# Community voices: hope and accountability expectations from South Africa’s 2024 coalition government

South Africa’s 2024 elections have ushered in a new era in the country’s political landscape. For the first time since 1994, no single party has secured an outright majority in the National Assembly.

The African National Congress (ANC), which has been the ruling party for the past three decades, won only 159 of the 400 seats. In light of these election results, the formation of a coalition government brings both challenges and opportunities.

We reached out to community members to hear their thoughts on the key issues and changes they hope this new coalition will address in our community.

## ACCOUNTABILITY AND TRANSPARENCY

[letter to the editor]

Dear Editor,

I have a fervent hope that our Government of National Unity would bring about accountability and transparency. Too often, when TV presenters question police or organisations about dubious transactions or actions, the response is a dismissive “We cannot comment on ongoing investigations” or “We cannot comment while there are legal proceedings.”

This is unacceptable. Hiding behind these phrases is a way to avoid scrutiny, allowing these so-called investigations to drag on until the public forgets. This lack of accountability is deplorable. Moreover, the endless nature of court cases and police investigations worsens the issue. Cases are covered by ‘red tape’ with no real progress,

leaving families and the public without answers. Feedback is scarce, and the refrain “We cannot comment on ongoing investigations” is repeated without an end. This undermines public trust and violates the principles of *Batho Pele*.

Judges should not permit criminal or other cases to drag on indefinitely. Taxpayers often bear the cost of these prolonged legal battles, which seem more like a performance than a pursuit of justice. Commissions occasionally levy substantial fines on organisations. Yet, the public rarely hears about what happens to the money collected. Where does it go? Who is accountable?

The example set by government leaders and employees trickles down to the general public. When leaders evade accountability, it sends the message

that such behaviour is acceptable. This erodes societal norms and ethics, leading to a broader breakdown of trust and responsibility within our society.

Yours faithfully,  
#ForeverADreamer

Yes, water, sanitation, electricity, and all basic services are essential. However, if we have a government built on promises with no action, we are in serious trouble. Even more concerning is a government that breaks the rules, ignores the law, engages in fraud, and disrespects basic human rights for all people.

It’s been ages since I last encountered a government official who treated me with respect and did their job correctly and promptly. They all enjoy great salaries, medical aid, and other perks, but take their time to do anything.

Please, we need change. We need leaders who can inspire hope and are willing to work for a better South Africa. There’s no room for laziness; if you’re not up to the task, just stay home and let the rest of us live in peace. We need to build South Africa together, with hard work, bravery, integrity, and goodness.

#TrustFaithAndHardWork

## BUSINESS ROBBERY IN HELLEN PARK

**Northam** – The Northam police are investigating a business robbery at a tuckshop in Hellen Park that took place on Friday 21 June 2024, at around 21:00. According to colonel Malesela Ledwaba, the victim was at the tuckshop, preparing to close for the night, when he was approached by four unknown males. The suspects, armed with firearms, forced the victim back into the shop and demanded money. While some of the robbers searched the premises, one of them struck the victim on the forehead with a firearm. The assailants made off with an undisclosed amount of cash, groceries, and two cellphones before fleeing the scene. The police are urging anyone with information that could lead to the arrest of the suspects to come forward. You can contact Crime Stop at 08600 10111, visit your nearest police station, or share information via the MySAPSApp.

Regarding service delivery, I have my doubts about the effectiveness of this government of national unity. However, if they can prioritise and improve service delivery, we might reconsider our stance.

**Zwelinzina Mlalazi**

Our greatest need in Leeupoort is the repair of our roads. The equipment previously available for road repairs has been sold, causing significant damage to our vehicles. Additionally, during their pre-election visits, officials promised to adjust our property taxes, which are currently very high. My property taxes have even doubled.

**Steve Landsdell**

In our community, what we need most are reliable service delivery and job opportunities for the youth. We are suffering from a lack of jobs, water, and proper sanitation.

