MAN SURVIVES MULTIPLE GUNSHOT WOUNDS AFTER CARJACKING

Northam/ Thabazimbi – A heart-stopping police chase ended with the capture of two armed hijackers in the Waterberg District, following a brutal carjacking and attempted murder on Monday 20 May 2024, at around 18:00. Colonel Malesela Ledwaba shared the terrifying story of a 35-year-old mine worker whose routine drive home turned into a nightmare. After finishing his shift in Northam, he left the mine at 14:00, driving his trusted white Toyota Corolla. Along the R510 road, he kindly offered a lift to three unknown men, unaware that his act of kindness would almost cost him his life. The victim's journey took a dark turn as the men

hijacked his vehicle, forcing him to drive towards Thabazimbi. The terrifying ordeal reached its peak when they stopped between the Thabazimbi and Hoopdal T-junction around 16:30. The victim was dragged into the bushes and shot multiple times in the upper body, left to die. Despite his critical condition, the victim's will to live shone through. He managed to flag down a passing motorist who rushed him to safety. The Emergency Medical Services (EMS) quickly transported him to hospital, where he fought for his life. In the wake of this brutal attack, the police launched an intense manhunt for the suspects. The Provincial Tracking Team, Mokopane Detectives

Unit, and private security joined forces, determined to bring justice. The hijacked Toyota Corolla was spotted on the R101 public road outside Modimolle around 18:00. When the police attempted to intercept the vehicle, the suspects responded with gunfire, triggering a dramatic shootout. The chaos of the chase ended with the driver of the car losing control, crashing into a road sign, and damaging a farm fence. Amidst the wreckage, a 23-year-old suspect was trapped in the vehicle, his body riddled with gunshot wounds. He was taken to the hospital under police guard. The police discovered a firearm inside the vehicle, a grim reminder of the violence that had just unfolded. Meanwhile, the search continued for the other two suspects. A breakthrough came the next morning when a 24-year-old Zimbabwean

national was captured by the vigilant Farm Watch and Community Policing Forum (CPF) members at a Modimolle farm. Severely wounded from the shootout, he too was hospitalised under police guard. The two captured suspects are expected to face the law at the Modimolle Magistrates' Court once they recover. They will be charged with the possession of a stolen vehicle, two counts of attempted murder, and possession of a prohibited firearm and ammunition.

The Police discovered a loaded firearm hidden inside the vehicle.

RHINO POACHERS CAUGHT IN EARLY MORNING STING

Dwaalboom – A joint operation executed in Dwaalboom has led to the apprehension of two suspects in connection with a rhino poaching incident that took place in the early hours of Monday 27 May 2024, at approximately 00:15 on Grooveshark Farm. Colonel Malesela Ledwaba reports: "Security officers of a local nature reserve heard gunshots and investigated by patrolling the farm. They discovered the carcass of a white rhino with both horns still intact." Members of the Modimolle Endangered Species Unit, Dwaalboom Police, Wildlife Security Company, Welgevonden K9, Thaba Tholo Security, SAPS officials, and other farm owners, with the aid of a helicopter, were activated to track the suspects. The operation yielded positive results as two male suspects were apprehended while hiding on the farm at around 02:00. During the arrest, the duo was found in possession of two empty cartridges, two knives, and one hunting rifle with four rounds of ammunition. Preliminary investigations revealed that the hunting rifle was reportedly stolen in Thabazimbi in August 2023. The two suspects, one South African aged 38 and a 39-year-old Mozambican national, are expected to appear before the Thabazimbi Magistrates' Court in due course, facing charges of poaching a specially protected animal (white rhino) and the possession of an unlicensed firearm and ammunition. Police investigations are continuing.

During the arrest, the duo was found in possession of two empty cartridges, two knives, and one hunting rifle with four rounds of ammunition.

Gemeenskap samewerking om veldbrande te beheer

Die ondersteuning van die plaaslike boere en hul werkers – met hulle brand voorkoming toerusting – het dit soveel veiliger en makliker gemaak.

