Another Life Lost on the R510

The wreckage of the Toyota Hilux Legend — a tragic reminder of how unforgiving the R510 can be.

A Volkswagen Polo involved in the second crash — this time, all occupants escaped without injury.

R510/ Thabazimbi / Northam – Tragedy struck once again on the infamous R510 when a fatal accident claimed yet another life late Friday night, 31 October 2025. At approximately 23:00, a Toyota Hilux Legend veered off the road at the Sentrum T-junction, resulting in a devastating single-vehicle crash. Emergency responders — including P&K Towing and Recovery, Thabazimbi SAPS, Thabazimbi State Ambulance, and Bela-Bela Pathology — rushed to the scene. Sadly, the driver was declared deceased on-site. The cause of the accident remains under investigation. “Each life lost on the R510 is one too many,” said Abraham

Lebogo of P&K Towing and Recovery. “We urge all road users to stay alert, drive defensively, and respect this dangerous stretch of road — especially at night.” Then, in the early hours of Sunday, 2 November 2025, another accident occurred on the same route, this time involving two vehicles traveling toward Northam. Thankfully, no injuries were reported. Responding to the scene were P&K Towing and Recovery, Northam SAPS, and Waterberg District Ambulance Services. The cause of the collision is still unknown. **P&K Towing and Recovery press release extracts**

Limpopo's Landfill Crisis Deepens

Entrance to the Mokopane landfill site — one of Limpopo's poorly rated facilities in AfriForum's audit, highlighting the province's deepening waste management crisis.

AfriForum 2025 Landfill Audit — Limpopo Snapshot

- 14 sites audited in Limpopo
- Only 1 (Tzaneen) passed with 88%
- Thabazimbi landfill: 0% compliance
- National failure rate: 85.8%
- AfriForum calls for ministerial intervention

Thabazimbi – Limpopo's waste management crisis has reached alarming levels, with a new AfriForum audit revealing that just one out of 14 landfill sites in the province meets the minimum legal standards for responsible waste management. The findings come as a major blow for local municipalities — including Thabazimbi, which scored a zero in the assessment. AfriForum's nationwide landfill audit examined 189 waste sites across South Africa. The results show that 85.8% of landfills failed to comply with environmental, health, and safety requirements. Only the Tzaneen landfill, managed through a private contractor, achieved a passing mark of 88%. Sites in Groblersdal (74%) and Musina (78%) narrowly missed the cut, while others, including Ellisras (42%) and Thabazimbi, fell far short.

"The condition of landfill sites in Limpopo is a serious concern," said Hendrik Kotzé, AfriForum's provincial coordinator. "A lack of resources, accountability, and proper management systems has turned many sites into environmental hazards. The only successful site is privately managed — and that says a lot."

The audit found that municipal mismanagement and poor enforcement are the biggest culprits behind the ongoing deterioration. AfriForum has since announced plans to engage directly with Minister of Forestry, Fisheries and the Environment Dr Dion George to demand a formal investigation into Limpopo's non-compliant municipalities. The civil rights organisation says residents' constitutional right to a clean and healthy environment is being compromised.

ERM CVS to Conduct On-site IRMA Assessment of Valterra Platinum Amandelbult Mining Complex

ERM CVS Seeks Input from Local Community and Other Stakeholders

Today, 24 October 2025, ERM CVS announces that on 18-20 November 2025 it will visit the Valterra Platinum Amandelbult mining complex in South Africa's Limpopo province to conduct an independent, third-party Initiative for Responsible Mining Assurance (IRMA) surveillance assessment of the operation.

The initial audit report of Valterra Platinum's Amandelbult mining complex was released on 16 February 2024 with an achievement level of IRMA 50. The report is available on the IRMA website: <https://responsiblemining.net/site/amandelbult>.

The onsite surveillance audit will verify that the site operations continue to align with the performance previously recognized in the initial audit report. The audit team will verify that the mine's systems and controls are still in place and are functioning effectively, that no major changes have occurred that negatively affect the mine's performance, and that the site is progressing on its corrective action plan. The audit will also include confidential interviews with workers and engagement with community stakeholders. Following the completion of the surveillance audit, a report will be published on the IRMA website.

The abbreviated surveillance audit summary report will provide Valterra Platinum and stakeholders insight into continuity of operations, material changes, and evidence of continued improvement. A full reassessment audit will occur three years after the release of the initial audit report.

18 – 20 November 2025

Your comments will help ERM CVS assess the impact of Valterra Platinum's Amandelbult mine on local communities and measure its performance against best mining practices. ERM CVS invites you to sign-up for an interview with auditors during the surveillance audit, and/or submit written comments about Valterra Platinum Amandelbult mine using the contact details below.

Interviews can be held in English, Setswana, Sepedi and isiXhosa. You must contact us before 11 November 2025 to be interviewed. Written comments submitted before 19 November 2025 will be incorporated into the results of this audit.

SOULFOOD

PSALM 146: 8-10

The LORD opens the eyes of the blind;
The LORD raises those who are bowed down;
The LORD loves the righteous.
9 The LORD watches over the strangers;
He relieves the fatherless and widow;
But the way of the wicked He turns upside down.

10 The LORD shall reign forever—
Your God, O Zion, to all generations.

Praise the LORD!

HAVE YOUR SAY

Are you keeping yourself busy with things that won't add value to your life two or three years from now?