**Evelyn Seabi**

# Koedoeskop roars to life!

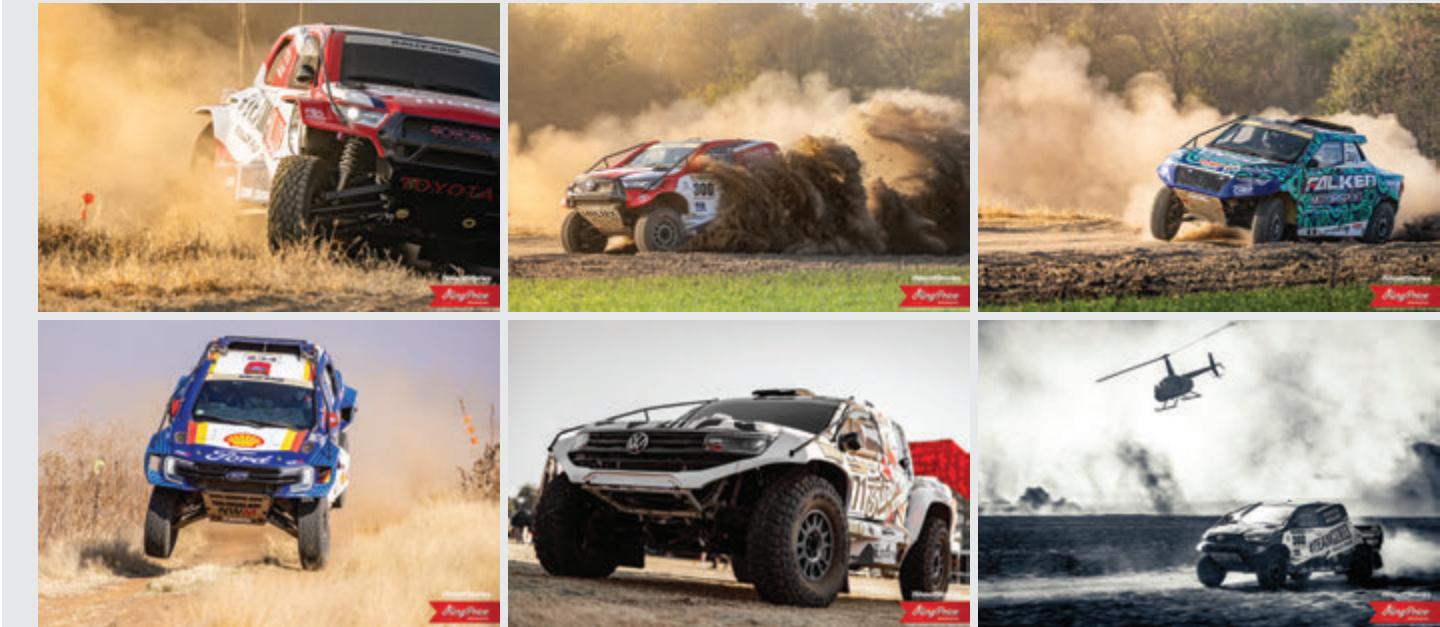

From left: Leonard Cremer, Brian Baragwanath, Brett Cummings, Henk Lategan, Lance Woolridge, and Kenneth Gilbert.

**Koedoeskop** – Toyota Gazoo Racing South Africa (TGRSA) delivered an outstanding performance at the TGRSA Safari 1000, the third round of the 2024 South African Rally-Raid Championship (SARRC). The event, a marathon rally event held from 21-23 June 2024 in Koedoeskop, was a massive hit with motorsport enthusiasts and local residents alike. The organizers cranked up the excitement with three days of heart-stopping, adrenaline-pumping racing. From the thunderous roar of engines to the thrill of watching drivers conquer every terrain, this was an experience like no other.

- WINNERS**
- Team Toyota Gazoo Racing – driver Henk Lategan and navigator Brett Cummings
  - Team Neil Woolridge Motorsport – driver Lance Woolridge and navigator Kenneth Gilbert
  - Team Century Racing – driver Brian Baragwanath and navigator Leonard Cremer

This intense three-day rally-raid covered a challenging 1,000 kilometres through the scenic bushveld, with Laerskool Koedoeskop serving as the base camp. The event drew world-class drivers and navigators, along with visitors from across the globe. The competition featured both national and international participants, all eager to tackle the demanding terrain of the Waterberg District. The success of the rally-raid would not have been possible without the generous support of local farmers. By allowing their farms to be incorporated into the race route, these farmers played a crucial role in the event's logistics and overall success. Their contribution is a testament to the strong community spirit that defines the region. Accommodation venues within a 60km radius of Koedoeskop, including Thabazimbi, Rooiberg, and Northam, were fully booked. Teams and visitors filled these establishments, highlighting the rally's significant impact on the local hospitality industry. Your warm and welcoming bushveld hospitality is much appreciated!

For more thrilling photos and updates, be sure to visit our Facebook page, Platinum Bushvelder Newspaper. You can also find additional coverage and exciting moments on the Waterberg Rally Raid's Facebook page.

## MALICIOUS POISONING OF PETS FOR CRIMINAL PURPOSES

**SA** – “The crime-driven poisoning of pets and guard dogs to access property is a disturbing and often malicious act that poses significant risks to both animals and humans,” says Mike Bolhuis, specialist investigators into serious violent, serious economic crimes and serious cybercrimes. “This despicable tactic is employed by individuals with malicious intent who seek to gain unauthorised access to a property for various criminal activities such as burglary, theft, vandalism, or even more serious offences.”

**METHODS**

- Poisoning methods can vary but commonly used substances include toxic chemicals, pesticides, rodenticides, and poisoned baits.
- These substances are often easily accessible and can be administered discreetly to pets.
- Criminals may lure pets with poisoned food or treats, contaminate water sources, or directly administer poison to unsuspecting animals.

**LEGAL RAMIFICATIONS**

- Poisoning animals is a criminal offence in South Africa, punishable under animal cruelty laws

and other relevant statutes.

- Perpetrators can face charges of animal cruelty, trespassing, vandalism, theft, and other related offences.
- Law enforcement agencies take such cases seriously and conduct investigations to identify and prosecute those responsible.