Thabazimbi – Na die brande, wat deur die weerlig veroorsaak is verlede week op die Maletse berg buite Thabazimbi, waar 2,400ha afgebrand het, het die boere van daardie omgewing besluit om ook voorbrande te maak rondom die Gatkop Grotte wat geleë is aan die voet van die Meletse Berg. Hierdie grotte word op 'n gereelde basis deur verskeie stamme besoek. Op Dinsdag 21 Mei 2024 het Wildmed Emergency Services graag hierdie boere weer gaan bystaan, om 'n blok rondom die grotte te brand, om verdere brande later in die brand seisoen te voorkom. Die boere in daardie omgewing kan nou meer gerus wees tydens die brandseisoen wat reeds begin het. Wildmed Emergency Services wil net almal wat die dag daar kom help het, bedank vir hulle hulp en tyd wat hulle opgeoffer het, om dit vir almal veilig te help maak. Henk Havenga van die Waterberg Distrik wil ook net van die geleentheid gebruik maak, om 'n versoek te rig aan alle plaasboere en grondeienaars, om asseblief hierdie jaar julle toegangspaaie of brandpaaie nou al te skraap – voor die vure begin brand. Namens Wildmed Emergency Services asook Thaba Fire & Rescue, wil ons ook noem dat ons u nie kan help op u

eiendom, as u paaie nie toeganklik is vir ons noodvoertuie nie. Alle skade wat ons op ons toerusting en voertuie opdoen tydens die tydperk wat ons u graag wil help, is vir ons eie sak. Ons vra asseblief, dat u ook na ons as nooddiens, en u bure wat bereid is om te kom help, se kant sal kyk om die skade wat ons kan opdoen, te beperk tot die minimum. Verder, sorg asseblief dat u werkers oor die minimum opleiding en PPE beskik soos deur die brandwet voorgeskryf. Sluit ook asseblief aan by die TFPA aan (wat 'n vereiste is) sodat u ook al die ander voordele kan benut tydens enige veldbrand op u grond (plaas of plot). Wildmed Emergency Services is ook 'n plaaslike verskaffer vir al u behoeftes aan brand voorkoming toerusting (PPE, brandblussers, brandplakke ens.) DOUBLE LIFE
SENTENCES FOR
GRUESOME REVENGE
MURDER OVER BMW

Accused Sulaiman Kamya (29)

Northam/ Rustenburg – The provincial commissioner of SAPS in Limpopo, lieutenant general Thembi Hadebe, has welcomed the meticulous investigation by detectives in Northam, following the hefty sentence of two life imprisonments handed down to Ugandan national Sulaiman Kamya (29) for the brutal murder of a couple in a revenge attack. Colonel Malesela Ledwaba reported that on 4 January 2019, the charred remains of Joshua Mutaasa (38) and his wife Rita (43) were discovered at their residence in Wildebeeslaagte, Northam. Investigations revealed that the couple had been violently attacked with a sharp object, and the perpetrator then set the house alight. It was also established that the deceased's silver BMW sedan was stolen. The investigation team followed leads to Rustenburg, where the accused was tracked down on the same day. A breakthrough came when the cellphone of one of the deceased was found at the suspect's house, along with blood-stained trousers already soaked in water. Thorough investigations revealed the location of the vehicle at a local scrapyard where the vehicle's details were being changed. The vehicle was seized, and further investigations led the team to an open field where additional clothes and property belonging to the male deceased were found. Sulaiman Kamya was charged with two counts of murder and house robbery. Evidence presented during the trial established that the murders were premeditated and carried out as an act of revenge. Kamya had wanted to buy the couple's vehicle and had agreed to pay in instalments. When he could no longer afford the outstanding amount, he requested his money back. The victims told him he would get the money later, but Kamya became aggressive and forcefully moved into their home, demanding the cash back. He then killed the couple, set their house alight, and stole some property, including the vehicle involved in the dispute. The case was investigated by detective sergeant Thabiso Seshoka, who successfully opposed bail until the convict was ultimately sentenced to two life terms and an additional 15 years for house robbery on Wednesday 22 May 2024 by the Modimolle Regional Court.

30 YEARS' SENTENCE FOR INFRASTRUCTURE SABOTAGE:
JOAO SHILAULE IMPRISONED

Siyanda Bakgatla Platinum Mine's cable thief jailed

After a lengthy legal battle, justice was finally served to Siyanda Bakgatla Platinum Mine on Tuesday, 28 May 2024, as the court case concluded with a significant verdict.