In today's fast-paced world, it's easy to fill our days with distractions instead of purpose. From endless scrolling to overcommitting, many of us stay "busy" without real growth. What truly matters is how we invest our time — towards learning, relationships, and goals that shape our future. What's your view?

"Honestly, I think most of us fall into that trap sometimes. It's easy to stay busy without real progress. I've started being more intentional with my time — focusing on learning new skills, spending time with family, and building something meaningful for the future."

Flip de Kock,
Thabazimbi

"It's important to regularly assess whether what you're doing today supports your long-term goals. If you stay busy with things that don't add value, you risk feeling stuck and unfulfilled later on."

Abraham Lebogo,
Thabazimbi

During the 2023 Rugby World Cup, the Springboks reportedly consumed over 200 kilograms of meat per week! With muscle recovery key to performance, team chefs served protein-packed braais, pap, and even biltong snacks. Turns out — world champions are powered by proudly South African flavour!

Thabazimbi se trots slaan vas!

Thabazimbi – Met meer as 270 deelnemers wat op 25 Oktober 2025 by die Battle of the East-toernooi in Brakpan meedingend het, het Thaba Kickboxing Club weer eens bewys dat hulle 'n krag is om mee rekening te hou. Die jong vegters het uitstekend gevaar en trots vir hul dorp gemaak:

- Rohan Erasmus het met 'n goud medalje huis toe gekom;
- Xander Pretorius het drie keer sy man gestaan en drie silwermedaljes ingepalm;
- Rati Nkwana het ook uitgestyg met een goud én een silwer.

Afrigters sensei Chris Pretorius, sensei Lourens du Plessis en sensei Justin Olivier sê hulle is ongelooflik trots op hul span se harde werk en dissipline.

Rhinos Gear Up to Charge Again!

Setaria – After a powerhouse season filled with grit, tackles, and teamwork, the Northam Platinum Rhinos Rugby Club is taking a well-earned breather as their 2025 rugby season wraps up.

But rest is short-lived for these determined players! "Training for the 2026 season kicks off on Monday, 10 November 2025 — and the Rhinos are gearing up to dominate in 2026," said assistant coach Flip de Kock.

'N WARE VOORTREKKER-DAG BY LAERSKOOL THABAZIMBI

Lag en leer hand aan hand – van links: Faf, mnr Nico Engelbrecht (adjunkhoof van Laerskool Thabazimbi) en Kuifie deel 'n vrolike oomblik tydens die opedag.

Onder die leiding van kommandoleier Danie Naudé en sy entoesiastiese span het die Ysterberg-offisiere en jeuglede hul beste gegee om elke besoeker tuis te laat voel en om te wys wat dit beteken om 'n ware Voortrekker te wees. Volgens die groep was die doel eenvoudig: om jong maahtjies bekend te stel aan die avontuurlike wêreld van die Voortrekkers — waar vriendskap, diensbaarheid en liefde vir ons land hand aan hand loop met lag, avontuur

en leer. Ouers wat graag hul kinders wil inskryf vir hierdie opwindende buitemuurse aktiwiteit, kan gerus kontak maak met die Ysterberg-span:

Thabazimbi – Die Ysterberg Voortrekkers het op Saterdag, 1 November 2025, hul tente en glimlagte opgerig by Laerskool Thabazimbi se opedag — en dit was 'n fees van pret, trots en pioniersgees!

Die groot trek van die dag?
Niemand anders nie as Faf
& Kuifie! Hierdie geliefde
gaste het die opgewonde
voornemende Gr. 1-maatjies
met ope arms verwelkom en
sommer vinnig nuwe vriende
gemaak.

'n Dag vol trots en pioniersgees! Agter van links: Danie Naudé (kommandoleier), Sophia Jarman, Helena Pieterse, Faf, Kuifie, Luzaan van der Westhuizen (spanoffisier), JR van der Westhuizen en Alice Jarman. Voor: Nelia Pieterse (Ysterberg bemaking).

Sunshine and smiles at Boskabouter Kleuterskool

Happy kids, happy hearts — the Boskabouter Kleuterskool learners enjoyed every moment of their fun-filled October day!

Thabazimbi – Boskabouter Kleuterskool's annual October Fun Day, held on Wednesday, 22 October 2025, was filled with laughter, sunshine, and boundless excitement.

With the end of the school year drawing near, this special day was a well-deserved treat for the learners who have worked hard to grow and learn to their full potential. The event was especially meaningful for those little ones preparing to start Grade R next year, as well as the younger friends looking forward to welcoming new classmates

in 2026. Activities included hula-hoop fun, stilt walking, jungle gym adventures, ball games, and much more. The children also enjoyed delicious snacks, healthy lunches, and of course — a sweet scoop (or two) of ice cream!

October Fun Day was a wonderful success — a celebration of learning, friendship, and the pure joy of childhood.

The Boskabouters reminded everyone why play is such an important part of every child's journey of growth.

TAR REALLY NEEDS YOUR HELP

Thabazimbi – There is a special plea to the community of Thabazimbi to support Thabazimbi Animal Rescue (TAR), your local animal shelter. TAR needs donations of food. The facility is filled with animals that need your help. Please assist TAR to feed the animals in their care. Without donations they will not be able to feed, home and medically treat the animals. The community has proven time and again how they can stand together and support this worthy cause and this time is no exception. **For more information, please contact TAR on 084 885 6487.**
