Platinum Bushvelder newspaper | Thabazimbi – A 12 kg carp, laughter with school friends and dreams of becoming a gamer – these are some of the things that fill Johandr  Blom's world today. The little boy who holds a special place in Thabazimbi's heart turned nine on Thursday 15 October 2026. After losing his arm in a crocodile attack on 21 March 2025, he has been learning new ways to do everyday things, finding his independence and making time for what he loves. *Platinum Bushvelder* has followed Johandr 's recovery. In this follow-up,

his family shares the milestones, the difficult days and their gratitude for a community that helped carry them through. R64,620 cigarette stash goes up in smoke

Platinum Bushvelder newspaper | Thabazimbi – A tip-off led police to an RDP house in Regorogile Extension 5, where they uncovered 359 cartons of illicit cigarettes concealed in boxes on Saturday night, 17 October 2026. The haul of Remington Gold cigarettes, valued at an estimated R64,620, resulted in the arrest of a 37-year-old tuck-shop owner. According to police spokesperson brigadier Hlulani Mashaba, Thabazimbi Crime Prevention members were on routine patrol when they received information that the shop owner was storing illicit cigarettes at a separate property nearby. Officers searched the identified house and discovered the stash. Police said the suspect could not satisfactorily explain the origin and possession of the cigarettes. He was expected to appear before the Thabazimbi Magistrate's Court on Monday, 19 October, on a charge of possession of illicit cigarettes. Police investigations continue.

Thabazimbi sexual assault trial to continue in December

Platinum Bushvelder newspaper | Thabazimbi – The trial of a Thabazimbi man accused of sexually assaulting a 13-year-old girl has been postponed to 1 December 2026 for further trial. The matter was before the court during proceedings scheduled for 13–16 October 2026, following an earlier appearance on 7 August. The accused was previously reported to be out on bail. He has not been convicted, and the case remains before the court.

Court no-show: arrest warrant issued, R5,000 bail forfeited

Platinum Bushvelder newspaper | Thabazimbi – A warrant of arrest has been issued for a man accused of inappropriately touching a primary school child after he failed to attend his scheduled court appearance on 19 October 2026. His R5,000 bail money was also forfeited. The accused had previously missed a court appearance on 29 September, after which the matter was postponed to 19 October. He appeared before the Thabazimbi Magistrates' Court on 24 and 28 August and was granted bail. He allegedly touched the child's breasts and buttocks. The allegations have not yet been proven in court, and the accused remains presumed innocent until proven guilty.

R510: The wait rolls into 2027

Platinum Bushvelder newspaper | Northam – Motorists hoping to see construction resume on the long-delayed R510 before the end of this year face a disappointing update: work on the remaining 27-kilometre stretch is now expected to begin in January 2027.

The latest timeframe was announced during a stakeholder engagement hosted by Thabazimbi Local Municipality (TLM), in partnership with the South African National Roads Agency SOC Ltd (SANRAL), in Northam on Tuesday 13 October 2026.

It comes shortly after Platinum Bushvelder's 9 October article, "R510: The meeting is over. When does the work begin?", reported SANRAL's earlier expectation that construction would start in October 2026, following mobilisation during August and September. Completion was then anticipated by 30 November 2027.

The municipality's latest statement gives no reason for the change in the expected construction start and does not indicate whether the earlier completion target remains achievable. For road users who have already waited years for the unfinished project to resume, January means

Attendees at the R510 stakeholder engagement in Northam on 13 October 2026, where the outstanding construction work was announced as expected to begin in January 2027.

another stretch of waiting.

The well-attended Northam session introduced SANRAL's presence in the area, provided an update on the R510 Upgrade Project and formally introduced the appointed contractor responsible for completing the outstanding works. According to TLM, the project was suspended several years ago.

Community members and stakeholders were given an opportunity to ask questions, seek clarity and offer input as SANRAL and the contractor outlined the planned work. Welcoming attendees, mayor cllr Andries Tshukudu emphasised the importance of keeping communities informed and giving them meaningful opportunities to participate in infrastructure projects that directly affect their lives.

Those present included municipal councillors, the municipal management team led by municipal manager Gopolang Clement Letsoalo, SANRAL representatives, the appointed contractor, stakeholders and community members.

