Prison Break in Northam:

HOW?

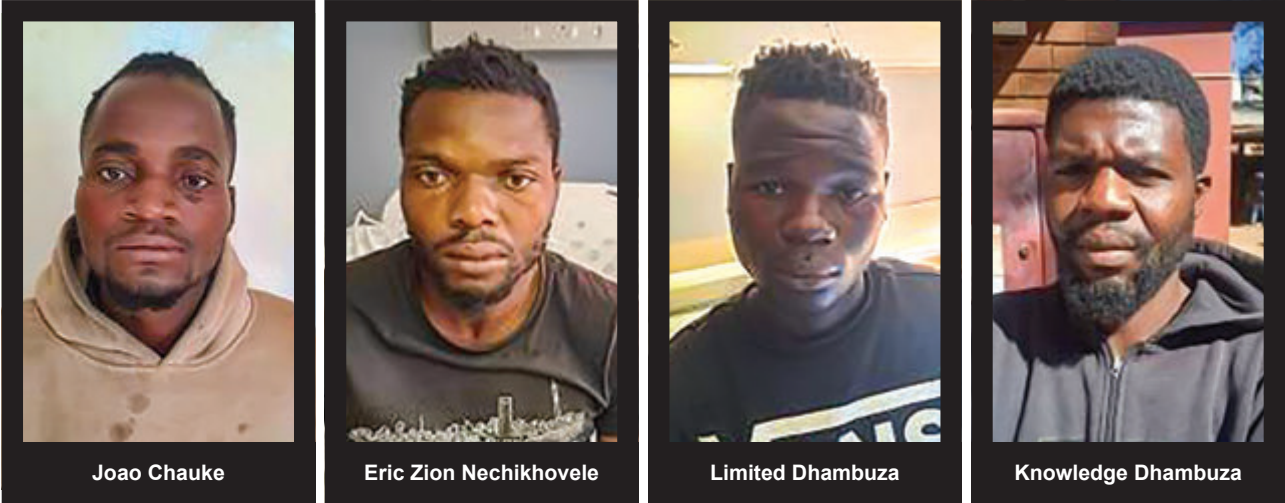

Northam – The Northam Police have launched an urgent manhunt following the escape of four awaiting trial prisoners from their cells in the early hours of Monday 10 February 2025. Colonel Malesela Ledwaba confirmed that the suspects, all foreign nationals, were arrested in July 2024 for tampering with essential infrastructure, a violation of the Criminal Matters Amendment Act. The escape took place around 04:30, with police officers on duty reportedly hearing a loud bang coming from the direction of the cells. Upon investigation, they discovered that multiple doors had been forced open.

The escapees are identified as:

- Knowledge Dhambuza (36)
- Limited Dhambuza (25)
- Eric Zion Nechikhovele (39)
- Joao Chauke (27)

A specialised team of detectives has been deployed to track down the fugitives and investigate the circumstances surrounding the jailbreak. Authorities are urging the public to exercise caution and not attempt to confront or apprehend these individuals, as they may pose a threat.

Community members with any information on the whereabouts of the suspects are encouraged to contact captain Du Plessis on 082 565 7611 or warrant officer Temane on 082 934 6275.

Thabazimbi – The net is tightening around corrupt officials as the Hawks and the Road Traffic Management Corporation (RTMC) continue their crackdown on fraudulent driving license activities in Limpopo. In a takedown operation on Monday 10 February 2025, seven more suspects — aged between 37 and 62 — were arrested at the Driving License Testing Centre in Thabazimbi. This latest development follows an intensive investigation launched in 2021 to expose officials allegedly issuing learner's and driver's licenses without following proper procedures — allegedly in exchange for bribes. The latest arrests bring the total number of suspects apprehended since 7 February 2025 to 18. In Lephalale alone, the number of those arrested for similar offenses now stands at 11. Over the weekend, six additional suspects were detained, all making their first court appearances on 10 February. The Hawks also seized electronic devices believed to contain evidence crucial to the investigation.

COURT UPDATE
According to warrant officer Lethunya Mmuroa, eight of the accused appeared before the Thabazimbi Magistrates' Court on 11 February 2025, facing charges of fraud, corruption, and contravention of the National Road Traffic Act. Each was granted bail of R3,000, and their case was postponed to 3 June 2025 for further police investigations.

