PIPELINE OF POSSIBILITY

Thabazimbi — It's not every day that a R17 billion national project arrives at your doorstep. But for communities in Thabazimbi, Northam and Regorogile, the long-awaited Mokolo Crocodile Water Augmentation Project – Phase 2A (MCWAP-2A) could be just that — a once-in-a-generation opportunity for jobs, business and progress. The Trans-Caledon Tunnel Authority (TCTA), which is implementing the project on behalf of the Department of Water and Sanitation, officially introduced the chief engineer and main contractor during a community meeting held at Regorogile Community Hall on Tuesday, 11 November 2025. The session, hosted by the Thabazimbi Local Municipality, drew a full house — with mayor cllr TJ Pilane, EXCO members, ward and PR councillors all pledging their support.

Jobs, skills and local business

The MCWAP-2A project will transfer water from the Crocodile River (West) to Lephalale, supplying Eskom's Medupi Power Station, mines, and communities — and is expected to create around 2,000 job opportunities locally. Employment registration dates will be announced soon, covering positions for skilled workers, electricians and unskilled labourers. A business database is also being developed for local SMMEs, who will need to be registered on the central supplier database (CSD) and have a valid MAAA number to qualify. But the benefits go beyond jobs. The TCTA confirmed that training and upskilling programmes will accompany the project, preparing residents with technical and construction skills that last far longer than the build itself. Preference will be given to women, youth and people with disabilities, ensuring the project's impact is inclusive and empowering.

Community members from Regorogile and surrounding areas attended the introduction meeting of the Mokolo Crocodile Water Augmentation Project – Phase 2A, hosted by the Thabazimbi Local Municipality.

A project to watch

While excitement is high, local leaders also urge patience and participation. With major infrastructure work comes temporary disruptions — from construction traffic to noise and dust — but the promise of sustainable opportunity outweighs the inconvenience. Community engagement sessions will continue next week in Northam, Rooiberg and Smashblock, ensuring that everyone in the Thabazimbi area has a voice in this transformation.

"This project is more than water — it's renewal flowing through our community," said one Regorogile resident after the meeting. "We're ready to roll up our sleeves."

For updates, follow the Thabazimbi Local Municipality Facebook page or visit upcoming community meetings.

Police Seize Illegal Firearms in Northam

Northam/ Rustenburg – A coordinated police operation has led to the arrest of a 41-year-old suspect and the recovery of a firearm, ammunition, and stolen goods. On Sunday, 9 November 2025, members of the Northam Detectives, Rustenburg Tactical Response Team (TRT), and the Thabazimbi Crime Intelligence Unit carried out an intelligence-driven joint operation that led to the suspect's arrest in Boitekong, Rustenburg. According to colonel Malesela Ledwaba, the man was linked to a theft out of motor vehicle case committed in Northam during October. "During the operation, police recovered a pistol with cartridges and a magazine, along with a laptop and iPhone that had been stolen," he said. "Some of the property had already been sold to different individuals." While tracing the firearm, officers received information about a bag left behind at a local tavern. When they searched it, they discovered the weapon inside. Rustenburg LCRC attended the scene for further forensic processing. The provincial commissioner of police in Limpopo, lieutenant general Thembi Hadebe, commended the collaborative work of the teams involved and thanked community members who continue to share valuable information with law enforcement.

Training in action – Thaba Fire and Rescue team members hone their lifesaving skills during a Level 3 First Aid course presented by Nelko Training.

Thaba Fire and Rescue levels up their first aid skills

Thabazimbi – When they're not saving lives, rescuing people from mountain ledges, or putting out dangerous fires — the dedicated team of Thaba Fire and Rescue (TFR) is hard at work sharpening their skills to stay one step ahead of any emergency. On Saturday and Sunday, 8–9 November 2025, nine TFR members successfully completed a Level 3 First Aid course presented by Nelko Training, a professional emergency response training provider. The course equipped the team with advanced lifesaving knowledge and hands-on experience to handle critical incidents with confidence. "Continuous training is vital in our line of work. The more skilled our team is, the more lives we can save — and the safer our community becomes," said Pierre Loots, CEO of Thaba Fire and Rescue. The weekend training was a mix of theory and practical exercises — from simulated accident scenes to emergency patient care.

Mr. GC Letsoalo (CA) SA | MUNICIPAL MANAGER

Die amptelike onthulling van die kloktoring – ’n trotse oomblik vir die Graad 7-leerders van 2025, hul onderwysers en ouers. Die klok lui nou as herinnering aan hul harde werk en toewyding.

’n Boks vol drome – die tyd kapsule word sorgvuldig in die muur verseël nadat elke leerder hul eie briefie daarin geplaas het. ’n Simbool van vandag se kinders wat hul stem vir môre bewaar.

Die klok lui vir die toekoms!

Thabazimbi – Op Vrydag 7 November 2025 het Laerskool Thabazimbi se Graad 7-leerders en leiergroep hul merk op die skool se geskiedenis gelaat met die amptelike inwyding van ’n pragtige kloktoring – ’n simboliese geskenk en nalatenskap aan hul alma mater.

Elke jaar laat die Graad 7’s iets besonders agter vir hul skool, en dié jaar se groep het met trots besluit om ’n kloktoring te bou wat die begin én einde van elke leerder se skoolreis verteenwoordig. Die idee is eenvoudig, maar betekenisvol: Graad 1-leerders sal die klok lui wanneer hulle hul skoolloopbaan begin, en weer as hulle in Graad 7 afskeid neem – ’n mooi herinnering aan groei, samehörigheid en trots.

’n Tyd kapsule vir die toekoms

Tydens die bou van die kloktoring is ’n tyd kapsule in die muur ingebou – ’n kosbare boks vol herinneringe. Elke leerder van Graad 1 tot Graad 7 het ’n persoonlike brief geskryf, met hul naam en drome daarin, wat saam verseël is. Hierdie tyd kapsule sal oor 50 jaar weer oopgemaak word, as ’n spesiale blik op die verlede – en ’n viering van die geskiedenis en gees van die Laerskool Thabazimbi-gemeenskap. Iedenis en gees van ons skoolgemeenskap.
