**Thabazimbi** – An early-morning incident at the Elandskuil Low Water Bridge gave local road users quite a scare on 3 December 2025, when a truck landed in the river shortly after 03:00. According to Pierre Loots, CEO of Thabazimbi Fire and Rescue, the driver misjudged the bend on the approach to the bridge, causing the vehicle to veer off and end up in the water. Police were the first on the scene, confirming that the driver was safely out of the vehicle before emergency services arrived.

By 06:00, Thaba Fire and Rescue (TFR) reported that the bridge remained open, but motorists were urged to cross slowly and with caution. Due to unsafe conditions, recovery operations are not advised for any divers at this moment. This incident echoes a previous article reported in the *Platinum Bushvelder* on 5 April 2025, when another truck encountered trouble at the same low water bridge. On that occasion, high river flow caused by the release of sluice gates at Hartbeespoort Dam rendered the bridge unsafe and completely impassable.

#### REMINDER

**If you commute across Elandskuil Low Water Bridge:**

- Reduce speed approaching the curve.
- Do not attempt crossing when water levels rise.
- Never enter river water — even for a rescue attempt.

A heavy truck rests partially submerged after misjudging a turn on the Elandskuil Low Water Bridge. The driver escaped unharmed.

## Suspect escapes from police custody at Thabazimbi Court

*Platinum Bushvelder newspaper | Thabazimbi* – The Thabazimbi community has been urged to remain alert after an escape from police custody on Monday, 1 December 2025. Thirty-three-year-old Marshall Mugwira, facing a charge of aggravated robbery, fled moments after appearing at the Thabazimbi Magistrate's Court. According to police reports, Mugwira had already been placed in the back of a police van for transport when he allegedly kicked the vehicle's door off its railing, creating an unexpected opportunity to escape. Still handcuffed, he sprinted away from the court precinct before officers could restrain him.

Local residents were quickly notified of the situation, with authorities stressing that members of the public should not approach him under any circumstances.

Mugwira is accused of stealing a gas stove, solar batteries, and inverters valued at approximately R69,000. He is scheduled to return to court on 19 January 2026, and his failure to appear could result in additional charges.

Police are now appealing to community members for assistance.

**Anyone with information about Mugwira's whereabouts is asked to contact captain du Plessis on 082 565 7611, and to allow trained officers to handle the situation. Do not confront him.**

# Narrow escape on the R511

**Platinum Bushvelder newspaper | Thabazimbi**  
– In the early hours of Sunday, 30 November 2025, emergency teams rushed to the scene of a collision approximately 30 km outside Thabazimbi on the R511 (Brits road). The incident occurred around 02:00, when a light motor vehicle made contact with the rear wheels of an oncoming truck’s trailer. One person sustained injuries and received immediate medical attention on site. Present at the scene were Thaba Fire and Rescue, Eagle Trauma Rescue, Thabazimbi SAPS, PK Towing, and the

District Ambulance Service.  
“A collision at that hour is always high-risk. We are grateful that the injured individual could be assisted swiftly. The teamwork between all responding agencies made a significant difference,” said Pierre Loots, director of Thaba Fire and Rescue. Authorities continue to investigate the cause of the incident, and motorists are reminded to remain vigilant when travelling at night, especially on long, unlit rural routes like the R511.

## Child assault trial stretches into 2026

*Platinum Bushvelder newspaper | Thabazimbi* – The child assault case involving Ria Oberholzer, Petrus Oelofse and Jesica Hull has been postponed once more. After several delays since the trial began in March 2024, the matter — last moved to 2 December 2025 — has now been rescheduled to 19 and 20 January 2026 for further hearing in the Thabazimbi Magistrates’ Court. The accused, who remain out on bail, face charges ranging from sexual assault and child neglect to assault with intent to cause grievous bodily harm.

## Arrest Made in Brutal Murder of 77-Year-Old Farmer

*Platinum Bushvelder newspaper | Baltimore, Tolwe* – A 28-year-old man, Hendrik Chimole, has been arrested in connection with the brutal murder of well-known Tolwe farmer Attie Mahne (77), who was attacked and killed during a violent home invasion at his farm, Cosmopolite, on Saturday, 29 November 2025.

The arrest was made in the early hours of Tuesday, 2 December, following an intensive investigation by members of the Provincial Murder and Robbery Unit, Tolwe detectives, Bosveld Misdaad Ondersoeke, and private farm security group Bosveld Plaasbeveiliging. Limpopo Provincial Police commissioner lieutenant general Thembi Hadebe confirmed and welcomed the arrest.

According to Sakkie Louwrens of Bosveld Misdaad Ondersoeke, Chimole appeared briefly in the Senwabarwana Magistrate’s Court on Wednesday, 3 December. The case was postponed to Thursday at the Tolwe Court to allow him time to apply for legal representation. He is expected to appear again in the Senwabarwana Court as proceedings continue.