OFFICIALS SPEAK OUT
Brigadier Desmond Alexander, acting provincial head of the Hawks in Limpopo, commended the operation, emphasising the importance of eliminating corruption in licensing centres. RTMC

DRIVING LICENSE FRAUD CRACKDOWN

CEO advocate Makhosini Msibi echoed this sentiment, stating that such fraud undermines government efforts to improve road safety. "By ensuring that only qualified drivers are on the road, we can reduce the number of accidents and fatalities," he said. The authorities are not done yet. "The team is still busy with the operation to address fraud

and corruption-related offenses within Limpopo," Brigadier Alexander. "More arrests are imminent."

LICENSING SERVICES DISRUPTED
In light of the ongoing investigation, the Thabazimbi Local Municipality has temporarily suspended all driver's license and learner's tests. "We understand the inconvenience this may

cause," a municipal statement read, "and we assure the public that we are actively working to resolve the situation as quickly as possible." Affected applicants will be contacted regarding rescheduling or alternative arrangements. For those needing immediate licensing services, the nearest alternative testing centres are in Northam and Brits.

LOVE TRIANGLE ENDS IN FIRE

THE ACCUSED... Mathews Ballantine Chinyaka (26), now serving a 15-year sentence for murder.

Thabazimbi – The Thabazimbi Regional Court has sentenced 26-year-old Mathews Ballantine Chinyaka to 15 years of direct imprisonment for murder, along with an additional 12-month sentence for contravening the Immigration Act. The sentences will run concurrently.

On the night of Saturday, 13 May 2023, a tragic act of jealousy unfolded in Botha's Squatter Camp, Thabazimbi. The victim, 20-year-old Titus David Shihlangu, was asleep with his girlfriend when her ex-boyfriend, Chinyaka, took extreme measures to express his rage. The court heard that Chinyaka, unable to accept the end of his relationship with the woman, doused the shack with a flammable liquid. Alarmed by movement outside, Shihlangu stepped out to investigate, only to be confronted by the accused. In a horrifying act, Chinyaka poured the liquid over him and set him alight.

Shihlangu suffered severe burn wounds and was rushed to the local hospital, where he later succumbed to his injuries. The woman managed to escape the flames and reported the crime to the police.

For six months, Chinyaka evaded arrest, until Hoopdal SAPS apprehended him for possession of suspected stolen property (copper cable). Further investigations linked him to the Thabazimbi murder case, leading to his trial and conviction.

Throughout multiple court appearances, he was denied bail until justice was finally served on Monday, 3 February 2025.

Limpopo provincial police commissioner, lieutenant general Thembi Hadebe, welcomed the conviction, stating that the ruling serves as a strong warning to others who might consider resorting to violence.

INVESTIGATING OFFICER... Detective sergeant Monako Fordon Dikobe, whose dedication helped bring justice to the victim and his family.

From bedding to bust: Police uncovered 44 bales of compressed dagga worth over R15 million, concealed among pillows and mattresses inside the intercepted truck.

DRUG SMUGGLING DREAM CRUSHED: POLICE INTERCEPT R15M DAGGA LOAD

Northam – An intelligence-driven operation led to a breakthrough for law enforcement in Northam resulting in the interception of a truck carrying dagga worth over R15 million on Wednesday, 7 February 2025.

A 35-year-old South African male was arrested after the South African Police Service (SAPS) in Limpopo, working with the Community Policing Forum (CPF) and Rural Safety units, seized 44 bales of compressed dagga hidden among bedding, pillows, and mattresses in the cargo hold of a truck. According to brigadier Hlulani Mashaba, detectives

in Northam received a crucial tip-off about a truck transporting illicit goods along the R511 Brits road, en route to Zambia. A swift and coordinated response saw police setting up surveillance near the Brits-Northam junction. At approximately 21:00, the targeted truck was stopped for inspection, revealing the illicit cargo.

The seized dagga, weighing approximately 45 kilograms per bale, has an estimated street value of R8,000 per kilogram, amounting to a staggering R15,840,000. The truck driver was arrested on the spot, and both the vehicle and its illegal load were

confiscated.

