Lives Lost, Road Blocked — R510 IN CRISIS

Thabazimbi/ Northam — The notorious R510 claimed two more lives this past weekend, further highlighting urgent safety concerns about the road that connects Thabazimbi, Amandelbult, and Northam.

On Sunday, 31 August 2025, around 05:00 in the morning, a head-on collision between two light motor vehicles ended in tragedy. Two people died at the scene, while a third was left critically injured. Emergency responders, including Amandelbult Fire, Northam Fire, Thaba Fire & Rescue (Thabazimbi and Northam branches), Netcare 911, Trauma Rescue, EMT District, SAPS, and traffic officials, worked tirelessly at the scene.

Pierre Loots, director of Thaba Fire & Rescue, voiced his deep concern: "Between 1 July and 31 August 2025, there have already been 38 separate accidents on the R510. This road urgently needs attention. We hope SANRAL will now prioritise completing the roadworks."

Another Blow: Truck Crash on Monday

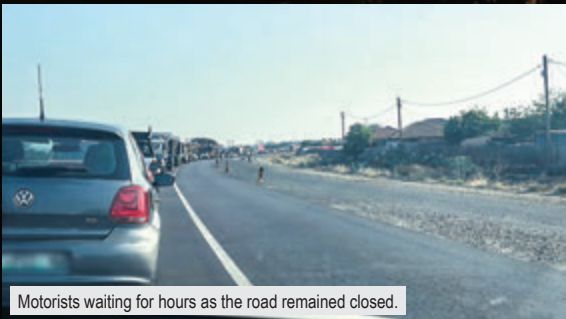

Less than 24 hours later, in the early hours of Monday, 1 September 2025, a truck ploughed through cement barriers on the same stretch of road, between Amandelbult and Northam.

The crash occurred around 01:00–02:00, halting traffic completely. Vehicles only began moving slowly again by 07:28, and the truck was finally cleared just before 13:00. Thankfully, no serious injuries were reported.

A Road Under Siege

The R510 has been under construction for some time to expand lanes — a project welcomed by residents frustrated with overtaking dangers. Yet, as work drags on, motorists face both chaos and tragedy. Locals describe the R510 as one of the most dangerous roads in South Africa, particularly at night. One social media user wrote: "This road must be completed. It's the most dangerous road, ever!"

Van der Walt Assault Case Postponed to October

Thabazimbi – The wait for justice continues for Leon and Monique van der Walt as the assault case against Andrew Wynand Hoffman was once again postponed. The matter was scheduled for hearing on Thursday, 28 August 2025, but the court postponed proceedings to 27 October 2025. The case centres around the alleged violent assault on Leon van der Walt in September 2024, an incident that has left him and his wife Monique navigating a drawn-out legal journey filled with procedural delays and shifting timelines. At the heart of the current proceedings lies Section 105A of the Criminal Procedure Act, which allows the state and the accused to negotiate a plea and sentence agreement. This provision enables the accused to plead guilty in exchange for a predetermined sentence, potentially sparing both parties the time and expense of a full trial. For the Van der Walts, each delay deepens the emotional toll. Yet despite the setbacks, they remain resolute, holding onto faith and by the support of their community as they continue their pursuit of justice.

Leon and Monique van der Walt remain steadfast in their pursuit of justice, despite yet another postponement in the assault case.

HOPE FOR AVANYA

Helping Avanya Smile Again

Little Avanya Espag, whose bright spirit continues to inspire her family despite the scars she now carries.

Thabazimbi – On Friday 29 August 2025, the life of five-year-old Avanya Espag changed forever. Known for her boundless energy, love for performing, and the way her laughter could light up any room, Avanya was attacked by a large dog in Thabazimbi. The incident left her with severe facial injuries and deep, visible scars.

Avanya's recovery will require extensive medical care — including reconstructive surgeries, dermatological treatments, and ongoing follow-up procedures as she grows. But healing goes far beyond the physical. The family is also seeking psychological support such as trauma counselling, play therapy, and confidence-building sessions to help Avanya overcome the fear and anxiety caused by the attack.