Joao Shilaule received a 30-year prison sentence for stealing cables from Siyanda Bakgatla Platinum Mine, located just outside Swartklip. This harsh sentencing sends a strong message: tampering with essential infrastructure leads to severe consequences.

Shilaule, a Mozambican national, not only faces three decades behind bars but also an additional penalty for his illegal immigration status in South Africa.

The mining industry in South Africa suffers significant losses due to cable theft, costing billions each year. Criminal gangs target copper cables, severely disrupting mining operations across the country.

As a world leader in mining, South Africa is renowned for its rich mineral resources, contributing substantially to global production and reserves. South African mining companies are influential players in the international industry.

Copper, widely available and often poorly secured, is particularly vulnerable to theft due to the extensive and remote power networks of mines. Despite seemingly controlled processes, copper remains easy to sell, with thousands of scrap dealers or 'bucket shops' ready to trade in stolen metal.

If you witness cable theft, immediately report it to your nearest police station!

Joao Shilaule was transported to prison after his sentencing.

CRIME DOES NOT PAY!

THABAZIMBI RESIDENT WARNS COMMUNITY OF SCAM AFTER LOSING SAVINGS

Thabazimbi – A Thabazimbi resident recently fell victim to a scam and wants to share her experience to warn others in the community. The scam started with an SMS that read: "RAM COURIER: Your parcel RL001097064 sent via RAM Courier is set for delivery with an outstanding fee of R16.13." The message then also provided a link for payment. Believing it might be her son's police clearance that was due to arrive, she followed the link and paid the R16.13. Shortly after, she discovered her bank account had been emptied. The transaction was traced to a guesthouse in Portugal. Scammers often send emails or texts claiming to be from delivery companies like The Courier Guy or RAM Couriers, and even the South African Post Office. They usually state that your package is being held due to unpaid fees or an address problem. They then ask you to click on a link or call a phone number to resolve the issue.

PROTECT YOURSELF FROM SCAMS

To safeguard yourself, look out for the following signs that an email or SMS may be a scam:

- Email domain: Even if the email appears to be from RAM Hand-to-Hand Couriers (or another delivery company), ensure it is sent from a valid RAM email domain. A legitimate email from RAM will always end with @ram.co.za.
- Verify details: Contact the company using their registered phone numbers to verify the details before making any payments.

Stay vigilant and always double-check before providing any personal or financial information. Stay safe, Thabazimbi!

POLL

Should prisoners have the right to vote?

In South Africa, prisoners currently have the right to vote in elections, a right exercised in the recent elections held on 29 May 2024. Historically, this was not always the case. When a person is sentenced to imprisonment, they retain all their rights except those that must be restricted to enforce the prison sentence. This means that prisoners maintain their rights to, for example, health care and voting. What's your opinion? Should prisoners be allowed to vote?

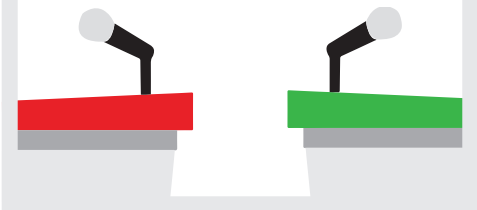

Here's how you can participate. Email us at news@platinumbushvelder.co.za or WhatsApp your response to 081 579 7000.

Include the following:

- Your answer:** Yes or No
- Why?** We want to hear from you!
- A recent photo** – We'd love to publish your pic alongside your answer!
- Your town/city**
- Deadline** – Be sure to send your response before 12:00 on Monday, 3 June 2024.

Vote results: The outcome of the poll will be featured in our next issue. Be a part of our community's story!

P.S.: Don't forget, you can also voice your opinion on our Facebook post about this topic. Join the conversation!

PSALM 28

Rejoicing in Answered Prayer
A Psalm of David.