Police reports indicate that Mahne left his farmhouse around 4 pm to check on his cattle. During this time, two intruders — identified as Chimole and a second known suspect still at large, presumably Chimole’s brother — entered the home and tied up Mahne’s wife at knifepoint.

When Mahne returned, he was confronted, overpowered, bound, and severely assaulted. His wife later managed to free herself and alerted the local farm watch. Neighbours and police responded and found Mahne unconscious and still tied. Emergency Medical Services declared him dead at the scene. A firearm and an undisclosed amount of cash were reported stolen from the home.

Police confirmed that efforts to track down the second suspect are ongoing. The investigation remains active, and authorities have urged anyone with information to come forward.

## Together, we turn the page on 2025

Letter from the Editor - Myrtle van Zyl

As we turn the final pages of 2025, I would like to extend my deepest gratitude to every one of our readers. This year has been extraordinary — testing us, strengthening us, and reminding us of the power that lives within a united community.

**Every call we receive... every WhatsApp... every inbox message... becomes a note. That note becomes an article. That article becomes awareness.**

**And awareness becomes action.**

Thank you for trusting us with your stories, your concerns, your celebrations, and your heartbreaks. It is through your voices that the *Platinum Bushvelder* continues to stand strong, and continues to serve the heartbeat of Thabazimbi.

Thank you for walking this journey with us, for your loyalty, and for allowing us to be part of your weekly life.

**A year of gratitude and resilience**

As we look back over the climate and conditions around Thabazimbi, we are grateful that this year brought fewer devastating fires than the last. With sincere appreciation, we acknowledge Tabá Fire and Rescue, whose dedication as an NGO continues to save lives, protect property, and keep watch over our community. Your courage does not go unnoticed, and your sacrifices are deeply valued.

We also extend heartfelt thanks to the Thabazimbi Local Municipality. Though 2025 brought many challenges — ongoing water shortages, frequent electricity outages, and infrastructure strain — we see the tireless work being done daily. These are not quick fixes, nor easy ones, but we recognise your efforts, your perseverance, and your commitment to trying to improve the lives of every resident. May 2026 bring longer, more stable periods of water and electricity for all.

**The people who make Thabazimbi unique**

Thabazimbi is rare. It’s a place where, when crisis hits, people respond without hesitation. Nowhere else have I witnessed the level of unity, generosity, and heart that exists here. Whether it is fundraisers for families in crisis,

support for someone living with cancer, clothing drives and community upliftment projects, and events for our children, our scouts, or any group in need... our people stand together. This spirit — this unwavering willingness to help — is our greatest strength. It is the heartbeat of our town. It is what makes Thabazimbi home.

And it is an honour to serve such a community.

**Honouring those who serve**

To all our emergency personnel — hospital staff, ambulance teams, towing services, doctors, nurses, and everyone who stepped forward in our moments of greatest need — thank you. This year brought moments where life hung in the balance, and you were there, steady and compassionate. Your service saves lives. Your humanity strengthens our community.

We also honour our teachers — those who pour into our children, shape young minds, and build the leaders of tomorrow. Your impact is immeasurable.

**A special thank-you to our NGOs, NPOs, old-age homes and churches**

Behind the scenes of every strong community stands an army of quiet heroes.

To every NGO and NPO, thank you for filling the gaps others cannot — feeding the hungry, comforting the hurting, uplifting those who are struggling, and stepping in when the need is greatest. You are often unseen, yet your work changes lives.

To our old-age homes, thank you for the patience, love, and dignity with which you care for our elders. You honour the generations that came before us, and you carry their stories with tenderness.

To every church and faith-based organisation, thank you for being pillars of hope. Your prayers, outreach programmes, counselling, youth guidance, and humanitarian efforts bring light into difficult places. You remind us that kindness, faith, and unity can rebuild what hardship tries to break.

This town is stronger because of you.

**With thanks to our local industries**

## HAVE YOUR SAY

Do you think it’s acceptable for children to smoke a vape?

Vaping among schoolchildren is rising sharply, with studies showing that nearly one in three Grade 12 learners now vape. While marketed as “safer than cigarettes,” vapes still contain addictive nicotine and harmful chemicals. We’d love to hear your view — should vaping ever be considered acceptable for children?

“No, definitely not. Vaping harms children’s health, affects their focus and learning, and can increase anxiety. Their bodies and brains are still developing, and nicotine can create dependency that may lead to addiction.”

— **Angeline Mothupi, Thabazimbi**

“No, it is completely unacceptable for schoolchildren to vape. It’s no different from smoking tobacco — in fact, it may even be more dangerous than cigarettes.”

— **Hennie van Wyk, Thabazimbi**

Here’s how you can participate. Email us at [news@platinumbushvelder.co.za](mailto:news@platinumbushvelder.co.za) or WhatsApp your response to 081 579 7000.

**Include the following:**

- **Your answer:** Yes or No
- **Why?** We want to hear from you!
- **A recent photo** – We’d love to publish your pic alongside your answer!
- **Your town/city**
- **Deadline** – Be sure to send your response before 12:00 on Monday, 8 December 2025.