Limpopo provincial commissioner, lieutenant general Thembi Hadebe, praised the joint operation, emphasising that such successes significantly disrupt drug trafficking networks and safeguard communities from the harmful effects of narcotics.

The suspect appeared before the Northam Magistrate's Court on Monday 10 February 2025, facing charges of dealing in drugs. Further investigations are underway to determine the full extent of the smuggling operation.

LIFEBLOOD OF THE COMMUNITY

Thabazimbi Blood Drive Exceeds Expectations!

Thabazimbi – The South African National Blood Service (SANBS) blood drive held in Thabazimbi on Wednesday 5 February 2025, was a resounding success, surpassing all expectations. The event aimed to collect 37 units of blood, but thanks to the generosity of the community, SANBS left with an outstanding 52 units.

Tshiamo Malao, SANBS donor care officer, expressed heartfelt gratitude to all who participated, highlighting that 57 people attended the drive. While five individuals were unable to donate due to various reasons, the overall turnout was a welcome surprise.

“We truly appreciate each and every donor. Without their selfless act, countless lives would be at risk. Every unit of blood collected brings hope and healing to those in need,” Malao said.

For regular donor Monica Gildenhuis, the decision to continue donating blood remains a deeply meaningful one. “I donate blood first and foremost because it allows me to help save or change someone’s life. Regular donations also have added benefits, such as improving blood circulation and balancing iron levels in the body. Each time you donate, your blood pressure and iron levels are checked, making it a great way to monitor your health. Encouraging friends and family to donate with you can make an even bigger impact,” she shared.

Thabazimbi – As we step into 2025 with renewed hope and community spirit, Thabazimbi Animal Rescue (TAR) is reaching out for support to help care for animals in need. With a heartwarming mission to provide shelter, medical care, and love to rescued animals, TAR has put together a wish list to ensure their furry friends are well taken care of.

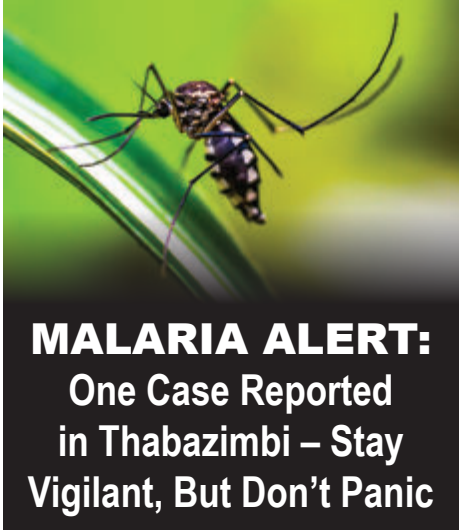

The rescue organisation is in need of the following items:

- Dry dog and cat food (adult and puppy)
- Plastic containers (large and small)
- Plastic shopping bags (for pooper scoopers)
- Old blankets, sheets, and towels
- Flea and tick control products
- New brooms
- Pooper scoopers
- Pet carriers

Founder and vice-chairperson of Thabazimbi Animal Rescue, Tania Stone, emphasises the importance of community contributions: “Donations towards our veterinary bill at Kransberg Dierekliniek for treatment and vaccinations are also greatly appreciated. Please, if you can donate something, it would help a lot. We mainly depend on donations from the public.”

For more information or to make a donation, contact Tania on 084 885 6487 or Magda on 082 375 4064. Let’s make 2025 a year of compassion and care — because every pet deserves a loving touch!

MALARIA ALERT:

Thabazimbi – The Thabazimbi Local Municipality (TLM) has issued a public alert following a confirmed case of malaria in the area. When we reached out to TLM for clarification on whether the individual contracted the disease locally or during travel, they stated that they do not have that information. However, residents are urged to take precautionary measures, particularly after recent heavy rains created ideal breeding conditions for mosquitoes.

What is malaria?
Malaria is a serious disease caused by parasites transmitted through the bites of infected Anopheles mosquitoes. Symptoms typically include fever, chills, headache, nausea, and flu-like illness. It is not contagious from person to person but can spread quickly in mosquito-prone environments.

