PANGOLIN RESCUED IN NORTHAM

ILLEGAL TRADE FOILED BY QUICK-THINKING TEAMS

Northam – On Monday 17 June 2024, just after 2 o'clock in the afternoon, a daring rescue operation saved a pangolin from illegal trade. The intricate sting operation, set up by the Northam Rural Safety team in collaboration with the police, led to the arrest of three suspects.

The operation began when Johan Prinsloo, Northam Rural Safety chairperson, was approached by three men looking to sell a pangolin. Unaware of Prinsloo's position and his cooperation with law enforcement, the suspects fell into a well-coordinated trap.

Behind the scenes, a Pangolin Environmental Rehabilitation Group was on standby, ready to provide immediate care for the rescued animal. As the fake transaction concluded, the suspects were swiftly apprehended.

The rescued pangolin, which was found to be pregnant, was immediately taken to a veterinarian. She is currently under close observation to ensure her health and the wellbeing of her unborn young.

Safeguarding the future for Africa's pangolins

Pangolins, with their armoured bodies, sharp claws, and long, sticky tongues, may seem formidable. However, they are no match for their most dangerous predator: humans.

Despite their reptilian appearance, pangolins are mammals and the only ones covered entirely in scales. These scales provide protection against natural predators like leopards, hyenas, and lions. Tragically, pangolins are among the most trafficked mammals globally, with tens of thousands poached annually for their scales, used in traditional medicine, and their meat, considered a delicacy by some.

The rescued pregnant pangolin being carefully removed from the bag.

Kudu causes three-vehicle accident on R510

Thabazimbi – An unexpected encounter with a Kudu led to a three-vehicle accident on Sunday 16 June 2024, at approximately 21:30 on the R510 near Rooidam. Kobus Malan, director of Thaba Fire and Rescue and owner of Dinare Security, said the chain of events began when a Toyota bakkie traveling towards Thabazimbi struck a Kudu that suddenly ran into the road. The impact caused the Toyota to veer off the road. Moments later, a Nissan bakkie following closely behind also collided with the now stationary Kudu, causing it to roll multiple times. Finally, a Ford Figo, unable to avoid the Kudu lying on the road, also struck the animal and lost control. Emergency services, including the police, Trauma Rescue, Thaba Fire and Rescue, and Dinare Security, swiftly arrived at the scene to provide assistance. Fortunately, only the occupants of the Nissan bakkie sustained minor injuries. The passengers of the other vehicles escaped unharmed. Sadly, the Kudu did not survive the ordeal. **Thaba Fire and Rescue press release**

Midnight madness: Illegal taverns thriving while authorities turn a blind eye

Northam – The music usually starts when I put my young ones to bed. It's usually at around 8 o'clock on Fridays and Saturday evenings, and it sometimes lasts until the sun rises. Isn't it wonderful? The taverns are giving me a headache, and guess what? No one is doing anything about it. I regularly see youngsters, who clearly haven't hit 18 yet, buying alcohol at the tavern next door. And let's not forget the entertaining cat-and-mouse game between the authorities and the tavern. Every time the cops show up, they miraculously transform from a shebeen into a wholesome birthday party where absolutely no alcohol is sold. The alcohol stash is usually kept at a nearby house from which the illegal tavern

draws stock as needed. Genius, right? But we all know better. And of course, they don't have a liquor trading license. Minor detail. I have also heard from a friend that money is changing hands to keep the doors of these illegal taverns open. Apparently, there are "certain people" who collect cash from taverns and shebeens, roughly R150 on average from each. In return, they turn a blind eye, allowing the parties to rage on until sunrise. They also never seem to notice the missing license. How convenient! In Limpopo, liquor outlets and nightlife spots with liquor licenses are not allowed to operate after midnight. It's the police's responsibility to enforce this. **#LosingTheBattleAgainstIllegalTaverns**

BURNING ISSUES: THE SKIPS THAT KEEP NORTHAM SMELLING

[letter to the editor]

Northam – Firstly, a big thank you to whoever thought it was a good idea to scatter skips around Northam. It takes someone who truly cares to implement such a solution. Thank you. I mean, doing something is better than doing nothing! However, it's not working (in my opinion).

Here's why:

- When the skips are filled with rubbish, no one ever collects it.
- Who's responsible for transporting this treasure trove of trash to the dumping site? Your guess is as good as mine. It certainly never gets done.
- As a result, we get to enjoy a delightful bouquet of foul odours wafting from these skips.
- Occasionally, some genius decides the skips would look better on fire. Because who doesn't love a good bonfire of burning garbage that lasts for hours?
- Naturally, once ablaze, no one does anything. We're all too busy complaining. Like I am now.
- And then there's the mystery of the additional rubbish. Some people, bless their hearts, think the best place to dump extra trash is right next to an already overflowing skip. Who does that? The skip is clearly full, but hey, let's make a pile!

So, what's the solution? I'm all out of ideas and full of complaints. Anyone got any bright ideas to fix this mess?

#ComplainingWithNoSolutions

Here's why the skips are a bad idea in Northam.

Huldeblyk aan Wandré van der Merwe

Thabazimbi – Dit is met besonderse hartseer dat ons huldeblyk bring aan Wandré van der Merwe, oud-leerder van Hoërskool Frikkie Meyer (HFM), wat in 2020 gematrikuleer het. Wandré het tragies sy lewe verloor na 'n ernstige motorongeluk in Pretoria. Wandré, wat die afgelope drie jaar by Penta Motor Group in Pretoria werksaam was, het diep spore in die harte van almal wat hom geken het, gelaat. Hy was bekend vir sy vriendelikheid en sy bereidwilligheid om altyd 'n helpende hand te bied. Wandré se toewyding aan sy werk het hom 'n waardevolle kollega en vriend gemaak. Hy laat sy pa, ma en suster, Janike, agter. Janike, wat ook 'n oud-leerder van Hoërskool Frikkie Meyer is, treur saam met die gemeenskap oor die verlies van 'n geliefde broer. Rus in vrede, Wandré, tot ons mekaar weer ontmoet.

