HJ Swanepoel overcame a second-place start to win gold in the Adult Male Freestyle Unlimited category by day three.
- Chris Welgemoed dominated the Veteran Male Freestyle Unlimited (VMFU) category from the outset, securing his gold medal with consistent performance.
- Dr Gary Bauer earned a well-deserved silver in the VMFU category.
- Jaco van Vuuren showcased his skills in the VMFU category, narrowly missing a bronze medal to finish fourth.
- Gert Snyman excelled in the Veteran Male Freestyle-Compound, not only winning gold but also setting five South African records.
- Charles Bester claimed a silver medal in the Veteran Male Bowhunter Unlimited category.
- Mardus Ras brought home a bronze in the Junior Male Bowhunter Unlimited category.
- Mathilda Broekhuizen led the Adult Female Bowhunter Unlimited class.

The closure of SANFAC 2024 marks the end of the 2023/2024 Field Archery season. The upcoming season is set to commence on 5 and 6 April 2024, in Modimolle, ushering in new opportunities for archers to demonstrate their prowess. The Thabazimbi Archery Club invites enthusiasts to join their ranks, offering club evenings every Tuesday at 17:45 at the Koos Cronje shooting range in Spitskop, Thabazimbi. For more information, contact Thaba Boog en Hengel at 014 777 2084. As we reflect on the achievements and poignant moments of SANFAC 2024, the spirit of competition and camaraderie among South Africa's archery community continues to thrive.

Mardus Ras, die talentvolle Graad 10 leerder van Hoërskool Frickie Meyer.

# Mardus blink uit by SANFAC 2024

**Thabazimbi** – Die kalmte en konsentrasie van 'n boogskutter is selde so duidelik sigbaar soos in die jong Mardus Ras van Hoërskool Frickie Meyer, wie se vaardighede en presisie hom na die podium by die SANFAC 2024-geleentheid geneem het. In 'n meevoerende vertoning van talent en deurstellingsvermoë het skuts van regoor Suid-Afrika hulle vaardighede teen mekaar gemeet te Kamp Effata in Modimolle, in 'n driedaagse titantiese stryd van 23 tot 25 Maart 2024. Mardus, 'n vasberade Graad 10-leerder, het in die Junior Male Bowhunter Unlimited (JMBU)-afdeling deelgeneem en 'n bewonderenswaardige derde plek behaal. Hierdie prestasie is nie net 'n toonbeeld van sy ongelooflike talent en harde werk nie, maar dit dien ook as 'n inspirasie vir jong skuts. Die SANFAC 2024-kompetisie is bekend vir sy strawwe kompetisie en uitdagende omstandighede, wat dit die perfekte platform maak vir skuts soos Mardus om hul vaardighede op die nasionale verhoog te toon. Die gemeenskap en Hoërskool Frickie Meyer is uiters trots op Mardus se prestasie en sien met groot verwagting uit na sy deelname aan die komende Wêreldkampioenskappe in Brasilië, wat van 2 tot 10 Augustus 2024 plaasvind.