Dagga worth an estimated R15,000 seized during the police operation in Northam's Block 7.

Tip-off leads to dagga and gun bust in Northam

Platinum Bushvelder newspaper | Northam – A tip-off led police to a house in Block 7, where they seized dagga worth an estimated R15,000, an unlicensed firearm, ammunition and cash on Saturday, 17 October 2026. Three suspects, aged between 25 and 44, were arrested after police received information that bags of dagga had allegedly been offloaded and were being sold at the property.

According to police spokesperson brigadier Hlulani Mashaba, officers discovered more than 30 five-litre bags containing dagga during the search, along with the firearm, ammunition and an undisclosed amount of cash. The suspects appeared before the Northam Magistrate's Court on Monday, 19 October, on charges relating to possession of dagga and possession of an unlicensed firearm and ammunition. Investigations continue.

Long-running child assault trial moves to November

Platinum Bushvelder newspaper | Thabazimbi – The child assault trial involving Ria Oberholzer, Petrus Oelofse and Jesica Hull has been postponed to 10 November 2026 for further trial.

The matter was previously scheduled to continue on 12 October, following a postponement on 27 August. The trial began in March 2024 and has faced numerous delays.

The three accused face charges including sexual assault, child neglect and assault with intent to cause grievous bodily harm. All three remain out on bail and are presumed innocent until proven guilty.

Van 'n groot seer tot 'n groot vangs: Johandr  droom verder

Platinum Bushvelder koerant | Thabazimbi – 'n Karp van 12 kg, pret saam met skoolmaats en 'n droom om eendag 'n *gamer* te word. Dit is van die dinge wat Johandr  Blom vandag opgewonde maak – 'n seuntjie wat n  'n ingrypende tragedie steeds sy eie belangstellings ontdek en aan sy toekoms bou.

Platinum Bushvelder het reeds oor Johandr  en sy herstelpad berig. In hierdie opvolg hoor ons hoe dit nou gaan met die seuntjie wat so na aan Thabazimbi se hart l . Johandr  het op 21 Maart 2025, toe hy net sewejaar oud was, sy arm in 'n krokodilaanval by Roodekopjesdam verloor. Op 15 Oktober 2026 het hy sy negende verjaardag gevier. Sedert die aanval moes hy en sy gesin by groot veranderinge aanpas, maar daar was ook kosbare mylpale: sy terugkeer skool toe, 'n nuwe prostese en die geleidelike herwinning van sy onafhanklikheid.

Volgens sy suster, Cun  Jansen, is dit besonders om te sien hoe hy aanhou probeer en nuwe uitdagings aanpak. Tog vra sy dat mense sal onthou dat 'n glimlag nie beteken elke dag is maklik nie.

Met sy prostese aan en 'n duim omhoog kyk Johandr  Blom die toekoms met 'n glimlag tegemoet.

“Hoewel Johandr  bekend is vir sy positiewe geaardheid en humorsin, beteken dit nie dat alles altyd maklik is nie. Hy moes leer om met groot veranderinge saam te leef,” vertel sy. Die gesin gee hom ruimte om sy emosies op sy eie manier te verwerk, sonder die verwagting dat hy altyd sterk moet wees.

Elke nuwe vaardigheid tel

Alledaagse take wat eens vanselfsprekend was, verg nou soms meer tyd, oefening en geduld. Johandr  probeer egter soveel moontlik self doen en het reeds vaardig geraak om met een hand reg te kom. Hy het onlangs 'n nuwe, ligter prostetiese arm ontvang. Die prostese is spesiaal vir hom ontwerp en word deur bewegings van sy skouer en bolyf beheer. 'n Haak help hom om voorwerpe vas te hou en sekere take met die ondersteuning van sy prostese aan te pak. Johandr  s  die nuwe arm is aansienlik ligter as sy vorige een. Hy leer nog hoe om dit ten beste te gebruik. By sy skool ontvang hy terapie en fisioterapie, saam met individuele ondersteuning. Hy vertel dat hy baie maats het en die skool geniet. “Dit is vir ons belangrik dat hy aanvaar word vir wie hy is, en nie net vir wat met hom gebeur het nie. Hy is steeds 'n gewone seuntjie wat wil speel, leer en saam met sy maats pret h ,” s  Cun .

