40 YEARS AND COUNTING

Medhof Pharmacy's legacy of excellence

Thabazimbi – In a world where long-term loyalty to a single employer is rare, it's almost unheard of to find individuals who have devoted 40 years of their lives to the same company. This remarkable feat speaks volumes about the extraordinary nature of Medhof Pharmacy and its unwavering commitment to its employees and community.

Cheryl Hildebrandt and Joseph Maluleka have both achieved an incredible milestone by completing 40 full years of service at Medhof in June 2024. "And there are still many years ahead of us!" the two proudly declared.

Known for their warmth, friendliness, and exceptional expertise, Cheryl and Joseph are beloved figures in the Thabazimbi community. Their dedication has not gone unnoticed, and the pride radiating from the owners, Danie van Niekerk and Driansu van der Nest, is unmistakable.

But the story doesn't end there. Collectively, Medhof's staff have accumulated a staggering 310 years of service! This incredible span of time reflects decades of knowledge and unwavering dedication.

Danie van Niekerk, one of the proud owners of Medhof Pharmacy, expressed his heartfelt gratitude: "Our staff's dedication and loyalty are the pillars of Medhof's success. We are deeply grateful for Cheryl and Joseph's unwavering commitment and the exceptional service they have provided over the years. Their hard work and passion are what make Medhof truly special."

Cheryl shared her thoughts on this milestone, saying, "When I was a young woman, I started working here, eager to learn and grow. Over the years, Medhof has become more than just a workplace; it's been a journey of personal and professional growth. Each time I hear the bell and see a community member walk through the door, my heart swells with purpose. I know that today, we have the chance to make a difference in someone's life."

Joseph added, "I've grown so much over these 40 years, both personally and professionally. Medhof is more than just a workplace; it's a family."

"Genius Book of World Records, here we come!" Driansu declared with a beaming smile. Well done to everyone. If Medhof isn't a unique pharmacy, then such a pharmacy doesn't exist!"

IN SA, 70% OF SUICIDES ARE MALE

SA – In a press release, Mike Bolhuis, Specialist Investigators into Serious Violent, Serious Economic Crimes & Serious Cybercrimes, cited a psychological report which found that in 2023, no less than 70% of South African patients at risk of suicide were male. This alarming trend of male suicides is on the rise in South Africa, exposing the country's forced patriarchy where men are expected to be strong and women vulnerable. Shockingly, South Africa ranks 10th on the list of countries with the highest number of suicides, with 13,774 suicides reported in 2022, of which 10,861 were men. Men are five times more likely to die from suicide than women, and the main factors contributing to suicide among men are unemployment, childhood trauma, and relationship issues. Moreover, financial difficulties, where a man is unable to provide for his family, also stood out as one of the reasons for male suicides. Sexual orientation issues, illness (mental and physical), and drug abuse were among the other reasons for suicide.

RED FLAGS
Recognising the warning signs or red flags of suicide in men is crucial for early intervention and prevention. While these signs can vary from person to person, some common red flags to watch for include:

- **Expressing hopelessness or worthlessness**
 - Men contemplating suicide may express feelings of despair, hopelessness, or a sense that life is not worth living.
 - They may vocalise thoughts like "I can't go on anymore" or "things will never get better."
- **Withdrawal and isolation**
 - Social withdrawal or isolating oneself from friends, family, and social activities can be a sign of distress.
 - Men at risk of suicide may avoid contact with others and prefer to be alone.
- **Changes in behaviour or mood**
 - Noticeable changes in behaviour, mood swings, or extreme mood changes can indicate underlying emotional turmoil.
 - This may include sudden irritability, agitation, or expressions of anger.
- **Increased substance abuse**
 - Escalating alcohol or drug use can be a sign that someone is struggling to cope with emotional pain.
 - Substance abuse may serve as a way to numb feelings or escape reality temporarily.
- **Talking about death or suicide**
 - Men who frequently talk about death, dying, or suicide, even in a casual or joking manner, should be taken seriously.
 - They may express thoughts or fantasies about ending their own lives.
- **Giving away prized possessions**
 - Making arrangements to give away belongings or tie up loose ends can be a warning sign that someone is considering suicide.
 - This may include giving away valuable items, updating wills, or making unusual financial decisions.
- **Sudden calmness or peace**
 - Sometimes, individuals who have decided to end their lives may exhibit a sudden sense of calmness or peace.
 - This can be misleading, as it may indicate that they have already resolved to take action.
- **Changes in sleep patterns or appetite**
 - Disrupted sleep patterns, insomnia, or changes in appetite can be physical manifestations of underlying mental health issues.
 - Men at risk of suicide may experience significant changes in their sleeping or eating habits.
- **Loss of interest in hobbies or activities**
 - A sudden loss of interest in previously enjoyed activities or hobbies can be a sign of depression or emotional distress.
 - Men who withdraw from activities they once found pleasurable may be struggling with their mental health.

