THABAZIMBI SHELTER FACES CLOSURE

Thabazimbi – A heartbreaking blow has struck our town: the Thabazimbi Homeless Shelter, a safe haven for thousands over the past five years, has announced on Tuesday 30 September 2025, that it will be closing its doors.

For half a decade, the shelter has been more than four walls and a roof — it has been a place of hope, dignity, and second chances. Now, due to the collapse of a lease agreement with the property's landlord, the shelter faces an uncertain future.

"This was one of the most difficult decisions made," said Beverley Spira Kühn, shelter board member: operations. "On a personal level, I ask the community to please help us to find accommodation for the people currently living in the shelter and to help us support these people who will have to vacate."

Beverley confirmed that "we are not insolvent and should we find alternative premises, we will continue to provide the service of a shelter to the Thabazimbi Community." Yet, as it stands, the doors will close by the end of October unless a miracle arrives.

A mother with five children. An elderly woman.

Beverley made a heartfelt plea: "We are desperately trying to find accommodation for the people currently living in the shelter, especially the mother with five children and the elderly woman. After five years — and nearly 4,000 people who have passed through our doors — we cannot allow Thabazimbi to have no refuge for its homeless." Her words echo the community's fears: what will happen to those who have nowhere else to go?

A story of redemption

One woman, who wishes to remain anonymous, shared how the shelter changed her life. She had struggled with drug addiction from a young age. At her lowest point, she and her partner were left homeless after being robbed on the streets. With nothing but their belongings in black bags, they had no place to go.

That night, they slept at the police station. It was there that police officers gave her Beverley's number — and everything changed.

"Beverley took us in immediately. We lived at the shelter for five months without being asked for rent because we simply couldn't afford it. The shelter gave me a chance to get clean, to rebuild my life," she said.

Today, she remains drug-free. "If it wasn't for Beverley and the shelter, I don't think I would be alive today. My heart broke when I heard the news. This place saves lives — mine is just one of many."

Her father, who stood by her side, added that they would do anything to keep the shelter open.

What now?

The shelter has helped nearly 4,000 people since its doors opened. Without it, countless vulnerable men, women, and children may be forced back to the streets.

Beverley, who has also announced her resignation after years of service, said: "We urge the community of Thabazimbi to please continue supporting us financially and otherwise until such time that a final decision is made regarding the future of the shelter. If any member of the public can provide information of any other options to move the shelter to, please contact me directly. This is, after all, a community project. God bless you all for showing us kindness."

PUBLIC NOTICE

**APPLICATION FOR AN ALTERNATIVE MINIMUM EMISSION
STANDARD IN TERMS OF THE NATIONAL ENVIRONMENTAL
MANAGEMENT: AIR QUALITY ACT (ACT NO. 39 OF 2004) FOR
NORTHAM PLATINUM LIMITED - ZONDERINDE MINE**

In December 2024 Norham Platinum Limited - Zondereinde Mine submitted an application for alternative limits of the Minimum Emissions Standards (MES) for Sulphur Dioxide (SO₂) and Particulate Matter (PM) for its processing facility to the Department of Forestry, Fisheries and the Environment (DFFE). Notice is hereby given of the revision of the timelines of the original application and an update to the roadmap submitted in December 2024 and for which public consultation was undertaken in November/December 2024.