Do dreams have meaning?

Do dreams hold hidden meanings or messages? Are nightmares warnings or just our mind's tricks? What about dreams of flying or falling?

Yes. According to qualitative research, dreams reveal repressed thoughts (Freudian), process memories (Cognitive), are random (Activation-Synthesis), prepare us for threats (Evolutionary), and offer spiritual insights.

Dineo Ncube

Yes, our subconscious thoughts emerge in dreams because we avoid facing them consciously.

FUN FACT

Did you know?

Grass in your garden can freeze when temperatures plummet to -2 to -5 degrees Celsius! At these chilly levels, frost forms on the blades, making them sparkle but also causing potential damage. The frozen grass becomes brittle and can easily break.

Happy Is He Who Keeps the Law
29 He who is often rebuked, and hardens his neck, Will suddenly be destroyed, and that without remedy.
2 When the righteous are in authority, the people rejoice;
But when a wicked man rules, the people groan.
3 Whoever loves wisdom makes his father rejoice, But a companion of harlots wastes his wealth.
4 The king establishes the land by justice, But he who receives bribes overthrows it.
5 A man who flatters his neighbor Spreads a net for his feet.
6 By transgression an evil man is snared, But the righteous sings and rejoices.
7 The righteous considers the cause of the poor, But the wicked does not understand such knowledge.

Laerskool Thabazimbi se o/12A netbalspan bekroon as Limpopo Kampioene

Thabazimbi – Laerskool Thabazimbi se onder/12A netbalspan het aan die Limpopo kampioenskappe deelgeneem op Vrydag en Saterdag, 7 en 8 Junie 2024, te Hoërskool Pietersburg. Die span het hard gewerk en moes nege wedstryde speel om as provinsiale weners gekroon te word. Hierdie merkwaardige prestasie is die eerste keer sedert 2002 wat Laerskool Thabazimbi dit reggekry het om die kampioenskappe te wen! Volgende op die meisies se kalender is die 'South Africa School of Champions' wat van Dinsdag tot Donderdag, 9 tot 11 Julie 2024, sal plaasvind by Hoërskool Florida te Randburg. Spanafgrigter Stephanie Welthagen het gesê: "Dit is die eerste keer sedert 2002 dat Laerskool Thabazimbi dit reggekry het. Om só 'n prestasie te bereik is baie harde werk, nie net op die baan nie, maar ook van die baan af. Ons het wonderlike ouers en hulle ondersteuning het dit makliker gemaak. Netbal is my passie en dit is lekker om te wen, maar die belangrikste is om die dogters te leer om as 'n span saam te werk en om vriendskappe te bou." Dit is besonders om te sien hoe hierdie dogters met passie elke wedstryd hulle harte uitspeel en vir geen opponent terugstaan nie. Baie geluk aan die netbalmeisies!

Last chance to enter the 2024 Championship Boerewors competition

SA – Shoprite and Checkers invite all chefs, cooks and boerewors aficionados to enter their finest recipes into the 32nd annual Championship Boerewors competition before entries close on 21 June 2024. Participants will stand a chance to compete for the coveted title of South Africa's Boerewors Champion, and the grand prize of a brand-new Toyota Fortuner 2.4 GD-6 RB AT valued at R600,000. The winning boerewors will also be available for sale at Shoprite and Checkers stores nationwide. Since its inception in 1992, the Championship Boerewors competition has consistently unearthed the nation's most exceptional boerewors recipes. "Being a small business owner, winning this competition has meant the world to me. Yes, I

loved the way Shoprite and Checkers made us feel like VIPs during the competition, and I love my Fortuner, but what has excited me the most is what winning has meant for my business, and the doors it has opened for me," says last year's winner, chef Tyron Adams. Participants are expected to demonstrate proficiency in the entire boerewors crafting process – from putting together the tastiest combination of herbs and spices, to processing the meat and producing perfectly stuffed and cooked boerewors. The competition will be judged by a panel of culinary experts from the South African Chefs Association (SACA). All recipes will go through a validation process to ensure they adhere to the traditional boerewors making guidelines. Once validated, the judges will shortlist 30 recipes

before narrowing them down to the top 10 finalists, who will then be invited to a special event where they will have to prepare and cook their boerewors for the judging panel before the winner is crowned. **For more information, visit:** www.championshipboerewors.co.za.

The winner and runners up receive the following:

- First prize: A new Toyota Fortuner 2.4 GD-6 RB AT and R20 000 in cash
- Second prize: R50,000 in cash
- Third prize: R20,000 in cash

Kindly note that Supplementary Valuation Roll and Objection Forms will also be available on the TLM website: www.thabazimbi.gov.za. Notice is further given in terms of Section 78(2) of the Municipal Property Rates Act 6 of 2004, that any owner of the immovable property or any other person who desires to lodge an objection with the Municipal Manager in respect of any matter reflected in, or omitted from the Valuation Roll to do so within the above-mentioned period.

Your attention is specifically drawn to the fact that in terms of Section 50(2) of the Municipal Rates Act 6 of 2004, an objection must be in relation to a specific individual property and not against the Valuation Roll as such, and Section 50(6) further provides that the lodging of an objection does not defer liability of payment of rates beyond the date determined for payment.

The form for lodging an objection is obtainable at municipal offices and on the website. Completed forms must be returned to the Property Rates Department on or **before Friday, 28 July 2024**.