"It is important to remember that these warning signs are not always easy to recognise and may vary depending on individual circumstances. If you notice any of these red flags in yourself or someone else, it is crucial to take them seriously and seek help from a mental health professional or crisis hotline," Bolhuis added.

Man, ek klap-soen jou sommer!

Northam – Genade! Dat 'n klein dorpie in die middel van die Bosveld soveel verkeer kan hê, gaan my verstand te bowe! Nie 'n verkeerslig in sig nie, maar wel die nuwe verkeersirkel. Mense het al etlike ure vasgesit in verkeer by dié sirkel in Northam! Maar op Maandag 10 Junie 2024, sowat 14:30, het ek van Rustenburg af gery, deur Northam. En toe ek by die sirkel kom, sien ek toe 'n verkeersman wat die verkeer behendig gelei het. Nou toe nou! Die man het sommer hope mense se dag gemaak; baie dankie!

Prolonged water shortages in Regorogile

[letter to the editor]

Regorogile/ Thabazimbi – I am writing as a deeply concerned resident of Regorogile Extension 5 to draw urgent attention to the critical issue of prolonged water shortages affecting our community.

For the past three weeks, our taps have run dry, causing immense hardship for families, businesses, and schools. Our water supply ceased on 19 May 2024, and we have struggled ever since.

On 9 June, we were fortunate to receive water from a passing truck belonging to a local company. Although the water wasn't meant for us, we begged, and he mercifully shared with us. The driver kindly filled our water drums and buckets, providing some relief, but this is not a sustainable solution.

Regorogile has faced recurring water shortages this year, with a previous period of nearly a month without water at the beginning of the year. Now, Extension 5 is once again severely impacted. Residents are struggling to meet basic needs, including hygiene, cooking, and sanitation. The lack of water affects our health, livelihoods, and our overall wellbeing. Families are forced to fetch water from distant sources, often carrying heavy containers over long distances or purchasing water daily, which is not affordable for everyone. The nearest consistent water source is a community hall tap in Extension 4, which is a significant distance for those of us in Extension 5. Our location at the edge of a mountain makes the journey even more challenging due to the steep climb.

Schools and clinics are unable to function properly without an adequate water supply, and businesses are suffering, impacting our local economy. We urgently request that local authorities address this crisis promptly. We need immediate updates on efforts to resolve the issue and a sustainable plan to ensure a reliable water supply for Regorogile.

NO STREETLIGHTS = MORE CRIME!

[letter to the editor]

Northam – I don't care who's in charge, or who's waiting to be in charge. But the streetlights need to be fixed in Northam. I don't care who needs to get paid, and who must stop striking at the municipality.

You need to ensure the safety of your community, and that includes lights in the streets. Stop blaming politics, and start doing your job. Or if you can't, be smart or creative for once.

I heard the reason that the lights aren't working is due to cable theft. And now that it's dark... guess what will be stolen next?

