ASSAULT CASE POSTPONED TO MARCH

Thabazimbi – The Van Der Walt family continues their quest for justice as the court case involving André Hoffman, the suspect accused of assaulting 32-year-old Leon van der Walt, progresses. According to court documents, Hoffman appeared before the Thabazimbi Magistrate's Court on Thursday, 28 November 2024. During the proceedings, the judge ruled to extend Hoffman's bail, initially set at R500, until 21 January 2025. Hoffman paid the bail and was released. He faces charges of assault with intent to cause grievous bodily harm (GBH). The case stems from an alleged brutal attack that took place on 24 September 2024 at a restaurant in Thabazimbi, where Leon worked as a waiter. The attack left Leon unconscious and severely injured, resulting in ongoing medical challenges, including debilitating headaches and brain swelling.

LATEST UPDATES

On Tuesday, 21 January 2025, the Van Der Walt family and their supporters gathered at the court for the scheduled hearing.

Unfortunately, the case was postponed once again.

The accused's attorney requested a delay due to another legal case against Hoffman scheduled for February 2025. The attorney explained that Hoffman is currently unable to afford all the legal fees and needs to resolve the other matter first. As a result, the court agreed to move this case to 7 March 2025.

While the nature of the other case against Hoffman cannot be disclosed due to legal restrictions, it has contributed to the delays in this matter.

Hoffman's bail has been extended further, leaving the Van Der Walt family waiting even longer for a resolution.

The Van Der Walt family remains determined to see justice served. In an interview with *Platinum Bushvelder*, Monique expressed her heartfelt gratitude to the community. "We're still holding onto hope," Monique said. "This case means everything to us. It's been an incredibly rough journey, and we need justice for Leon. The support, patience, and advice from our community have been our strength, and we can't thank everyone enough."

WARMBAD ROAD COLLISION

The Mazda involved in the accident on Warmbad Road.

063 512 4633

Thabazimbi – “On Saturday, 18 January 2025, an accident occurred at approximately 16h30 on Warmbad Road,” said Angelique Loots, director of Thaba Fire and Rescue. The collision involved two vehicles, a Mazda and a VW sedan. While the cause of the accident remains unclear, preliminary accounts suggest that one of the vehicles may have made a U-turn, leading to the crash. Emergency response teams promptly arrived at the scene, including Thaba Fire and Rescue, SAPS, and towing services. Fortunately, no injuries were reported in the incident. Thaba Fire and Rescue reminds the community of the importance of remaining at the scene of an accident and cooperating with authorities. **Thaba Fire and Rescue press release extracts**

ILLEGAL MINING CRACKDOWN YIELDS ARRESTS IN THABAZIMBI

Authorities at one of the scenes.

Thabazimbi – A focused operation targeting illegal mining activities in Limpopo has led to the arrest of 27 individuals, underscoring the growing challenge of illicit mining in the region. The arrests, conducted between 13 and 14 January 2025, were part of a coordinated effort by the multidisciplinary Vala Umgodi Task Teams. These operations, spearheaded by the South African Police Service (SAPS) in collaboration with the South African National Defence Force (SANDF), Department of Home Affairs, and other partners, reflect a determined approach to tackling illegal mining and included arresting individuals contravening the Immigration Act. Lieutenant colonel Stephen Thakeng confirmed that 15 suspects were apprehended in Thabazimbi and two in Mahwelereng, both within the Waterberg District. Additional arrests occurred in Seshego (Capricorn District) and other areas, including Thohoyandou and Westenburg.

FESTIVE SEASON ROAD STATS:
1,502 LIVES LOST ACROSS SA

SA – The festive season has come and gone, but the sobering statistics released by Transport Minister, Barbara Creecy on Monday 20 January 2025, serve as a stark reminder of the ongoing road safety crisis in South Africa. The report, detailing the outcomes of the 2024/2025 festive season road safety campaign, reveals an alarming increase in road fatalities and crashes, with Limpopo among the provinces experiencing a rise in deaths. According to the preliminary data, South Africa recorded 1,502 deaths from 1,234 fatal crashes during the festive season, marking a 5.3% increase in fatalities compared to the previous year. Limpopo alone accounted for 180 fatalities from 140 fatal crashes, underscoring the urgent need for action in our province. Minister Creecy emphasised that human behaviour remains the leading cause of road crashes, accounting for 87% of incidents. Key issues include drunken driving, speeding, reckless overtaking, and pedestrian negligence. The statistics also revealed that 41% of all road fatalities involved pedestrians, with Limpopo contributing significantly to these numbers.

