‘n Brug weggevee, ‘n gesin geskei

VACANCY
PAGE 2

Rooiberg – Die Rossouw-gesin woon op ‘n wildsplas net buite Rooiberg, waar hulle kinders daaglik ‘n lang pad moet aflê om by Laerskool Koedoeskop te kom. Wat gewoonlik ‘n roetine was, het in ‘n nagmerrie verander toe onvoorspelbare vloede hulle afgesny het van die buitewêreld – en van hul kinders.

Water, vrees en hoop: ‘n Gesin se stryd met die vloed

Op Dinsdag 11 Februarie 2025 het swaar reën ‘n brug by die plaas se ingang weggespoel. Die gesin het probeer om ‘n alternatiewe roete deur die rivier te gebruik, maar die water was te sterk. Daardie dag kon die kinders nie skool toe gaan nie, en plaaswerkers moes ‘n uitmergelende twee en ‘n half uur lange pad om die plaas gebruik om daar te kom. Die gesin het met gruis en klip probeer om die drifflie bruikbaar te maak, en die werkers het die middag huis toe gegaan. Maar die volgende dag het die rivier weer gestyg.

Die kinders moes toe per TLB deur die rivier geneem word om by ‘n bakkie uit te kom wat hulle na Rooiberg kon neem. So het die kinders en werkers vir ‘n week lank deur die rivier moes waag net om hul daaglikse lewe voort te sit.

Die oggend wat in angs verander het

Op 19 Februarie het die water vlak genoeg gelyk om die kinders skool toe te stuur. Maar skaars ‘n halfuur later het hulle ‘n boodskap ontvang: die skoolbus moes omdraai weens die

gevaarlike padtoestande. Paniek het toegeslaan.

Jean Rossouw het haastig gaan kyk of die rivier nog deurskrysbaar was en besef dat hulle kinders vasgekeer was – en daar was geen manier om hulle huis toe te bring nie.

Die werklikheid het ingesink: hulle seuns, Krestel (9) en Thinus (10), moes noodgedwonge in Rooiberg oornag, ver van hul ouers af, met slegs hul skoolklere en tasse. Vir die eerste keer het hulle regtig die impak van die vloed besef – en die vrees dat hulle nie binnekort hul kinders sou sien nie, het swaar op die ouers se harte gedruk.

Die gemeenskap tree in

Die Rossouws het na oplossings gesoek. ‘n Ander ouer het aangebied om die kinders oor te huisves, maar die onsekerheid oor veiligheid in Rooiberg – veral met berigte dat ‘n damwal onder druk was – het hulle angs laat toeneem.

Krestel Rossouw het desperaat begin rondbel vir moontlike helikopterhulp. Dit was toe dat Kahn De Jager, wat met ontruimingsaksies by Amandelbult besig was, beloof het om ‘n woord uit te sit.

Die volgende oggend, 20 Februarie,

het hulle die oproep ontvang: “Maak die kinders reg, hulp is op pad.” Meneer Gert Ehlers het ingespring, die seuns en noodsaaklikhede op Rooiberg opgetel en hulle huis toe gebring. Die oomblik toe hul ouers hulle in die arms kon vashou, was onbeskryflik.

Dankbaarheid te midde van die swaarkry

Vandag is die gesin steeds afgesny van die buitewêreld, maar hulle is rustig. Hul kinders is veilig tuis. Hulle is dankbaar vir

die hulp en ondersteuning van hul gemeenskap, en vir die reën wat, ten spyte van die ontwrigting en skade, ‘n seën is vir die land.

Ons sal dit nooit vergeet nie

“Met ons hele hart dank ons die Here vir soveel goeie mense. Die manier waarop hierdie gemeenskap ons ondersteun het, is ‘n bewys van liefde en samehorigheid. Ons kinders is ons kosbaarste skat – en hierdie gebeure het ons net weer laat besef hoe broos en kosbaar die lewe is. Hierdie ervaring sal ons vir altyd bybly,” aldus Krestel.

Krestel Rossouw, Jean Rossouw, Thinus Rossouw en Thysie Rossouw – ‘n gesin herenig ná ‘n week van vrees en onsekerheid.

WHEN THE GIVERS NEED HELP

A call to support Theo & Geraldine

Thabazimbi – Just outside Thabazimbi, in the Maroelafontein farming community, there are names that stand out — people who have always been ready to lend a hand, offer support, and uplift those around them. Among those names are Theo and Geraldine van Wyk.

For years, they have been more than just neighbours; they have been pillars of strength to those in need. Now, the time has come for the community to stand by them.

