In a startling new scam that reveals just how far con artists are willing to go, a fraudster tricked a Gauteng college into sending students to a Limpopo mine — for jobs that didn't exist.

How did he do it?

The scammer's method was alarmingly clever: he edited the Google Knowledge Panel — the panel that appears on the top right-hand side of Google search results — to make it seem as though he was affiliated with Siyanda Bakgatla Platinum Mine (SBPM).

The fraudster replaced the mine's landline number with his own cellphone number. Using this deceptive contact, he convinced the management of P&T Training Educational Institution in Germiston that he could secure nine-month internships for students in mechanical and electrical engineering at SBPM. The college, believing the opportunity to be genuine, assisted students with medical clearances and instructed them to meet the man near the mine to begin their placements.

One student suspected trickery...

One student explained how things unravelled: "He told us to meet him at Moruleng Mall to do medicals and get certificates. Then he asked each of us to transfer R550 to a TymeBank account. That's when we realised something wasn't right — no big company uses that bank." Fortunately, no students paid the money before suspicions were raised. SAPS Mogwase was called to the scene at the mall, but since no money changed hands, no criminal case was opened. The students — all from Wadeville near Germiston — were safely returned home after P&T Training launched an urgent internal investigation. In a press statement, P&T Training said: "We incurred legitimate placement costs, including medicals, based on what appeared to be a formal agreement. As soon as the students reported confusion at the mine, we acted swiftly and have now handed the matter over to our legal team."

Meanwhile, Siyanda Bakgatla Platinum Mine has issued a stern warning to the public. "SBPM does not charge for jobs, medicals, or certifications," said communications manager Nombulelo Mazabane. "All legitimate job listings are only available through our official website. We urge the public to be vigilant and report suspicious activities immediately."

The mine is conducting its own investigation and working with authorities to trace the individual behind the scam.

Stolen Car, Fatal Chase

Northam/ Rustenburg – A hijacking incident that started in the early hours of Saturday, 14 June 2025 in Northam came to a deadly halt near Marikana when police and a private tracking company cornered the suspects — resulting in a fatal shootout and the recovery of the stolen vehicle. According to SAPS spokesperson colonel Malesela Ledwaba, the incident occurred around 03:00 in Northam, Limpopo. The victim's vehicle was hijacked and swiftly reported, triggering a coordinated response between patrolling police officers and a private tracking company. With the vehicle's tracker activated, the suspects were pursued across provincial lines into Marikana, Rustenburg.

There, the situation escalated when a shootout broke out between the suspects and the tracking company personnel. One suspect, a 29-year-old man, was fatally wounded during the exchange. The remaining suspects fled the scene and are still at large. A manhunt has since been launched, with SAPS intensifying efforts to bring the perpetrators to justice. A firearm and the hijacked vehicle were successfully recovered at the scene. A case of carjacking is being investigated by Northam Detectives, while Marikana police have opened a case of possession of a suspected stolen motor vehicle.

Juffrou Gerda: Onderwyseres. Vegter. Inspirasie.

Thabazimbi – By Laerskool Thabazimbi vertel die gange nie net van spellingtoetse en skoolklokke nie – hulle fluister van jare se liefde, opoffering en 'n vrou met 'n goue hart: Juffrou Gerda Eloff. Vir meer as vier dekades was sy die stem agter die lesse, die hand agter die toos, en die hart agter honderde jong lewens. Geslagte kinders het onder haar leiding gegroei – insluitend Nola Greyling, wie se twee seuns sy nou ook

onderrig. 'n Volsirkel-verhaal, 35 jaar later. Maar agter die glimlag van hierdie geliefde juffrou skuil 'n verhaal van diep menslikheid. Gerda is nie net 'n onderwyseres nie – sy's 'n ma, 'n weduwee, en 'n vegter. Ná 'n stryd teen kanker moes haar regterbeen geamputeer word. Met littekens nog vars en liggaamlik broos, het sy in haar rolstoel teruggekeer na die klaskamer – want rekeninge wag nie, en harte soos hare rus nie.

GC LETSOALO CA(SA)
Municipal Manager - Thabazimbi Local Municipality

'n Volsirkel-oomblik: Juffrou Gerda Eloff (links) saam met oud-leerling én huidige ouer Nola Greyling – twee harte verbind deur generasies se liefde en leer.

’n Huis vol struikelblokke, ’n lewe sonder kla

Haar huis, nie ontwerp vir ’n rolstoel nie, het 'n daaglikse uitdaging geword. Basiese dinge – soos in die badkamer kom, of teen 'n helling afrol – vra haar daaglikse moed. Tog, gee sy steeds onvoorwaardelik vir haar spesiale dogter, vir haar leerders, en vir almal om haar. **Een ma se droom, ’n gemeenskap se antwoord**

Nola Greyling, oud-leerling en nou ouer van Gerda-leerlinge, kon nie stilbly nie. Haar plan was eenvoudig: R10,000 insamel. Genoeg om iets kleins te verander. Maar die gemeenskap het groter gedroom. In net twee maande is meer as R100 000 ingesamel!

“Dis iets wat mens nie net beplan nie,” sê Nola, “Dis iets wat gebeur wanneer mense se harte in pas begin klop.”

Die fondse sal gebruik word om Juffrou Gerda se huis rolstoelvriendelik te maak, haar mediese uitgawes te help dra, en 'n bietjie asemruimte te skep vir iemand wat dit so verdien.

Dankbaarheid stroom oor

In 'n geskrewe brief het Juffrou Gerda gedeel: *“My beker loop oor want ek is geseënd deur so baie omgee van mense oral oor. My innige dank aan elkeen se goedhartigheid om my pad te vergemaklik.”*

SIOC Community Development Trust (SIOC-CDT) was established in 2006 by Sishen Iron Ore Company (Pty) Ltd to invest in the development of the communities in which the mine operates. The Trust focuses primarily on beneficiary communities adjacent to the SIOC (PTY) LTD (owned by Kumba Iron Ore -KIO) mining activities in the Northern Cape and Limpopo Provinces. - SIOC-CDT welcomes proposals from service providers based both nationally and locally (the five SIOC-CDT beneficiary communities), however, we strongly encourage applicants, specially national organisations to partner with local service providers, community-based organisations, and stakeholders to ensure local ownership, build capacity, and promote long-term sustainability of the interventions.
- The Request for Proposals (RFP) related to the Youth Programme is specifically reserved for service providers within the beneficiary communities only, to directly empower local organisations and young leaders at grassroots level.
- SIOC-CDT remains committed to supporting impactful, inclusive, and community-driven development that advances health and wellness in our beneficiary areas. We look forward to receiving thoughtful, collaborative proposals that reflect both innovation and a deep understanding of local needs.