Visstokke, rakette en rekenaarspeletjies

Johandr  speel tennis en padel by die skool en het ook steeds 'n groot liefde vir visvang. Hy en sy pa gaan gereeld saam visvang, en sy persoonlike beste vangs is 'n allemintige karp van 12 kg. Rekenaarspeletjies is nog 'n gunsteling. Hy is trots op sy vaardighede

en gebruik sy mond en een hand om sy speletjiebeheerder te hanteer. Sy droom? Om eendag 'n *gamer* te word. Vir sy gesin is dit belangrik om hom die geleentheid te gee om self oplossings te vind, al is die behoefte om te help soms oorweldigend. “Ons moes leer om hom sy spasie te gee om dinge self uit te werk, sonder om te veel oor te neem. So graag as wat ons alles vir hom wou doen, moes ons leer om terug te staan en hom te ondersteun,” vertel Cun .

Dankbaar vir 'n gemeenskap wat omgee

Die aanval het die hele gesin geraak. N  die aanvanklike skok en bekommernis oor Johandr  se lewe het 'n lang tyd van herstel en aanpassing gevolg. Hulle het nog nie weer die plek van die aanval besoek nie. Volgens Cun  het Johandr  ges  hy sal eendag wil terugkeer, maar hy is nog nie gereed nie. Die gesin respekteer dit en sal hom ondersteun wanneer hy wel gereed voel. Intussen bly hulle diep dankbaar vir die gemeenskap se bydraes. Volgens Cun  het di  ondersteuning gehelp om sy mediese uitgawes, rehabilitasie en 'n prostese te dek. Elke donasie het 'n verskil gemaak. Bo alles hoop die gesin dat mense Johandr  sal leer ken vir die kind wat hy is. “Ons wil h  mense moet verstaan dat Johandr  baie meer is as die krokodilaanval en die verlies van sy arm. Hy is 'n kind met sy eie persoonlikheid, drome, humorsin en vermo ns,” s  Cun . Met sy negende verjaardag pas agter die rug, is daar nog baie om na uit te sien: nuwe vaardighede, tyd saam met sy maats, nog 'n visvanguitstappie saam met sy pa – en dalk 'n karp wat selfs daardie 12 kg-vangs oortref.

Marakele mountain fire contained as park keeps watch

Platinum Bushvelder newspaper | Thabazimbi – A fire burning in the mountainous area of Marakele National Park since Friday 9 October 2026 remains under control, according to the park’s conservation manager, Tshifhiwa Mauda. The blaze, which has been moving down the mountain slopes, prompted enquiries from concerned community members. Mauda reassured the public that the fire remains within the park and is being monitored. He explained that natural fires form part of the Waterberg’s ecological cycle. These fires often begin high in the mountains following lightning strikes and gradually spread downhill. The cause of this particular fire was not specified. “Every second or third year, Marakele experiences fires that start at the top of the mountain and burn downwards,” said Mauda. To help protect neighbouring areas and park infrastructure, firebreaks are maintained along the boundary fence and around facilities. The park also carries out controlled block burns to reduce the build-up of old vegetation and other combustible plant material. While fires can threaten infrastructure and surrounding areas, they also play an important ecological role. By clearing old vegetation, they make way for fresh growth that provides food for wildlife. Certain plant species also depend on periodic fires for regeneration. Mauda reiterated that the situation remains under control, with ongoing monitoring forming part of the park’s fire management efforts.

On-site IRMA Audit of Valterra Platinum Amandelbult ERM CVS Seeks Input from Local Community and Other Stakeholders

Today, **14 October 2026**, independent audit firm ERM CVS announces that from **16-18 November 2026** and again on **30 November-3 December 2026** it will visit the Valterra Platinum Amandelbult mining complex in South Africa’s Limpopo province to conduct the on-site phase of its independent, third-party renewal audit of the operation’s performance against the Initiative for Responsible Mining Assurance (IRMA) Standard for Responsible Mining. Amandelbult extracts Iridium, Platinum, Palladium, Rhodium and Ruthenium.

While onsite, auditors will collect feedback from interested local stakeholders – anyone directly or indirectly affected by the mine -- including community members, mine workers, and government officials. Auditors will also inspect the operation and its associated facilities. Information can be submitted to the auditors prior to the onsite audit dates until the last date of the onsite audit.