A Life-Altering Diagnosis

What began as a routine hospital visit in March 2024 turned into an unimaginable ordeal. Theo had been scheduled for a minor procedure to remove a plate and two screws from his foot. However, just 30 minutes before surgery, he suffered a seizure. By sheer luck — or perhaps divine intervention — it happened in the hospital, surrounded by medical professionals who acted immediately. This unexpected event led to an MRI scan, revealing the devastating diagnosis: a brain tumour.

On 12 April 2024, Theo underwent a craniotomy to remove as much of the tumour as possible. The procedure was performed by a highly recommended neurosurgeon, and while the majority of the tumour was successfully removed, the biopsy results brought heartbreaking news—it was identified as a Grade 2 astrocytoma, a form of cancer. Though the surgery spared him from paralysis, it left him with impaired reading and writing abilities, forcing him to relearn these essential skills from scratch.

The Fight for Recovery

Despite the challenges, Theo remained determined to provide for his family. He resumed his work as a consultant at a nearby mine, but his battle was far from over. Six weeks of intense radiation followed, causing severe illness. By January 2025, he began chemotherapy, bravely completing the first round and concluding the second on February 19. Unfortunately, the effects of the treatments took a toll on his body, leaving his right leg weakened. The most devastating blow came at the end of January when the mine, citing his health and limited ability to read and write, terminated his contract. A man who had always provided for his family and his workers was now left without an income at the very moment he needed stability the most.

A Financial and Emotional Struggle

To make matters worse, an insurance policy meant to cover dreaded disease and income protection refused to pay out due to a technicality. With mounting medical expenses and everyday living costs, the financial strain has added to an already overwhelming situation. In response, kind-hearted members of the community set up a BackaBuddy fundraising campaign to support Theo and Geraldine, ensuring they can maintain their medical aid and cover basic necessities.

Despite everything, Geraldine remains steadfast in her resilience. "We are blessed to be part of a community that truly cares," she says. She does not want this to be a tale of hardship alone — she wants people to know that even in the face of great adversity, there is gratitude, hope, and the unwavering support of those around them.

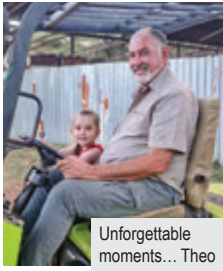

A moment of togetherness... Theo and Geraldine van Wyk, side by side, facing this challenge together.

Generations of love... Theo's hand clasped with that of his grandchild, a symbol of hope and family bonds.

A warrior's resilience... Theo van Wyk, post-surgery, displaying courage in his recovery journey.

Cherished moments... Theo van Wyk with his granddaughter, Lorelei, sharing a tender and loving bond.

Unforgettable moments... Theo van Wyk with his granddaughter Miane Viljoen.

How You Can Help

Theo and Geraldine have always given to others. Now, they need the kindness they have so often shown. Any contribution, big or small, will go a long way in helping them through this incredibly difficult time. Donations will assist with daily expenses and ensure Theo can continue his fight with the medical care he needs.

FLOOD
RELIEF
BRINGS
HOPE

More than just supplies — these donations represent hope and community strength in the wake of disaster.

Thabazimbi – On Saturday 22 February 2025, the generosity of Thabazimbi’s people and businesses turned tragedy into hope for families affected by the recent flooding in Makoppa and Leeupoort. With displaced families currently sheltering at Rabugale Primary School, a collaborative relief effort ensured that they received essential supplies to help them through this difficult time.

The Thabazimbi Local Municipality (TLM) stepped in with crucial donations, providing mattresses, sanitary packs, and groceries to support those in need. Major retailers, Spar Thabazimbi and Pick n Pay Thabazimbi, once again proved their unwavering commitment to the community by supplying much-needed groceries and fresh bread.

Local councillors, Cllr Estie Fourie, Cllr Zama Ndlovu, and Cllr Thane Hearne, played a key role in coordinating efforts to ensure families received adequate nutrition. Special thanks go to Kahn and Oom Willie de Klerk for assisting with deliveries to Leeupoort, while Cllr Pontsho Sello made it possible to distribute goods in Makoppa. The South African Social Security Agency (SASSA) provided sandwiches, fruit, and drinks, adding to the available meal options for the affected families. Meanwhile, humanitarian organisation Gift of the Givers extended its support by donating food parcels, ensuring that Leeupoort’s community members also received vital food supplies.

A heartfelt thank you to every organisation and individual who contributed to this relief effort. Your kindness and support have made a real difference in the lives of those impacted by this disaster.

For those who would like to assist in future relief efforts, please contact TLM Disaster Management at 082 079 9335.

HAVE YOUR SAY

Do you feel safe in our community at night?

Safety is a growing concern for many residents. While some areas remain peaceful, others face rising crime, poor lighting, and security issues. Do you feel secure walking outside after dark, or do you avoid certain places?