**Vote results:** The outcome of the poll will be featured in our next issue. Be a part of our community’s story!

**P.S.:** Don’t forget, you can also voice your opinion on our Facebook post about this topic. Join the conversation!

## FUN FACT

### Did you know?

Ancient cultures created holidays to mark seasons, honour gods, and unite communities. Romans had *feriae*, days reserved for rest, and Egyptians celebrated the harvest.

In the Bible, God commands people to work six days and rest on the seventh — the Sabbath — helping establish a divine rhythm of labour and pause. Religious traditions later shaped many global holidays, and by 1880 the U.S. formalised its first federal holiday. Today, holidays blend ancient rituals, cultural identity, and society’s shared need for rest.

**Makoppa** — Die Makoppa Boerevereniging se jaarlikse Boeredag het op Saterdag, 29 November 2025, sowat 450 mense bymekaar gebring vir 'n dag vol plaaspret en gemeenskapsgees. Die geleentheid, wat saam met Laerskool Van Wykskraal aangebied word, bied elke jaar 'n kans vir boere, families en dorpsbewoners om kultuur en samehorigheid op 'n gesellige manier te vier. Deelnemers van omliggende dorpe soos Koedoeskop, Dwaalboom, Rooibokkraal en Sentrum het aan tradisionele boersport en ander gesinsaktiwiteite deelgeneem. Die dag, vol lag en leefgenot, is ondersteun deur lojale borge soos Obaro, Koedoeskop Kunsmis, Afrivert, Landini en AFGRI, wat help om beide die plaasgemeenskap en die plaaslike skool te versterk. Die hoogtepunt van die aand was 'n energieke optrede deur die gewilde gaskunstenaar Riaan Benade, wat die dag op 'n onvergeetlike noot afgesluit het. Die jaarlikse Boeredag bly 'n geliefde tradisie en 'n spesiale manier om die jaar saam as gemeenskap af te sluit.

# EVERY STAR SHINES AT SPITSKOP

Young stars of Spitskop Special Needs School light up the stage with courage, joy, and unforgettable talent.

**Platinum Bushvelder newspaper | Thabazimbi** – On 19 November 2025, Spitskop Special Needs School hosted its much-loved annual concert, “Spitskop’s Got Talent”, in celebration of creativity and community spirit. The event, held alongside the school’s annual general meeting (AGM), brought together families, teachers, and supporters for an uplifting evening. Learners delighted the audience with a colourful variety of performances — singing, dancing, poetry, drama, and music — each one showcasing their unique strengths and growing confidence. The dedication of teachers, parents, and community members shone just as brightly, reminding everyone of the power of encouragement and teamwork. During the AGM, the school reflected on its progress and shared important updates, strengthening partnerships with parents and stakeholders. As applause filled the hall, the message of the evening was clear: Spitskop’s children have incredible potential, and nights like these allow their talents to truly shine.

# Oud-Frikkie, Benhard Janse van Rensburg, breek nuwe grond

Van Bosveld-veld tot Engelse vlakke: Oud-Frikkie se trots, Bristol Bears-held Benhard Janse van Rensburg, vlieg dalk nou vir Engeland uit!

**Platinum Bushvelder koerant | Thabazimbi** – Die voormalige Hoërskool Frikkie Meyer-leerling en huidige Bristol Bears-ster het amptelik toestemming gekry om vir Engeland beskikbaar te wees, nadat World Rugby 'n uitsondering goedgekeur het op grond van sy kort 2016-verskyning vir die Junior Springbokke. Benhard, 'n veelsydige binne- en buitensenter wat ook as losskakel kan inspring, het die afgelope seisoene 'n uitstaande rol in die Bears-agterlyn gespeel. Voorheen het hy vir die Luiperds, Sharks en Cheetahs uitgedraf, voordat sy loopbaan hom Engeland toe geneem het. Vir sy tuisdorp en oud-skool is dit groot nuus: 'n plaaslike talent wat homself op die wêreldverhoog gevestig het — en nou selfs nasionale keuses het. Of hy uiteindelik vir die “Rose” sal uitdraf, bly om te sien, maar dat hy ons trots maak, staan vas.

## TRAVEL TIPS

**Seat Covers & Cushions:** Long drives get tiring. Supportive seat cushions or lumbar support can make a huge difference.

**Pack Smart with Roof Racks:** Always secure your load tightly and double-check the straps before hitting the road. Keep heavier items inside the vehicle for better balance and safety.

**Protect Your Ride with Mats:** Long trips mean dust, mud, and spills. A good set of floor mats keeps your car interior clean and easy to maintain.

**Visit your nearest Midas store today and get road-trip ready!**

## TRAVEL TIPS

### Do a Pre-Trip Check

- 📍 Inspect tyres on both the towing vehicle and trailer (including the spare).
- 📍 Check lights, indicators, and brake connections.
- 📍 Ensure the tow hitch is secure and safety chains are attached.