An IRMA assessment results in a public audit report published on the IRMA website (see below for link). IRMA audit reports summarize the audit process, explain how and why the site scored against each of the 400+ requirements of the IRMA Standard, and refresh the site’s IRMA Achievement level. Interested parties may request a physical copy of the report from the audited site.

The audited site can use the findings from the audit to improve its practices. Stakeholders, particularly rights holders, affected communities and mine workers, may use the results of this audit and past audit reports to gain detailed information about the site and empower more collaborative engagement on improvements that matter most to them.

ONSITE AUDIT DATES:
16-18 November 2026 and 30 November-3 December 2026

Your comments will help ERM CVS assess the impact of Valterra Platinum’s Amandelbult mine on local communities and measure its performance against best mining practices. ERM CVS invites you to sign-up for an interview with auditors during the audit, and/or submit written comments about Valterra Platinum Amandelbult mine using the contact details below.

Interviews can be held in English, Setswana, Sepedi and isiXhosa. Interviews requested by 9 November 2026 can be conducted in-person or remotely. Rhinos dethrone champions, charge towards Gold Cup glory

A victory worth celebrating! Northam Platinum Rhinos players celebrate their 48–22 semi-final win over defending champions Sanlam Naka Bulls, securing a place in the Pick n Pay Gold Cup final.

Attie Buitendag, Limpopo rugby manager (left), with Northam Platinum Rhinos flyhalf Jaylen James, whose 21-point contribution earned him the player of the match award.

Platinum Bushvelder newspaper | Setaria – The champions have fallen, and the Northam Platinum Rhinos are one win away from making history! The Rhinos powered past three-time defending champions Sanlam Naka Bulls 48–22 in their Pick n Pay Gold Cup semi-final at Bushveld Park in Setaria on Saturday, 17 October 2026, securing their place in the grand final. Flyhalf Jaylen James delivered a standout performance, contributing 21

points and earning the player of the match award as the home side gave their supporters plenty to celebrate. For coach Nollis Marais and his team, the victory carried particular significance. Naka Bulls had beaten the Rhinos by just three points in the 2024 final, before ending their campaign again in last year’s semi-final at the same ground. This time, the Bushveld belonged to the Rhinos. Their awesome win sets up a showdown with C.

Steinweg College Rovers at Kings Park 3 in Durban on Sunday, 25 October, with kick-off at 14:00. Rovers booked their place with an equally convincing 48–11 victory over Durbanville-Bellville. The two finalists now stand on the brink of a milestone: neither has lifted the Gold Cup since the competition was introduced in 2013. The tournament is South Africa’s premier knockout competition for non-university rugby clubs, giving

community teams a national stage on which to prove themselves. For the Rhinos, the journey to Durban represents another opportunity to turn years of determination into a title. Having overcome the team that blocked their path in two successive campaigns, they head into the final with a powerful victory behind them and a first Gold Cup crown within reach. One match. Eighty minutes. A chance to bring the gold home!

HAVE YOUR SAY

Do you let your pet sleep on your bed?

For some, bedtime means cuddling up with a furry friend. Others prefer keeping their pillows free of paws and pet hair. Does your pet have a place beside you, or do they sleep in their own cosy spot?

“Ja, my twee troetelkinnars slaap by my. Kietekat is al 24 en slaap by my voete. Tjokkie, my miniatuurworshondjie, hou oor my wag. Dis wonderlik om te weet ek is nie alleen nie.”

Rita Volschenk, Thabazimbi

“No, he has his own comfortable spot beside my bed. On lonely nights, though, I sometimes make an exception for a little cuddle. He’s welcome for a short visit before returning to his own bed.”

Neo Meyer, Thabazimbi

A TINY BUMP WITH AN ANCIENT JOB...

Goosebumps form when tiny muscles attached to hair follicles contract, pulling hairs upright. Cold, fear or even moving music can trigger this automatic reflex. For our hairier ancestors, raised hairs helped trap an insulating layer of air, keeping them warm. In furry animals, the same response can also make them appear bigger when threatened. Humans have far less body hair, so goosebumps offer little protection against the cold. Those tiny bumps are a visible reminder of an ancient survival mechanism.