Yes, I feel safe in my neighbourhood at night despite crime concerns in Thabazimbi. Living near Marakele National Park offers a quieter, low-crime environment, unlike larger cities. The close-knit community looks out for each other, and visible police and night patrols enhance security. While wildlife encounters are a consideration, they differ from urban crime risks. Overall, Thabazimbi’s community spirit and lower population density contribute to a greater sense of safety.

Pannelope G M Musadavira, Thabazimbi

No, I don't feel safe. In South Africa, safety on the streets is a concern not just at night, but even during the day. The risk of crime is always present, making it difficult to feel secure at any time.

Thabazimbi – Severe flooding in Thabazimbi and surrounding areas over the past few weeks has left roads impassable, communities stranded, and rescue teams working tirelessly to ensure the safety of residents. The coordinated efforts of emergency personnel, private aviation teams, and local businesses have played a critical role in saving the day.

Emergency response: lives saved

From 19 February to 23 February 2025, rescue operations were in full force, with a combination of aviation and ground teams responding to distress calls. Helicopters were a crucial lifeline, airlifting stranded residents to safety and delivering essential supplies.

On 19 February, emergency responders conducted 25 aviation rescues and six ground rescues in various parts of Thabazimbi. Tragically, one life was lost. Throughout the day, 19 flights transported 34 emergency personnel to affected mining areas. That evening, Transnet Freight Rail (TFR) remained on standby, and an Incident Command Post (ICP) was established at the airstrip at 06:00 the following morning to coordinate further operations.

By 20 February, rescue teams intensified their efforts. At 06:20, five people were airlifted to safety from the R510 near Roodedam. Later that morning, nine individuals and two dogs were rescued from the Rino Mine security hostel. A further airlift at 15:45 saved a stranded individual from Eagles Nest on the R511.

Delivering relief: food, medicine, and fuel

Beyond rescues, flight operations focused on delivering crucial supplies. Over the course of February 22 and 23, helicopters made 16 supply flights to deliver food, medicine, and fuel to affected areas.

Flights also transported emergency responders and relocated stranded civilians:

- **February 22:**
 - 21 flights transported 42 people
 - 11 flights delivered supplies
 - 34 emergency workers flown to mines
 - 2 civilians airlifted to safety
- **February 23:**
 - 23 flights transported 46 people
 - 5 flights delivered supplies
 - 38 emergency workers flown to mines
 - 8 civilians airlifted to safety

Ground teams also played a critical role, monitoring water levels and navigating impassable roads. Over the two days, 38 trips were conducted to assess road conditions and ensure accessibility where possible.

A team effort: acknowledging the heroes

The success of the operations would not have been possible without the combined efforts of multiple organisations and individuals. A heartfelt thank you goes out to Mogalakwena Search and Rescue, Wildmed, the Waterberg Disaster Team, SSG for their R44 helicopter and pilot, and the private pilots who selflessly stepped up in the time of crisis:

- Jager Aviation: Kahn de Jager, Jaco Jacobs
- Fly PB: Pieter Breugem
- Indigo Helicopters: Dolph van der Merwe
- DC van Eden
- SSG Security Company for providing additional aerial support

A special acknowledgment goes to Thaba Fire and Rescue.

Messages of gratitude

Angelique Loots, one of the key coordinators, shared her thoughts on the immense effort behind the rescue operations: “We did everything in our power to prevent a critical situation from becoming

a disaster. This was not about recognition or exposure — it was about helping people because we care. To the community, thank you for your support, your kind words, and your donations — whether it was coffee, biscuits, or drinking water. Every gesture made a difference.”

Pierre Loots also expressed his gratitude to the many businesses and individuals who stepped forward:

“A huge thank you to Amandelbult Complex Mine, Northam Platinum Mine, Mogalakwena Mine, the Limpopo Disaster Management Team, and our private helicopter pilots. Your assistance was invaluable. We also deeply appreciate the contribution from SSG Security for their helicopter deployment.”

In times of crisis, the power of community support is undeniable. A massive thank you to all our sponsors who contributed during this difficult time:

- Skeerpoort Verspreiders
- MBT Buzz
- Spur
- Steers
- Koolstoof
- Pick n Pay
- Thabazimbi Spar
- Ecco Mountain Inn
- Martie Smith
- Mione de Witt

Your generosity helped ensure that rescue teams and affected residents had the support they needed.

Looking ahead

Though the waters are receding, the work is not yet over. Monitoring efforts continue, and emergency teams remain on standby should the situation change. To everyone who played a role in these critical efforts — thank you.

FUN FACT

Did you know?

Did you know that honey never spoils? Archaeologists have discovered 3,000-year-old pots of honey in Egyptian tombs — still perfectly edible! Thanks to its low moisture content, natural acidity, and antibacterial properties, honey can last indefinitely if stored properly. No bacteria or mould can survive in it. If your honey crystallises, don't worry — it's still good! Just warm it gently to restore its golden glow. So next time you reach for that jar in your pantry, remember: honey is not just sweet, it's eternally sweet!