**PREVENTIVE MEASURES**

Pet owners can take several precautions to protect their pets from poisoning, such as:

- Keeping pets indoors or supervised when outdoors.
- Securing property with fences, gates, and surveillance cameras.
- Avoid leaving food or water unattended where it could be tampered with.
- Keep your property, especially its perimeter, well-lit.
- Do not allow your guard dogs or pets near the perimeter unless they are supervised – to prevent them from eating bait thrown over the fence.
- Community involvement and neighbourhood watch programmes can also help raise

awareness and enhance vigilance against suspicious activities.

- If possible, ensure that streetlights are always in working order – there is a definite increase in this brutal trend as soon as loadshedding hits, or when streetlights are not in working order.

By understanding the motivations behind such crimes, implementing preventive measures, and fostering awareness and collaboration, individuals and authorities can work together to combat this cruel and destructive behaviour.

**CONTACT YOUR VETERINARIAN IMMEDIATELY!**

Time is of the essence in cases of pet poisoning. Contact your veterinarian or the nearest emergency veterinary clinic immediately for guidance and assistance. Provide them with as much information as possible, including the type of poison, the quantity ingested (if known), and any observed symptoms.

**REPORT THE INCIDENT**

If you suspect foul play or deliberate poisoning, report the incident to local authorities and animal

welfare organisations. Provide any relevant information or evidence that may aid in identifying the perpetrator and preventing similar incidents in the future.

Do you prefer winter over summer?

Share your thoughts on why you love the cozy chill of winter or the sunny warmth of summer. Is it the magical winter chill or the vibrant summer adventures and beach days that excite you the most?

Yes, I prefer winter over summer because I tend to sweat a lot, making me feel sticky and uncomfortable in the heat. Hot weather also tires me quickly. Additionally, drinking cold beverages to cool down often hurts my teeth and gums.  
**Mmapula Mataboge, Regorogile**

I choose summer. Summer stands as a fortress among the seasons, reminiscent of the creation in the book of Genesis. In this season, one can rediscover their self-image and embrace their personal renewal. Know your Creator and your new self-image in the warmth and vibrancy of summer.

GALATIANS 3

Justification by Faith

3 O foolish Galatians! Who has bewitched you that you should not obey the truth, before whose eyes Jesus Christ was clearly portrayed among you as crucified? 2 This only I want to learn from you: Did you receive the Spirit by the works of the law, or by the hearing of faith? 3 Are you so foolish? Having begun in the Spirit, are you now being made perfect by the flesh? 4 Have you suffered so many things in vain—if indeed it was in vain? 5 Therefore He who supplies the Spirit to you and works miracles among you, does He do it by the works of the law, or by the hearing of faith?— 6 just as Abraham “believed God, and it was accounted to him for righteousness.” 7 Therefore know that only those who are of faith are sons of Abraham. 8 And the Scripture, foreseeing that God would justify the Gentiles by faith, preached the gospel to Abraham beforehand, saying, “In you all the nations shall be blessed.” 9 So then those who are of faith are blessed with believing Abraham.

FUN FACT

Did you know?

This year’s 2024 International Cricket Council (ICC) Men’s T20 World Cup is co-hosted by the USA and the West Indies, making it the first time that matches are being played on American soil. The tournament features 20 teams, divided into four groups of five, with each team playing a minimum of four matches in the initial stage. One of the standout moments of the tournament so far has been India’s captain Rohit Sharma hitting consecutive sixes against Australia’s Marcus Stoinis, helping India secure a crucial victory and a spot in the semi-finals. Fingers crossed for the Proteas!

## Community unites for youth day cleaning campaign

**Regorogile/ Thabazimbi** – On Sunday 16 June 2024, National Youth Day was marked by a vibrant and impactful cleaning campaign in Regorogile. Organised by the Thabazimbi Youth Forum in collaboration with Ditiro Tebogo, the event saw community members of all ages come together to spruce up their neighbourhood. "The Thabazimbi Youth Forum approached my company for a sponsorship. I proposed the idea of a cleaning campaign, and we decided to join forces, with my team and I actively participating," explained Malebo Sikwane, founder and CEO of Ditiro Tebogo. Under Sikwane's leadership, Ditiro Tebogo provided employees, vehicles, and the necessary equipment for the clean-up. The event began at the Thabazimbi Hospital parking area, where participants gathered to discuss the importance of preserving local infrastructure and the role of youth in maintaining their environment. Volunteers were divided into two groups: one stayed in Regorogile while the other was transported to Regorogile Extension 2. Both groups diligently cleaned the streets, picking up litter and ensuring all collected waste was properly disposed of at the local dumping site. Following the clean-up, everyone reconvened at the multipurpose hall in Regorogile for a well-deserved lunch and refreshments. The event was not only about cleaning but also about fostering a sense of community and responsibility among the youth. Sikwane's dedication to community development and nurturing a sense of responsibility among the youth was evident throughout the event. She emphasised the importance of taking pride in local surroundings and fostering a spirit of civic duty.

Even elderly community members joined the cleaning campaign in Regorogile.

Ditiro Tebogo employees and community youth members gathered at Thabazimbi Hospital to kick off their cleaning campaign.