FARM ATTACK, ROBBERY AND ATTEMPTED RAPE

Northam – Two African male suspects, aged 32 and 35, appeared before the Northam Magistrates’ Court on Wednesday 12 June 2024, on charges of house robbery and attempted rape. The incident occurred on Nooitgedacht Farm in the Northam policing area on Saturday 8 June 2024. Colonel Malesela Ledwaba confirmed that the suspects were apprehended on Tuesday 11 June 2024 following the horrific incident. According to reports, the house owner was asleep with all doors closed and locked when she heard footsteps approaching her bedroom. To her shock, she recognised one of the intruders as her gardener, who demanded money. The gardener then left briefly, returning with an axe, a knife, and a shifting spanner, threatening to rape her if she did not comply. The suspects robbed the victim of three laptops, a tablet, and two cellphones before fleeing the scene. The police were notified promptly and successfully traced and arrested both suspects. Some of the stolen items were recovered. Lieutenant general Thembi Hadebe, the provincial commissioner of the South African Police Service in Limpopo, commended the swift arrest and praised the investigation team for their relentless efforts in ensuring the suspects were brought to justice. The suspects are set to reappear before the Northam Magistrates’ Court on charges of house robbery and attempted rape. Police investigations are ongoing.

Pasop vir bedrog met e-posse en sms'e!

[skrywe aan die redakteur]

Beste redakteur,
Ek wil graag 'n belangrike waarskuwing met ons gemeenskap deel oor 'n bedrieglike e-pos wat ek onlangs ontvang het. Die boodskap het verdag gelyk van die staanspoor af, en hier is die inhoud daarvan:
"Suid-Afrika Pos: Jou pakkie het by die pakhuis aangekom, maar dit word gehou weens onduidelike adresinligting en kan nie afgelewer word nie. Bevestig asseblief die adres in die skakel binne 12 uur.
<http://postofficepx.com/za> Geseënde dag! van die Suid-Afrikaanse Pos-span!"

Ek het agterdoctig geraak omdat ek nie 'n pakkie verwag het nie, en niemand wat ek ken stuur pos deur die gewone posdiens nie. Ek het my man geraadpleeg, en hy het gesê dit sal nie skade doen om uit te vind nie. Ongelukkig het ek op die skakel geklik, en 'n paar minute later het my skootrekenaar opgehou werk.
Ek het dadelik die rekenaar na 'n tegnikus geneem, en hy het bevestig dat die skakel 'n gevaarlike virus bevat het. Die tegnikus het voorgestel dat ek die Suid-Afrikaanse Posdiens direk kontak om te bevestig of daar werklik 'n pakkie vir my is. Soos verwag, was daar geen pakkie nie.

Ek is dankbaar dat my rekenaar 'n probleem ontwikkel het, want dit het my waarskynlik beskerm teen verdere skade. Gelukkig kon die tegnikus die probleem vinnig oplos.
Ek wil ons gemeenskap waarsku om versigtig te wees vir hierdie tipe bedrogspul. Moet nie op verdagte skakels klik in e-posse nie, en bevestig altyd direk met die betrokke diensverskaffer voordat enige aksies geneem word. Ek het op sosiale media gelees van persone wat dieselfde boodskap met die skakel as 'n sms op hul foon ontvang het. Ons persoonlike inligting is kosbaar en ons moet dit beskerm.

Yes, I do use a heater in winter. When we're outside, we can wear warm clothes to stay warm. However, inside the house, using a heater helps keep us warm and healthy, preventing illness.

Inisiatief bring hoop vir Limpopo

Limpopo – Solidariteit Helpende Hand se navorsing het bepaal dat eensaamheid, depressie, angs, werkloosheid en boeliegedrag in skole die Limpopo-provinsie lam lê. Daarom het dié gemeenskapsorganisasie ingegryp om sy strukture in dié provinsie te versterk en uit te brei. Solidariteit Helpende Hand, wat al sedert 2010 na gemeenskappe in Limpopo uitreik, het vanjaar ‘n omvangryke takstigtingsprojek reg oor die provinsie geloods. Die doel van die byeenkomste was om mense in te lig oor Helpende Hand se werksaamhede en om rolspelers by sy bestaande struktuur in te trek.

“Ons het met ons gemeenskapstudie gesien dat inwoners vele maatskaplike uitdagings in die gesig staar. Daar is wel ook baie mense wat graag wil eienaarskap neem, wat bereid is om self in te spring en aksies en projekte te loods tot voordeel van hul gemeenskap. Helpende Hand wil hulle ondersteun om die energie om te sit in gestruktureerde optrede,” sê Hannes Noëth, Solidariteit Helpende Hand se uitvoerende direkteur.