Limpopo Department of Health confirms increased malaria risk
Although the Limpopo Department of Health (LDOH) has also warned of heightened malaria risk across the Limpopo province due to recent rainfall, they did not mention Thabazimbi in particular. In a statement released on 29 January 2025, the Department confirmed 557 malaria cases and three deaths in the 2024/25 period. While the recent malaria case in Thabazimbi is a concern, there is no confirmation that the infection was contracted locally. By staying informed and taking preventive steps, residents can protect themselves and their families without unnecessary panic.

For more information, visit your nearest healthcare facility or contact the Limpopo Department of Health.

HAVE YOUR SAY

Do you think people are more stressed now than in the past?

With modern technology, fast-paced work environments, and financial pressures, stress levels seem to be rising. But was life truly easier in the past, or did people face different struggles? Share your thoughts — are we more stressed today, or just dealing with stress differently?

Life was simpler in the past, with fewer demands and a lower cost of living. Traditionally, men were expected to work and provide for their families, while education wasn't a priority for everyone. However, times have changed dramatically. Today, independence and financial stability are key, making education more essential than ever. This shift has led to a highly competitive job market, where many qualified individuals struggle to find opportunities. As a result, mental health challenges have become increasingly prevalent across all age groups. Tshegofatso Molefe, Thabazimbi

As a working mom, I navigate daily struggles from the moment I wake up until I go to bed. There's always something to think about — getting the kids up, making breakfast, getting them dressed, ensuring they get to school safely. Then there's homework, preparing meals, packing lunches, and making sure they're well taken care of. On top of that, the constant worry about finances, bills, and school fees never goes away. I feel more stressed, but I don't show it. Instead, I cope in my own way, choosing to push through rather than let stress define me. At the end of the day, my focus is on being the best mom I can be for my children. Amanda McDonald, Thabazimbi

FUN FACT

Did you know?

Afrikaans Turns 100! In 1925, Afrikaans officially became one of South Africa's languages, making 2025 its centenary as a recognised language! While Afrikaans evolved from Dutch, it has unique influences from Malay, Portuguese, Khoisan, and Bantu languages. The first complete Bible translation in Afrikaans appeared in 1933, further solidifying its status. Today, it's spoken by millions and remains the third most common language in South Africa. From egte boerewors to lekker braais, Afrikaans has given the world colourful expressions and culture.

STEPPING INTO A BRIGHTER FUTURE... Happy learners receiving their brand-new school shoes.

Ditiro Tebogo: Building Dreams, One Brick and One Shoe at a Time

MAKING A DIFFERENCE... From left: Ditiro Tebogo site manager Sam Lipholo, Ditiro Tebogo office administrator Nicolene Gouws, Ditiro Tebogo receptionist Christine Kgothang, and mayor of Thabazimbi Local Municipality Tumisang Pilane.

Thabazimbi/ Northam – Ditiro Tebogo (Pty) Ltd is a company with heart, vision, and a growing reputation in both the mining and construction industries. Founded in 2013 by Malebo Sikwane, this 100% black female-owned company is making waves in a traditionally male-dominated field.

Malebo, a former learner at Ysterberg Primary School, draws inspiration from her mother, Tebogo Sikwane, who was a dedicated teacher at the same school. Today, Malebo is not only carving a name for herself in business but also giving back to the community that helped shape her.

A legacy of giving

Ditiro Tebogo has successfully completed several significant projects, including:

- The construction of Module Primary School
- Building dwelling units in Northam
- Developing a multipurpose hub in Northam
- Leading a youth cleaning campaign in Thabazimbi

But beyond bricks and mortar, the company is committed to uplifting young learners. In February 2025, as part of their latest school project, Ditiro Tebogo donated 39 pairs of shoes to underprivileged children and covered 320 books

for learners at three different schools.

- Krause Primary (4 February 2025): 10 pairs of shoes donated, 182 books covered
- Ysterberg Primary (5 February 2025): 19 pairs of shoes donated, 72 books covered
- Deo Gloria School (6 February 2025): 10 pairs of shoes donated, 66 books covered

For many children, a simple pair of school shoes is more than just footwear — it's dignity, confidence, and a step towards a brighter future.

More than business — a commitment to community

At the heart of this initiative is a belief that education is the foundation for progress. “We don't just build structures; we build opportunities,” says Malebo. “Giving back to our communities is not just a responsibility — it's an honour.”