Provincial statistics:

- KwaZulu-Natal: 304 fatalities from 247 fatal crashes
- Gauteng: 235 fatalities from 224 fatal crashes
- Eastern Cape: 231 fatalities from 168 fatal crashes
- Limpopo: 180 fatalities from 140 fatal crashes
- Mpumalanga: 143 fatalities from 118 fatal crashes
- Western Cape: 140 fatalities from 124 fatal crashes
- Free State: 106 fatalities from 81 fatal crashes
- North West: 100 fatalities from 87 fatal crashes
- Northern Cape: 63 fatalities from 45 fatal crashes

MATTHEW 7

Do Not Judge

7 “Judge not, that you be not judged. 2 For with what judgment you judge, you will be judged; and with the measure you use, it will be measured back to you. 3 And why do you look at the speck in your brother’s eye, but do not consider the plank in your own eye? 4 Or how can you say to your brother, ‘Let me remove the speck from your eye’; and look, a plank is in your own eye? 5 Hypocrite! First remove the plank from your own eye, and then you will see clearly to remove the speck from your brother’s eye. 6 “Do not give what is holy to the dogs; nor cast your pearls before swine, lest they trample them under their feet, and turn and tear you in pieces.

HAVE YOUR SAY

Would you live off the grid if it were easier?

With rising costs of electricity and water, many are exploring off-grid living as a sustainable alternative. Solar energy, for example, offers a clean and cost-effective solution. If it were easier and more affordable, would you consider making the switch to an off-grid lifestyle?

No, I wouldn't choose to live off the grid, even if it were easier. I'm accustomed to the convenience of modern amenities and value the social connections and community ties that come with living in a well-connected area. Sacrificing easy access to essential services like healthcare, education, and other infrastructure would be too significant a trade-off for me. **Gontse Mataboge, Regorogile**

Yes, I would gladly live off the grid if it were affordable! With frequent power outages in our town and occasional resource shortages, off-grid living would allow me to become more self-sufficient. In my ideal setup, I'd have a self-sustaining vegetable garden, a solar energy system, and a rainwater collection system — all contributing to a more sustainable and environmentally friendly lifestyle. **Hester Erasmus, Thabazimbi**

 **FUN FACT**

Did you know?

Did you know South Africa is the only country in the world with three capital cities? Each capital has a unique role in governing the nation. Pretoria (Jacaranda City) serves as the administrative capital, where the President's official residence and most government departments are located. Cape Town, known for its iconic Table Mountain, is the legislative capital, home to Parliament. Bloemfontein, the "City of Roses," is the judicial capital, hosting the Supreme Court of Appeal. This unusual arrangement reflects the country's rich history and diverse political heritage. Three capitals, one nation — truly a world-first!

The Bauers' Last Chapter in Thabazimbi

Thabazimbi – Thabazimbi bids a heartfelt farewell to two extraordinary individuals, Dr. Gary Bauer and his wife Annie, as they prepare to leave the Bushveld for the Eastern Cape, end of Jan 2025. Their departure marks the end of an era, leaving behind an indelible legacy in both the world of archery and veterinary services, as well as on the trails of Mooivallei.

Dr. Gary Bauer, a name synonymous with excellence, has made Thabazimbi proud on countless occasions. As an active member of the Thabazimbi Bow Club and chairman of the Limpopo Archery Federation (2023/2024), his achievements have elevated the sport of archery to unprecedented heights.

Competing in the Freestyle Unlimited division, Gary has garnered international acclaim, holding titles such as:

- World Indoor Archery Champion (2023)
- World record holder for the Flint Round, Indoor Archery (2023)
- World Field Archery Champion (2022 & 2024), a title he defended successfully in Brazil
- Protea Team gold medal winner and World Team Champion (2023 & 2024)

Gary's journey has been nothing short of phenomenal, with milestones including participation in the African Regional Field Archery Championships (2023) in Namibia and his qualification for the World Bowhunter Championships (2025) to be held in South Africa. His dream of holding all three major world titles — World Indoor, World Field, and World Bowhunter Championships — simultaneously, is within reach.

Beyond his sporting accolades, Gary has been a mentor and ambassador, introducing countless newcomers to archery and fostering a culture of excellence. His dedication has earned him national and provincial colours for three consecutive years and the title of Limpopo Sportsman of the Year in 2022.

While Gary's archery achievements are celebrated worldwide, Annie Bauer's contributions resonate deeply within the local community. Her "courses for horses" trail near Mooivallei has been a haven for equestrian enthusiasts, leaving unforgettable memories for riders

and their trusted companions. Among these companions is Zebbie, the tame zebra who became an integral part of their outings, blending seamlessly with the herd and adding a touch of magic to every journey.

As the Bauers prepare for their new chapter in the Eastern Cape, the Thabazimbi community reflects on the footprints they leave behind — in the hearts of those who knew them, on the archery fields, and along the trails they lovingly nurtured.

Their departure is a profound loss for Thabazimbi, but their legacy will continue to inspire. With gratitude for the memories and pride in their achievements, we bid them a sad yet hopeful goodbye. May their journey ahead be as bright as the trails they've illuminated in the Bushveld.