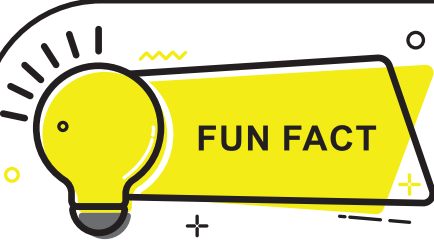

1 To You I will cry, O Lord
my Rock:
Do not be silent to me,
Lest, if You are silent
to me,
I become like those who
go down to the pit.
2 Hear the voice of my
supplications
When I cry to You,
When I lift up my
hands toward Your holy
sanctuary.
3 Do not [a]tke me away
with the wicked
And with the workers of
iniquity,
Who speak peace to their
neighbors,
But evil is in their hearts.
4 Give them according to
their deeds,
And according to the
wickedness of their
endeavors;
Give them according to
the work of their hands;
Render to them what they
deserve.
5 Because they do not

regard the works of the
Lord,
Nor the operation of His
hands,
He shall destroy them
And not build them up.
6 Blessed be the Lord,
Because He has
heard the voice of my
supplications!
7 The Lord is my strength
and my shield;
My heart trusted in Him,
and I am helped;
Therefore my heart
greatly rejoices,
And with my song I will
praise Him.
8 The Lord is [b]their
strength,
And He is the saving
refuge of His [c]anointed.
9 Save Your people,
And bless Your
inheritance;
Shepherd
them also,
And bear
them up
forever.

2023/24 Champions Cup Finaal

Dit is donker in Ierland. Behuising is skielik 'n volksramp ou grote... want duisende Ierse ondersteuners is teruggebring aarde toe!

In 'n riller klop die Franse Stade Toulousain die Iere Leinster 31-22. Die eindtelling was gelykop met 15 elk, wat 'n ekstra 20 minute teweeggebring het. Toulouse het hulle kansse beter gebruik en is welverdiend die nuwe *Champions*!

Antoine Dupont is tans die beste rugby speler op die planeet. Die Franse *cappie* het van voor af gelei en is ook as speler van die wedstryd aangewys. Klas ou grote... die mannetjie het klas!

2023/24 Europese Challenge Cup

Die Sharks maak geskiedenis om die eerste SA span te wees wat 'n rugby titel in Europa wen. Die Haaie het uit die staanspoor die pap dik aangemaak en die Ingelse raakgery in die vaste spel ou grote. Die Haaie se sterspeler van die toernooi, losskakel Siya Masuku was weer dodelik en teken 21 punte aan. Die mannetjie klop hard aan die Bok-deur.

Die Sharks gaan dan in die 2024/25 seisoen opskuif en in die Champions Cup saam met die groot *honne* blaf.

Nag ou grote...

Hoogtepunte van die Thabazimbi Vuurfees

Thabazimbi – Die gemeenskap van Thabazimbi het 'n vurige naweek van vermaak en avontuur tydens die Thabazimbi Vuurfees gehad, wat op Vrydag 24 Mei en Saterdag 25 Mei 2024 by Thaba Park gehou was. The festival was hosted by Thabazimbi Fire and Rescue, in collaboration with Dinare Security and Protection Services and Thabazimbi Tourism. Pierre Loots, die direkteur van Thabazimbi Fire and Rescue (TFR), het almal bedank wat betrokke was by die reuse suksesvolle geleentheid. Die hoogtepunte van die fees was verskeie demonstrasies: 'n hondevertoning, 'n ongelukstoneel demonstrasie deur Trauma Rescue, 'n arrestasie demonstrasie deur Dinare Security and Protection Services, en 'n struktuur vuur demonstrasie deur Thabazimbi Fire and Rescue. It was very informative and attracted significant interest.

Die fees was veel groter as wat ons verwag het! Ons het 2,000 armbande vir toegang gekoop vir die 2 dae, en alles was uitverkoop! Saterdagmiddag moes ons begin om mense se hande te stempel. Daar was dus meer as 2,000 feesgangers vir die naweek. Die hoogtepunte was beslis die optredes van gaskunstenaars en die demonstrasies deur Thaba Fire & Rescue, Dinare Security, die hondeskou en Trauma Rescue. Ons werk reeds aan 'n datum vir volgende jaar, wat binnekort aangekondig sal word. Van my kant af, baie dankie aan elke TFR-lid wat gehelp het om die fees te reël. Dankie ook aan die gemeenskap vir hul ondersteuning en aan al ons borge.