Altesaam 13 gemeenskappe het hul hande uitgesteek om betrokke te raak. Die dorpe waar takke gestig is, is Ellisras (Lephalele), Vaalwater, Marble Hall, Groblersdal en Pietersburg (Polokwane). In Letsitele, Tzaneen, Phalaborwa, Thabazimbi/ Northam en Naboomspruit (Mookgophong) is takke versterk. Takstigting word vir Nylstroom (Modimolle), Potgietersrus (Mokopane) en Warmbad (Bela-Bela) beplan.

“Helpende Hand fokus sterk op gemeenskapsontwikkeling en werk saam met skole, kerke, boere, sakemanne en ander belanghebbendes om ‘n verskil in die gemeenskap te maak. Ons besef ook hoe krities opvoeding, opleiding en ontwikkeling is om hoop te skep en vir gemeenskappe se vooruitgang,” sê Noëth.

Volgens Noëth gaan elke nuutgestigte tak ‘n lys projekvoorstelle ontvang asook R5,000 om as wegspring te dien vir projekte wat beplan word. Noëth sê die belangstelling in hierdie inisiatief skep baie hoop vir die toekoms van Limpopo. “Met gemeenskapskrag en samewerking kan Limpopo groei en vooruitgaan en ‘n beter toekoms vir al sy inwoners bou.”

Homeless
Shelter:
important
information
for our
community

Please take note that due to our shelter's small size with only eight rooms, where people share rooms, we can only accommodate individuals from the Thabazimbi Municipal District. We prioritise women and children, older women and men not yet on pension, followed by single women and men. We do not rent out rooms, only beds, and people share rooms on a short-term basis only. Married couples sleep separately, and children under 13 share a room with their mother. Once you find permanent employment or we find you permanent employment, you are expected to find your own accommodation and vacate so that we can assist someone else.

Very important to know:
The shelter has very strict rules. If you abuse alcohol or have an addiction, we will not be able to accommodate you. We test prior to allowing you into the shelter, and conduct random drug and alcohol tests.
Please also note that you will be expected to clean up after yourself and help keep the common areas clean. You will also be expected to work on projects to cover your living costs.
Our rules and structures are not negotiable, and we expect everyone to follow them and respect the other people in the shelter. We work with people who want to put in the effort to grow and work towards starting anew.
Please take note: We are not a rehab or bed and breakfast. We help those who want to help themselves.

Vote for Sifa!

Swartklip – Swartklip's very own Sifa Vallery Tema, a dedicated educator at Sefikile Primary School, has made a dazzling entry into the finals of the prestigious Mrs. Bold South Africa pageant! This remarkable achievement is her first venture into the world of pageantry, and she needs your support to claim the crown.

To cast your vote for Sifa, send an SMS with the text 'Bold 430' to 47439. Each SMS costs R3, and free SMSs do not apply. Voting lines are open until 30 July 2024.

In an interview with *Platinum Bushvelder* newspaper, Sifa shared her excitement and journey. A devoted mother of five — three biological and two adopted children — Sifa gracefully balances her roles at home and in her profession. She expressed her passion for hiking, reading, and journaling, and she loves exploring cultural sites like museums and art galleries, trying out new restaurants, and attending live performances and music concerts. Beyond her personal interests, Sifa is deeply committed to her community. She regularly donates school shoes and sanitary towels to schools in rural areas and provides psychosocial support to Grade 12 students during camps. In addition, she offers free online classes, assisting students with social studies, English, and economic management science.

Sifa's generosity has touched numerous schools, including Mapaputle Primary School, where she donated sanitary towels and school shoes; Makoba Secondary School, which received sanitary towels; Melotong Primary School, which also received sanitary towels; Morongwa Primary School, which benefited from her donation of school shoes; and Mogoditshane Primary School, which received sanitary towels.

The radiant and inspiring Sifa Vallery Tema.

By voting for Sifa Vallery Tema, you are supporting a woman who embodies dedication, compassion, and community spirit. Your vote can help her achieve her dream and continue to inspire others through her exemplary work.