School support will also be vital, ensuring teachers and peers are equipped to handle questions or possible teasing, while creating safe spaces where Avanya can feel accepted and rebuild her confidence.

The financial burden of these treatments is overwhelming for the Espag family, who have turned to the community for help. Through a fundraising campaign, they are appealing for donations towards Avanya's medical and emotional care, as well as for connections to specialist doctors who can aid in her healing journey.

Anyone wishing to assist can visit Avanya's BackaBuddy campaign: "Avanya Espag survives tragic dog attack" or scan the QR code.

Operation Basadi Success

Waterberg – Police women proved their strength in law enforcement during a two-day Operation Basadi, held on Friday and Saturday, 29–30 August 2025, across Pienaarsrivier, Northam and Thabazimbi.

Led by MEC for Transport and Community Safety, Violet Mathye, and Waterberg District Commissioner, major general Shamrhomba Masingi, the female-driven operation tackled crime through roadblocks, stop-and-searches, tracing suspects, liquor and traffic law enforcement, and public awareness campaigns.

The joint effort, supported by male counterparts and various stakeholders, resulted in 59 arrests, including 24 for contravening the Immigration Act, four for theft out of motor vehicles, and two for selling liquor without a licence. Police also confiscated liquor and copper. In addition, R27,400 worth of traffic fines were issued.

Over 1,000 vehicles and more than 2,200 people were searched, with nearly 200 pamphlets handed out to raise awareness about safety and crime prevention.

A truck pulled over during Operation Basadi.

HAVE YOUR SAY

Have you ever seen something that doesn't align with logic or accepted scientific laws?

From strange lights in the sky to unexplainable coincidences, many people have reported experiences that defy reason. Some call them miracles, others mysteries, and a few believe they're simply misunderstood science. What about you — have you ever witnessed something that made you question what's possible?

"No, I don't believe I've seen anything that defies science. Most things that seem 'unexplainable' usually turn out to have a natural explanation as our knowledge grows. I believe everything follows an order, even if we don't fully understand it yet."

Mariaan Meyer, Thabazimbi

Every year from 24 February to 3 March, a bright red, moon-like light appears above my house, even when the real moon is visible. I'm not sure if others see it, but strange things always seem to happen to my family during that time.

FUN FACT

Did you know?

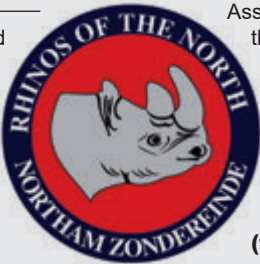

Veld fires aren't just dangerous—they're incredibly fast. Under strong winds, flames can race across grasslands at speeds of up to 20 km/h. That's faster than most people can run, and quick enough to trap and kill wildlife that can't escape in time. Beyond the visible flames, the intense heat and smoke spread devastation, destroying habitats and threatening both animals and people. This fire season, stay alert, report fires early, and remember: prevention saves lives.

Rhinos claim Limpopo North Crown

Setaria/ Bosveldpark – In an unexpected twist, there were no matches this past weekend as planned. Louis Trichardt informed organisers they could not play the finals, which means all three Northam Platinum Rhinos senior sides — 1st, 2nd and 3rd team — are officially Limpopo North Region league winners.

Assistant coach Flip de Kock praised the squad and supporters: “It’s not the ending we expected, but the boys earned this. Three teams, three trophies — that’s a club effort. Thank you to our fans for carrying us all season.”

Next up: the CEO Cup (friendly)

Mark your calendars: Saturday, 6 September 2025 — the Rhinos take on the Northam Wolves Rugby Club (Hartbeespoort) in our annual friendly ‘CEO Cup’. It’s always a spirited community day and a perfect chance to salute our champions.

For more information, contact assistant coach Flip de Kock on 076 791 4659.