SOULFOOD

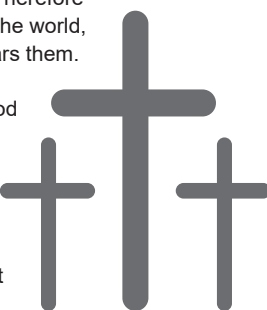

1 JOHN 4

Love for God and One Another

4 Beloved, do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world. 2 By this you know the Spirit of God: Every spirit that confesses that Jesus Christ has come in the flesh is of God, 3 and every spirit that does not confess that Jesus Christ has come in the flesh is not of God. And this is the spirit of the Antichrist, which you have heard was coming, and is now already in the world.

4 You are of God, little children, and have overcome them, because He who is in you is greater than he who is in the world. 5 They are of the world. Therefore they speak as of the world, and the world hears them. 6 We are of God. He who knows God hears us; he who is not of God does not hear us. By this we know the spirit of truth and the spirit of error.

Thabazimbi – The Ride for a Child charity motorbike ride recently passed through Thabazimbi as part of its 7,000km journey across South Africa. Led by Dr. André Hattingh, this mission is more than just an adventure — it's a pledge to help children in need.

"I made a promise back in 1994," Dr. Hattingh recalls. "I was in Rwanda, fresh out of medical school, doing volunteer work. I witnessed a tragedy — one million people lost their lives, 36,000 of them children. Many more were left injured with no one to help them. I vowed that once my home was paid off and my children completed their studies, I would dedicate my life to helping children."

In 2016, after retiring, Dr. Hattingh turned his promise into action by launching Pediatric Care Africa. Since then, Ride for a Child has covered a distance equal to circling the globe, reaching the easternmost, southernmost, westernmost, and northernmost points of South Africa — all in the name of children's healthcare.

Why a motorbike?

"I used what I had available," says Dr. Hattingh, a passionate motorcyclist for 42 years. He and his support team have travelled thousands of kilometres to raise funds and awareness

for children's medical needs. But the journey isn't without challenges. This year, bad weather and traffic caused delays. "Someone advised us to reroute via Kokstad, but it turned into a gruelling 246km detour due to roadworks," he explains.

How to Support Ride for a Child

Not everyone can donate, but there are many ways to help. "This year's theme is 'Recruit a Doc,'" says Dr. Hattingh. "In every town we visit, including Thabazimbi, we ask a doctor to provide two free consultations for children. We cover any medication or further medical costs."

Donations, pledging per kilometre, or organising fundraisers also make a difference.

What keeps Dr. Hattingh going? "It's the children," he says. "Motorbike riding is enjoyable, but knowing we are helping kids is the real motivation."

Join the cause

Ride for a Child is more than a motorbike journey — it's a mission of hope. By supporting Pediatric Care Africa, communities can help ensure no child is left without medical care. For more information or to contribute, visit www.pediatriccareafrika.org or call 076 229 5663.

Leiers wat 'n verskil maak!

Thabazimbi

Hoërskool Frikkie Meyer se Verteenwoordigende Leerlingraad (VLR) is op Vrydag, 21 Februarie 2025, gekies, en die skool is trots op sy nuwe leier span!

'n Spesiale geluk aan Elri Gildenhuys en Janice van Aardt, wat die eer het om Hoërskool Frikkie Meyer op die Thabazimbi VLR-komitee te verteenwoordig. Met hul toewyding en leierskap gaan hulle verseker 'n positiewe impak maak. Sterkte aan al die VLR-lede vir 'n jaar vol inspirasie en sukses!

Rhinos vs. Louis Trichardt

Setaria – The highly anticipated clash between the Northam Platinum Rhinos and Louis Trichardt Rugby Club, originally set for 22 February 2025, has been postponed to Saturday, 1 March 2025 due to rain and wet field conditions.

The delay hasn't dampened the Rhinos' spirit — assistant coach Flip de Kock assures fans: "Our teams are ready for this Saturday's showdown. We are well prepared. Please come and join us!"

Expect hard-hitting rugby action, a beer tent, and great music to keep the energy high. Don't miss out!

For more info, contact Flip de Kock on 076 791 4659.

Some healthy tips.

Balance Your Plate

Ensure your meals include a mix of vegetables, whole grains, legumes, nuts, seeds, and healthy fats. This provides a variety of nutrients for optimal health.

Don't Forget Protein

Plant-based proteins like lentils, chickpeas, tofu, tempeh, and quinoa are excellent sources of protein. Pair them with whole grains for a complete amino acid profile.