1. **Proponent:** Northern Platinum Ltd, (registration number 1977/003282/06) owns and operates the existing Zondereinde Mine and associated processing facility (hereinafter referred to as Zondereinde).
2. **Location:** Zondereinde is located approximately 16 km northeast of the town of Northam and 25km south of the town of Thabazimbi. It is located within the Thabazimbi Local Municipality, within the jurisdiction of the Waterberg District Municipality in the Limpopo Province.
3. **Background:** Zondereinde currently operates under an existing Atmospheric Emission License (AEL) (Ref No: 12/4/12L-W16/A2). In December 2024 Zondereinde has submitted an application for an alternative minimum emission standard to the National Air Quality Officer (NAQO) in terms of Section 12A (GNR 893 as amended by GNR 1207 (31 October 2018)) of the MES, which may be granted in instances where a new plant standard cannot be met for particular pollutants. Zondereinde has originally requested for an alternative SO₂ emission rate for an indefinite period and an alternative PM emission rate for a period of five years for its main stack at the processing facility. Subsequent to the submission in 2024, Zondereinde has undertaken a more detailed investigation which resulted in the revision of the emission reduction roadmap, which allows for the shortened timelines towards achieving the required MES. Zondereinde is therefore amending its original 12A application to revise the roadmap to apply for an alternative SO₂ emission rate for a period of five years and an alternative PM emission rate for a period of two years for its main stack.
4. **Availability of the MES Application and the Emission Reduction Road Map:** The amendment to the 12A MES application and the emission reduction roadmap will be available for public review for a period of 30 days from Monday, 6 October 2025. Hard copies of the documents will be available at the Zondereinde Mine and Processing Plant Security Office. Electronic copies will be available on request from JEMS Pty Ltd (details below).
5. **Stakeholder Involvement:** Stakeholders are invited to register as Interested and Affected Parties (I&APs) and to participate in the application process by identifying issues of concern and suggestions for consideration in the technical studies. Please submit your written comments by mail or email within 30 days to JEMS Pty Ltd at:

Crocodile River Faces Sewage Threat

[Information supplied by a Democratic Alliance (DA) press release]

A DA release alleges that failing sewage infrastructure in Madibeng — including a non-functional treatment plant and several broken pump stations — has led to raw sewage being diverted into stormwater drains that flow into the Crocodile River.

The reported daily pollution raises concerns for public health, food security, and the health of one of the province's key waterways. Farmers downstream have expressed fears about possible crop losses and water contamination. The matter has been raised with Deputy Minister of Water and Sanitation, Sello Seithloho, for urgent intervention.

30 YEARS BEHIND BARS FOR FATHER'S MURDER

Thabazimbi/ Northam – On Monday, 29 September 2025, the Thabazimbi Regional Court sentenced 32-year-old Alfred Donaldson to 30 years' direct imprisonment for the murder of his father and the kidnapping of his mother.

The court heard that on 26 July 2023, Donaldson attacked his father, who had just returned from a night shift and was resting at their home. After forcing his mother into a room and locking her inside, Donaldson threatened to kill his father. When she escaped, she found her husband fatally stabbed multiple times. His bakkie and cellphone had also been stolen.

Swift police work led to Donaldson's arrest in Koster shortly thereafter. The meticulous investigation by sergeant Thabiso Aubrey Seshoka of Northam Crime Investigation Services (CIS) ensured a watertight case, ultimately securing the conviction. Donaldson was sentenced as follows: 1) Murder: 30 years' direct imprisonment, and 2) Kidnapping: 5 years' direct imprisonment (to run concurrently). He was also declared unfit to possess a firearm. Limpopo provincial police commissioner, lieutenant general Thembi Hadebe, welcomed the sentence, praising sergeant Seshoka's outstanding investigative work.

R510 Tragedy: Two Lives Lost

Mogwase – The notorious R510 road has once again claimed lives. On Tuesday, 30 September 2025, a horrific accident outside Northam, heading towards Rustenburg in the Bojanala District in Mogwase, left two people dead, one critically injured, and two others with minor injuries.

Three vehicles were involved in the crash – a white Toyota Fortuner, a Volkswagen Polo and a Hyundai Tucson. The cause of the collision remains under investigation.

Emergency responders rushed to the scene, including the Bojanala Fire Rescue Department, Amandelbult Fire and Rescue, Thaba Fire and Rescue, North West Traffic Department, North West Ambulance, and Netcare 911.

Pierre Loots, director of Thaba Fire and Rescue, expressed his dismay: "It is heartbreaking to once again see families torn apart on the R510. We urge all motorists to exercise the utmost caution – lives cannot be replaced."

Loots added: "Please be cautious: speedhumps have now been placed on that stretch of road. Many drivers are unaware of them and brake suddenly. Please be alert."

In a deeply troubling turn, it was reported that the cellphone of one victim was stolen at the crash site, preventing responders from contacting his family immediately. Even more shocking, the thief failed to call for help.

Our heartfelt condolences go out to the families and friends of those who lost their lives.

HAVE YOUR SAY

Should kids under 10 get a cellphone?

While some parents see it as a safety tool to stay in touch, others worry about screen time, social media exposure, and online risks. What do you think — are cellphones a necessity for children, or should they wait until they're older?

“Children under 10 should not have cellphones. Phones take time away from schoolwork, play, and face-to-face social development. Too much screen time can harm sleep, focus, and eyesight, while access to social media and strangers poses serious safety risks at such a young age.”

Ella Oosthuizen,
Thabazimbi

“Yes, a phone can be useful for safety — to coordinate rides, stay in touch with family, and even assist with schoolwork.”

Did you know?

When spring arrives, plants release pollen — tiny grains that allow them to reproduce. A single pine tree can release up to **5 kilograms of pollen in one season**, creating that yellow dust you see on cars and windowsills. While it may cause sneezes for some, pollen is vital: bees carry it from flower to flower, ensuring fruits, vegetables, and seeds grow. Without pollen, much of our food chain would collapse. So, next time you reach for tissues in spring, remember — those little grains are nature's recipe for life.

Frikkies sluit die jaar af met spatsels glorie by 61ste Bosveld Interhoër

Thabazimbi – Op Woensdag, 24 September 2025, het Hoërskool Frikkie Meyer met trots die 61ste Bosveld Interhoërsweimgala aangebied. Swimmers van Hoërskool Nylstroom, Hoërskool Ellisras, Hoërskool Piet Potgieter, Hoërskool Hans Strijdom, Hoërskool Ben Viljoen, en Hoërskool Frikkie Meyer het mekaar se kragte getoets in 'n dag vol energie en gemeenskapsgees.

Die kompetisie was uiters styf, met elke span wat weke lank hard geoefen het. Uiteindelik het Hoërskool Piet Potgieter die louere ingepalm en die groot trofee huis toe geneem met 'n algehele telling van 1,755 punte. Net agter hulle, op die 2de plek, was Hoërskool Ben Viljoen met 1,655 punte, en in 3de plek het Hoërskool Ellisras met 1,649 punte gespog – 'n besonder naby stryd vir die podiumplekke.

Vir die Frikkies was dit 'n spesiale geleentheid om die jaar se Interhoërreeks af te sluit – en ook 'n kans om hul eie span se harde werk te vier. Die dag is afgesluit met medaljes, trofee en 'n gevoel van eenheid wat die gees van interskole-sport perfek weerspieël. Volgende jaar kyk almal uit na die 62ste Bosveld Interhoër, wat by Hoërskool Ellisras aangebied sal word.

The Rhinos are dedicating their Pick n Pay Golden Cup campaign to the late Bevin Fortuin — making every try, tackle, and victory all the more meaningful in his honour and keeping his legacy alive on the field.

Rhinos charge ahead in Golden Cup – Playing for Bevin

Setaria – Northam Platinum Rhinos Rugby Club kicked off their Pick n Pay Golden Cup journey with power, passion, and purpose on Saturday, 27 September 2025, when they faced the Welkom Rovers. The Rhinos stormed to a remarkable 101–11 victory, securing their spot in the second round. This coming Saturday, 4 October 2025, the Rhinos will defend their home turf as they clash against Centurion Rugby Club. Kick-off is at 16:00, and supporters are urged to come in numbers to cheer on the team.

But this year's tournament is about more than rugby. It's about honour. "Everything we do in this Golden Cup is for Bevin Fortuin. Though he is no longer with us, his memory and spirit drive us forward. This entire campaign is dedicated to him," said assistant coach Flip de Kock.

Bevin Fortuin, remembered as a leader and friend, left a lasting mark on the Rhinos family. In tribute, the team unveiled their new rugby jersey dedicated to him, a symbol of playing not only for victory, but for legacy.
